1 by attorney Peter R. Osinoff, whose address is: Bonne Bridges Mueller O'Keefe & Nichols - Los  
2 Angeles, 355 South Grand Avenue, Suite 1750, Los Angeles, California 90071.

3 3. On or about May 21, 1984, the Board issued Physician's and Surgeon's Certificate  
4 No. A 40845 to Hooshang Tabibian, M.D. (Respondent). The Physician's and Surgeon's

7 **JURISDICTION**

8 4. Amended Accusation No. 800-2015-016954 was filed before the Board, and is  
9 currently pending against Respondent. The Amended Accusation and all other statutorily  
10 required documents were properly served on Respondent on October 4, 2018. Respondent timely  
11 filed his Notice of Defense contesting the Amended Accusation.

12 5. A copy of Amended Accusation No. 800-2015-016954 is attached as exhibit A and

**CULPABILITY**

9. Respondent does not contest that, at an administrative hearing, Complainant could establish a prima facie case with respect to the charges and allegations contained in Accusation No. 800-2015-016954, and agrees that he has thereby subjected his Physician's and Surgeon's Certificate No. G 69368 to disciplinary action

10. Respondent agrees that his Physician's and Surgeon's Certificate is subject to discipline and he agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order below.

**CONTINGENCY**

11. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

12. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order shall have the same force and effect as the originals.

13. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or formal proceeding, issue and enter the following Disciplinary Order:

**DISCIPLINARY ORDER**

**IT IS HEREBY ORDERED** that Physician's and Surgeon's Certificate No. A 40845 issued to Respondent Hooshang Tabibian, M.D. is revoked. However, the revocation is stayed

1 and Respondent is placed on probation for five (5) years on the following terms and conditions.

2 1. COMMUNITY SERVICE - FREE SERVICES. Within 60 calendar days of the  
3 effective date of this Decision, Respondent shall submit to the Board or its designee for prior  
4 approval a community service plan in which Respondent shall, within the first 2 years of  
5 probation, provide 100 hours of free services (e.g., medical or nonmedical) to a community or  
6 non-profit organization. If the term of probation is designated for 2 years or less, the community  
7 service hours must be completed not later than 6 months prior to the completion of probation.

8 Prior to engaging in any community service, Respondent shall provide a true copy of the  
9 Decision(s) to the chief of staff, director, office manager, program manager, officer, or the chief  
10 executive officer at every community or non-profit organization where Respondent provides  
11 community service and shall submit proof of compliance to the Board or its designee within 15  
12 calendar days. This condition shall also apply to any change(s) in community service.

13 Community service performed prior to the effective date of the Decision shall not be  
14 accepted in fulfillment of this condition.

15 2. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of  
16 the effective date of this Decision, Respondent shall enroll in a professionalism program, that  
17 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.  
18 Respondent shall participate in and successfully complete that program. Respondent shall  
19 provide any information and documents that the program may deem pertinent. Respondent shall  
20 successfully complete the classroom component of the program not later than six (6) months after  
21 Respondent's initial enrollment, and the longitudinal component of the program not later than the  
22 time specified by the program, but no later than one (1) year after attending the classroom  
23 component. The professionalism program shall be at Respondent's expense and shall be in  
24 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

25 A professionalism program taken after the acts that gave rise to the charges in the Amended  
26 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
27 or its designee, be accepted towards the fulfillment of this condition if the program would have  
28 been approved by the Board or its designee had the program been taken after the effective date of

1 this Decision.

2 Respondent shall submit a certification of successful completion to the Board or its  
3 designee not later than 15 calendar days after successfully completing the program or not later  
4 than 15 calendar days after the effective date of the Decision, whichever is later.

5 3. PROHIBITED PRACTICE. During probation, Respondent is prohibited from having  
6 any affiliation with or ownership of a medical spa or laser clinic or any similar type of facility.  
7 After the effective date of this Decision, all patients being treated by the Respondent shall be  
8 notified that the Respondent is prohibited from having any affiliation with or ownership of a  
9 medical spa or laser clinic or any similar type of facility. Any new patients must be provided this  
10 notification at the time of their initial appointment.

11 Respondent shall maintain a log of all patients to whom the required oral notification was  
12 made. The log shall contain the: 1) patient's name, address and phone number; 2) patient's  
13 medical record number, if available; 3) the full name of the person making the notification; 4) the  
14 date the notification was made; and 5) a description of the notification given. Respondent shall  
15 keep this log in a separate file or ledger, in chronological order, shall make the log available for  
16 immediate inspection and copying on the premises at all times during business hours by the Board  
17 or its designee, and shall retain the log for the entire term of probation.

18 4. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
19 Respondent shall provide a true copy of this Decision and Amended Accusation to the Chief of  
20 Staff or the Chief Executive Officer at every hospital where privileges or membership are  
21 extended to Respondent, at any other facility where Respondent engages in the practice of  
22 medicine, including all physician and locum tenens registries or other similar agencies, and to the  
23 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage  
24 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within  
25 15 calendar days.

26 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

27 5. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
28 governing the practice of medicine in California and remain in full compliance with any court

1 ordered criminal probation, payments, and other orders.

2 6. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
3 under penalty of perjury on forms provided by the Board, stating whether there has been  
4 compliance with all the conditions of probation.

5 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
6 of the preceding quarter.

7 7. GENERAL PROBATION REQUIREMENTS.

8 Compliance with Probation Unit

9 Respondent shall comply with the Board's probation unit.

10 Address Changes

11 Respondent shall, at all times, keep the Board informed of Respondent's business and  
12 residence addresses, email address (if available), and telephone number. Changes of such  
13 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
14 circumstances shall a post office box serve as an address of record, except as allowed by Business  
15 and Professions Code section 2021(b).

16 Place of Practice

17 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
18 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
19 facility.

20 License Renewal

21 Respondent shall maintain a current and renewed California physician's and surgeon's  
22 license.

23 Travel or Residence Outside California

24 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
25 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
26 (30) calendar days.

27 In the event Respondent should leave the State of California to reside or to practice,  
28 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of

1 departure and return.

2 8. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
3 available in person upon request for interviews either at Respondent's place of business or at the  
4 probation unit office, with or without prior notice throughout the term of probation.

5 9. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
6 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
7 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
8 defined as any period of time Respondent is not practicing medicine as defined in Business and  
9 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
10 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
11 Respondent resides in California and is considered to be in non-practice, Respondent shall  
12 comply with all terms and conditions of probation. All time spent in an intensive training  
13 program which has been approved by the Board or its designee shall not be considered non-  
14 practice and does not relieve Respondent from complying with all the terms and conditions of  
15 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
16 on probation with the medical licensing authority of that state or jurisdiction shall not be  
17 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
18 period of non-practice.

19 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
20 months, Respondent shall successfully complete the Federation of State Medical Boards' Special  
21 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
22 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
23 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

24 Respondent's period of non-practice while on probation shall not exceed two (2) years.

25 Periods of non-practice will not apply to the reduction of the probationary term.

26 Periods of non-practice for a Respondent residing outside of California will relieve  
27 Respondent of the responsibility to comply with the probationary terms and conditions with the  
28 exception of this condition and the following terms and conditions of probation: Obey All Laws;

1 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
2 Controlled Substances; and Biological Fluid Testing.

3 10. COMPLETION OF PROBATION. Respondent shall comply with all financial  
4 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
5 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
6 be fully restored.

7 11. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
8 of probation is a violation of probation. If Respondent violates probation in any respect, the  
9 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
10 carry out the disciplinary order that was stayed. If an Amended Accusation, or Petition to Revoke  
11 Probation, or an Interim Suspension Order is filed against Respondent during probation, the  
12 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall  
13 be extended until the matter is final.

14 12. LICENSE SURRENDER. Following the effective date of this Decision, if  
15 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
16 the terms and conditions of probation, Respondent may request to surrender his or her license.  
17 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
18 determining whether or not to grant the request, or to take any other action deemed appropriate  
19 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
20 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
21 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
22 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
23 application shall be treated as a petition for reinstatement of a revoked certificate.

24 13. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
25 with probation monitoring each and every year of probation, as designated by the Board, which  
26 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
27 California and delivered to the Board or its designee no later than January 31 of each calendar  
28 year.

14 3. This First Amended Accusation is brought before the Board under the authority of the  
15 following laws. All section references are to the Business and Professions Code unless otherwise  
16 indicated.

17 4. Section 2229 of the Code states:

18 "Protection of the public shall be the highest priority for the Division of Medical Quality,<sup>1</sup>  
19 the California Board of Podiatric Medicine, and administrative law judges of the Medical Quality

21 "(b) In exercising his or her disciplinary authority an administrative law judge of the  
22 Medical Quality Hearing Panel, the division, or the California Board of Podiatric Medicine, shall,  
23 wherever possible, take action that is calculated to aid in the rehabilitation of the licensee, or  
24 where, due to a lack of continuing education or other reasons, restriction on scope of practice is  
25 indicated, to order restrictions as are indicated by the evidence.

26 "(c) It is the intent of the Legislature that the division, the California Board of Podiatric  
27

28 <sup>1</sup> Pursuant to Business and Professions Code section 2002, references to the "Division of

5 be paramount.”

6 5. Section 2227 of the Code states:

7 “(a) A licensee whose matter has been heard by an administrative law judge of the Medical  
8 Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default  
9 has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary  
10 action with the board, may, in accordance with the provisions of this chapter:

11 “(1) Have his or her license revoked upon order of the board.

12 “(2) Have his or her right to practice suspended for a period not to exceed one year upon  
13 order of the board.

14 “(3) Be placed on probation and be required to pay the costs of probation monitoring upon  
15 order of the board.

16 “(4) Be publicly reprimanded by the board. The public reprimand may include a  
17 requirement that the licensee complete relevant educational courses approved by the board.

18 “(5) Have any other action taken in relation to discipline as part of an order of probation, as  
19 the board or an administrative law judge may deem proper.

18 “(f) Any action or conduct which would have warranted the denial of a certificate.

19 “(g) The practice of medicine from this state into another state or country without meeting  
20 the legal requirements of that state or country for the practice of medicine. Section 2314 shall not  
21 apply to this subdivision. This subdivision shall become operative upon the implementation of the  
22 proposed registration program described in Section 2052.5.

23 “(h) The repeated failure by a certificate holder, in the absence of good cause, to attend and  
24 participate in an interview by the board. This subdivision shall only apply to a certificate holder  
25 who is the subject of an investigation by the board.”

26 7. Section 2051 of the Code states:

27 “The physician's and surgeon's certificate authorizes the holder to use drugs or devices in  
28 or upon human beings and to sever or penetrate the tissues of human beings and to use any and all

1 other methods in the treatment of diseases, injuries, deformities, and other physical and mental  
2 conditions.”

3 8. Section 2052 of the Code states:

4 “(a) Notwithstanding Section 146, any person who practices or attempts to practice, or who  
5 advertises or holds himself or herself out as practicing, any system or mode of treating the sick or  
6 afflicted in this state, or who diagnoses, treats, operates for, or prescribes for any ailment,  
7 blemish, deformity, disease, disfigurement, disorder, injury, or other physical or mental condition  
8 of any person, without having at the time of so doing a valid, unrevoked, or unsuspended  
9 certificate as provided in this chapter or without being authorized to perform the act pursuant to a  
10 certificate obtained in accordance with some other provision of law is guilty of a public offense,  
11 punishable by a fine not exceeding ten thousand dollars (\$10,000), by imprisonment pursuant to

13 exceeding one year, or by both the fine and either imprisonment.

14 “(b) Any person who conspires with or aids or abets another to commit any act described in  
15 subdivision (a) is guilty of a public offense, subject to the punishment described in that

19 9. Section 2264 of the Code states:

20 “The employing, directly or indirectly, the aiding, or the abetting of any unlicensed person  
21 or any suspended, revoked, or unlicensed practitioner to engage in the practice of medicine or any  
22 other mode of treating the sick or afflicted which requires a license to practice constitutes  
23 unprofessional conduct.”

24 **Factual Assertions**

25 10. On or about November 3, 2015, the Medical Board of California received a complaint  
26 which alleged that on or about August 5, 2015, during a single visit an unlicensed person, A,<sup>2</sup>

27 \_\_\_\_\_  
28 <sup>2</sup> The name of the patient and any witnesses are anonymized to protect privacy rights. The names will be  
provided to Respondent upon written request for discovery.

1 performed laser hair removal on patient 1 at the *Smooth Skin Laser Clinic* located at 1016 E.  
2 Broadway, Suite 107, Glendale, CA. During the investigation the investigator determined that A  
3 had applied for a business license for *Smooth Skin Laser Clinic*, was the guarantor on the *Smooth*  
4 *Skin Laser Clinic* commercial lease agreement, and was the registered owner of *Smooth Skin*  
5 *Laser Clinic*.

6 11. The *Smooth Skin Laser Clinic* website listed medical treatments available at the clinic  
7 which included filler injections, laser hair removal, laser acne treatment, acne scar removal, laser  
8 scar and acne scar removal, laser tattoo removal, skin rejuvenation laser anti-aging, laser  
9 pigmented skin, laser vascular treatment, vascular treatment, sclerotherapy injection for varicose  
10 veins, and laser dermatitis treatments. Testimonials on the website stated Respondent is a doctor  
11 at the facility and that A performed the medical treatments.

12 12. On or about June 8, 2016, investigators interviewed Respondent regarding the *Smooth*  
13 *Skin Laser Clinic* complaint. During the interview Respondent stated he was not the owner of the  
14 *Smooth Skin Laser Clinic*. The investigators showed Respondent a picture of A wearing a white  
15 smock obtained from the *Smooth Skin Laser Clinic* website. After viewing the picture  
16 Respondent acknowledged that he worked for A, the owner and manager of the clinic.

17 13. Respondent stated he had been A's employee for approximately one year and A paid  
18 him \$1000 a month. Respondent stated that all patient medical charts belonged to A and the  
19 clinic, that Respondent did not have the keys to the clinic or access to any of the bank accounts.

20 14. Respondent confirmed A is not a doctor, physician assistant, or nurse practitioner.  
21 Respondent stated he never saw or asked to see any credentials or licenses for A. Respondent  
22 stated he believed A had a laser technician license and a physical therapist license but admitted he  
23 never verified A's licensure status by requesting to see those purported licenses. Respondent  
24 stated that he knew practicing medicine without a license is a criminal violation.

25 15. Respondent stated he had visited the clinic four or five times during the year.  
26 During those visits Respondent stated he had seen all of the clinic's patients and given orders for  
27 A or B to perform all of the patients' medical procedures. Respondent stated his most recent visit  
28 had been two weeks earlier. At Respondent's most recent visit he did not see any patients but

1 simply collected money from A.

2 16. Respondent confirmed that A wears a white smock at the clinic and Respondent, as  
3 well as all of the clinic employees, address A as "doctor." Respondent did not know how long A  
4 had performed medical treatments on patients, but does know A had done so during the time he  
5 was employed by A.

6 17. Respondent stated A and a licensed physician assistant, B, performed the medical  
7 treatments at the clinic. When the investigators asked Respondent questions regarding his  
8 treatment of clinic patients Respondent initially stated he examined patients, and provided orders  
9 for A or B to perform treatments which orders included laser treatments. However, Respondent  
10 equivocated when the investigators requested him to provide any details regarding his patient  
11 examinations and treatments.

12 18. B has never been licensed as a physician and surgeon. Respondent stated he did not  
13 know anything about B's qualifications or experience. Respondent stated because B performed  
14 laser treatments and procedures he assumed B had the requisite experience and knowledge to do  
15 so.

16 19. Respondent stated there were no standardized supervision procedures or protocols in  
17 place but nevertheless claimed he supervised and consulted with B about patient care.  
18 Respondent did not know B's name, nor could he describe B's appearance and was unable to  
19 explain when and how he consulted with B regarding patient care.

20 20. The investigators asked Respondent about patient 1 and Respondent said he did not  
21 remember the patient. The investigators showed Respondent a copy of patient 1's medical  
22 records. Respondent then confirmed he examined patient 1 and verbally ordered either B or A to  
23 perform patient 1's laser hair removal treatment. Respondent said he was able to verify this  
24 information because he observed his initials on patient 1's medical records.

25 21. Respondent did not recognize the handwriting on patient 1's medical record or recall  
26 whether A or B performed patient 1's laser hair removal treatment. The investigators asked why  
27 the order to perform patient 1's laser hair removal treatment was written by someone other than  
28 Respondent and he replied that was done to save time.

1 22. Patient 1's medical records shows Respondent's and B's typed names as providers at  
2 the top of the page. On the bottom of the medical record B's name is typed and there is an  
3 indecipherable signature next to the handwritten date "8/5/15." On the bottom of the medical  
4 record underneath B's typed name is Respondent's typed name with an indecipherable signature  
5 to the right of Respondent's typed name.

6 23. The standard of care regarding supervision of physician assistants requires the  
7 physician to know the physician assistant's name, to verify the physician assistant's training and  
8 abilities, to periodically meet with the physician assistant and to review with the physician  
9 assistant the standards and expectations regarding when the physician would want to be directly  
10 involved in a patient's care.

11 24. The standard of care requires that medical procedures such as laser hair removal and  
12 many of the other services advertised on the *Smooth Skin Laser Clinic* website may only be  
13 performed by a physician or by a physician assistant under a physician's supervision.

14 25. The standard of care for medical procedures such as laser hair removal and many of  
15 the other services advertised on the *Smooth Skin Laser Clinic* website does not permit a physician  
16 assistant to independently perform these treatments, nor may a cosmetologist perform them under  
17 any circumstances.

18 26. The standard of care does not permit a physician to act as an employee of a business  
19 owned by non-physician.

20 27. The standard of care requires that a physician who provides an order for a medical  
21 procedure is aware of the patient's medical condition and assigns a trained, capable, and  
22 appropriately licensed person to perform the medical procedure.
