PARTIES

1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board of California. She brought this action solely in her official capacity as such and is represented in this matter by Kamala D. Harris, Attorney General of the State of California, by Joseph F. McKenna III, Deputy Attorney General.

2. Respondent Bret Robert Gerber, M.D. (respondent) is represented in this proceeding by attorney Robert W. Frank, Esq., whose address is: 1010 Second Ave., Ste. 2500, San Diego,
CA, 92101-4959.

3. On or about June 22, 1994, the Medical Board of California issued Physician’s and Surgeon’s Certificate No. G 79213 to Bret Robert Gerber, M.D. (respondent). The Physician’s and Surgeon’s Certificate was in full force and effect at all times relevant to the charges brought herein and will expire on January 31, 2016, unless renewed.

JURISDICTION

4. On April 24, 2014, Accusation No. 10-2013-235201 was filed before the Medical Board of California (Board), Department of Consumer Affairs, and is currently pending against respondent. A true and correct copy of the Accusation and all other statutorily required documents were properly served on respondent on April 24, 2014. Respondent timely filed his Notice of Defense contesting the Accusation. A true and correct copy of Accusation No. 10-2013-235201 is attached hereto as Exhibit A and incorporated herein by reference as if fully set forth herein.

ADVICEMENT AND WAIVERS

5. Respondent has carefully read, fully discussed with counsel, and fully understands the charges and allegations in Accusation No. 10-2013-235201. Respondent has also carefully read, fully discussed with counsel, and fully understands the effects of this Stipulated Settlement and Disciplinary Order.

Frank, Esq.

7. Having the benefit of counsel, respondent hereby voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.
CULPABILITY

8. Respondent does not contest that, at an administrative hearing, Complainant could establish a *prima facie* case with respect to the charges and allegations contained in Accusation No. 10-2013-235201 and that he has thereby subjected his Physician’s and Surgeon’s Certificate No. G 79213 to disciplinary action.

9. Respondent agrees that if he ever petitions for early termination or modification of probation, or if an accusation and/or petition to revoke probation is filed against him before the Medical Board of California, all of the charges and allegations contained in Accusation No. 10-2013-235201 shall be deemed true, correct and fully admitted by respondent for purposes of any such proceeding, or any other licensing proceeding involving respondent in the State of California, or elsewhere.

The parties agree that this Stipulated Settlement and Disciplinary Order shall be submitted to the Board for its consideration in the above-entitled matter and, further, that the Board shall have a reasonable period of time in which to consider and act on this Stipulated Settlement and Disciplinary Order after receiving it. By signing this stipulation, respondent fully understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the time the Board considers and acts upon it.

11. The parties agree that this Stipulated Settlement and Disciplinary Order shall be null and void and not binding upon the parties unless approved and adopted by the Board, except for this paragraph, which shall remain in full force and effect. Respondent fully understands and agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and Disciplinary Order, the Board may receive oral and written communications from its staff and/or the Attorney General’s Office. Communications pursuant to this paragraph shall not disqualify the Board, any member thereof, and/or any other person from future participation in this or any other matter affecting or involving respondent. In the event that the Board does not, in its discretion, approve and adopt this Stipulated Settlement and Disciplinary Order, with the
exception of this paragraph, it shall not become effective, shall be of no evidentiary value
whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party
hereto. Respondent further agrees that should this Stipulated Settlement and Disciplinary Order
be rejected for any reason by the Board, respondent will assert no claim that the Board, or any
member thereof, was prejudiced by its/his/her review, discussion and/or consideration of this
Stipulated Settlement and Disciplinary Order or of any matter or matters related hereto.

ADDITIONAL PROVISIONS

12. This Stipulated Settlement and Disciplinary Order is intended by the parties herein
to be an integrated writing representing the complete, final and exclusive embodiment of the
agreements of the parties in the above-entitled matter.

13. The parties agree that copies of this Stipulated Settlement and Disciplinary Order,
including copies of the signatures of the parties, may be used in lieu of original documents and
signatures and, further, that such copies shall have the same force and effect as originals.

Board may, without further notice to or opportunity to be heard by respondent, issue and enter the

Such crimes or acts shall include but not be limited to the following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate any provision of the Medical Practice Act.”

FIRST CAUSE FOR DISCIPLINE

(Use of Controlled Substances)

10. Respondent has subjected his Physician's and Surgeon's Certificate No. G79213 to disciplinary action under sections 2227 and 2234, as defined by section 2239, subdivision (a), of the Code, in that he used controlled substances, as more particularly alleged hereinafter:

A. On or about August 24, 2013, at approximately 2016 hours, Mono County Sheriff's Department (MCSD) Deputy C.C. was on duty, in full uniform, and assigned to patrol in the City of Bridgeport, California. At that approximate time, Deputy C.C. observed a Winnebago drive past his location and noted that the front license plate was missing on the vehicle in violation of Vehicle Code section 5200, subdivision (a). Deputy C.C. initiated a traffic enforcement stop of the Winnebago and contacted the driver, who was positively identified by a California driver's license as the respondent. Respondent stated that he owned the Winnebago. Deputy C.C. then asked respondent for paperwork for the Winnebago, and he also asked for identification from the three (3) other occupants of the motor home. Deputy C.C. then checked the license status of respondent and
also ran warrant status on all four (4) occupants. While Deputy C.C. waited for
MCSD dispatch to check license and warrant status, a K-9 unit conducted an
exterior sniff of the Winnebago at which point the K-9 alerted to the driver’s side
area near the driver’s side door. Deputy C.C. advised respondent of the K-9’s alert
to the Winnebago and asked respondent if any illegal drugs were located inside the
motor-home. Respondent admitted that he had some “ecstasy” inside a brown
wooden box inside the Winnebago. Deputy C.C. then directed all occupants to
exit the Winnebago and he conducted a search of the motor-home’s interior.
Deputy C.C. located the brown wooden box inside the Winnebago and inspected
its contents, which included, a clear plastic vacuum sealed bag containing
psilocybin mushrooms¹ and thirty-five (35) capsules containing a tan colored
powder in various plastic bags. Deputy C.C. believed that the powder in the
capsules was consistent with MDMA.² Deputy C.C. also searched the areas above
the driver and passenger seats and discovered two (2) bags containing a powder he
believed to be MDMA, and a “green military type bag.” Inside the green bag,
Deputy C.C. discovered two (2) small blue plastic baggies containing a powder he
believed to be MDMA powder. Deputy C.C. also discovered a small amount of
what he believed to be marijuana inside the green bag. Based upon the totality of
the facts and circumstances, Deputy C.C. arrested respondent for violation of
Health & Safety Code section 11377, subdivision (a), possession of a controlled
substance. After being read his Miranda rights, respondent waived his rights and
agreed to answer Deputy C.C.’s questions. Respondent confirmed that the brown

¹ The plastic bag containing the mushrooms had “21 g” written on the exterior of the bag.
Psilocybin is listed as a Schedule I controlled substance under Health & Safety Code section
11054, subdivision (d), subsection (18). Possession of psilocybin mushrooms can be criminally
charged under Health & Safety Code section 11377, subdivision (a).

² 3,4-methylenedioxy-methamphetamine (MDMA / also known by the street names
“ecstasy” and “molly”) is not a controlled substance, but it is substantially similar to the chemical
structure of 3,4-methylenedioxy-amphetamine (MDA), which is a Schedule I controlled
substance. Possession of MDMA can be criminally charged as an analog of MDA or
methamphetamine, under Health & Safety Code section 11377, subsection (a).
wooded box belonged to him and identified its contents to Deputy C.C.
Respondent stated that the powdery substance was MDMA inside the thirty-five
(35) capsules, with the exception of one bag labeled “B 22-25.” Respondent
identified this particular substance as “2C-B” and described it as being similar to
MDMA, but stated it had more hallucinogenic effects than MDMA. Respondent
also confirmed that the mushrooms were, in fact, psilocybin mushrooms.
Regarding the green bag, respondent denied ownership of the bag and stated that it
belonged to his friend, “Jimmy.” Respondent stated that “Jimmy” had dropped off
the bag at his house for respondent to transport to the Burning Man Festival and
that he planned to return the bag to “Jimmy” when he saw him at the festival.

B. On or about August 29, 2013, the Mono County District Attorney’s
Office sent respondent a letter indicating that the Office had received a law
enforcement complaint alleging respondent had violated Health & Safety Code
section 11377, subsection (a), possession of a controlled substance. The letter
stated that based upon a review of respondent’s case, he was deemed eligible to
participate in the Mono County District Attorney’s Pre-Filing Diversion Program
(PFDP) in lieu of his court appearance to answer to the criminal charge. The letter
further stated that so long as respondent successfully completed the PFDP’s six (6)
month program and completed the terms and conditions,\(^3\) his case would be closed
and there would be no conviction recorded on his criminal and/or driving record.
On or about September 9, 2013, respondent returned the PFDP participation form
to the Mono County District Attorney’s Office indicating he would comply with
the terms and conditions of the program and provide proof of completion within
six (6) months.

\(^{3}\) The terms and conditions required respondent to enroll in a drug education/counseling
program (minimum of twelve (12) sessions), twelve (12) hours of community service, and obey
all laws.
C. On or about January 9, 2014, Investigator Holmes of the Medical Board of California interviewed respondent at the Board's district office in San Diego. During the interview, respondent acknowledged that he has a history of recreational drug use ("mushrooms" and "ecstasy") and that he currently uses "once or twice a year." Respondent further stated that when he does use recreational drugs he is not on call, and he does not have any patient contacts or responsibilities. When asked if he felt it was appropriate for a medical doctor to consume illegal narcotics during his personal time, respondent replied, "I would say no ... it could get you in a lot of trouble." However, respondent also stated that he was not "morally ... against the small use of narcotics in appropriate circumstances." Respondent also admitted during the interview that he had used "ecstasy" at the Burning Man Festival following his arrest in Mono County on August 24, 2013.

D. On or about January 29, 2014, lab testing was conducted by the California Department of Justice, Bureau of Forensic Services, and items seized from respondent's Winnebago following his arrest were analyzed. Lab testing confirmed the pills contained MDMA and the mushrooms contained psilocybin. Additional testing was done on a bag believed to contain MDMA powder. Lab testing of the powder found that it contained cocaine.

SECOND CAUSE FOR DISCIPLINE

(Violation of Statute Regulating Controlled Substances)

11. Respondent has further subjected his Physician's and Surgeon's Certificate No. G79213 to disciplinary action under sections 2227 and 2234, as defined by section 2238, of the Code, in that he violated the statutes or regulations of this state regulating dangerous drugs or controlled substances, as more particularly alleged in paragraph 10, above, which is hereby incorporated by reference and realleged as if fully set forth herein.

(General Unprofessional Conduct)

12.
