4 "(e) The commission of any act involving dishonesty or corruption which is substantially  
5 related to the qualifications, functions, or duties of a physician and surgeon.

6 "(f) Any action or conduct which would have warranted the denial of a certificate."

7 7. Section 2236 of the Code states:

8 "(a) The conviction of any offense substantially related to the qualifications, functions, or  
9 duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this  
10 chapter [Chapter 5, the Medical Practice Act]. The record of conviction shall be conclusive  
11 evidence only of the fact that the conviction occurred.

12 "(b) The district attorney, city attorney, or other prosecuting agency shall notify the

14 misdemeanor immediately upon obtaining information that the defendant is a licensee. The  
15 notice shall identify the licensee and describe the crimes charged and the facts alleged. The

1        8.    Section 2236.1 of the Code states:

2        "(a) A physician and surgeon's certificate shall be suspended automatically during any time  
3 that the holder of the certificate is incarcerated after conviction of a felony, regardless of whether  
4 the conviction has been appealed. The Division of Medical Quality shall, immediately upon  
5 receipt of the certified copy of the record of conviction, determine whether the certificate of the  
6 physician and surgeon has been automatically suspended by virtue of his or her incarceration, and  
7 if so, the duration of that suspension. The division shall notify the physician and surgeon of the  
8 license suspension and of his or her right to elect to have the issue of penalty heard as provided in  
9 this section.

10        "(b) Upon receipt of the certified copy of the record of conviction, if after a hearing it is  
11 determined therefrom that the felony of which the licensee was convicted was substantially  
12 related to the qualifications, functions, or duties of a physician and surgeon, the Division of  
13 Medical Quality shall suspend the license until the time for appeal has elapsed, if no appeal has  
14 been taken, or until the judgment of conviction has been affirmed on appeal or has otherwise  
15 become final, and until further order of the division. The issue of substantial relationship shall be  
16 heard by and administrative law judge from the Medical Quality Panel sitting alone or with a  
17 panel of the division, in the discretion of the division.

18        "(c) Notwithstanding subdivision (b), a conviction of any crime referred to in Section 2237,  
19 or a conviction of Section 187, 261, 262 or 288 of the Penal Code, shall be conclusively  
20 presumed to be substantially related to the qualifications, functions, or duties of a physician and  
21 surgeon and no hearing shall be held on this issue. Upon its own motion or for good cause  
22 shown, the division may decline to impose or may set aside the suspension when it appears to be  
23 in the interest of justice to do so, with due regard to maintaining the integrity of and confidence in  
24 the medical profession.

25        "(d) (1) Discipline may be ordered in accordance with Section 2227, or the Division of  
26 Licensing may order the denial of the license when the time for appeal has elapsed, the judgment  
27 of conviction has been affirmed on appeal, or an order granting probation is made suspending the  
28 imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code

1 allowing the person to withdraw his or her plea of guilty and to enter a plea of not guilty, setting  
2 aside the verdict of guilty, or dismissing the accusation, complaint, information, or indictment.

3       "(2) The issue of penalty shall be heard by an administrative law judge from the Medical  
4 Quality Panel sitting alone or with a panel of the division, in the discretion of the division. The  
5 hearing shall not be had until the judgment of conviction has become final or, irrespective of a  
6 subsequent order under Section 1203.4 of the Penal Code, an order granting probation has been  
7 made suspending the imposition of sentence; except that a licensee may, at his or her option, elect  
8 to have the issue of penalty decided before those time periods have elapsed. Where the licensee  
9 so elects, the issue of penalty shall be heard in the manner described in this section at the hearing  
10 to determine whether the conviction was substantially related to the qualifications, functions, or  
11 duties of a physician and surgeon. If the conviction of a licensee who has made this election is  
12 overturned on appeal, any discipline ordered pursuant to this section shall automatically cease.  
13 Nothing in this subdivision shall prohibit the division from pursuing disciplinary action based on  
14 any cause other than the overturned conviction.

15       "(e) The record of the proceedings resulting in the conviction, including a transcript of the  
16 testimony therein, may be received in evidence.

17       "(f) The other provisions of this article setting forth a procedure for the suspension or  
18 revocation of a physician and surgeon's certificate shall not apply to proceedings conducted  
19 pursuant to this section."

20       9. Section 490 of the Code provides, in pertinent part, that a Board may suspend or  
21 revoke a license on the ground that the licensee has been convicted of a crime substantially  
22 related to the qualifications, functions, or duties of the business or profession for which the  
23 license was issued.

1 CAUSE FOR DISCIPLINE

2 (Unprofessional Conduct/Conviction of a Crime)

3 [B&P Code §§ 490, 2234, 2236, and 2236.1]

4  
5 10. Respondent is subject to disciplinary action under sections 490, 2234, 2236, and  
6 2236.1 in that he has committed unprofessional conduct and has been convicted of a crime  
7 substantially related to the qualifications, functions, or duties of a physician and surgeon. The  
8 circumstances are as follows:

9 A. On or about January 15, 2009, a seven count Felony Complaint was filed in the  
10 Superior Court of the State of California, for the County of Los Angeles, in Case No.  
11 SA068297, entitled *The People of the State of California vs. Christopher Thomas*  
12 *Thompson*, as a result of a July 4, 2008, crash involving his car and two cyclists. Count 1 of  
13 the Complaint charged Respondent with Reckless Driving Causing Specific Injury, in  
14 violation of Vehicle Code Section 23105 (A). Counts 2 and 3 of the Complaint charged  
15 him with Battery Causing Serious Bodily Injury, in violation of Penal Code Section 243  
16 (D). Count 4 of the Complaint charged Respondent with Reckless Driving, in violation of  
17 Vehicle Code Section 23103 (A). Counts 5 and 6 of the Complaint charged him with  
18 Assault with a Deadly Weapon, in violation of Penal Code Section 245 (A)(1). It was  
19 further alleged as to counts 5 and 6 that Respondent personally inflicted great bodily injury,  
20 within the meaning of Penal Code Section 12022.7, subdivision (A). Count 7 of the  
21 Complaint charged Respondent with Mayhem, in violation of Penal Code Section 203.

22 B. On or about November 2, 2009, in Case Number SA068297, before the Superior  
23 Court of the State of California for the County of Los Angeles (Hon. Scott T. Millington), a  
24 jury returned guilty verdicts on all Counts and the allegations Respondent personally and  
25 intentionally caused great bodily injury were found to be true. Counts 1, 2, 3, 5 and 6 were  
26 found to be felonies. The trial court found Respondent ineligible for probation and, in any  
27 event, found him unsuitable for probation. He was sentenced to serve five years in state  
28 prison.

1 C. The conviction arose from an event in which Respondent intentionally caused  
2 two bicyclists riding downhill to crash into his automobile. On July 4, 2008, two bicycle  
3 enthusiasts, C.S.<sup>2</sup> and R.P., rode in a "holiday" ride from Manhattan Beach to Mandeville  
4 Canyon Road. As they began to ride down Mandeville Canyon Road at about 30 miles per  
5 hour, C.S. heard a long steady horn honk from Respondent's car approximately 35 to 40  
6 feet behind him. Upon seeing the car coming from behind, C.S. signaled to R.P. and the  
7 two began to ride in single file along the right side of the road. Respondent pulled his car  
8 up to about a foot from R.P. and the two men exchanged words. R.P. yelled back at the  
9 Respondent, "f\*\*k you." Respondent yelled something, accelerated in front of R.P., pulled  
10 his car directly in front of the two cyclists and slammed on his brakes. As the car stopped,  
11 R.P. went straight into the trunk of the car, and then flew into the back window of the car  
12 with his face going through the glass. C.S. swerved to the left to avoid the car, but hit the  
13 back, catapulted over the car, and landed in front of the stopped vehicle. Wearing medical  
14 scrubs, Respondent got out of his car and told C.S., "you better get your bike out of the  
15 road." Respondent, an emergency room physician, did not render medical attention to the  
16 victims. Another doctor, who coincidentally was passing by, stopped and aided the  
17 cyclists.

18 D. Respondent called 911. He told the 911 operator, there were "three bikes in the  
19 road (unintelligible) said, f\*\*k you to me I slammed on the brakes they ran into the back of  
20 me." When asked if there were injuries, Respondent said there were two injuries. The  
21 operator asked, "Any serious injuries?" and he responded, "Uh, not really (unintelligible)  
22 they'll claim that."

28 <sup>2</sup> For privacy protection, each victim will be referred to in this Accusation by his initials.

DISCIPLINE CONSIDERATIONS

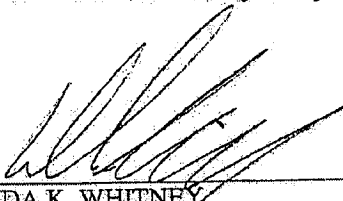

11. In determining the penalty, Respondent's statements and actions on the date of the incident should be considered. A Los Angeles Police Officer was called to the scene of the incident. Upon arriving, he asked Respondent what happened. Respondent stated that when he yelled at the cyclists to ride single file, they gave him the finger and yelled back at him. Respondent then told the officer, "I passed them up, and I stopped in front of them to teach them a lesson. I'm tired of them."

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Board issue a decision:

1. Revoking or suspending Physician's and Surgeon's Certificate No. G31475, issued to Christopher Thompson, M.D.;
2. Revoking, suspending or denying approval of Christopher Thompson, M.D.'s authority to supervise physician assistants, pursuant to section 3527 of the Code;
3. Ordering Christopher Thompson, M.D., if placed on probation, to pay the Medical Board of California the costs of probation monitoring; and
4. Taking such other and further action as deemed necessary and proper.
