20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. Kimberly Kirchmeyer (complainant) is the Executive Director of the Medical Board
24 of California (Board). She brought this action solely in her official capacity as such and is
25 represented in this matter by Kamala D. Harris, Attorney General of the State of California, by
26 Karolyn M. Westfall, Deputy Attorney General.

28 ///

1 2. Respondent Anthony S. Bianchi, M.D. (respondent) is represented in this proceeding
2 by attorney Henry Lewin of Lewin & Levin, 11377 West Olympic Blvd., Fifth Floor, Los
3 Angeles, CA 90064-1683.

4 3. On or about August 29, 1997, the Board issued Physician's and Surgeon's Certificate
5 No. A63365 to respondent. The Physician's and Surgeon's Certificate was in full force and effect
6 at all times relevant to the charges brought in Accusation No. 800-20130-01744 and will expire
7 on January 31, 2017, unless renewed.

8 **JURISDICTION**

9 4. On May 5, 2015, Accusation No. 800-2013-001744 was filed against respondent
10 before the Board. A true and correct copy of Accusation No. 800-2013-001744, and all other
11 statutorily required documents, were properly served on respondent on May 5, 2015. Respondent
12 timely filed his Notice of Defense contesting the Accusation.

13 5. A true and correct copy of Accusation No. 800-2013-001744 is attached hereto as
14 Exhibit A and incorporated by reference as if fully set forth herein.

15 **PRIOR DISCIPLINE**

16 6. On December 20, 2013, the Board adopted a Stipulated Settlement and Disciplinary
17 Order as its Decision and Order in the case entitled *In the Matter of the First Amended Accusation*
18 *Against Anthony S. Bianchi, M.D.*, Case No. 09-2009-200868. That Decision and Order, which
19 became effective on January 17, 2014, revoked respondent's Physician's and Surgeon's
20 Certificate No. A63365, but stayed the revocation, and the physician's and surgeon's certificate
21 was placed on probation for five (5) years subject to various terms and conditions. A true and
22 correct copy of Decision and Order No. 09-2009-200868 is attached hereto as Exhibit B and
23 incorporated by reference as if fully set forth herein.

24 **ADVISEMENT AND WAIVERS**

25 7 Respondent has carefully read, fully discussed with counsel, and fully understands the
26 charges and allegations in Accusation No. 800-2013-001744. Respondent has also carefully read,
27 fully discussed with counsel, and fully understands the effects of this Stipulated Settlement and
28 Disciplinary Order.

8. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in Accusation No. 800-2013-001744; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

9. Having the benefit of counsel, respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

10. Respondent admits that, at an administrative hearing, complainant could establish a *prima facie* case with respect to each and every charge and allegation contained in Accusation No. 800-2013-001744 and agrees that he has thereby subjected his Physician's and Surgeon's Certificate No. A63365 to disciplinary action.

11. Respondent further agrees that if he ever petitions for modification or early termination of probation, or if an accusation and/or petition to revoke probation is filed against him before the Board, all of the charges and allegations contained in Accusation No. 800-2013-001744 shall be deemed true, correct, and fully admitted by respondent for purposes of any such proceeding or any other licensing proceeding involving respondent in the State of California or elsewhere.

12. Respondent agrees that his Physician's and Surgeon's Certificate No. A63365 is subject to discipline and he agrees to be bound by the Board's imposition of discipline as set forth in the Disciplinary Order below.

CONTINGENCY

13. This Stipulated Settlement and Disciplinary Order shall be subject to approval of the Board. The parties agree that this Stipulated Settlement and Disciplinary Order shall be submitted to the Board for its consideration in the above-entitled matter and, further, that the Board shall have a reasonable period of time in which to consider and act on this Stipulated

1 Settlement and Disciplinary Order after receiving it. By signing this stipulation, respondent fully
2 understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation
3 prior to the time the Board considers and acts upon it.

4 14. The parties agree that this Stipulated Settlement and Disciplinary Order shall be null
5 and void and not binding upon the parties unless approved and adopted by the Board, except for
6 this paragraph, which shall remain in full force and effect. Respondent fully understands and
7 agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and
8 Disciplinary Order, the Board may receive oral and written communications from its staff and/or
9 the Attorney General's office. Communications pursuant to this paragraph shall not disqualify
10 the Board, any member thereof, and/or any other person from future participation in this or any
11 other matter affecting or involving respondent. In the event that the Board, in its discretion, does
12 not approve and adopt this Stipulated Settlement and Disciplinary Order, with the exception of
13 this paragraph, it shall not become effective, shall be of no evidentiary value whatsoever, and
14 shall not be relied upon or introduced in any disciplinary action by either party hereto.
15 Respondent further agrees that should the Board reject this Stipulated Settlement and Disciplinary
16 Order for any reason, respondent will assert no claim that the Board, or any member thereof, was
17 prejudiced by its/his/her review, discussion and/or consideration of this Stipulated Settlement and
18 Disciplinary Order or of any matter or matters related hereto.

19 **ADDITIONAL PROVISIONS**

20 15. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to
21 be an integrated writing representing the complete, final and exclusive embodiment of the
22 agreements of the parties in the above-entitled matter.

23 16. The parties agree that copies of this Stipulated Settlement and Disciplinary Order,
24 including copies of the signatures of the parties, may be used in lieu of original documents and
25 signatures and, further, that such copies and signatures shall have the same force and effect as
26 originals.

27 ///

28 ///

1 17. In consideration of the foregoing admissions and stipulations, the parties agree the
2 Board may, without further notice to or opportunity to be heard by respondent, issue and enter the
3 following Disciplinary Order:

4 **DISCIPLINARY ORDER**

5 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A63365 issued
6 to respondent Anthony S. Bianchi, M.D. is revoked. However, the revocation is stayed and
7 respondent is placed on probation for five (5) years from the effective date of this Decision and
8 Order, on the following terms and conditions:

9 1. PROFESSIONAL BOUNDARIES PROGRAM. Within 60 calendar days from the
10 effective date of this Decision, respondent shall enroll in a professional boundaries program
11 equivalent to the Professional Boundaries Program offered by the Physician Assessment and
12 Clinical Education Program at the University of California, San Diego School of Medicine
13 ("Program"). Respondent, at the Program's discretion, shall undergo and complete the Program's
14 assessment of respondent's competency, mental health and/or neuropsychological performance,
15 and at minimum, a 24 hour program of interactive education and training in the area of
16 boundaries, which takes into account data obtained from the assessment and from the Decision(s),
17 Accusation(s) and any other information that the Board or its designee deems relevant. The
18 Program shall evaluate respondent at the end of the training and the Program shall provide any
19 data from the assessment and training as well as the results of the evaluation to the Board or its
20 designee.

21 Failure to complete the entire Program not later than six (6) months after respondent's
22 initial enrollment shall constitute a violation of probation unless the Board or its designee agrees
23 in writing to a later time for completion. Based on respondent's performance in and evaluations
24 from the assessment, education, and training, the Program shall advise the Board or its designee
25 of its recommendation(s) for additional education, training, psychotherapy and other measures
26 necessary to ensure that respondent can practice medicine safely. Respondent shall comply with
27 Program recommendations. At the completion of the Program, respondent shall submit to a final
28 evaluation. The Program shall provide the results of the evaluation to the Board or its designee.

1 The professional boundaries program shall be at respondent's expense and shall be in addition to
2 the Continuing Medical Education (CME) requirements for renewal of licensure.

3 The Program has the authority to determine whether or not respondent successfully
4 completed the Program.

5 A professional boundaries course successfully completed as part of the Decision and Order
6 in case No. 09-2009-200868, may be accepted towards the fulfillment of this condition.

7 2. PSYCHIATRIC EVALUATION. Within 30 calendar days of the effective date of
8 this Decision, and on whatever periodic basis thereafter may be required by the Board or its
9 designee, respondent shall undergo and complete a psychiatric evaluation (and psychological
10 testing, if deemed necessary) by a Board-appointed board certified psychiatrist, who shall
11 consider any information provided by the Board or designee and any other information the
12 psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its
13 designee. Respondent shall pay the cost of all psychiatric evaluations and psychological testing.

14 Respondent shall comply with all restrictions or conditions recommended by the evaluating
15 psychiatrist within 15 calendar days after being notified by the Board or its designee.

16 A psychiatric evaluation successfully completed as part of the Decision and Order in case
17 No. 09-2009-200868, may be accepted towards the fulfillment of this condition.

18 3. PSYCHOTHERAPY. Within 60 calendar days of the effective date of this Decision,
19 respondent shall submit to the Board or its designee for prior approval the name and
20 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who
21 has a doctoral degree in psychology and at least five years of postgraduate experience in the
22 diagnosis and treatment of emotional and mental disorders. Upon approval, respondent shall
23 undergo and continue psychotherapy treatment, including any modifications to the frequency of
24 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

25 The psychotherapist shall consider any information provided by the Board or its designee
26 and any other information the psychotherapist deems relevant and shall furnish a written
27 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
28 psychotherapist any information and documents that the psychotherapist may deem pertinent.

1 Respondent shall have the treating psychotherapist submit quarterly status reports to the
2 Board or its designee. The Board or its designee may require respondent to undergo psychiatric
3 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
4 probation, respondent is found to be mentally unfit to resume the practice of medicine without
5 restrictions, the Board shall retain continuing jurisdiction over respondent's license and the period
6 of probation shall be extended until the Board determines that respondent is mentally fit to
7 resume the practice of medicine without restrictions.

8 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

9 4. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the
10 solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice
11 where: 1) Respondent merely shares office space with another physician but is not affiliated for
12 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that
13 location.

14 If respondent fails to establish a practice with another physician or secure employment in an
15 appropriate practice setting within 60 calendar days of the effective date of this Decision,
16 respondent shall receive a notification from the Board or its designee to cease the practice of
17 medicine within three (3) calendar days after being so notified. Respondent shall not resume
18 practice until an appropriate practice setting is established.

19 If, during the course of the probation, respondent's practice setting changes and respondent
20 is no longer practicing in a setting in compliance with this Decision, respondent shall notify the
21 Board or its designee within 5 calendar days of the practice setting change. If respondent fails to
22 establish a practice with another physician or secure employment in an appropriate practice
23 setting within 60 calendar days of the practice setting change, respondent shall receive a
24 notification from the Board or its designee to cease the practice of medicine within three (3)
25 calendar days after being so notified. Respondent shall not resume practice until an appropriate
26 practice setting is established.

27 5. PROHIBITED PRACTICE. During probation, respondent is prohibited from seeing,
28 consulting with, attending, practicing medicine on, or treating any and all female patients. After

1 the effective date of this Decision, all female patients seeking to consult with, or receive treatment
2 from respondent shall be notified that respondent is prohibited from seeing, attending, practicing
3 medicine on, or treating any and all female patients.

4 Respondent shall maintain a log of all patients to whom the required oral notification was
5 made. The log shall contain the: 1) patient's name, address and phone number; patient's medical
6 record number, if available; 3) the full name of the person making the notification; 4) the date the
7 notification was made; and 5) a description of the notification given. Respondent shall keep this
8 log in a separate file or ledger, in chronological order, shall make the log available for immediate
9 inspection and copying on the premises at all times during business hours by the Board or its
10 designee, and shall retain the log for the entire term of probation.

11 6. NOTIFICATION. Within seven (7) days of the effective date of this Decision,
12 respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
13 Chief Executive Officer at every hospital where privileges or membership are extended to
14 respondent, at any other facility where respondent engages in the practice of medicine, including
15 all physician and locum tenens registries or other similar agencies, and to the Chief Executive
16 Officer at every insurance carrier which extends malpractice insurance coverage to respondent.
17 Respondent shall submit proof of compliance to the Board or its designee within 15 calendar
18 days.

19 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

20 7. SUPERVISION OF PHYSICIAN ASSISTANTS. During probation, respondent is
21 prohibited from supervising physician assistants.

22 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
23 governing the practice of medicine in California and remain in full compliance with any court
24 ordered criminal probation, payments, and other orders.

25 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
26 under penalty of perjury on forms provided by the Board, stating whether there has been
27 compliance with all the conditions of probation.

28 Respondent shall submit quarterly declarations not later than 10 calendar days after the end

1 of the preceding quarter.

2 10. GENERAL PROBATION REQUIREMENTS.

3 Compliance with Probation Unit

4 Respondent shall comply with the Board's probation unit and all terms and conditions of
5 this Decision.

6 Address Changes

7 Respondent shall, at all times, keep the Board informed of respondent's business and
8 residence addresses, email address (if available), and telephone number. Changes of such
9 addresses shall be immediately communicated in writing to the Board or its designee. Under no
10 circumstances shall a post office box serve as an address of record, except as allowed by Business
11 and Professions Code section 2021(b).

12 Place of Practice

13 Respondent shall not engage in the practice of medicine in respondent's or patient's place
14 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
15 facility.

16 License Renewal

17 Respondent shall maintain a current and renewed California physician's and surgeon's
18 license.

19 Travel or Residence Outside California

20 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
21 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
22 (30) calendar days.

23 In the event Respondent should leave the State of California to reside or to practice,
24 respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
25 departure and return.

26 11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
27 available in person upon request for interviews either at respondent's place of business or at the
28 probation unit office, with or without prior notice throughout the term of probation.

1 12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
2 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
3 30 calendar days and within 15 calendar days of respondent's return to practice. Non-practice is
4 defined as any period of time respondent is not practicing medicine in California as defined in
5 Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month
6 in direct patient care, clinical activity or teaching, or other activity as approved by the Board. All
7 time spent in an intensive training program which has been approved by the Board or its designee
8 shall not be considered non-practice. Practicing medicine in another state of the United States or
9 Federal jurisdiction while on probation with the medical licensing authority of that state or
10 jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall
11 not be considered as a period of non-practice.

12 In the event respondent's period of non-practice while on probation exceeds 18 calendar
13 months, respondent shall successfully complete a clinical training program that meets the criteria
14 of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and
15 Disciplinary Guidelines" prior to resuming the practice of medicine.

16 Respondent's period of non-practice while on probation shall not exceed two (2) years.

17 Periods of non-practice will not apply to the reduction of the probationary term.

18 Periods of non-practice will relieve respondent of the responsibility to comply with the
19 probationary terms and conditions with the exception of this condition and the following terms
20 and conditions of probation: Obey All Laws; and General Probation Requirements.

21 13. COMPLETION OF PROBATION. Respondent shall comply with all financial
22 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
23 completion of probation. Upon successful completion of probation, respondent's certificate shall
24 be fully restored.

25 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
26 of probation is a violation of probation. If respondent violates probation in any respect, the
27 Board, after giving respondent notice and the opportunity to be heard, may revoke probation and
28 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,

1 or an Interim Suspension Order is filed against respondent during probation, the Board shall have
2 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
3 the matter is final.

4 15. LICENSE SURRENDER. Following the effective date of this Decision, if
5 respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
6 the terms and conditions of probation, respondent may request to surrender his or her license. The
7 Board reserves the right to evaluate respondent's request and to exercise its discretion in
8 determining whether or not to grant the request, or to take any other action deemed appropriate
9 and reasonable under the circumstances. Upon formal acceptance of the surrender, respondent
10 shall within 15 calendar days deliver respondent's wallet and wall certificate to the Board or its
11 designee and respondent shall no longer practice medicine. Respondent will no longer be subject
12 to the terms and conditions of probation. If respondent re-applies for a medical license, the
13 application shall be treated as a petition for reinstatement of a revoked certificate.

14 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
15 with probation monitoring each and every year of probation, as designated by the Board, which
16 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
17 California and delivered to the Board or its designee no later than January 31 of each calendar
18 year.

19 17. PRIOR DISCIPLINE. This Decision and Order shall run concurrent with
20 respondent's probation in Case No. 09-2009-200868, and respondent's compliance with
21 probation shall count towards both cases. However, where probation in Case No. 09-2009-
22 200868 is otherwise set to terminate on or about January 17, 2019, probation in Case No. 800-
23 2013-001744 is not set to terminate for five (5) years from the effective date of this Decision and
24 Order.

PARTIES

1. Kimberly Kirchmeyer (complainant) brings this Accusation solely in her official capacity as the Executive Director of the Medical Board of California, Department of Consumer Affairs.

1 5. Section 726 of the Code states:

2 “The commission of any act of sexual abuse, misconduct, or relations with a

4 disciplinary action for any person licensed under this division, under any initiative act
5 referred to in this division and under Chapter 17 (commencing with Section 9000) of
6 Division 3. This section shall not apply to sexual contact between a physician and

10 6. Section 2234 of the Code states, in pertinent part:

11 “The board shall take action against any licensee who is charged with
12 unprofessional conduct. In addition to other provisions of this article, unprofessional
13 conduct includes, but is not limited to, the following:

14 “(a) Violating or attempting to violate, directly or indirectly, assisting in or
15 abetting the violation of, or conspiring to violate any provision of this chapter
16 [Chapter 5, the Medical Practice Act].

17 “...”

18 7. Unprofessional conduct under section 2234 of the Code is conduct which
19 breaches the rules or ethical code of the medical profession, or conduct which is unbecoming to a
20 member in good standing of the medical profession, and which demonstrates an unfitness to
21 practice medicine. (*Shea v. Board of Medical Examiners* (1978) 81 Cal.App.3d 564, 575.)

22 **FIRST CAUSE FOR DISCIPLINE**

23 **(Sexual Abuse or Misconduct with a Patient)**

24 8. Respondent has subjected his Physician’s and Surgeon’s Certificate No.
25 A63365 to disciplinary action under section 726 of the Code, in that he engaged in sexual abuse
26 or misconduct with patient K.F., as more particularly alleged hereinafter:

27 (a) In or around 2004, patient K.F. began treatment with respondent, a
28 gynecologist, during her first pregnancy. This treatment continued for the next several years for a

1 subsequent pregnancy as well as well-woman annual exams. Throughout the years of treatment,
2 respondent shared many personal things about his life with patient K.F., including the fact that his
3 wife would not let him engage in certain sexual acts with her. Patient K.F. found respondent to be
4 friendly and considered his interactions with her throughout this time as "innocent flirting."

5 (b) In or around January, 2009, patient K.F. had been experiencing abnormal
6 uterine bleeding, which had caused her to become quite ill. Patient K.F. called respondent's
7 office to make an appointment to see respondent regarding this issue. Respondent returned
8 patient K.F.'s call and whispered into the phone that he shouldn't be calling her, that he was
9 falling for her, and that every time he saw her, his heart beat so fast he felt like he was having a
10 heart attack. Patient K.F. told her husband about the inappropriate phone call, but they both just
11 thought respondent had a "little crush" on patient K.F.

12 (c) On or about January 27, 2009, patient K.F. saw respondent for an exam in his
13 office. At that time, patient K.F. decided to have a laparoscopic assisted vaginal hysterectomy to
14 help alleviate the abnormal bleeding she was experiencing. The surgery was scheduled to occur
15 on or about February 10, 2009.

16 (d) On or about February 9, 2009, patient K.F. met with respondent in his office for
17 a pre-operation visit. Patient K.F. brought her children with her to this appointment. When he
18 saw the children, respondent asked patient K.F. if the children were her body guards. Sometime
19 during the appointment, respondent pulled a razor out of his pocket and told patient K.F. that he
20 wanted to shave her genital area. After the appointment, as patient K.F. was putting her children
21 in the car, respondent called patient K.F.'s cell phone. During the call, respondent told patient
22 K.F., "you have no idea what you do to me. I had to use a whole bottle of Vaseline." Patient K.F.
23 had grown concerned about the inappropriate things respondent had been saying to her, but she
24 was so ill at the time that she decided to go forward with the surgery.

25 (e) On or about February 10, 2009, respondent conducted the laparoscopic assisted
26 vaginal hysterectomy on patient K.F. at the Fallbrook Hospital. Patient K.F.'s husband was
27 present at the hospital during the surgery, which was otherwise uneventful.

28 ///

1 (f) On or about February 25, 2009, patient K.F. met with respondent at his office
2 for a two week post-operation appointment. Patient K.F.'s husband was present for this
3 appointment, which was otherwise uneventful.

4 (g) On or about March 25, 2009, patient K.F. met with respondent at his office for a
5 six week post-operation appointment. During this appointment, patient K.F. was dressed in a
6 gown, on the exam table, with her feet in the stirrups. Respondent performed a pelvic exam and
7 looked at the surgery incision site while a nurse was present. After the nurse left the room,
8 respondent told patient K.F. that he still had feelings for her. Respondent then placed a chair
9 against the door and walked over to patient K.F., who was still laying on the exam table. Wearing
10 no gloves, respondent then placed his thumb on patient K.F.'s clitoris and inserted his fingers into
11 patient K.F.'s vagina. At the same time, respondent placed his other hand onto patient K.F.'s
12 breast. Respondent did this for approximately 10 seconds and then pulled down his pants,
13 exposed his erect penis, and said, "look what you do to me." Respondent then sat on a chair and
14 asked patient K.F. to sit on top of him to have sex. Patient K.F. said, "no!" Respondent then
15 said, "I'm inappropriate. I'm bad. If I was your husband, I would follow you around like a little
16 puppy dog." Patient K.F. told respondent that she was leaving, got dressed, and left.

17 (h) Despite continued bleeding, patient K.F. never returned to respondent's office
18 for another visit and sought additional treatment from another physician.

19 (i) In or around December, 2013, patient K.F. became aware that the Board had
20 filed an Accusation against respondent for similar misconduct. On or about December 6, 2013,
21 Patient K.F. contacted the Office of the Attorney General to report what respondent had done to
22 her. On or about December 10, 2013, this complaint was forwarded to the Board for
23 investigation.

24 **SECOND CAUSE FOR DISCIPLINE**

25 **(Unprofessional Conduct)**

26 9. Respondent has further subjected his Physician's and Surgeon's
27 Certificate No. A63365 to disciplinary action under sections 2227 and 2234, of the Code, in that
28 he has engaged in conduct which breaches the rules or ethical code of the medical profession, or

1 conduct which is unbecoming to a member in good standing of the medical profession, and which
2 demonstrates an unfitness to practice medicine, as more particularly alleged in paragraph 8,
3 above, which is hereby incorporated by reference and realleged as if fully set forth herein.

4 **DISCIPLINE CONSIDERATIONS**

5 10. To determine the degree of penalty to be imposed in the case, if any,
6 complainant alleges as follows: On or about December 20, 2012, the Board filed First Amended
7 Accusation No. 09-2009-200868 charging respondent with sexual abuse or misconduct with a
8 patient, in violation of section 726, of the Code, and general unprofessional conduct, in violation
9 section 2234, of the Code. On or about December 20, 2013, the Board adopted a Stipulated
10 Settlement and Disciplinary Order as its Decision and Order in Case No. 09-2009-200868. The
11 Decision and Order, which became effective on or about January 17, 2014, revoked respondent's
12 Physician's and Surgeon's Certificate No. A63365, but stayed the revocation, and the physician's
13 and surgeon's certificate was placed on probation for five (5) years with terms and conditions that
14 included the following: (1) Prohibition of practice of medicine for thirty (30) days; (2) Complete
15 PACE Professional Boundaries Program; (3) Undergo psychiatric evaluation; (4) Undergo
16 psychotherapy during the period of probation; (5) Prohibition of solo practice; and (6) Prohibition
17 from seeing, consulting with, attending, practicing medicine on, or treating any and all female
18 patients.

19 **PRAYER**

20 WHEREFORE, complainant requests that a hearing be held on the matters herein alleged,
21 and that following the hearing, the Medical Board of California issue a decision:

- 22 1. Revoking or suspending Physician's and Surgeon's Certificate No. A63365, issued to
23 respondent Anthony S. Bianchi, M.D.;

25 authority to supervise physician assistants, pursuant to section 3527 of the Code;

3. On August 29, 1997, the Medical Board of California, Department of Consumer Affairs (“Board”), issued Physician and Surgeon’s Certificate No. A63365 to Respondent. The Physician and Surgeon’s Certificate was in full force and effect at all times relevant to the charges and allegations in First Amended Accusation No. 09-2009-200868, and will expire on December 31, 2015, unless renewed.

JURISDICTION

4. On July 26, 2012, Accusation No. 09-2009-200868 was filed against Respondent before the Board. A true and correct copy of Accusation No. 09-2009-200868 and all other statutorily required documents were properly served on Respondent on July 26, 2012. Respondent timely filed his Notice of Defense contesting the Accusation.

5. On December 20, 2012, First Amended Accusation No. 09-2009-200868 was filed before the Board and is currently pending against Respondent. A true and correct copy of the First Amended Accusation and Supplemental Statement to Respondent were properly served on Respondent on December 20, 2012, and all of the charges and allegations contained therein were properly deemed controverted pursuant to California Government Code section 11507. A true and correct copy of First Amended Accusation No. 09-2009-200868 is attached hereto as Exhibit A and is hereby incorporated by reference as if fully set forth herein.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and fully understands the charges and allegations in First Amended Accusation No. 09-2009-200868. Respondent has also carefully read, fully discussed with counsel, and fully understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in First Amended Accusation No. 09-2009-200868; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an

1 adverse decision; and all other rights accorded by the California Administrative Procedure Act
2 and other applicable laws.

3 8. Having the benefits of counsel, Respondent hereby voluntarily, knowingly, and
4 intelligently waives and gives up each and every right set forth above.

5 CULPABILITY

6 9. Respondent agrees that, at an administrative hearing, Complainant could establish
7 a *prima facie* case with respect to the charges and allegations contained in First Amended
8 Accusation No. 09-2009-200868, a true and correct copy of which is attached hereto as Exhibit
9 A, and that he has thereby subjected his Physician's and Surgeon's Certificate No. A63365 to
10 disciplinary action.

11 10. Respondent agrees that if he ever petitions for early termination or modification of
12 probation, or if an accusation and/or petition to revoke probation is filed against him before the
13 Board, all of the charges and allegations contained in First Amended Accusation No. 09-2009-
14 200868 shall be deemed true, correct, and fully admitted by Respondent for purposes of any such
15 proceeding before the Board or any other licensing proceeding involving respondent.

16 11. Respondent further agrees to be bound by the Board's imposition of discipline as
17 set forth in the Disciplinary Order below.

18 CONTINGENCY

19 12. This Stipulated Settlement and Disciplinary Order shall be subject to approval of
20 the Board. The parties agree that this Stipulated Settlement and Disciplinary Order shall be
21 submitted to the Board for its consideration in the above-entitled matter and, further, that the
22 Board shall have a reasonable period of time in which to consider and act on this Stipulated
23 Settlement and Disciplinary Order after receiving it. By signing this stipulation, Respondent fully
24 understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation
25 prior to the time the Board considers and acts upon it.

26 13. The parties agree that this Stipulated Settlement and Disciplinary Order shall be
27 null and void and not binding upon the parties unless approved and adopted by the Board, except
28 for this paragraph, which shall remain in full force and effect. Respondent fully understands and

1 agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and
2 Disciplinary Order, the Board may receive oral and written communications from its staff and/or
3 the Attorney General's Office. Communications pursuant to this paragraph shall not disqualify
4 the Board, any member thereof, and/or any other person from future participation in this or any
5 other matter affecting or involving Respondent. In the event that the Board does not, in its
6 discretion, approve and adopt this Stipulated Settlement and Disciplinary Order, with the
7 exception of this paragraph, it shall not become effective, shall be of no evidentiary value
8 whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party
9 hereto. Respondent further agrees that should this Stipulated Settlement and Disciplinary Order
10 be rejected for any reason by the Board, Respondent will assert no claim that the Board, or any
11 member thereof, was prejudiced by its/his/her review, discussion and/or consideration of this
12 Stipulated Settlement and Disciplinary Order or of any matter or matters related hereto.

16 agreements of the parties in the above-entitled matter.

17 15. The parties agree that copies of this Stipulated Settlement and Disciplinary Order,
18 including copies of the signatures of the parties, may be used in lieu of original documents and
19 signatures and, further, that such copies shall have the same force and effect as originals.

20 16. In consideration of the foregoing admissions and stipulations, the parties agree the
21 Board may, without further notice to or opportunity to be heard by Respondent, issue and enter
22 the following Disciplinary Order:

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A63365 issued to Respondent Anthony S. Bianchi, M.D., is revoked. However, the revocation is stayed and Respondent is placed on probation for five (5) years from the effective date of this Decision on the following terms and conditions:

1. ACTUAL SUSPENSION.

As part of probation, Respondent is suspended from the practice of medicine for 30 days beginning the sixteenth (16th) day after the effective date of this Decision.

2. PROFESSIONAL BOUNDARIES PROGRAM.

Within 60 calendar days from the effective date of this Decision, Respondent shall enroll in a professional boundaries program equivalent to the Professional Boundaries Program offered by the Physician Assessment and Clinical Education Program at the University of California, San Diego School of Medicine ("Program"). Respondent, at the Program's discretion, shall undergo and complete the Program's assessment of Respondent's competency, mental health and/or neuropsychological performance, and at minimum, a 24 hour program of interactive education and training in the area of boundaries, which takes into account data obtained from the assessment and from the Decision, First Amended Accusation and any other information that the Board or its designee deems relevant. The Program shall evaluate Respondent at the end of the training and the Program shall provide any data from the assessment and training as well as the results of the evaluation to the Board or its designee.

Failure to complete the entire Program not later than six (6) months after Respondent's initial enrollment shall constitute a violation of probation unless the Board or its designee agrees in writing to a later time for completion. Based on Respondent's performance in and evaluations from the assessment, education, and training, the Program shall advise the Board or its designee of its recommendation(s) for additional education, training, psychotherapy and other measures necessary to ensure that Respondent can practice medicine safely. Respondent shall comply with Program recommendations. At the completion of the Program, Respondent shall submit to a final evaluation. The Program shall provide the results of the evaluation to the Board or its designee.

1 The professional boundaries program shall be at Respondent's expense and shall be in addition to
2 the Continuing Medical Education (CME) requirements for renewal of licensure.

3 The Program has the authority to determine whether or not Respondent successfully
4 completed the Program.

5 A professional boundaries course taken after the acts that gave rise to the charges in the
6 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
7 or its designee, be accepted towards the fulfillment of this condition if the course would have
8 been approved by the Board or its designee had the course been taken after the effective date of
9 this Decision.

10 If Respondent fails to complete the Program within the designated time period,
11 Respondent shall cease the practice of medicine within three (3) calendar days after being notified
12 by the Board or its designee that Respondent failed to complete the Program.

13 **3. PSYCHIATRIC EVALUATION.**

14 Within 30 calendar days of the effective date of this Decision, and on whatever periodic
15 basis thereafter may be required by the Board or its designee, Respondent shall undergo and
16 complete a psychiatric evaluation (and psychological testing, if deemed necessary) by a Board-
17 appointed board certified psychiatrist, who shall consider any information provided by the Board
18 or designee and any other information the psychiatrist deems relevant, and shall furnish a written
19 evaluation report to the Board or its designee. Psychiatric evaluations conducted prior to the
20 effective date of the Decision shall not be accepted towards the fulfillment of this requirement.
21 Respondent shall pay the cost of all psychiatric evaluations and psychological testing.
22 Respondent shall comply with all restrictions or conditions recommended by the evaluating
23 psychiatrist within 15 calendar days after being notified by the Board or its designee.

24 **4. PSYCHOTHERAPY.**

25 Within 60 calendar days of the effective date of this Decision, Respondent shall submit to
26 the Board or its designee for prior approval the name and qualifications of a California-licensed
27 board certified psychiatrist or a licensed psychologist who has a doctoral degree in psychology
28 and at least five years of postgraduate experience in the diagnosis and treatment of emotional and

1 mental disorders. Upon approval, Respondent shall undergo and continue psychotherapy
2 treatment, including any modifications to the frequency of psychotherapy, until the Board or its
3 designee deems that no further psychotherapy is necessary.

4 The psychotherapist shall consider any information provided by the Board or its designee
5 and any other information the psychotherapist deems relevant and shall furnish a written
6 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
7 psychotherapist any information and documents that the psychotherapist may deem pertinent.
8 Respondent shall have the treating psychotherapist submit quarterly status reports to the Board or
9 its designee. The Board or its designee may require Respondent to undergo psychiatric
10 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
11 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
12 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
13 period of probation shall be extended until the Board determines that Respondent is mentally fit
14 to resume the practice of medicine without restrictions.

15 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

16 **5. SOLO PRACTICE PROHIBITION.**

17 Respondent is prohibited from engaging in the solo practice of medicine. Prohibited solo
18 practice includes, but is not limited to, a practice where: 1) Respondent merely shares office space
19 with another physician but is not affiliated for purposes of providing patient care, or 2)
20 Respondent is the sole physician practitioner at that location.

21 If Respondent fails to establish a practice with another physician or secure employment in
22 an appropriate practice setting within 60 calendar days of the effective date of this Decision,
23 Respondent shall receive a notification from the Board or its designee to cease the practice of
24 medicine within three (3) calendar days after being so notified. The Respondent shall not resume
25 practice until an appropriate practice setting is established.

26 If, during the course of the probation, the Respondent's practice setting changes and the
27 Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent
28 shall notify the Board or its designee within 5 calendar days of the practice setting change. If

1 Respondent fails to establish a practice with another physician or secure employment in an
2 appropriate practice setting within 60 calendar days of the practice setting change, Respondent
3 shall receive a notification from the Board or its designee to cease the practice of medicine within
4 three (3) calendar days after being so notified. The Respondent shall not resume practice until an
5 appropriate practice setting is established.

6 **6. PROHIBITED PRACTICE.**

7 During probation, Respondent is prohibited from seeing, consulting with, attending,
8 practicing medicine on, or treating any and all female patients. After the effective date of this
9 Decision, all female patients seeking to consult with, or receive treatment from, Respondent shall
10 be notified that Respondent is prohibited from seeing, attending, practicing medicine on, or
11 treating any and all female patients.

12 Respondent shall maintain a log of all patients to whom the required notification was
13 made. The log shall contain the: 1) patient's name, address and phone number; patient's medical
14 record number, if available; 3) the full name of the person making the notification; 4) the date the
15 notification was made; and 5) a description of the notification given. Respondent shall keep this
16 log in a separate file or ledger, in chronological order, shall make the log available for immediate
17 inspection and copying on the premises at all times during business hours by the Board or its
18 designee, and shall retain the log for the entire term of probation.

19 **7. NOTIFICATION.**

20 Within seven (7) days of the effective date of this Decision, the Respondent shall provide
21 a true copy of this Decision and First Amended Accusation to the Chief of Staff or the Chief
22 Executive Officer at every hospital where privileges or membership are extended to Respondent,
23 at any other facility where Respondent engages in the practice of medicine, including all
24 physician and *locum tenens* registries or other similar agencies, and to the Chief Executive
25 Officer at every insurance carrier which extends malpractice insurance coverage to Respondent.
26 Respondent shall submit proof of compliance to the Board or its designee within 15 calendar days
27 of the effective date of this Decision.

28 ///

1 This condition shall apply to any change(s) in hospitals, other facilities or insurance
2 carrier.

3 **8. SUPERVISION OF PHYSICIAN ASSISTANTS.**

4 During probation, Respondent is prohibited from supervising physician assistants.

5 **9. OBEY ALL LAWS.**

6 Respondent shall obey all federal, state and local laws, all rules governing the practice of
7 medicine in California and remain in full compliance with any court ordered criminal probation,
8 payments, and other orders.

9 **10. QUARTERLY DECLARATIONS.**

10 Respondent shall submit quarterly declarations under penalty of perjury on forms
11 provided by the Board, stating whether there has been compliance with all the conditions of
12 probation.

13 Respondent shall submit quarterly declarations not later than 10 calendar days after the
14 end of the preceding quarter.

15 **11. GENERAL PROBATION REQUIREMENTS.**

16 A. Compliance with Probation Unit

17 Respondent shall comply with the Board's probation unit and all terms and conditions of
18 this Decision.

19 B. Address Changes

20 Respondent shall, at all times, keep the Board informed of Respondent's business and
21 residence addresses, email address (if available), and telephone number. Changes of such
22 addresses shall be immediately communicated in writing to the Board or its designee. Under no
23 circumstances shall a post office box serve as an address of record, except as allowed by Business
24 and Professions Code section 2021(b).

25 C. Place of Practice

26 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
27 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
28 facility.

1 D. License Renewal

2 Respondent shall maintain a current and renewed California physician's and surgeon's
3 license.

4 E. Travel or Residence Outside California

5 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
6 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
7 (30) calendar days.

8 In the event Respondent should leave the State of California to reside or to practice
9 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
10 departure and return.

11 **12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE.**

12 Respondent shall be available in person upon request for interviews either at Respondent's
13 place of business or at the probation unit office, with or without prior notice throughout the term
14 of probation.

15 **13. NON-PRACTICE WHILE ON PROBATION.**

16 Respondent shall notify the Board or its designee in writing within 15 calendar days of
17 any periods of non-practice lasting more than 30 calendar days and within 15 calendar days of
18 Respondent's return to practice. Non-practice is defined as any period of time Respondent is not
19 practicing medicine in California as defined in Business and Professions Code sections 2051 and
20 2052 for at least 40 hours in a calendar month in direct patient care, clinical activity or teaching,
21 or other activity as approved by the Board. All time spent in an intensive training program which
22 has been approved by the Board or its designee shall not be considered non-practice. Practicing
23 medicine in another state of the United States or Federal jurisdiction while on probation with the
24 medical licensing authority of that state or jurisdiction shall not be considered non-practice. A
25 Board-ordered suspension of practice shall not be considered as a period of non-practice.

26 ///

27 ///

28 ///

1 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
2 months, Respondent shall successfully complete a clinical training program that meets the criteria
3 of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and
4 Disciplinary Guidelines" prior to resuming the practice of medicine.

5 Respondent's period of non-practice while on probation shall not exceed two (2) years.
6 Periods of non-practice will not apply to the reduction of the probationary term.
7 Periods of non-practice will relieve Respondent of the responsibility to comply with the
8 probationary terms and conditions with the exception of this condition and the following terms
9 and conditions of probation: Obey All Laws; and General Probation Requirements.

10 **14. COMPLETION OF PROBATION.**

11 Respondent shall comply with all financial obligations (e.g., restitution, probation costs)
12 not later than 120 calendar days prior to the completion of probation. Upon successful
13 completion of probation, Respondent's certificate shall be fully restored.

14 **15. VIOLATION OF PROBATION.**

15 Failure to fully comply with any term or condition of probation is a violation of probation.
16 If Respondent violates probation in any respect, the Board, after giving Respondent notice and the
17 opportunity to be heard, may revoke probation and carry out the disciplinary order that was
18 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed
19 against Respondent during probation, the Board shall have continuing jurisdiction until the matter
20 is final, and the period of probation shall be extended until the matter is final.

21 **16. LICENSE SURRENDER.**

22 Following the effective date of this Decision, if Respondent ceases practicing due to
23 retirement or health reasons or is otherwise unable to satisfy the terms and conditions of
24 probation, Respondent may request to surrender his or her license. The Board reserves the right to
25 evaluate Respondent's request and to exercise its discretion in determining whether or not to

14 7. Unprofessional conduct under section 2234 of the Code is conduct which
15 breaches the rules or ethical code of the medical profession, or conduct which is unbecoming to a
16 member in good standing of the medical profession, and which demonstrates an unfitness to
17 practice medicine. (*Shea v. Board of Medical Examiners* (1978) 81 Cal.App.3d 564, 575.)

18 **FIRST CAUSE FOR DISCIPLINE**

19 **(Sexual Abuse or Misconduct with a Patient)**

20 8. Respondent is subject to disciplinary action under section 726 of the Code in
21 that he engaged in sexual abuse or misconduct with patients T.C. and A.M., as more particularly
22 alleged hereinafter:

23 **Patient T.C.**

24 (a) On or about September 11, 2008, respondent, a gynecologist, began treating
25 patient T.C. Patient T.C.’s first appointment with respondent was a well-woman
26 examination. Due to an abnormal pap smear, patient T.C. needed a couple of follow-up
27 appointments to conclude that everything was normal. Patient T.C. first several
28 appointments with respondent were uneventful.

1 (b) On or about July 9, 2009, patient T.C. presented by appointment to discuss
2 tubal-ligation surgery with respondent. The consultation took place in respondent's office,
3 and patient T.C. was fully clothed. Surgery was scheduled for on or about August 4, 2009,
4 but more information was needed to clarify if the surgery would be performed at Fallbrook
5 Surgical Center or Golden Triangle Surgical Center in Temecula. Respondent gave patient
6 T.C. his pager number and told her to call him anytime day or night. Respondent asked
7 patient T.C. if she wanted to go to lunch with him, and patient T.C. declined.

8 (c) On or about July 10, 2009, patient T.C. received a telephone call from
9 respondent to further discuss the location for her surgery. After a brief discussion about
10 the surgery, respondent apologized for staring at her breasts during the medical
11 consultation the previous day. Respondent told patient T.C. she was a beautiful woman
12 and did not want to offend her, but stated he could not stop thinking about her, especially
13 since he knew what she looked like unclothed.

14 (d) On or about July 20, 2009, patient T.C. received a phone call from respondent,
15 who verified that her surgery could be performed at patient T.C.'s preferred surgical center
16 in Temecula. After some small talk, respondent told patient T.C. that he had a dream in
17 which she came to his office wearing a short miniskirt without any undergarments.
18 Respondent continued to describe that he performed oral sex on patient T.C. in his dream.
19 Respondent acknowledged that he did not know if patient T.C. liked oral sex, but stated
20 that she was gratified in his dream. Patient T.C. asked what respondent was doing by
21 talking like that, and respondent explained that they were talking as friends and complained
22 about having an unsatisfying sex life in his marriage. Patient T.C. expressed her
23 discomfort with the conversation, stated she was concerned about what respondent might
24 do to her during the surgery, and asked who else would be present in the room during the
25 surgery. Respondent agreed to refer her to another doctor for the surgery, and promised
26 not to "stalk" patient T.C.

27 (e) Patient T.C. called respondent back at the phone number from which
28 respondent had called her, which was respondent's cell phone number. Respondent stated

1 that she should not call him at that number, but rather should call his pager, which would
2 forward the call to his cell phone. Patient T.C. told respondent the name of another doctor
3 who she wanted to perform her surgery, and asked that he make a referral to that doctor,
4 and respondent agreed.

5 **Patient A.M.**

6 (f) On or about May 14, 2012, patient A.M. was seen by respondent for her eighth
7 week pregnancy intravaginal ultrasound after she had experienced some vaginal bleeding.
8 During this visit, respondent complemented patient A.M. on her clothes and told her that
9 she was beautiful.

10 (g) The next day, on or about May 15, 2012, respondent called patient A.M.
11 Respondent stated that he had something to say, did not know if he should say it, but that
12 he was going to say it anyway. Respondent told patient A.M. that he knew he was "an old
13 man," but expressed that he was sexually attracted to patient A.M. Respondent requested
14 the next time patient A.M. comes to his office, that she not shave the hair around her
15 genitalia and that she come disheveled and untidy "because yesterday I nearly had a heart
16 attack seeing you."

17 **SECOND CAUSE FOR DISCIPLINE**

18 **(Unprofessional Conduct)**

19 9. Respondent is further subject to disciplinary action under sections 2227 and
20 2234 of the Code, in that he has engaged in conduct which breached the rules or ethical code of
21 the medical profession, or conduct which was unbecoming to a member in good standing of the
22 medical profession, and which demonstrated an unfitness to practice medicine, as more
23 particularly alleged in Paragraph 8, above, is hereby incorporated by reference and realleged as if
24 fully set forth herein.
