Case No. 800-2017-039031

OAH No. 2019040314

**STIPULATED SETTLEMENT AND  
DISCIPLINARY ORDER**

20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board  
24 of California (Board). She brought this action solely in her official capacity and is represented in  
25 this matter by Xavier Becerra, Attorney General of the State of California, by Rebecca D.  
26 Wagner, Deputy Attorney General.  
27  
28

1 2. Respondent Ashish Virendra Desai, M.D. (Respondent) is represented in this  
2 proceeding by attorney Marvin H. Firestone, whose address is: 1700 South El Camino Real,  
3 Suite 204, San Mateo, CA 94402.

4 3. On or about February 11, 2005, the Board issued Physician's and Surgeon's  
5 Certificate No. A 90144 to Ashish Virendra Desai, M.D. The Physician's and Surgeon's  
6 Certificate was in full force and effect at all times relevant to the charges brought in Second  
7 Amended Accusation No. 800-2017-039031, and will expire on January 31, 2021, unless  
8 renewed.

9 **JURISDICTION**

10 4. Second Amended Accusation No. 800-2017-039031 was filed before the Board, and  
11 is currently pending against Respondent. The Second Amended Accusation and all other  
12 statutorily required documents were properly served on Respondent on September 28, 2018.  
13 Respondent timely filed his Notice of Defense contesting the Second Amended Accusation.

14 5. A copy of Second Amended Accusation No. 800-2017-039031 is attached as Exhibit  
15 A and incorporated herein by reference.

16 **ADVISEMENT AND WAIVERS**

17 6. Respondent has carefully read, fully discussed with counsel, and understands the  
18 charges and allegations in Second Amended Accusation No. 800-2017-039031. Respondent has  
19 also carefully read, fully discussed with counsel, and understands the effects of this Stipulated  
20 Settlement and Disciplinary Order.

21 7. Respondent is fully aware of his legal rights in this matter, including the right to a  
22 hearing on the charges and allegations in the Second Amended Accusation; the right to confront  
23 and cross-examine the witnesses against him; the right to present evidence and to testify on his  
24 own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the  
25 production of documents; the right to reconsideration and court review of an adverse decision;  
26 and all other rights accorded by the California Administrative Procedure Act and other applicable  
27 laws.  
28

1 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
2 every right set forth above.

3 **CULPABILITY**

4 9. Respondent does not contest that, at an administrative hearing, Complainant could  
5 establish a *prima facie* case with respect to the charges and allegations contained in the Second  
6 Amended Accusation No. 800-2017-039031 and that he has thereby subjected his license to  
7 disciplinary action.

8 10. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
9 discipline and he agrees to be bound by the Board's terms and conditions as set forth in the  
10 Disciplinary Order below.

11 **CONTINGENCY**

12 11. This stipulation shall be subject to approval by the Medical Board of California.  
13 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
14 Board of California may communicate directly with the Board regarding this stipulation and  
15 settlement, without notice to or participation by Respondent or his counsel. By signing the  
16 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
17 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
18 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
19 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
20 action between the parties, and the Board shall not be disqualified from further action by having  
21 considered this matter.

22 12. The parties understand and agree that Portable Document Format (PDF) and facsimile  
23 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
24 signatures thereto, shall have the same force and effect as the originals.

25 13. In consideration of the foregoing admissions and stipulations, the parties agree that  
26 the Board may, without further notice or formal proceeding, issue and enter the following  
27 Disciplinary Order:

28

1 **DISCIPLINARY ORDER**

2 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 90144 issued  
3 to Respondent Ashish Virendra Desai, M.D. is publicly reprimanded pursuant to California  
4 Business and Professions Code § 2227(a)(4). This Public Reprimand, which is issued in  
5 connection with Respondent's actions as set forth in Second Amended Accusation No. 800-2017-  
6 039031, is as follows:  
7

8 On October 12, 2017, Respondent was the anesthesiologist in attendance for the scheduled  
9 removal of the Mediport of Patient P-1 and inadvertently administered 2% lidocaine instead  
10 of the intended 1% lidocaine. On March 9, 2016, Respondent did not document the  
11 administration of Propofol in Patient P-2's anesthesia record.

11 A. **EDUCATION COURSE**

12 Within 30 calendar days of the effective date of this Decision, Respondent shall enroll  
13 in 20 hours of CME course(s) on medical record keeping, prescribing, and ethics, approved in  
14 advance by the Board or its designee. Respondent shall provide the approved course provider  
15 with any information and documents that the approved course provider may deem pertinent.  
16 Respondent shall participate in and successfully complete the 20 hours of CME course(s) on  
17 medical record keeping, prescribing, and ethics, not later than three (3) months after  
18 Respondent's initial enrollment. The 20 hours of CME course(s) on medical record keeping,  
19 prescribing, and ethics, shall be at Respondent's expense and shall be in addition to the  
20 Continuing Medical Education (CME) requirements for renewal of licensure.  
21

22 CME course(s) on medical record keeping, prescribing, and ethics, taken after the acts that  
23 gave rise to the charges in the Accusation, but prior to the effective date of the Decision may, in  
24 the sole discretion of the Board or its designee, be accepted towards the fulfillment of this  
25 condition if the course would have been approved by the Board or its designee had the course  
26 been taken after the effective date of this Decision.  
27  
28

1 Respondent shall submit a certification of successful completion to the Board or its  
2 designee not later than 15 calendar days after successfully completing the 20 hours of the required  
3 course(s), or not later than 15 calendar days after the effective date of the Decision, whichever is  
4 later.

5 Respondent understands that failure to submit and/or complete the 20 hours of CME  
6 course(s) on medical record keeping, prescribing, and ethics, as set forth above, would constitute  
7 unprofessional conduct and grounds for further disciplinary action. If Respondent fails to enroll,  
8 participate in, or successfully complete the 20 hours of CME course(s) within the designated time  
9 period, Respondent shall receive a notification from the Board or its designee to cease the  
10 practice of medicine within three (3) calendar days after being so notified.

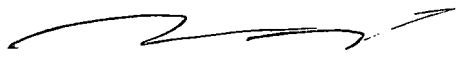

12 In consideration for his agreement to complete the 20 hours of CME course(s) on medical  
13 record keeping, prescribing, and ethics, as set forth above, Respondent shall be publicly  
14 reprimanded as set forth in the public letter of reprimand, as set forth above in Paragraph 13(A).

17 **ACCEPTANCE**

18 I have carefully read the above Stipulated Settlement and Disciplinary Order and have fully  
19 discussed it with my attorney, Marvin H. Firestone. I understand the stipulation and the effect it

21 Disciplinary Order voluntarily, knowingly, and intelligently, and agree to be bound by the  
22 Decision and Order of the Medical Board of California.

#### 4 FACTS

5 8. At all times relevant to this matter, Respondent was licensed and practicing medicine  
6 in Oakland, California.

7 9. On October 12, 2017, Respondent was the anesthesiologist in attendance for the  
8 scheduled removal of a Mediport<sup>1</sup> from Patient P-1<sup>2</sup> that had previously been inserted for  
9 purposes of chemotherapy for acute PreB-cell lymphoblastic leukemia. Respondent intended to  
10 place a tight tourniquet on the patient’s IV arm to induce a mini-Bier Block<sup>3</sup> with 1% lidocaine to  
11 numb the arm so that an injection of Propofol would not be painful.

12 10. Instead, Respondent administered 2% lidocaine (double the intended 1% dose)  
13 utilizing a tourniquet that was not tight enough to constrict the flow of lidocaine into the blood  
14 stream. Patient P-1 suffered an apparent iatrogenic seizure.<sup>4</sup> Respondent administered an  
15 antidote to overdose and secured the patient’s airway with a Laryngeal Mask Airway and the  
16 patient emerged from anesthesia without complications.

17 11. On March 9, 2016, Respondent was the anesthesiologist in attendance for the  
18 radiation treatment of Patient P-2, a four-year-old female with a history of brainstem cancer.  
19 Respondent administered Propofol, however, he failed to document that in the anesthesia record.  
20 Respondent acknowledged in a subject interview conducted on June 18, 2018 that he should have  
21 documented the administration of Propofol and that he failed to complete the proper  
22 documentation.

---

23  
24 <sup>1</sup> A catheter which connects a port to a vein under the skin and is used to inject drugs and  
25 draw blood samples with less discomfort for patients receiving chemotherapy.

26 <sup>2</sup> The patients are designated in this document as Patient P-1 and P-2 to protect their  
27 privacy. Respondent knows the name of the patients and can confirm their identities through  
28 discovery.

<sup>3</sup> A common technique to infuse lidocaine prior to an injection of Propofol (used to relax  
the patient before and after general anesthesia) to prevent the pain from the injection.

<sup>4</sup> A seizure caused by medications, surgical therapy, medical procedures and diagnostic  
tests.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Unprofessional Conduct: Repeated Negligent Acts)**

3 12. Respondent is guilty of unprofessional conduct and subject to disciplinary action  
4 under section 2234, subdivisions (a) (violating the Medical Practice Act) and (c) (repeated  
5 negligent acts), of the Code in that Respondent engaged in conduct described above including,  
6 but not limited to, the following:

7 A. Respondent administered an overdose of Lidocaine and failed to appropriately apply  
8 a tourniquet during the anesthesia treatment of P-1, placing the patient at risk of an iatrogenic  
9 seizure.

10 B. Respondent failed to document the administration of Propofol to P-2 during peri-  
11 anesthetic care.

12  
13 **SECOND CAUSE FOR DISCIPLINE**

14 **(Inadequate Recordkeeping)**

15 13. Respondent is guilty of unprofessional conduct and subject to disciplinary action  
16 under section 2266 (inadequate records) of the Code in that Respondent engaged in the conduct  
17 described above including, but not limited to, the following:

18 A. Respondent failed to document the administration of Propofol during peri-anesthetic  
19 care of P-2.
