**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. Kimberly Kirchmeyer (complainant) is the Executive Director of the Medical Board
23 of California (Board). She brought this action solely in her official capacity and is represented in
24 this matter by Xavier Becerra, Attorney General of the State of California, by Michael J. Yun,
25 Deputy Attorney General.

26 2. Respondent Robert Alva Rose, M.D. (respondent) is represented in this proceeding by
27 attorney Gary Wittenberg, Esq., whose address is: 1901 Avenue of the Stars, Suite 1750, Los
28 Angeles, CA 90067.

3. On or about June 2, 1971, the Board issued Physician's and Surgeon's Certificate No. C 33380 to Robert Alva Rose, M.D. (respondent). The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2016-022276, and will expire on April 30, 2019, unless renewed.

JURISDICTION

4. Accusation No. 800-2016-022276 was filed before the Board, and is currently pending against respondent. A true and correct copy of Accusation No. 800-2016-022276 and all other statutorily required documents were properly served on respondent on August 15, 2017. Respondent timely filed his Notice of Defense contesting the Accusation. A copy of Accusation No. 800-2016-022276 is attached as Exhibit 1 and incorporated herein by reference as if fully set forth herein.

ADVISEMENT AND WAIVERS

5. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2016-022276. Respondent has also carefully read, fully discussed with counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

6. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws, having been fully advised of same by his attorney of record, Gary Wittenberg, Esq.

7. Respondent, having the benefit of counsel, hereby voluntarily, knowingly, and intelligently waives and gives up each and every right set forth and/or referenced above.

CULPABILITY

8. Respondent admits the truth of each and every charge and allegation in Accusation No. 8002016022276, agrees that his Physician's and Surgeon's Certificate No. C 33380 is subject

1 to discipline, and agrees to be bound by the Board's imposition of discipline as set forth in the
2 Disciplinary Order below.

3 9. Respondent agrees that if an accusation and/or petition to revoke probation is filed
4 against him before the Medical Board of California, or if he ever petitions for early termination or
5 modification of probation, in any proceeding before the Medical Board of California, all of the
6 charges and allegations contained in Accusation No. 800-2016-022276 shall be deemed true,
7 correct and fully admitted by respondent for purposes of any such proceeding or any other
8 licensing proceeding involving respondent in the State of California.

9 **CONTINGENCY**

10 10. The parties agree that this Stipulated Settlement and Disciplinary Order shall be
11 submitted to the Board for its consideration in the above-entitled matter and, further, that the
12 Board shall have a reasonable period of time in which to consider and act on this Stipulated
13 Settlement and Disciplinary Order after receiving it. By signing this stipulation respondent fully
14 understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation
15 prior to the time the Board considers and acts upon it.

16 11. The parties agree that this Stipulated Settlement and Disciplinary Order shall be null
17 and void and not binding upon the parties unless approved and adopted by the Board, except for
18 this paragraph, which shall remain in full force and effect. Respondent fully understands and
19 agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and
20 Disciplinary Order, the Board may receive oral and written communications from its staff and/or
21 the Attorney General's office. Communications pursuant to this paragraph shall not disqualify
22 the Board, any member thereof, and/or any other person from future participation in this or any
23 other matter affecting or involving respondent. In the event that the Board, in its discretion, does
24 not approve and adopt this Stipulated Settlement and Disciplinary Order, with the exception of
25 this paragraph, it shall not become effective, shall be of no evidentiary value whatsoever, and
26 shall not be relied upon or introduced in any disciplinary action by either party hereto.
27 Respondent further agrees that should the Board reject this Stipulated Settlement and Disciplinary
28 Order for any reason, respondent will assert no claim that the Board, or any member thereof, was

1 prejudiced by its/his/her review, discussion and/or consideration of this Stipulated Settlement and
2 Disciplinary Order or of any matter or matters related hereto.

3 **ADDITIONAL PROVISIONS**

4 12. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to
5 be an integrated writing representing the complete, final and exclusive embodiment of the
6 agreements of the parties in the above-entitled matter.

7 13. The parties agree that copies of this Stipulated Settlement and Disciplinary Order,
8 including copies of the signatures of the parties, may be used in lieu of original documents and
9 signatures and, further, that copies shall have the same force and effect as originals.

10 14. In consideration of the foregoing admissions and stipulations, the parties agree the
11 Board may, without further notice to or opportunity to be heard by respondent, issue and enter the
12 following Disciplinary Order:

13 **DISCIPLINARY ORDER**

14 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. C 33380 issued
15 to respondent Robert Alva Rose, M.D. (respondent) is revoked. However, the revocation is
16 stayed and respondent is placed on probation for eight (8) years from the effective date of this
17 Decision, on the following terms and conditions:

18 1. **ETHICS COURSE** Within 60 calendar days of the effective date of this Decision,
19 respondent shall enroll in a professionalism program, that meets the requirements of Title 16,
20 California Code of Regulations (CCR) section 1358.1. Respondent shall participate in and
21 successfully complete that program. Respondent shall provide any information and documents
22 that the program may deem pertinent. Respondent shall successfully complete the classroom
23 component of the program not later than six (6) months after Respondent's initial enrollment, and
24 the longitudinal component of the program not later than the time specified by the program, but
25 no later than one (1) year after attending the classroom component. The professionalism program
26 shall be at respondent's expense and shall be in addition to the Continuing Medical Education
27 (CME) requirements for renewal of licensure.

28 ///

1 A professionalism program taken after the acts that gave rise to the charges in the
2 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
3 or its designee, be accepted towards the fulfillment of this condition if the program would have
4 been approved by the Board or its designee had the program been taken after the effective date of
5 this Decision.

6 Respondent shall submit a certification of successful completion to the Board or its
7 designee not later than 15 calendar days after successfully completing the program or not later
8 than 15 calendar days after the effective date of the Decision, whichever is later.

9 2. **PROFESSIONAL BOUNDARIES PROGRAM** Within 60 calendar days from the
10 effective date of this Decision, respondent shall enroll in a professional boundaries program
11 approved in advance by the Board or its designee. Respondent, at the program's discretion, shall
12 undergo and complete the program's assessment of respondent's competency, mental health
13 and/or neuropsychological performance, and at minimum, a 24 hour program of interactive
14 education and training in the area of boundaries, which takes into account data obtained from the
15 assessment and from the Decision(s), Accusation(s) and any other information that the Board or
16 its designee deems relevant. The program shall evaluate respondent at the end of the training and
17 the program shall provide any data from the assessment and training as well as the results of the
18 evaluation to the Board or its designee.

19 Failure to complete the entire program not later than six (6) months after respondent's
20 initial enrollment shall constitute a violation of probation unless the Board or its designee agrees
21 in writing to a later time for completion. Based on respondent's performance in and evaluations
22 from the assessment, education, and training, the program shall advise the Board or its designee
23 of its recommendation(s) for additional education, training, psychotherapy and other measures
24 necessary to ensure that respondent can practice medicine safely. Respondent shall comply with
25 program recommendations. At the completion of the program, respondent shall submit to a final
26 evaluation. The program shall provide the results of the evaluation to the Board or its designee.
27 The professional boundaries program shall be at respondent's expense and shall be in addition to
28 the Continuing Medical Education (CME) requirements for renewal of licensure.

1 The program has the authority to determine whether or not respondent successfully
2 completed the program.

3 A professional boundaries course taken after the acts that gave rise to the charges in the
4 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
5 or its designee, be accepted towards the fulfillment of this condition if the course would have
6 been approved by the Board or its designee had the course been taken after the effective date of
7 this Decision.

8 3. **PSYCHOTHERAPY** Within 60 calendar days of the effective date of this
9 Decision, respondent shall submit to the Board or its designee for prior approval the name and
10 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who
11 has a doctoral degree in psychology and at least five years of postgraduate experience in the
12 diagnosis and treatment of emotional and mental disorders. Upon approval, respondent shall
13 undergo and continue psychotherapy treatment, including any modifications to the frequency of
14 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

15 The psychotherapist shall consider any information provided by the Board or its designee
16 and any other information the psychotherapist deems relevant and shall furnish a written
17 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
18 psychotherapist with any information and documents that the psychotherapist may deem
19 pertinent.

20 Respondent shall have the treating psychotherapist submit quarterly status reports to the
21 Board or its designee. The Board or its designee may require respondent to undergo psychiatric
22 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
23 probation, respondent is found to be mentally unfit to resume the practice of medicine without
24 restrictions, the Board shall retain continuing jurisdiction over respondent's license and the period
25 of probation shall be extended until the Board determines that respondent is mentally fit to
26 resume the practice of medicine without restrictions.

27 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

28 ///

1 4. **MONITORING – PRACTICE** Within 30 calendar days of the effective date of
2 this Decision or 30 calendar days prior to respondent's commencement/resuming/engaging in
3 providing direct patient care, whichever may occur later, respondent shall submit to the Board or
4 its designee for prior approval as a practice monitor(s), the name and qualifications of one or
5 more licensed physicians and surgeons whose licenses are valid and in good standing, and who
6 are preferably American Board of Medical Specialties (ABMS) certified. A monitor shall have
7 no prior or current business or personal relationship with respondent, or other relationship that
8 could reasonably be expected to compromise the ability of the monitor to render fair and unbiased
9 reports to the Board, including but not limited to any form of bartering, shall be in respondent's
10 field of practice, and must agree to serve as respondent's monitor. Respondent shall pay all
11 monitoring costs.

12 A practice monitor will be required only if respondent commences/resumes/engages in
13 providing direct patient care.

14 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
15 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the
16 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed
17 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role
18 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees
19 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the
20 signed statement for approval by the Board or its designee.

21 Within 60 calendar days of the effective date of this Decision or starting on the day of
22 respondent's commencement/resuming/engaging in providing direct patient care, whichever may
23 occur later, and continuing throughout probation, respondent's practice shall be monitored by the
24 approved monitor. Respondent shall make all records available for immediate inspection and
25 copying on the premises by the monitor at all times during business hours and shall retain the
26 records for the entire term of probation.

27 If respondent fails to obtain approval of a monitor within 60 calendar days of the effective
28 date of this Decision or 15 calendar days prior to respondent's

1 commencement/resuming/engaging in providing direct patient care, whichever may occur later,
2 respondent shall receive a notification from the Board or its designee to cease the practice of
3 medicine within three (3) calendar days after being so notified. Respondent shall cease the
4 practice of medicine until a monitor is approved to provide monitoring responsibility.

5 The monitor(s) shall submit a quarterly written report to the Board or its designee which
6 includes an evaluation of respondent's performance, indicating whether respondent's practices are
7 within the standards of practice of medicine, and whether respondent is practicing medicine
8 safely. It shall be the sole responsibility of respondent to ensure that the monitor submits the
9 quarterly written reports to the Board or its designee within 10 calendar days after the end of the
10 preceding quarter.

11 If the monitor resigns or is no longer available, respondent shall, within 5 calendar days of
12 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
13 name and qualifications of a replacement monitor who will be assuming that responsibility within
14 15 calendar days. If respondent fails to obtain approval of a replacement monitor within 60
15 calendar days of the resignation or unavailability of the monitor, respondent shall receive a
16 notification from the Board or its designee to cease the practice of medicine within three (3)
17 calendar days after being so notified. Respondent shall cease the practice of medicine until a
18 replacement monitor is approved and assumes monitoring responsibility.

19 In lieu of a monitor, respondent may participate in a professional enhancement program
20 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
21 review, semi-annual practice assessment, and semi-annual review of professional growth and
22 education. Respondent shall participate in the professional enhancement program at respondent's
23 expense during the term of probation.

24 5. **PROHIBITED PRACTICE – CHILD/MINOR PATIENTS** During probation,

26 age of eighteen (18). After the effective date of this Decision, all patients being treated by

6 medical record number, if available; 3) the full name of the person making the notification; 4) the
7 date the notification was made; and 5) a description of the notification given. Respondent shall
8 keep this log in a separate file or ledger, in chronological order, shall make the log available for
9 immediate inspection and copying on the premises at all times during business hours by the Board
10 or its designee, and shall retain the log for the entire term of probation.

11 6. **PROHIBITED PRACTICE – FEMALE PATIENTS** During probation,

20 keep this log in a separate file or ledger, in chronological order, shall make the log available for
21 immediate inspection and copying on the premises at all times during business hours by the Board
22 or its designee, and shall retain the log for the entire term of probation.

23 7. **NOTIFICATION** Within seven (7) days of the effective date of this Decision,
24 respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
25 Chief Executive Officer at every hospital where privileges or membership are extended to

28 compensation cases.

1 all physician and locum tenens registries or other similar agencies, and to the Chief Executive
2 Officer at every insurance carrier which extends malpractice insurance coverage to respondent.
3 Respondent shall submit proof of compliance to the Board or its designee within 15 calendar
4 days.

5 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

6 8. **SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED**
7 **PRACTICE NURSES** During probation, respondent is prohibited from supervising physician

11 ordered criminal probation, payments, and other orders.

12 10. **QUARTERLY DECLARATIONS** Respondent shall submit quarterly declarations
13 under penalty of perjury on forms provided by the Board, stating whether there has been
14 compliance with all the conditions of probation.

15 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
16 of the preceding quarter.

17 11. **GENERAL PROBATION REQUIREMENTS**

18 **Compliance with Probation Unit**

19 Respondent shall comply with the Board's probation unit.

20 **Address Changes**

21 Respondent shall, at all times, keep the Board informed of respondent's business and
22 residence addresses, email address (if available), and telephone number. Changes of such
23 addresses shall be immediately communicated in writing to the Board or its designee. Under no
24 circumstances shall a post office box serve as an address of record, except as allowed by Business
25 and Professions Code section 2021(b).

26 ///

27 ///

28 ///

1 **Place of Practice**

2 Respondent shall not engage in the practice of medicine in respondent's or patient's place
3 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
4 facility.

5 **License Renewal**

6 Respondent shall maintain a current and renewed California physician's and surgeon's
7 license.

8 **Travel or Residence Outside California**

9 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
10 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
11 (30) calendar days.

12 In the event respondent should leave the State of California to reside or to practice,
13 respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
14 departure and return.

15 12. **INTERVIEW WITH THE BOARD OR ITS DESIGNEE** Respondent shall be
16 available in person upon request for interviews either at respondent's place of business or at the
17 probation unit office, with or without prior notice throughout the term of probation.

18 13. **NON-PRACTICE WHILE ON PROBATION** Respondent shall notify the Board
19 or its designee in writing within 15 calendar days of any periods of non-practice lasting more than
20 30 calendar days and within 15 calendar days of respondent's return to practice. Non-practice is
21 defined as any period of time respondent is not practicing medicine as defined in Business and
22 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
23 patient care, clinical activity or teaching, or other activity as approved by the Board. If
24 respondent resides in California and is considered to be in non-practice, respondent shall comply
25 with all terms and conditions of probation. All time spent in an intensive training program which
26 has been approved by the Board or its designee shall not be considered non-practice and does not
27 relieve respondent from complying with all the terms and conditions of probation. Practicing
28 medicine in another state of the United States or Federal jurisdiction while on probation with the

1 medical licensing authority of that state or jurisdiction shall not be considered non-practice. A
2 Board-ordered suspension of practice shall not be considered as a period of non-practice.

3 In the event respondent's period of non-practice while on probation exceeds 18 calendar
4 months, respondent shall successfully complete the Federation of State Medical Boards' Special
5 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
6 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
7 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

8 Respondent's period of non-practice while on probation shall not exceed two (2) years.

9 Periods of non-practice will not apply to the reduction of the probationary term.

10 Periods of non-practice for a respondent residing outside of California will relieve
11 respondent of the responsibility to comply with the probationary terms and conditions with the
12 exception of this condition and the following terms and conditions of probation: Obey All Laws;
13 General Probation Requirements; and Quarterly Declarations.

14 14. **COMPLETION OF PROBATION** Respondent shall comply with all financial
15 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
16 completion of probation. Upon successful completion of probation, respondent's certificate shall
17 be fully restored.

18 15. **VIOLATION OF PROBATION** Failure to fully comply with any term or
19 condition of probation is a violation of probation. If respondent violates probation in any respect,
20 the Board, after giving respondent notice and the opportunity to be heard, may revoke probation
21 and carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
22 Probation, or an Interim Suspension Order is filed against respondent during probation, the Board
23 shall have continuing jurisdiction until the matter is final, and the period of probation shall be
24 extended until the matter is final.

25 16. **LICENSE SURRENDER** Following the effective date of this Decision, if
26 respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
27 the terms and conditions of probation, respondent may request to surrender his or her license.
28 The Board reserves the right to evaluate respondent's request and to exercise its discretion in

1 determining whether or not to grant the request, or to take any other action deemed appropriate
2 and reasonable under the circumstances. Upon formal acceptance of the surrender, respondent
3 shall within 15 calendar days deliver respondent's wallet and wall certificate to the Board or its
4 designee and respondent shall no longer practice medicine. Respondent will no longer be subject
5 to the terms and conditions of probation. If respondent re-applies for a medical license, the
6 application shall be treated as a petition for reinstatement of a revoked certificate.

7 17. **PROBATION MONITORING COSTS** Respondent shall pay the costs associated
8 with probation monitoring each and every year of probation, as designated by the Board, which
9 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
10 California and delivered to the Board or its designee no later than January 31 of each calendar
11 year.

21 **SECTION 822 CAUSE FOR ACTION**

1 suffers from a mental and/or physical illness affecting competency, as more particularly alleged

3 **September 15, 2015 Lewd Conduct in Public Conviction & PC 148 Conviction**

4 14. On or about November 15, 2013, at about 12:41 P.M., Sergeant P.D. (Sgt. P.D.) of
5 Cal State Fullerton Police Department (CSFPD), responded to the Cal State University Fullerton
6 (CSUF) library regarding a man who entered the women's restroom. The man matched the
7 description of a subject whom Detective A.H. and Lieutenant W. (Lt. W.) were looking for in
8 connection with a reported public masturbation by someone who was watching female students.
9 The subject was described as an older white male with light hair, blue jeans and a blue checkered
10 shirt.

11 15. During their search of the library, dispatch informed Detective A.H. and Lt. W. that
12 the subject had reportedly just exited the building. Once they were outside the building, Lt. W.
13 saw the subject, later determined to be respondent, walking initially and then running away.
14 When Detective A.H. saw respondent running away from them towards the parking lot, she ran
15 towards him and yelled, "Stop, police!" Respondent ignored her commands and continued to run.
16 She again yelled, "Stop, police!" He kept running and went around the corner of another
17 building.

18 16. At that time, Sgt. P.D. was driving his police car and saw Detective A.H. chasing
19 respondent. When respondent saw Sgt. P.D.'s police car, he stopped running and raised his hands
20 in the air. After a quick pat down search for weapons, Sgt. P.D. asked respondent to have a seat.

21 17. Contemporaneously, Officer K.M. and Officer T.P. arrived at the CSUF library. They
22 spoke with two witnesses who stated they saw respondent touching the groin area of his pants
23 while looking at them. W-1 provided the two police officers with the following information, in
24 summary:

25 "I was in the library sitting at a desk with my girlfriend when I saw an
26 older man (respondent) wearing a blue and white plaid shirt and blue
27 jeans touching himself in a sexual manner. I was shocked to see him do
28 that. He was looking at the students and touching himself in a sexually

1 provocative manner. He was moving his hand near his genitalia. I turned
2 to my girlfriend and told her what was going on. I also turned to W-2
3 who was a few seats down. Respondent was touching himself for three to
4 five (3-5) minutes and it was "creepy." He was in the book aisle, among
5 the book shelves, but at the very end and within five (5) feet of the nearest
6 study desk. Respondent was in view of at least five (5) students. I was
7 "definitely scarred," did not know what to do, and at the time asked
8 myself, "am I really seeing this?" While masturbating, respondent saw
9 me, made eye contact, and kept going."

10 18. Corporal L. met with W-2, a female witness who provided the following information,
11 in summary:

12 "At around 11:30 A.M., I was sitting at a table near three (3) other college
13 students in the CSUF library. I noticed a male white, 50-60 years old,
14 wearing a blue shirt and blue jeans walking up and down an aisle close to
15 where I was sitting. As the man was walking up and down the aisle, he
16 was staring at the students and had one hand under his jeans in the area of
17 where his penis would be. He was making a movement with his hand as
18 if he was masturbating. He did this for five (5) minutes. I glanced down
19 momentarily at my book and looked back up, and he was gone. I then
20 walked over to library security to report what I had seen."

21 19. At the time, Corporal L. and W-2 were about 25 yards away from where Sgt. P.D.,
22 Detective A.H., and Officer T.P. had detained respondent. W-2 saw respondent and identified
23 him as the suspect. W-2 stated she was "creeped out and disgusted" by respondent's actions.

24 20. After Sgt. P.D. explained to respondent that he was being lawfully detained for
25 questioning in an investigation of a reported crime, Sgt. P.D. asked for respondent's name.
26 Respondent repeatedly refused to identify himself and said he wanted to speak with a lawyer.
27 Respondent was arrested for a violation of Penal Code section 148, subdivision (a)(1) [Delaying or
28 Obstructing an Officer]. Respondent was eventually identified by his California Driver's License.

1 21. At the police station, Sgt. P.D. told respondent that two (2) witnesses saw him with
2 his hand down his pants masturbating while watching female students in the library. Respondent
3 acted remorseful. Respondent stated he thought he was being careful and discreet. He said that it
4 was hard for him because of "all the pretty girls around." Respondent stated he had been seeing a
5 psychiatrist for many years because of this issue and that he recently stopped seeing the
6 psychiatrist because respondent thought he had it under control. Respondent stated that he would
7 have to start going back to the psychiatrist three (3) times a week in order to stop this behavior.

8 22. Respondent was served with a Penal Code section 626.6 advisement [Direction to
9 Leave University Campus for Committing an Act Likely to Interfere with Peaceful Activities] and
10 he signed it.

11 23. On or about March 5, 2014, in the Superior Court of California, County of Orange, in
12 the case entitled *The People of the State of California v. Robert Alva Rose*, Superior Court Case
13 No. 14NM02811, the Orange County District Attorney's Office charged respondent in Count 1,
14 with a violation of Penal Code section 647, subdivision (a) [Lewd Conduct in Public], and in
15 Count 2, with a violation of Penal Code section 148, subdivision (a)(1) [Delaying or Obstructing
16 an Officer].

17 24. On or about September 15, 2015, in the Superior Court of California, County of
18 Orange, in the case entitled *The People of the State of California v. Robert Alva Rose*, Superior
19 Court Case No. 14NM02811, respondent pled Guilty and was convicted of, in Count 1, a
20 violation of Penal Code section 647, subdivision (a) [Lewd Conduct in Public], and in Count 2, a
21 violation of Penal Code section 148, subdivision (a)(1) [Delaying or Obstructing an Officer].
22 Respondent hand wrote in the Misdemeanor Guilty Plea Form the following: "On or about
23 11/15/13 in Orange County, I committed a lewd act in public. I also willfully delayed a police
24 officer." Respondent dated and signed below his handwritten admission.

25 25. On or about September 15, 2015, in the same criminal matter, Superior Court Case
26 No. 14NM02811, respondent was sentenced to three (3) years formal probation, sex offender
27 terms and conditions, search and seizure term, and fees and fines in the total amount of \$370.
28 Respondent was ordered "not [to] own, use, or possess any form of sexually explicit movies,

1 videos, material, or devices unless recommended by the therapist and approved by the probation
2 officer." He was also ordered "not [to] own, use or possess any type of photographic equipment,
3 without written permission of the Probation Officer."

4 **Post-Conviction History**

5 26. On or about November 25, 2015, in the Superior Court of California, County of
6 Orange, respondent was arraigned on a probation violation.

7 27. Initially set for January 12, 2016, the probation violation formal hearing was
8 continued by defense to January 28, 2016 and then to March 16, 2016. The second day of the
9 hearing was scheduled for April 18, 2016, and then continued by the District Attorney's Office to
10 April 20, 2016.

11 28. On or about April 27, 2016, the Orange County District Attorney's Office (OCDA)
12 informed Health Quality Investigation Unit (HQIU) of California Department of Consumer
13 Affairs that respondent was convicted on September 15, 2015, of the following offenses: (1)
14 Penal Code section 647, subdivision (a) [Lewd Conduct in Public] and (2) Penal Code section
15 148, subdivision (a)(1) [Delaying or Obstructing an Officer]. The OCDA expressed concern that
16 respondent may have failed to report his convictions to the Board within 30 days as required by
17 law.

18 29. The rest of respondent's probation violation hearing was continued by defense to May
19 6, 2016 and then to May 26, 2016.

20 30. On May 26, 2016, the Executive Director of the Medical Board of California through
21 California Attorney General's Office filed a Penal Code section 23 ("PC 23") motion against
22 respondent. The PC 23 hearing was scheduled to take place on June 27, 2016. Due to unforeseen
23 unavailability of the Superior Court Judge, the PC 23 hearing was inevitably continued to July 7,
24 2016.

25 31. On July 7, 2016, in lieu of a complete prohibition from practicing medicine as
26 requested by the PC 23 motion, respondent, through his counsel Roger Diamond, Esq., stipulated
27 to additional terms of probation, including conditions (1) that respondent "not be in the presence
28 of children without the permission of Probation Officer," (2) that respondent's "medical practice

1 [be] restricted to evaluating claimants in worker's compensation cases, and not to treat any
2 patients," and (3) that respondent "not evaluate female patients." As a result of the defense
3 stipulation, the PC 23 motion requesting complete prohibition was denied.

4 32. On July 7, 2016, during the PC 23 motion hearing, respondent, through his counsel,
5 provided a copy of a letter from his psychiatrist Mark Markowitz, M.D., dated June 20, 2016, to
6 complainant's counsel and submitted an identical copy to the Superior Court to be entered into
7 evidence. In the letter drafted and signed by respondent's own psychiatrist, Dr. Markowitz stated
8 respondent has been his "patient for a period of thirteen years primarily for significant
9 depression." In the same letter, Dr. Markowitz also stated the following: "[Dr. Rose's] depression
10 is, of course, my major concern but over and above that is a problem with thoughts of
11 exhibitionism."

12 **820 Mental & Physical Evaluations**

13 33. On or about March 20, 2017, respondent underwent a physical evaluation by Ronald
14 Saltzman, M.D., who opined that there is no evidence of a physical ailment resulting in limitation
15 in respondent's ability to practice medicine in the form of reviewing Worker's Compensation
16 cases.

17 34. On or about March 24, 2017, respondent underwent a mental evaluation from Nathan
18 Lavid, M.D. (Dr. Lavid), who opined the following, in summary:

19 "Dr. Rose is safe to practice **IF** he continues to visit with Dr. Markowitz
20 on a weekly basis for individual psychotherapy, continues to attend Dr.
21 Fineman's sexual offenders group on a weekly basis, **and** continues to see
22 only adult male patients in his practice. If at any point, Dr. Rose fails to
23 continue satisfying any of the above conditions, Dr. Rose is **no longer**
24 **able to safely practice medicine.**"

25 35. Dr. Lavid also opined that for added safety to the public, "Dr. Rose should curtail all
26 recreational use of alcohol [and] should have all of his psychotropic medication administered by
27 his psychiatrist Dr. Markowitz for more efficient monitoring."
