- 23 1. Accusation No. 03-93-29006 is presently pending against Cecil A. Bradley,  
24 M.D., physician and surgeon's certificate number C-34133, before the Division of Medical  
25 Quality of the Medical Board of California (hereinafter referred to as the "Division").  
26 2. The complainant in said Accusation, Ron Joseph is the Executive Director  
27 of the Board and brought said Accusation in his official capacity only.

28 ///

1           3. Respondent has fully discussed with his attorney, Cynthia L. Schreurs, the  
2 charges and allegations contained in the Accusation and therefore has been fully advised  
3 concerning his rights in this matter.

4           4. Respondent hereby freely and voluntarily waives his right to a hearing on  
5 the charges and allegations contained in the Accusation, and further, respondent agrees to  
6 waive his right to reconsideration, judicial review and any and all other rights which may be  
7 accorded him by the Administrative Procedure Act and other laws of the State of California,  
8 excepting his right to petition for reinstatement of his certificate or modification or  
9 termination of probation pursuant to Business and Professions Code section 2307.

10           5. All admissions of fact and conclusions of law contained in this stipulation  
11 are made exclusively for this proceeding and any future proceedings between the Division  
12 and respondent and shall not be deemed to be admissions for any purpose in any other  
13 administrative, civil, or criminal action, forum or proceeding.

14           6. Respondent's license history and status as set forth in paragraph 2 of the  
15 Accusation is true and correct and respondent's address of record is as set forth in the  
16 caption of this Stipulation. (A copy of the Accusation is attached as Exhibit A and  
17 incorporated by reference in this stipulation.)

18           7. For purposes of the settlement of the action pending against respondent in  
19 case No. 03-93-29006 and to avoid a lengthy administrative hearing, respondent admits that  
20 the Board has jurisdiction under section 822 of the Business and Professions Code to adopt  
21 this stipulation for settlement as its decision and final resolution of this matter.

22           8. **BASED UPON THE FOREGOING RECITALS, IT IS FURTHER**  
23 **STIPULATED AND AGREED** that the Medical Board of California, upon its adoption of  
24 the Stipulation herein set forth, may, without further notice, prepare a decision and enter the  
25 following order:

26           Physician and Surgeon Certificate No. C-34133 heretofore issued to Cecil A.  
27 Bradley, M.D., respondent, by the Medical Board of California, is hereby revoked;  
28 **PROVIDED HOWEVER**, that execution of this order of revocation is stayed, and respondent

1 is placed on probation for a period of (4) four years, upon the following terms and  
2 conditions:

3           Within 15 days after the effective date of this decision the respondent shall  
4 provide the Division, or its designee, proof of service that respondent has served a true copy

6 privileges or membership are extended or where respondent is employed to practice medicine  
7 and on the Chief Executive Officer at every insurance carrier where malpractice insurance  
8 coverage is extended.

9 **SPECIAL CONDITIONS**

10           (A) **PSYCHOTHERAPY** Within 30 (thirty) days of the effective date of this  
11 decision, respondent shall submit to the Division or its designee for its prior approval the  
12 name and qualifications of a female psychiatrist of respondent's choice. Upon approval,  
13 respondent shall undergo and continue treatment for the duration his probationary period.  
14 Respondent shall have the treating psychiatrist submit quarterly status reports to the Division

16           (B) **COST RECOVERY** The respondent is hereby ordered to reimburse the  
17 Division the amount of \$2,500 (two thousand, five hundred dollars) within ninety (90) days  
18 of the effective date of this decision for a portion of its investigative and prosecution costs.  
19 Failure to reimburse the Division's cost of investigation and prosecution shall constitute a  
20 violation of the probation order, unless the Division agrees in writing to payment by an  
21 installment plan because of financial hardship. The filing of bankruptcy by the respondent  
22 shall not relieve the respondent of his responsibility to reimburse the Division for its  
23 investigative and prosecution costs.

24           (C) **PROBATION COSTS** Respondent shall pay the costs associated with  
25 probation monitoring each and every year of probation in the amount of \$600.00 ~~(one~~

13 shall, at all times, keep the Division informed of his addresses of business and residence  
14 which shall both serve as addresses of record. Changes of such addresses shall be  
15 immediately communicated in writing to the Division. Under no circumstances shall a post  
16 office box serve as an address of record.

17 Respondent shall also immediately inform the Division, in writing, of any  
18 travel to any areas outside the jurisdiction of California which lasts, or is contemplated to  
19 last, more than thirty (30) days.

20 (H) **INTERVIEW WITH THE DIVISION, ITS DESIGNEE, OR ITS**

5 within California, as defined in this condition, will not apply to the reduction of the  
6 probationary period.

7 (J) **COMPLETION OF PROBATION** Upon successful completion of  
8 probation, respondent's certificate shall be fully restored.

9 (K) **VIOLATION OF PROBATION** If respondent violates probation in any  
10 respect, the Division, after giving respondent notice and the opportunity to be heard, may  
11 revoke probation and carry out the disciplinary order that was stayed. If an accusation or  
12 petition to revoke probation is filed against respondent during probation, the Board shall have  
13 continuing jurisdiction until the matter is final, and the period of probation shall be extended  
14 until the matter is final.

15 (L) **LICENSE SURRENDER** Following the effective date of this probation,  
16 if respondent ceases practicing due to retirement, health reasons or is otherwise unable to

 17 Complainant Ron Joseph alleges as follows:

18 1. Complainant is the Executive Director of the Medical Board of  
 19 California, Department of Consumer Affairs, State of California (hereinafter referred to as  
 20 the "Board") and makes and files this Accusation solely in his official capacity and not  
 21 otherwise.

22 2. On or about April 11, 1972, the Board issued to respondent Cecil A.  
 23 Bradley, M.D. (hereinafter referred to as "respondent") Physician and Surgeon's Certificate  
 24 No. C-34133. Said certificate is presently in good standing with an expiration date of  
 25 October 31, 1999. There is no Board record of prior disciplinary action having been taken  
 26 against respondent in the State of California.

27 ///  
 28 ///

1 department [of Consumer Affairs], the board may request the administrative law judge to  
2 direct a licensee found to have committed a violation or violations of the licensing act to  
3 pay a sum not to exceed the reasonable costs of the investigation and enforcement of the  
4 case. A certified copy of the actual costs, or a good faith estimate of costs where actual  
5 costs are not available, signed by the entity bringing the proceeding or its designated  
6 representative shall be prima facie evidence of reasonable costs of investigation and  
7 prosecution of the case. The costs shall include the amount of investigative and enforcement  
8 costs up to the date of the hearing, including, but not limited to, charges imposed by the  
9 Attorney General.

10                   10. Section 16.01 of the 1997-98 California Budget Act provides as  
11 follows:

12           "(a) No funds appropriated by this act may be expended to pay any  
13           Medi-Cal claim for any service performed by a physician while  
14           that physician's license is under suspension or revocation due to  
15           a disciplinary action of the Medical Board of California.

16           "(b) No funds appropriated by this act may be expended to pay any  
17           Medi-Cal claim for any surgical service or other invasive  
18           procedure performed on any Medi-Cal beneficiary by a  
19           physician if that physician has been placed on probation due to a  
20           disciplinary action of the Medical Board of California related to  
21           the performance of that specific service or procedure on any  
22           patient, except in any case where the board makes a  
23           determination during its disciplinary process that there exist  
24           compelling circumstances that warrant continued Medi-Cal  
25           reimbursement during the probationary period.

26           "(c) The State Department of Health Services shall ensure that no  
27           Medi-Cal claim is paid in violation of subdivision (a) or (b).

28           "(d) The Medical Board of California shall work with the State  
          Department of Health Services to provide all information  
          necessary to accomplish the purposes of this section. The board  
          and the department shall report to the Legislature, upon the  
          conclusion of each calendar quarter of the 1996-97 fiscal year,  
          the number of physicians on probation who are not receiving  
          Medi-Cal reimbursement as a result of this section, and the  
          number of physicians on probation who continue to be eligible  
          for Medi-Cal reimbursement as a result of a determination of  
          the board."

          11. Section 2227 of the Code provides that a licensee who is found guilty  
under the Medical Practice Act may have his license revoked, suspended for a period not to

1 exceed one year, placed on probation and required to pay the costs of probation monitoring,  
2 or such other action taken in relation to discipline as the Division deems proper.

3  
4 **FIRST CAUSE FOR DISCIPLINARY ACTION**

5 12. Respondent is subject to disciplinary action under Section 822 in that  
6 his ability to practice his profession safely is impaired as more particularly alleged in the  
7 following paragraphs.

8 13. On or about July, 1994, the Board received a report from Oak Creek  
9 Hospital pursuant to the provisions of Business and Professions Code section 805. Said  
10 report indicated that respondent had failed to renew his staff privileges during the course of a  
11 Hospital investigation of a complaint against him of sexual harassment. The 805 report also  
12 indicated that respondent had failed to undergo a psychiatric evaluation that the Hospital had  
13 requested. Further Board investigation revealed that respondent, a psychiatrist, had  
14 repeatedly engaged in inappropriate sexual behavior with female co-workers and patients.

15 14. On or about September, 1997, respondent agreed to undergo a  
16 voluntary psychiatric evaluation. On or about November 5, 1997, respondent underwent a  
17 voluntary psychiatric evaluation conducted by Richard J. Corelli, M.D. Dr. Corelli reached  
18 a diagnosis of Axis I: obsessive-compulsive disorder and alcoholism sustained full remission;  
19 Axis II, obsessive-compulsive personality disorder. Dr. Corelli concluded that respondent  
20 "has demonstrated a rather consistent pattern of poor judgement and difficulty with boundary  
21 issues and professional roles that is of significant concern as to his ability to practice  
22 medicine safely." Dr. Corelli stated that respondent has an "impaired ability to practice  
23 medicine with safety to the public and that he requires psychotherapy at this time in order to  
24 practice medicine safely."

25 15. Based on Dr. Corelli's conclusions and recommendation, it has been  
26 determined that respondent's ability to practice his profession safely is impaired because of  
27 mental illness and that, accordingly, grounds for disciplinary action are established under  
28 Business and Professions Code section 822.
