DEFAULT DECISION AND ORDER

[Gov. Code, §11520]

16 Physician's and Surgeon's Certificate A 30879,
17 Respondent.

18
19 **FINDINGS OF FACT**

20 1. On or about March 27, 2013, Complainant Linda Whitney, in her official capacity as
21 the Executive Director of the Medical Board of California, Department of Consumer Affairs, filed
22 Accusation No. 06-2011-219537 against Madhu Yaminee Garg, M.D. (Respondent) before the
23 Medical Board of California.

24 2. On or about March 28, 1977, the Medical Board of California (Board) issued
25 Physician's and Surgeon's Certificate No. A 30879 to Respondent. That license was in full force
26 and effect at all times relevant to the charges brought herein and will expire on March 31, 2015,
27 unless renewed.
28

1 3. On or about April 18, 2013, Teresa Schaeffer, an employee of the Complainant
2 Agency, served by Certified Mail a copy of the Accusation No. 06-2011-219537, Statement to
3 Respondent, Notice of Defense, Request for Discovery, and Government Code sections 11507.5,
4 11507.6, and 11507.7 to Respondent's address of record with the Board, which was 1818 South
5 Western Avenue, #203, Los Angeles, California 90006. A copy of the Accusation, the related
6 documents, and Declaration of Service are attached as Exhibit A, and are incorporated herein by
7 reference.

8 4. Service of the Accusation was effective as a matter of law under the provisions of
9 Government Code section 11505, subdivision (c).

10 On or about May 11, 2013, the aforementioned documents were returned by the U.S. Postal
11 Service marked "Unclaimed." A copy of the envelope returned by the post office is attached as
12 Exhibit B, and is incorporated herein by reference.

13 5. On or about August 22, 2013, Teresa Schaffer, an employee of the Complainant
14 Agency, served by Certified Mail a copy of Accusation No. 06-2011-219537, Statement to
15 Respondent, Notice of Defense, Request for Discovery, and Government Code sections 11507.5,
16 11507.6, and 11507.7 to 241 Oak Knoll Drive, Glendora, California 91741. This is the address
17 that Supervising Investigator Marianne Eckhoff indicated was the most recent address of the
18 Respondent, per Lexis.com.

19 6. Service of the Accusation was effective as a matter of law under the provisions of
20 Government Code section 11505, subdivision (c).

21 On or about October 9, 2013, the aforementioned documents were returned by the U.S.
22 Postal Service marked "Unclaimed." A copy of the United States Postal Service tracking
23 information for tracking number 701210010000122829132, which relates to the package
24 containing the Accusation and Accusation Packet, notes that the package was returned to sender
25 because they were unclaimed, is attached as exhibit C, and is incorporated herein by reference.

26 7. Also attached, as Exhibit D, is the Declaration of Dr. Stuart Shipko, the psychiatrist
27 who evaluated Respondent on behalf of the Medical Board, in order to determine her fitness to
28 practice medicine. Dr. Shipko examined Respondent on two occasions. His findings are set forth

1 in his declaration. His conclusions, as set forth in his declaration, establish that Respondent
2 suffers from poly-substance abuse and that she is not capable of safely practicing medicine.

3 8. Government Code section 11506 states, in pertinent part:

4 "(c) The respondent shall be entitled to a hearing on the merits if the respondent files a
5 notice of defense, and the notice shall be deemed a specific denial of all parts of the accusation
6 not expressly admitted. Failure to file a notice of defense shall constitute a waiver of
7 respondent's right to a hearing, but the agency in its discretion may nevertheless grant a hearing."

8 Respondent failed to file a Notice of Defense within 15 days after service upon her of the
9 Accusation, and therefore waived her right to a hearing on the merits of Accusation No. 06-2011-
10 219537.

11 9. California Government Code section 11520 states, in pertinent part:

12 "(a) If the respondent either fails to file a notice of defense or to appear at the hearing, the
13 agency may take action based upon the respondent's express admissions or upon other evidence
14 and affidavits may be used as evidence without any notice to respondent."

15 10. Pursuant to its authority under Government Code section 11520, the Board finds
16 Respondent is in default. The Board will take action without further hearing and, based on
17 Respondent's express admissions by way of default and the evidence before it, contained in
18 exhibits A, B, C and D, finds that the allegations in Accusation No. 06-2011-219537 are true.

19 DETERMINATION OF ISSUES

20 1. Based on the foregoing findings of fact, Respondent Madhu Yaminee Garg, M.D. has
21 subjected her Physician's and Surgeon's Certificate No. A 30879 to discipline.

22 2. A copy of the Accusation and the related documents and Declaration of Service are
23 attached.

24 3. The agency has jurisdiction to adjudicate this case by default.

25 4. The Medical Board of California is authorized to revoke Respondent's Physician's
26 and Surgeon's Certificate based upon the following violations alleged in the Accusation:
27 Business and Professions Code section 822 (mental and physical illness affecting ability to
28 practice safely) 2239 (use of controlled substance in a dangerous manner).

JURISDICTION

3. This Accusation is brought before the Board under the authority of the following laws.

4. Business and Professions Code section 2227¹ provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2234 of the Code, states:

"The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

"(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

""

6. Section 2239, subdivision (a) of the Code states:

" The use or prescribing for or administering to himself or herself, of any controlled substance; or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic beverages, to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to any other person or to the public, or to the extent that such use impairs the ability of the licensee to practice medicine safely or more than one misdemeanor or any felony involving the use, consumption, or self-administration of any of the substances referred to in this section, or any combination thereof, constitutes unprofessional conduct. . . ."

7. Section 820 of the Code states:

"Whenever it appears that any person holding a license, certificate or permit under this division or under any initiative act referred to in this division may be unable to practice his or her profession safely because the licentiate's ability to

¹ All statutory references are to the Business and Professions Code unless otherwise indicated.

1 practice is impaired due to mental illness, or physical illness affecting competency,
2 the licensing agency may order the licentiate to be examined by one or more
3 physicians and surgeons or psychologists designated by the agency. The report of the
4 examiners shall be made available to the licentiate and may be received as direct
5 evidence in proceedings conducted pursuant to Section 822."

6 8. Section 822 of the Code states:

7 "If a licensing agency determines that its licentiate's ability to practice his or her profession
8 safely is impaired because the licentiate is mentally ill, or physically ill affecting competency, the
9 licensing agency may take action by any one of the following methods:

10 "(a) Revoking the licentiate's certificate or license.

11 "(b) Suspending the licentiate's right to practice.

12 "(c) Placing the licentiate on probation.

13 "(d) Taking such other action in relation to the licentiate as the licensing agency it its
14 discretion deems proper."

15 **FIRST CAUSE FOR DISCIPLINE**

16 **(Mental and Physical Illness Affecting Ability to Practice Safely)**

17 9. Respondent is subject to disciplinary action under Business and Professions Code
18 sections 822 and 826 because her ability to practice medicine safely is impaired because of
19 mental and physical illness. The facts and circumstances are as follows:

20 10. Respondent was a partner with Southern California Permanente Medical Group and
21 worked at Kaiser Baldwin Park Medical Center-West Covina Medical Offices, practicing family
22 medicine.

23 11. On or about October 24, 2011, Respondent reported for work and was asked to
24 undergo drug testing as she appeared to be "out of it." The results of that drug test were received
25 on or about October 31, 2011, and were noted to be positive for amphetamines,²
26 methamphetamines,³ and hydrocodone.⁴ Respondent was placed off-work.

27 ² Amphetamines are a group of psychoactive drugs that are central nervous system
28 stimulants.

(continued...)

1 12. Respondent underwent a neuropsychiatric evaluation on or about February 24, 2012,
2 performed by Dr. David Fox. Dr. Fox found considerable evidence of a movement disorder that
3 caused Respondent to be uncoordinated and slowed her ability to process information. She
4 exhibited signs of intermittent tremor, mild akinesia⁵ and dyspraxia⁶ during testing. There was
5 also evidence that Respondent had cognitive impairment, consisting of confusion, impaired
6 reasoning, and limited insight.

7 13. An MRI of the brain and brainstem were performed on Respondent on or about
8 March 9, 2012, and were found to be within normal limits.

9 14. As a consequence of this impairment, Respondent was evaluated at the request of her
10 licensing agency, the Board, by a psychiatrist, Dr. Stuart Shipko, and a family practitioner, Dr.
11 Payam Shadie.

12 15. Dr. Shipko evaluated Respondent on or about April 18, 2012. Dr. Shipko diagnosed
13 Respondent with polysubstance abuse. He further opined that Respondent should not return to
14 work as she represented a potential safety risk to patients.

15 16. Dr. Shadie performed a physical examination of Respondent on or about April 24,
16 2012. He recommended that Respondent undergo a neuropsychiatric evaluation to assess her
17 mental status and her ability to safely practice medicine.

18 17. On or about April 24, 2012, Respondent voluntarily submitted to a drug test at the
19 request of the Board. The results of that drug test were received on or about May 1, 2012, and
20 were positive for opiates and benzodiazepines.⁷

22 ³ Methamphetamines are a central nervous system stimulant that have a high potential for
23 abuse.

24 ⁴ Hydrocodone is a semi-synthetic opioid narcotic analgesic.

25 ⁵ Akinesia is a loss of control of voluntary muscle movement.

26 ⁶ Dyspraxia is a motor learning disability.

27 ⁷ Benzodiazepines are a type of medication commonly referred to as tranquilizers.

1 18. At Respondent's request, she underwent a second neuropsychiatric evaluation on or
2 about June 12, 2012, performed by Dr. Earnest. Dr. Earnest found defects in Respondent's
3 visual-spatial organization and executive functioning, processing speed and fine motor
4 coordination.

5 19. On or about October 3, 2012, Respondent underwent a re-evaluation by Dr. Shipko.
6 During this evaluation, Respondent admitted to Dr. Shipko that she took Vicodin, an opiate
7 analgesic, for hip pain. Respondent would not state the name of the prescribing physician. A
8 review of the Controlled Substance Utilization Review and Evaluation System (CURES) Report
9 reflects that Vicodin was not prescribed for Respondent.

10 20. Following his re-evaluation of Respondent, Dr. Shipko rendered an impression that
11 Respondent was suffering from polysubstance abuse. He further opined that Respondent is not
12 capable of safely practicing medicine based on the results of his evaluation, the results of the
13 neuropsychiatric testing and the effects of the self-abuse of controlled substances.

14 21. On or about October 3, 2012, Respondent voluntarily submitted to a drug test at the
15 request of the Board. The results of that drug test were received on or about October 9, 2012, and
16 were positive for opiates, barbiturates⁸ and benzodiazepines.

17 22. On or about October 17, 2012, Respondent was visited by Board Investigator Maksim
18 Degtyar. Respondent admitted to Investigator Degtyar that she took Vicodin daily. Respondent
19 could not recall the name of the physician who prescribed the Vicodin for her. A review of the
20 CURES Report run on Respondent has no evidence of Vicodin being prescribed for Respondent.

21 **SECOND CAUSE FOR DISCIPLINE**

22 **(Use of Controlled Substance in a Dangerous Manner)**

23 23. Respondent is subject to disciplinary action under Business and Professions Code
24 Section 2239, subdivision (a), insofar as her use of a controlled substance impairs her ability to
25 safely practice medicine. The facts and circumstances are as follows:

26
27
28 ⁸ Barbiturates are central nervous system depressants.

24. The allegations of the First Cause for Discipline paragraphs 10 through 22 are incorporated herein by reference as if fully set forth.

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician's and Surgeon's Certificate Number A 30879, issued to Respondent; and
2. Revoking, suspending or denying approval of her authority to supervise physician assistants, pursuant to section 3527 of the Code; and
3. If placed on probation, ordering her to pay to the Board the costs of probation monitoring; and
4. Taking such other and further action as deemed necessary and proper.
