21 PARTIES

23 of California. She brought this action solely in her official capacity and is represented in this
24 matter by Edmund G. Brown Jr., Attorney General of the State of California, by Beth Faber
25 Jacobs, Deputy Attorney General.

A copy of Accusation No. 04-2007-181656 is attached as exhibit A and incorporated herein by reference.

1 CULPABILITY

2 8. Respondent admits all the charges and allegations in Accusation No. 04-2007-
3 181656.

4 9. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
5 discipline and he agrees to be bound by the Medical Board of California's imposition of
6 discipline as set forth in the Disciplinary Order below.

7 CONTINGENCY

8 10. This stipulation shall be subject to approval by the Medical Board of California.
9 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
10 Board of California may communicate directly with the Board regarding this stipulation and
11 settlement, without notice to or participation by Respondent or his counsel. By signing the
12 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
13 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
14 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
15 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
16 action between the parties, and the Board shall not be disqualified from further action by having
17 considered this matter.

18 11. The parties understand and agree that facsimile copies of this Stipulated
19 Settlement and Disciplinary Order, including facsimile signatures thereto, shall have the same
20 force and effect as the originals.

21 12. In consideration of the foregoing admissions and stipulations, the parties agree
22 that the Board may, without further notice or formal proceeding, issue and enter the following
23 Disciplinary Order:

24 DISCIPLINARY ORDER

25 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A67110
26 issued to Respondent David Todd Asher, M.D. (Respondent) is revoked. However, the
27 revocation is stayed and Respondent is placed on probation for five (5) years on the following
28 terms and conditions.

1 1. ACTUAL SUSPENSION As part of probation, Respondent is suspended
2 from the practice of medicine for thirty (30) days beginning the 16th day after the effective date of
3 this Decision.

4 2. EDUCATION COURSE Within 60 calendar days of the effective date of
5 this Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its
6 designee for its prior approval educational program(s) or course(s) which shall not be less than 40
7 hours per year, for each year of probation. The educational program(s) or course(s) shall be
8 aimed at correcting any areas of deficient practice or knowledge and shall be Category I certified,
9 limited to classroom, conference, or seminar settings. The educational program(s) or course(s)
10 shall be at Respondent's expense and shall be in addition to the Continuing Medical Education
11 (CME) requirements for renewal of licensure. Following the completion of each course, the
12 Board or its designee may administer an examination to test Respondent's knowledge of the
13 course. Respondent shall provide proof of attendance for 65 hours of continuing medical
14 education of which 40 hours were in satisfaction of this condition.

15 3. COMMUNITY SERVICE Within 60 calendar days of the effective date of
16 this Decision, Respondent shall submit to the Board or its designee for prior approval a
17 community service plan in which Respondent shall within the first two years of probation,
18 provide eighty (80) hours of free services, which may be medical or non-medical, to a community
19 or non-profit organization.

20 Prior to engaging in any community service, Respondent shall provide a true copy
21 of the Decision to the chief of staff, director, office manager, program manager, officer, or the
22 chief executive officer at every community or non-profit organization where Respondent provides
23 community service and shall submit proof of compliance to the Board or its designee within 15
24 calendar days. This condition shall also apply to any change or changes in community service.

25 Community service performed prior to the effective date of the Decision shall not
26 be accepted in fulfillment of this condition.

27 4. ETHICS COURSE Within one year of the effective date of this Decision,
28 Respondent shall enroll in a course in ethics, at Respondent's expense, approved in advance by

1 the Board or its designee. Failure to successfully complete the course during the second year of
2 probation is a violation of probation.

3 An ethics course taken after the acts that gave rise to the charges in the
4 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
5 or its designee, be accepted towards the fulfillment of this condition if the course would have
6 been approved by the Board or its designee had the course been taken after the effective date of
7 this Decision.

8 Respondent shall submit a certification of successful completion to the Board or its
9 designee not later than 15 calendar days after successfully completing the course, or not later than
10 15 calendar days after the effective date of the Decision, whichever is later.

11 5. MONITORING - PRACTICE Within 30 calendar days of the effective date
12 of this Decision, Respondent shall submit to the Board or its designee for prior approval as a
13 practice monitor, the name and qualifications of one or more licensed physicians and surgeons
14 whose licenses are valid and in good standing, and who are preferably American Board of
15 Medical Specialties (ABMS) certified. A monitor shall have no prior or current business or
16 personal relationship with Respondent, or other relationship that could reasonably be expected to
17 compromise the ability of the monitor to render fair and unbiased reports to the Board, including,
18 but not limited to, any form of bartering, shall be in Respondent's field of practice, and must
19 agree to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

20 The Board or its designee shall provide the approved monitor with copies of the
21 Decision and Accusation, and a proposed monitoring plan. Within 15 calendar days of receipt of
22 the Decision, Accusation, and proposed monitoring plan, the monitor shall submit a signed
23 statement that the monitor has read the Decision and Accusation, fully understands the role of a
24 monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees
25 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the
26 signed statement.

27 Within 60 calendar days of the effective date of this Decision, and continuing
28 throughout probation, Respondent's practice shall be monitored by the approved monitor.

1 Respondent shall make all records available for immediate inspection and copying on the
2 premises by the monitor at all times during business hours, and shall retain the records for the
3 entire term of probation.

4 The monitor(s) shall submit a quarterly written report to the Board or its designee
5 which includes an evaluation of Respondent's performance, indicating whether Respondent's
6 practices are within the standards of practice of medicine or billing, or both, and whether
7 Respondent is practicing medicine safely, billing appropriately or both.

8 It shall be the sole responsibility of Respondent to ensure that the monitor submits
9 the quarterly written reports to the Board or its designee within 10 calendar days after the end of
10 the preceding quarter.

11 If the monitor resigns or is no longer available, Respondent shall, within 5
12 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior
13 approval, the name and qualifications of a replacement monitor who will be assuming that
14 responsibility within 15 calendar days. If Respondent fails to obtain approval of a replacement
15 monitor within 60 days of the resignation or unavailability of the monitor, Respondent shall be
16 suspended from the practice of medicine until a replacement monitor is approved and prepared to
17 assume immediate monitoring responsibility. Respondent shall cease the practice of medicine
18 within 3 calendar days after being so notified by the Board or designee.

19 In lieu of a monitor, Respondent may participate in a professional enhancement
20 program equivalent to the one offered by the Physician Assessment and Clinical Education
21 Program at the University of California, San Diego School of Medicine, that includes, at
22 minimum, quarterly chart review, semi-annual practice assessment, and semi-annual review of
23 professional growth and education. Respondent shall participate in the professional enhancement
24 program at Respondent's expense during the term of probation.

25 Failure to maintain all records, or to make all appropriate records available for
26 immediate inspection and copying on the premises, or to comply with this condition as outlined
27 above is a violation of probation.

28 ///

1 6. NOTIFICATION Prior to engaging in the practice of medicine, the
2 Respondent shall provide a true copy of the Decisions and Accusation to the Chief of Staff or the
3 Chief Executive Officer at every hospital where privileges or membership are extended to
4 Respondent, at any other facility where Respondent engages in the practice of medicine,
5 including all physician and locum tenens registries or other similar agencies, and to the Chief
6 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
7 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
8 calendar days.

9 This condition shall apply to any change(s) in hospitals, other facilities or
10 insurance carrier.

11 7. SUPERVISION OF PHYSICIAN ASSISTANTS During probation,
12 Respondent is prohibited from supervising physician assistants.

13 8. OBEY ALL LAWS Respondent shall obey all federal, state and local laws,
14 all rules governing the practice of medicine in California, and remain in full compliance with any
15 court ordered criminal probation, payments and other orders.

16 9. QUARTERLY DECLARATIONS Respondent shall submit quarterly
17 declarations under penalty of perjury on forms provided by the Board, stating whether there has
18 been compliance with all the conditions of probation. Respondent shall submit quarterly
19 declarations not later than 10 calendar days after the end of the preceding quarter.

20 10. PROBATION UNIT COMPLIANCE Respondent shall comply with the
21 Board's probation unit. Respondent shall, at all times, keep the Board informed of Respondent's
22 business and residence addresses. Changes of such addresses shall be immediately
23 communicated in writing to the Board or its designee. Under no circumstances shall a post office
24 box serve as an address of record, except as allowed by Business and Professions Code section
25 2021(b).

26 Respondent shall not engage in the practice of medicine in Respondent's place of
27 residence. Respondent shall maintain a current and renewed California Physician's and
28 Surgeon's license. Respondent shall immediately inform the Board, or its designee, in writing, of

1 travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last,
2 more than 30 calendar days.

3 11. INTERVIEW WITH THE BOARD, OR ITS DESIGNEE Respondent shall
4 be available in person for interviews either at Respondent's place of business or at the probation
5 unit office, with the Board or its designee, upon request at various intervals, and either with or
6 without prior notice throughout the term of probation.

7 12. RESIDING OR PRACTICING OUT-OF-STATE In the event Respondent
8 should leave the State of California to reside or to practice, Respondent shall notify the Board or
9 its designee in writing 30 calendar days prior to the dates of departure and return. Non-practice is
10 defined as any period of time exceeding 30 calendar days in which Respondent is not engaging in
11 any activities defined in Sections 2051 and 2052 of the Business and Professions Code.

12 All time spent in an intensive training program outside the State of California
13 which has been approved by the Board or its designee shall be considered as time spent in the
14 practice of medicine within the State. A Board-ordered suspension of practice shall not be
15 considered as a period of non-practice. Periods of temporary or permanent residence or practice
16 outside California will not apply to the reduction of the probationary term. Periods of temporary
17 or permanent residence or practice outside California will relieve Respondent of the responsibility
18 to comply with the probationary terms and conditions with the exception of this condition and the
19 following terms and conditions of probation: Obey All Laws and Probation Unit Compliance.

20 Respondent's license shall be automatically cancelled if Respondent's periods of
21 temporary or permanent residence or practice outside California total two years. However,
22 Respondent's license shall not be cancelled as long as Respondent is residing and practicing
23 medicine in another state of the United States and is on active probation with the medical
24 licensing authority of that state, in which case the two year period shall begin on the date
25 probation is completed or terminated in that state.

26 13. FAILURE TO PRACTICE MEDICINE - CALIFORNIA RESIDENT
27 In the event Respondent resides in the State of California and for any reason Respondent stops
28 practicing medicine in California, Respondent shall notify the Board or its designee in writing

1 within 30 calendar days prior to the dates of non-practice and return to practice. Any period of
2 non-practice within California, as defined in this condition, will not apply to the reduction of the
3 probationary term and does not relieve Respondent of the responsibility to comply with the terms
4 and conditions of probation. Non-practice is defined as any period of time exceeding 30 calendar
5 days in which Respondent is not engaging in any activities defined in sections 2051 and 2052 of
6 the Business and Professions Code.

7 All time spent in an intensive training program which has been approved by the
8 Board or its designee shall be considered time spent in the practice of medicine. For purposes of
9 this condition, non-practice due to a Board-ordered suspension or in compliance with any other
10 condition of probation, shall not be considered a period of non-practice.

11 Respondent's license shall be automatically cancelled if Respondent resides in
12 California and for a total of two years, fails to engage in California in any of the activities
13 described in Business and Professions Code sections 2051 and 2052.

14 14. COMPLETION OF PROBATION Respondent shall comply with all
15 financial obligations (e.g., cost recovery, restitution, probation costs) not later than 120 calendar
16 days prior to the completion of probation. Upon successful completion of probation,
17 Respondent's certificate shall be fully restored.

18 15. VIOLATION OF PROBATION Failure to fully comply with any term or
19 condition of probation is a violation of probation. If Respondent violates probation in any
20 respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke
21 probation and carry out the disciplinary order that was stayed. If an Accusation, Petition to
22 Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation,
23 the Board shall have continuing jurisdiction until the matter is final, and the period of probation
24 shall be extended until the matter is final.

25 16. LICENSE SURRENDER Following the effective date of this Decision, if
26 Respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy
27 the terms and conditions of probation, Respondent may request the voluntary surrender of
28 Respondent's license. The Board reserves the right to evaluate Respondent's request and to

1 exercise its discretion whether or not to grant the request, or to take any other action deemed
2 appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender,
3 Respondent shall within 15 calendar days deliver Respondent's wallet and wall certificate to the
4 Board or its designee and Respondent shall no longer practice medicine. Respondent will no
5 longer be subject to the terms and conditions of probation and the surrender of Respondent's
6 license shall be deemed disciplinary action. If Respondent re-applies for a medical license, the
7 application shall be treated as a petition for reinstatement of a revoked certificate.

8 17. PROBATION MONITORING COSTS Respondent shall pay the costs
9 associated with probation monitoring each and every year of probation, as designated by the
10 Board, and which may be adjusted on an annual basis. Such costs shall be payable to the Medical
11 Board of California and delivered to the Board or its designee no later than January 31 of each
12 calendar year. Failure to pay costs within 30 calendar days of the due date is a violation of
13 probation.

¹ California Business and Professions Code section 2002, as amended effective January 1, 2008, provides in part that the term “board” as used in the State Medical Practice Act (Business and Professions Code, section 2000, et seq.) means the “Medical Board of California,” and that references to the “Division of Medical Quality” and “Division of Licensing” in the Act or any other provision of law shall be deemed to refer to the Board.

(*Shea v. Board of Medical Examiners* (9178) 81 Cal.App.3d 564, 575.)

8. Section 2236 of the Code states:

“(a) The conviction of any offense substantially related to the qualifications, functions, or duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this chapter [Chapter 5, the Medical Practice Act]. “ (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to be a conviction within the meaning of this section and Section 2236.1. The record of conviction shall be conclusive evidence of the fact that the conviction occurred.”

FIRST CAUSE FOR DISCIPLINE

(Conviction of a Crime)

9. Respondent is subject to disciplinary action under section 2236 in that he has been convicted of a crime substantially related to the qualifications, functions, or duties of a physician and surgeon. The circumstances are as follows:

A. On or about February 14, 2007, an Indictment was filed in *United States of America v. David Todd Asher, et al.*, United States District Court Central

1 District of California, Southern Division, Case No. SACR 07-0019. Count One of
2 the Indictment charged respondent with violating Title 18 U.S.C., §371
3 [conspiracy]; and violating Title 42 U.S.C. §1320a-7b (b) (1) (A) [illegal
4 kickbacks for patient referrals].

5 B. On or about October 2, 2007, respondent entered into a plea agreement
6 in the case, wherein he agreed to plead guilty to Count One of the Indictment
7 (conspiracy, in violation of Title 18 U.S.C. §371, and paying illegal kickbacks for
8 patient referrals, in violation of 42 U.S.C. §1320a-7b(b)(1)(A)). As part of the
9 plea agreement, respondent stipulated to the following facts: From approximately
10 late 2001 through 2003, respondent offered and paid financial kickbacks to board
11 and care facility owners and administrators for the referral of patient names and
12 Medicare numbers of patients residing at the facilities. In furtherance of the
13 conspiracy, respondent, or others acting on his behalf, fraudulently received the
14 identities and Medicare numbers of board and care residents and respondent would
15 use these patients to fraudulently bill for respiratory treatments. In exchange,
16 respondent paid between \$70,000 and \$120,000 in respiratory treatment referral
17 kickbacks over an approximate 30-month period. Respondent offered and paid the
18 kickbacks knowing it was unlawful to do so. Moreover, respondent's actions
19 caused Medicare and Medi-Cal to be fraudulently billed for respiratory treatments.

20 C. On or about August 10, 2009, pursuant to his plea agreement in *United*
21 *States of America v. David Todd Asher, et al.*, United States District Court, Central
22 District of California, Southern Division, Case No. 8:07-cr-00019-JVS, respondent
23 pled guilty to Count One of the Indictment and was convicted of conspiracy, in
24 violation of Title 18 U.S.C. §371, and paying illegal kickbacks for patient
25 referrals, in violation of 42 U.S.C. §1320a-7b(b)(1)(A). For these crimes, the
26 Court ordered, among other terms and conditions, that respondent be placed on
27 probation for two years; pay a special assessment fee in the amount of \$100; and
28 pay restitution in the total amount of \$6,850 [pursuant to 18 U.S.C. §3663A].

1 Respondent was also ordered to notify the Medical Board of California of his
2 conviction. Other terms and conditions and probation were also imposed.

3 **SECOND CAUSE FOR DISCIPLINE**

4 **(Dishonesty or Corrupt Acts)**

5 10. Respondent is subject to disciplinary action pursuant to Section 2234,
6 subdivision (e), in that respondent committed acts involving dishonesty or corruption that are
7 substantially related to the qualifications, functions, or duties of a physician and surgeon, as more
8 particularly described in paragraph 9, above, which is hereby incorporated by reference.

9 **THIRD CAUSE FOR DISCIPLINE**

10 **(General Unprofessional Conduct)**

11 11. Respondent is further subjected to disciplinary action under section 2234, in
12 that he engaged in conduct that breaches the rules or ethical code of the medical profession, or
13 conduct that is unbecoming to a member in good standing of the medical profession, and that
