STIPULATED SURRENDER OF
LICENSE AND ORDER

18
19 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board
23 of California. She brought this action solely in her official capacity and is represented in this
24 matter by Xavier Becerra, Attorney General of the State of California, by Wendy Widlus, Deputy
25 Attorney General.

26 2. Michael Roland Pude Vivian, M.D. (Respondent) is represented in this proceeding by
27 attorney Kevin D. Cauley, Esq., whose address is 624 South Grand Avenue, 22nd Floor,
28 Los Angeles, California 90017.

3. On or about May 18, 1994, the Medical Board of California (Board) issued Physician's and Surgeon's Certificate No. G 78890 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in The Accusation and Petition to Revoke Probation and will expire on February 28, 2018, unless renewed.

4. On or about October 27, 2016, the Board issued a cease practice order to Respondent prohibiting him from practicing medicine until a final decision of the Board on an accusation and/or a petition to revoke probation.

JURISDICTION

5. In a disciplinary action entitled “*In the Matter of Accusation Against Michael Roland Pude Vivian, M.D.*,” Case No. 800-2014-005638, the Medical Board of California, issued a decision, effective March 4, 2016, in which Respondent’s Physician’s and Surgeon’s Certificate was revoked. However, the revocation was stayed and Respondent’s Physician’s and Surgeon’s Certificate was placed on probation for a period of five (5) years with certain terms and conditions.

6. *“In the Matter of Accusation and Petition to Revoke Probation Against Michael Roland Pude Vivian, M.D.”*, Case No. 800-2016-027060 was filed before the Board, and is currently pending against Respondent. The Accusation and Petition to Revoke Probation and all other statutorily required documents were properly served on Respondent on November 3, 2016. Respondent timely filed his Notice of Defense contesting the Accusation and Petition to Revoke Probation. A copy of the Accusation and Petition to Revoke Probation Case No. 800-2016-027060 is attached as Exhibit A and incorporated by reference.

ADVISEMENT AND WAIVERS

7. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in the Accusation and Petition to Revoke Probation Case No. 800-2016-027060. Respondent also has carefully read, fully discussed with counsel, and understands the effects of this Stipulated Surrender of License and Order.

8. Respondent is fully aware of his legal rights in this matter, including the right to a

1 hearing on the charges and allegations in the Accusation and Petition to Revoke Probation Case
2 No. 800-2016-027060; the right to confront and cross-examine the witnesses against him; the
3 right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to
4 compel the attendance of witnesses and the production of documents; the right to reconsideration
5 and court review of an adverse decision; and all other rights accorded by the California
6 Administrative Procedure Act and other applicable laws.

7 9. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
8 every right set forth above.

9 CULPABILITY

10 10. Respondent understands that the charges and allegations in the Accusation and
11 Petition to Revoke Probation Case No. 800-2016-027060, if proven at a hearing, constitute cause
12 for imposing discipline upon his Physician's and Surgeon's Certificate.

13 11. For the purposes of resolving the Accusation and Petition to Revoke Probation Case
14 No. 800-2016-027060 without the expense and uncertainty of further proceedings, Respondent
15 agrees that, at a hearing, Complainant could establish a factual basis for the charges in the
16 Accusation/Petition to Revoke Probation and that those charges constitute cause for discipline.
17 Respondent hereby gives up his right to contest that cause for discipline exists based on those
18 charges.

19 12. Respondent understands that by signing this stipulation he enables the Board to issue
20 an order accepting the surrender of his Physician's and Surgeon's Certificate No. G 78890
21 without further process.

22 CONTINGENCY

23 13. This stipulation shall be subject to approval by the Board. Respondent understands
24 and agrees that counsel for Complainant and the staff of the Board may communicate directly
25 with the Board regarding this stipulation and surrender, without notice to or participation by
26 Respondent. By signing the stipulation, Respondent understands and agrees that he may not
27 withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers
28 and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the

1 Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this
2 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not
3 be disqualified from further action by having considered this matter.

4 14. The parties understand and agree that Portable Document Format (PDF) and facsimile
5 copies of this Stipulated Surrender of License and Order, shall have the same force and effect as
6 the originals.

7 15. In consideration of the foregoing admissions and stipulations, the parties agree that
8 the Board may, without further notice or formal proceeding, issue and enter the following Order:

9 **ORDER**

10 **IT IS HEREBY ORDERED** that Physician's and Surgeon's Certificate No. G 78890,
11 issued to Respondent MICHAEL ROLAND PUDE VIVIAN, M.D., is surrendered and accepted
12 by the Medical Board of California.

13 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the
14 acceptance of the surrendered license by the Board shall constitute the imposition of discipline
15 against Respondent. This stipulation constitutes a record of the discipline and shall become a part
16 of Respondent's license history with the Medical Board of California.

17 2. Respondent shall lose all rights and privileges as a Physician and Surgeon in
18 California as of the effective date of the Board's Decision and Order.

19 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was
20 issued, his wall certificate on or before the effective date of the Decision and Order.

21 4. If Respondent ever files an application for licensure or a petition for reinstatement in
22 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must
23 comply with all the laws, regulations and procedures for reinstatement of a revoked license in
24 effect at the time the petition is filed, and all of the charges and allegations contained in the
25 Accusation and Petition to Revoke Probation Case No. 800-2016-027060 shall be deemed to be
26 true, correct and admitted by Respondent when the Board determines whether to grant or deny the
27 petition.

28 5. If Respondent should ever apply or reapply for a new license or certification, or

1 petition for reinstatement of a license, by any other health care licensing agency in the State of
2 California, all of the charges and allegations contained in the Accusation and Petition to Revoke
3 Probation Case No. 800-2016-027060 shall be deemed to be true, correct, and admitted by
4 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
5 restrict licensure.

6 **ACCEPTANCE**

7 I have carefully read the above Stipulated Surrender of License and Order and have fully
8 discussed it with my attorney, Kevin D. Cauley, Esq. I understand the stipulation and the effect it
9 will have on my Physician's and Surgeon's Certificate. I enter into this Stipulated Surrender of

17 signatures thereto, shall have the same force and effect as the originals.

18 13. In consideration of the foregoing admissions and stipulations, the parties agree that
19 the Board may, without further notice or formal proceeding, issue and enter the following
20 Disciplinary Order:

21 DISCIPLINARY ORDER

22 **IT IS HEREBY ORDERED THAT** Physician's and Surgeon's Certificate No. G 78890
23 issued to Respondent Michael Vivian, M.D. is revoked. However, the revocation is stayed and
24 Respondent is placed on probation for five (5) years on the following terms and conditions.

25 1. PSYCHIATRIC EVALUATION:

26 Within 30 calendar days of the effective date of this Decision, and on whatever periodic
27 basis thereafter may be required by the Board or its designee, respondent shall undergo and
28 complete a psychiatric evaluation (and psychological testing, if deemed necessary) by a Board-

1 appointed board certified psychiatrist, who shall consider any information provided by the Board
2 or designee and any other information the psychiatrist deems relevant, and shall furnish a written
3 evaluation report to the Board or its designee.

4 If the psychiatrist determines during the evaluation process that respondent is a threat to
5 himself or others, the evaluator shall notify the Board within twenty-four (24) hours of such a
6 determination.

7 The psychiatrist shall consider the following factors: respondent's license type;
8 respondent's history; respondent's documented length of sobriety (i.e., length of time that has
9 elapsed since respondent's last substance use); respondent's scope and pattern of substance abuse;
10 respondent's treatment history, medical history and current medical condition; the nature,
11 duration and severity of respondent's substance abuse problem or problems; and whether
12 respondent is a threat to himself or the public.

13 Psychiatric Evaluations conducted prior to the effective date of this Decision shall not be
14 accepted towards the fulfillment of this requirement. Respondent shall pay the cost of all
15 psychiatric evaluations and psychological testing.

16 Respondent shall comply with all restrictions or conditions recommended by the evaluating
17 psychiatrist within 15 calendar days after being notified by the Board or its designee.

18 2. CONTROLLED SUBSTANCES - ABSTAIN FROM USE. Respondent shall abstain
19 completely from the personal use or possession of controlled substances as defined in the
20 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and
21 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not
22 apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide
23 illness or condition.

24 Within 15 calendar days of receiving any lawfully prescribed medications, Respondent
25 shall notify the Board or its designee of the: issuing practitioner's name, address, and telephone
26 number; medication name, strength, and quantity; and issuing pharmacy name, address, and
27 telephone number.

28 If Respondent has a confirmed positive biological fluid test for any substance (whether or

1 not legally prescribed) and has not reported the use to the Board or its designee, Respondent shall
2 receive a notification from the Board or its designee to immediately cease the practice of
3 medicine. The Respondent shall not resume the practice of medicine until final decision on an
4 accusation and/or a petition to revoke probation. An accusation and/or petition to revoke
5 probation shall be filed by the Board within 15 days of the notification to cease practice. If the
6 Respondent requests a hearing on the accusation and/or petition to revoke probation, the Board
7 shall provide the Respondent with a hearing within 30 days of the request, unless the Respondent
8 stipulates to a later hearing. A decision shall be received from the Administrative Law Judge or
9 the Board within 15 days unless good cause can be shown for the delay. The cessation of practice
10 shall not apply to the reduction of the probationary time period.

11 If the Board does not file an accusation or petition to revoke probation within 15 days of the
12 issuance of the notification to cease practice or does not provide Respondent with a hearing
13 within 30 days of such a request, the notification of cease practice shall be dissolved.

14 3. ALCOHOL - ABSTAIN FROM USE. Respondent shall abstain completely from the
15 use of products or beverages containing alcohol.

16 If Respondent has a confirmed positive biological fluid test for alcohol, Respondent shall
17 receive a notification from the Board or its designee to immediately cease the practice of
18 medicine. The Respondent shall not resume the practice of medicine until final decision on an
19 accusation and/or a petition to revoke probation. An accusation and/or petition to revoke
20 probation shall be filed by the Board within 15 days of the notification to cease practice. If the
21 Respondent requests a hearing on the accusation and/or petition to revoke probation, the Board
22 shall provide the Respondent with a hearing within 30 days of the request, unless the Respondent
23 stipulates to a later hearing. A decision shall be received from the Administrative Law Judge or
24 the Board within 15 days unless good cause can be shown for the delay. The cessation of practice
25 shall not apply to the reduction of the probationary time period.

26 If the Board does not file an accusation or petition to revoke probation within 15 days of the
27 issuance of the notification to cease practice or does not provide Respondent with a hearing
28 within 30 days of such a request, the notification of cease practice shall be dissolved.

1 4. BIOLOGICAL FLUID TESTING

2 Respondent shall immediately submit to biological fluid testing, at respondent's expense,
3 upon request of the Board or its designee. "Biological fluid testing" may include, but is not
4 limited to, urine, blood, breathalyzer, hair follicle testing, or similar drug screening approved by
5 the Board or its designee. Respondent shall make daily contact with the Board or its designee to
6 determine whether biological fluid testing is required. Respondent shall be tested on the date of
7 the notification as directed by the Board or its designee. The Board may order a respondent to
8 undergo a biological fluid test on any day, at any time, including weekends and holidays. Except
9 when testing on a specific date as ordered by the Board or its designee, the scheduling of
10 biological fluid testing shall be done on a random basis. The cost of biological fluid testing shall
11 be borne by the respondent.

12 During the first year of probation, respondent shall be subject to 52 to 104 random tests.
13 During the second year of probation and for the duration of the probationary term, up to five (5)
14 years, respondent shall be subject to 36 to 104 random tests per year. Only if there has been no
15 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing
16 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number
17 of random tests to the first-year level of frequency for any reason.

18 Prior to practicing medicine, respondent shall contract with a laboratory or service,
19 approved in advance by the Board or its designee that will conduct random, unannounced,
20 observed, biological fluid testing and meets all the following standards:

- 21 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry
22 Association or have completed the training required to serve as a collector for the United
23 States Department of Transportation.
24 (b) Its specimen collectors conform to the current United States Department of
25 Transportation Specimen Collection Guidelines
26 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published
27 by the United States Department of Transportation without regard to the type of test
28 administered.

- 1 (d) Its specimen collectors observe the collection of testing specimens.
- 2 (e) Its laboratories are certified and accredited by the United States Department of Health
3 and Human Services.
- 4 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day
5 of receipt and all specimens collected shall be handled pursuant to chain of custody
6 procedures. The laboratory shall process and analyze the specimens and provide legally
7 defensible test results to the Board within seven (7) business days of receipt of the
8 specimen. The Board will be notified of non-negative results within one (1) business day
9 and will be notified of negative test results within seven (7) business days.
- 10 (g) Its testing locations possess all the materials, equipment, and technical expertise
11 necessary in order to test respondent on any day of the week.
- 12 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens
13 for the detection of alcohol and illegal and controlled substances.
- 14 (i) It maintains testing sites located throughout California.
- 15 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line
16 computer database that allows the respondent to check in daily for testing.
- 17 (k) It maintains a secure, HIPPA-compliant website or computer system that allows staff
18 access to drug test results and compliance reporting information that is available 24 hours a
19 day.
- 20 (l) It employs or contracts with toxicologists that are licensed physicians and have
21 knowledge of substance abuse disorders and the appropriate medical training to interpret
22 and evaluate laboratory biological fluid test results, medical histories, and any other
23 information relevant to biomedical information.
- 24 (m) It will not consider a toxicology screen to be negative if a positive result is obtained
25 while practicing, even if the respondent holds a valid prescription for the substance.
- 26 Prior to changing testing locations for any reason, including during vacation or other travel,
27 alternative testing locations must be approved by the Board and meet the requirements above.
- 28 The contract shall require that the laboratory directly notify the Board or its designee of

1 non-negative results within one (1) business day and negative test results within seven (7)
2 business days of the results becoming available. Respondent shall maintain this laboratory or
3 service contract during the period of probation.

4 A certified copy of any laboratory test result may be received in evidence in any
5 proceedings between the Board and respondent.

6 If a biological fluid test result indicates respondent has used, consumed, ingested, or
7 administered to himself a prohibited substance, the Board shall order respondent to cease practice
8 and instruct respondent to leave any place of work where respondent is practicing medicine or
9 providing medical services. The Board shall immediately notify all of respondent's employers,
10 supervisors and work monitors, if any, that respondent may not practice medicine or provide
11 medical services while the cease-practice order is in effect.

12 A biological fluid test will not be considered negative if a positive result is obtained while
13 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
14 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

15 After the issuance of a cease-practice order, the Board shall determine whether the positive
16 biological fluid test is in fact evidence of prohibited substance use by consulting with the
17 specimen collector and the laboratory, communicating with the licensee, his or her treating
18 physician(s), other health care provider, or group facilitator, as applicable.

19 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the
20 acquisition and chemical analysis of a respondent's urine, blood, breath, or hair.

21 For purposes of this condition, the term "prohibited substance" means an illegal drug, a
22 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
23 respondent and approved by the Board, alcohol, or any other substance the respondent has been
24 instructed by the Board not to use, consume, ingest, or administer to himself.

25 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
26 substance, respondent has committed a major violation, as defined in 16 CCR § 1361.52(a), and
27 the Board shall impose any or all of the consequences set forth in 16 CCR § 1361.52(b), in
28 addition to any other terms or conditions the Board determines are necessary for public protection

1 or to enhance respondent's rehabilitation.

2 5. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS

3 Within thirty (30) days of the effective date of this Decision, respondent shall submit to the
4 Board or its designee, for its prior approval, the name of a substance abuse support group which
5 he shall attend for the duration of probation. Respondent shall attend substance abuse support
6 group meetings at least once per week, or as ordered by the Board or its designee. Respondent
7 shall pay all substance abuse support group meeting costs.

8 The facilitator of the substance abuse support group meeting shall have a minimum of three
9 (3) years experience in the treatment and rehabilitation of substance abuse, and shall be licensed
10 or certified by the state or nationally certified organizations. The facilitator shall not have a
11 current or former financial, personal, or business relationship with respondent within the last five
12 (5) years. Respondent's previous participation in a substance abuse group support meeting led by
13 the same facilitator does not constitute a prohibited current or former financial, personal, or
14 business relationship.

15 The facilitator shall provide a signed document to the Board or its designee showing
16 respondent's name, the group name, the date and location of the meeting, respondent's
17 attendance, and respondent's level of participation and progress. The facilitator shall report any
18 unexcused absence by respondent from any substance abuse support group meeting to the Board,
19 or its designee, within twenty-four (24) hours of the unexcused absence.

20 6. PROFESSIONALISM PROGRAM (ETHICS COURSE).

21 Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a
22 professionalism program, that meets the requirements of Title 16, California Code of Regulations
23 (CCR) section 1358. Respondent shall participate in and successfully complete that program.
24 Respondent shall provide any information and documents that the program may deem pertinent.
25 Respondent shall successfully complete the classroom component of the program not later than
26 six (6) months after Respondent's initial enrollment, and the longitudinal component of the
27 program not later than the time specified by the program, but no later than one (1) year after
28 attending the classroom component. The professionalism program shall be at Respondent's

1 expense and shall be in addition to the Continuing Medical Education (CME) requirements for
2 renewal of licensure.

3 A professionalism program taken after the acts that gave rise to the charges in the
4 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
5 or its designee, be accepted towards the fulfillment of this condition if the program would have
6 been approved by the Board or its designee had the program been taken after the effective date of
7 this Decision.

8 Respondent shall submit a certification of successful completion to the Board or its
9 designee not later than 15 calendar days after successfully completing the program or not later
10 than 15 calendar days after the effective date of the Decision, whichever is later.

11 7. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE

12 Within thirty (30) calendar days of the effective date of this Decision, respondent shall
13 submit to the Board or its designee for prior approval as a worksite monitor, the name and
14 qualifications of one or more licensed physician and surgeon, other licensed health care
15 professional if no physician and surgeon is available, or, as approved by the Board or its designee,
16 a person in a position of authority who is capable of monitoring the respondent at work.

17 The worksite monitor shall not have a current or former financial, personal, or familial
18 relationship with respondent, or any other relationship that could reasonably be expected to
19 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its
20 designee. If it is impractical for anyone but respondent's employer to serve as the worksite
21 monitor, this requirement may be waived by the Board or its designee, however, under no
22 circumstances shall respondent's worksite monitor be an employee or supervisee of the licensee.

23 The worksite monitor shall have an active unrestricted license with no disciplinary action
24 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms
25 and conditions of respondent's disciplinary order and agrees to monitor respondent as set forth by
26 the Board or its designee.

27 Respondent shall pay all worksite monitoring costs.

28 The worksite monitor shall have face-to-face contact with respondent in the work

1 environment on as frequent a basis as determined by the Board or its designee, but not less than
2 once per week; interview other staff in the office regarding respondent's behavior, if requested by
3 the Board or its designee; and review respondent's work attendance.

4 The worksite monitor shall verbally report any suspected substance abuse to the Board and
5 respondent's employer or supervisor within one (1) business day of occurrence. If the suspected
6 substance abuse does not occur during the Board's normal business hours, the verbal report shall
7 be made to the Board or its designee within one (1) hour of the next business day. A written
8 report that includes the date, time, and location of the suspected abuse; respondent's actions; and
9 any other information deemed important by the worksite monitor shall be submitted to the Board
10 or its designee within 48 hours of the occurrence.

11 The worksite monitor shall complete and submit a written report monthly or as directed by
12 the Board or its designee which shall include the following: (1) respondent's name and
13 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)
14 the worksite monitor's license number, if applicable; (4) the location or location(s) of the
15 worksite; (5) the dates respondent had face-to-face contact with the worksite monitor; (6) the
16 names of worksite staff interviewed, if applicable; (7) a report of respondent's work attendance;
17 (8) any change in respondent's behavior and/or personal habits; and (9) any indicators that can
18 lead to suspected substance abuse by respondent. Respondent shall complete any required
19 consent forms and execute agreements with the approved worksite monitor and the Board, or its
20 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

21 If the worksite monitor resigns or is no longer available, respondent shall, within five (5)
22 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior
23 approval, the name and qualifications of a replacement monitor who will be assuming that
24 responsibility within fifteen (15) calendar days. If respondent fails to obtain approval of a
25 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the
26 monitor, respondent shall receive a notification from the Board or its designee to cease the
27 practice of medicine within three (3) calendar days after being so notified. Respondent shall
28 cease the practice of medicine until a replacement monitor is approved and assumes monitoring

responsibility.

8. VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING

LICENSEES

Failure to fully comply with any term or condition of probation is a violation of probation.

A. If respondent commits a major violation of probation as defined by section 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take one or more of the following actions:

(1) Issue an immediate cease-practice order and order respondent to undergo a clinical diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of Regulations, at respondent's expense. The cease-practice order issued by the Board or its designee shall state that respondent must test negative for at least a month of continuous biological fluid testing before being allowed to resume practice. For purposes of determining the length of time a respondent must test negative while undergoing continuous biological fluid testing following issuance of a cease-practice order, a month is defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until notified in writing by the Board or its designee that he or she may do so.

(2) Increase the frequency of biological fluid testing.

(3) Refer respondent for further disciplinary action, such as suspension, revocation, or other action as determined by the Board or its designee.

B. If respondent commits a minor violation of probation as defined by section 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take one or more of the following actions:

(1) Issue a cease-practice order;

(2) Order practice limitations;

(3) Order or increase supervision of respondent;

(4) Order increased documentation;

(5) Issue a citation and fine, or a warning letter;

(6) Order respondent to undergo a clinical diagnostic evaluation to be conducted in

1 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of
2 Regulations, at respondent's expense;

3 (7) Take any other action as determined by the Board or its designee.

4 C. Nothing in this Decision shall be considered a limitation on the Board's authority
5 to revoke respondent's probation if he or she has violated any term or condition of probation. If
6 respondent violates probation in any respect, the Board, after giving respondent notice and the
7 opportunity to be heard, may revoke probation and carry out the disciplinary order that was
8 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed
9 against respondent during probation, the Board shall have continuing jurisdiction until the matter
10 is final, and the period of probation shall be extended until the matter is final.

11 9. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION

12 Within seven (7) days of the effective date of this Decision, respondent shall provide to the
13 Board the names, physical addresses, mailing addresses, and telephone numbers of any and all
14 employers and supervisors. Respondent shall also provide specific, written consent for the Board,
15 respondent's worksite monitor, and respondent's employers and supervisors to communicate
16 regarding respondent's work status, performance, and monitoring.

17 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or
18 Well Being Committee Chair, or equivalent, if applicable, when the respondent has medical staff
19 privileges.

20 10. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
21 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
22 Chief Executive Officer at every hospital where privileges or membership are extended to
23 Respondent, at any other facility where Respondent engages in the practice of medicine,
24 including all physician and locum tenens registries or other similar agencies, and to the Chief
25 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
26 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
27 calendar days.

28 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

1 11. SUPERVISION OF PHYSICIAN ASSISTANTS. During probation, Respondent is
2 prohibited from supervising physician assistants.

3 12. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
4 governing the practice of medicine in California and remain in full compliance with any court
5 ordered criminal probation, payments, and other orders.

6 13. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
7 under penalty of perjury on forms provided by the Board, stating whether there has been
8 compliance with all the conditions of probation.

9 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
10 of the preceding quarter.

11 14. GENERAL PROBATION REQUIREMENTS.

12 Compliance with Probation Unit

13 Respondent shall comply with the Board's probation unit and all terms and conditions of
14 this Decision.

15 Address Changes

16 Respondent shall, at all times, keep the Board informed of Respondent's business and
17 residence addresses, email address (if available), and telephone number. Changes of such
18 addresses shall be immediately communicated in writing to the Board or its designee. Under no
19 circumstances shall a post office box serve as an address of record, except as allowed by Business
20 and Professions Code section 2021(b).

21 Place of Practice

22 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
23 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
24 facility.

25 License Renewal

26 Respondent shall maintain a current and renewed California physician's and surgeon's
27 license.

28 Travel or Residence Outside California

1 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
2 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
3 (30) calendar days.

4 In the event Respondent should leave the State of California to reside or to practice
5 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
6 departure and return.

7 15. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
8 available in person upon request for interviews either at Respondent's place of business or at the
9 probation unit office, with or without prior notice throughout the term of probation.

10 16. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
11 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
12 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
13 defined as any period of time Respondent is not practicing medicine in California as defined in
14 Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month
15 in direct patient care, clinical activity or teaching, or other activity as approved by the Board. All
16 time spent in an intensive training program which has been approved by the Board or its designee
17 shall not be considered non-practice. Practicing medicine in another state of the United States or
18 Federal jurisdiction while on probation with the medical licensing authority of that state or
19 jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall
20 not be considered as a period of non-practice.

21 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
22 months, Respondent shall successfully complete a clinical training program that meets the criteria
23 of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and
24 Disciplinary Guidelines" prior to resuming the practice of medicine.

25 Respondent's period of non-practice while on probation shall not exceed two (2) years.

26 Periods of non-practice will not apply to the reduction of the probationary term.

27 Periods of non-practice will relieve Respondent of the responsibility to comply with the
28 probationary terms and conditions with the exception of this condition and the following terms

1 and conditions of probation: Obey All Laws; and General Probation Requirements.

2 17. COMPLETION OF PROBATION. Respondent shall comply with all financial
3 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
4 completion of probation. Upon successful completion of probation, Respondent's certificate shall
5 be fully restored.

6 18. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
7 of probation is a violation of probation. If Respondent violates probation in any respect, the
8 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
9 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
10 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
11 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
12 the matter is final.

13 19. LICENSE SURRENDER. Following the effective date of this Decision, if
14 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
15 the terms and conditions of probation, Respondent may request to surrender his or her license.
16 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
17 determining whether or not to grant the request, or to take any other action deemed appropriate
18 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
19 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
20 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
21 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
22 application shall be treated as a petition for reinstatement of a revoked certificate.

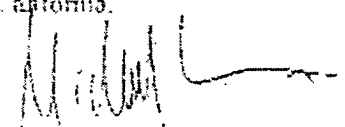

23 20. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
24 with probation monitoring each and every year of probation, as designated by the Board, which
25 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
26 California and delivered to the Board or its designee no later than January 31 of each calendar
27 year.

13 CAUSE FOR DISCIPLINE

14 (Use of Controlled Substances)

15 6. Respondent Michael Vivian, M.D. is subject to disciplinary action under section 2239,
16 subdivision (a), in that Respondent used or administered to himself controlled substances or used
17 dangerous drugs or alcoholic beverages, to the extent, or in such a manner as to be dangerous or
18 injurious to himself, or to another person or to the public, or to the extent that such use impaired
19 Respondent's ability to practice medicine safely. The circumstances are as follows:

20 7. Respondent is a board-certified psychiatrist. Between approximately July, 2013 and
21 March 2014, Respondent had several unanticipated and unexplained absences from his office, and
22 the appointments with some of his patients had to be cancelled. On or about May 21, 2014, a
23 Nurse-Practitioner and a receptionist employed in the medical office where Respondent worked,
24 discovered Respondent passed out in his office. They had difficulty waking him up.

25
26 ¹ Business and Professions Code section 2002, as amended and effective January 1, 2008,
27 provides that, unless otherwise expressly provided, the term "board" as used in the State Medical
28 Practice Act (Bus. & Prof. Code § 2000, et seq.) means the Medical Board of California, and
references to the Division of Medical Quality and Division of Licensing in the Act or any other
provision of law shall be deemed to refer to the Board.

1 8. Several days later, the Nurse-Practitioner spoke with Respondent and Respondent's
2 spouse, and discovered that Respondent had an ongoing substance abuse problem. She urged him
3 to seek treatment. Respondent, thereafter, had unexpected absences from his practice. When it
4 became apparent to the Nurse-Practitioner that Respondent had not sought treatment by June 2,
5 2014, she made a complaint to the Medical Board of California.

6 9. The investigator assigned to the case scheduled a mutually agreed upon interview with
7 Respondent and his attorney to take place on November 20, 2014. On November 18, 2014,
8 Respondent's attorney cancelled the interview, and provided no explanation as to why the
9 interview was cancelled.

10 10. Respondent was subsequently subpoenaed to the interview, which took place on
11 December 29, 2014. During the course of the interview, Respondent refused to answer any
12 questions related to his use of drugs or alcohol, or treatment of any drug or alcohol related illness,
13 or his current state of health. Respondent did, however, offer to provide a urine sample, and
14 agreed to submit to a psychiatric evaluation by a Board-appointed evaluator. Respondent's urine
15 sample, collected on December 29, 2014, was negative for any drug of abuse.

16 11. On or about March 20, 2015, Respondent submitted to a comprehensive psychiatric
17 examination by a Board-appointed evaluator, a board-certified psychiatrist. Prior to the
18 examination Respondent stated that he understood that because all information provided to the
19 evaluator will be put into a report for the Medical board of California, no doctor/patient
20 confidentiality existed.

21 12. Respondent brought to the Board-appointed evaluator partial records related to
22 Respondent's drug abuse treatment and monitoring. These partial records showed that
23 Respondent was admitted as an in-patient at College Hospital on June 19, 2014, and was
24 discharged on July 8, 2014, and that his diagnosis was polysubstance dependence and depressive
25 disorder NOS. Respondent also brought partial records from Hired Power, where he was enrolled
26 in a monitoring program. He provided to the board-appointed evaluator a copy of a "compliance
27 report" from Hired Power that showed a series of negative random drug tests, as well as several
28 "no show" and missed drug tests in late October 2014, which were marked "excused."

1 13. Respondent related to the Board-appointed evaluator that he had some recreational
2 marijuana use in high school and college. When he was in medical school and residency, however,
3 this was very rare. He might have used some marijuana after finals time, but primarily he was
4 focused on his studies. Around 2004 or 2005 he began using amphetamine² and cocaine.
5 Respondent refused to tell the board-appointed evaluator how his addiction started and how he
6 obtained the drugs. Respondent related that he was able to use the amphetamine and cocaine
7 recreationally and then recognized that this was not working. He started going to a 12-step group
8 in 2006 but still had intermittent use, with periods of sobriety lasting for three to six months. In
9 2007, he entered Impact House, a residential chemical dependency treatment, where he stayed for
10 90 days. This was for amphetamine abuse. He successfully completed this program and continued
11 to attend AA-based 12-step programs, maintaining sobriety for five years.

12 14. Respondent told the Board-appointed evaluator that in 2012 he had multiple
13 psychosocial stressors surrounding his father's death, following which Respondent began to use
14 amphetamine. At first, his use was intermittent. He would snort the amphetamine in lines and
15 would use several lines each time, generally using the amphetamine in his office after hours. On or
16 about May 21, 2014, Respondent used a great deal of amphetamine – he recalled that it would be
17 10 lines. At around three o'clock in the morning, he recognized that he needed to come down,
18 and in order to come down, he used his office samples of Saphris.³ This was the first time that he
19 had used Saphris. Normally, Respondent used either alcohol or Seroquel⁴ to come down from the
20 amphetamine. Respondent commented to the Board-appointed evaluator that Saphris had a
21 "bigger punch" than he intended. Respondent confirmed that in the morning, when other
22 employees in his office found him passed out, he was groggy and incoherent.

24 ² Amphetamine is a stimulant and a schedule II controlled substance pursuant to Health and
25 Safety Code section 11055, subdivision (d) (1). It is also a dangerous drug under the provisions of
Business and Professions Code section 4022.

26 ³ Saphris is a trade name for asenapine, an antipsychotic medication. It is a dangerous drug
27 under Business and Professions Code section 4022. Somnolence is a known side effect of this
medication.

28 ⁴ Seroquel is a trade name for quetiapine, an antipsychotic medication. It is a dangerous
drug pursuant to Business and Professions code section 4022.

1 15. Respondent reported to his Board-appointed evaluator that in June of 2014 he entered
2 College Hospital residential treatment program in Santa Barbara. He did not require detoxification
3 and went directly to the residential program. He was discharged early, after approximately three
4 weeks, due to limitations of his health insurance. In August of 2014, Respondent entered a
5 monitoring program Hired Power, which required him to submit to random drug screening.
6 Respondent told the Medical Board evaluator that in early October 2014, Respondent did not
7 show up for a test because he had used amphetamine.
