PARTIES

1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board of California (Board). ///

1 CULPABILITY

2 8. Respondent understands and agrees that the charges and allegations in Accusation
3 No. 800-2017-038084, if proven at a hearing, constitute cause for imposing discipline upon her
4 Physician's and Surgeon's Certificate.

5 9. For the purpose of resolving the Accusation without the expense and uncertainty of
6 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual
7 basis for the charges in the Accusation, and that Respondent hereby gives up her right to contest
8 those charges. Respondent agrees that if she ever petitions for early termination or modification
9 of probation, or if the Board ever petitions for revocation of probation, all of the charges and
10 allegations contained in Accusation No. 800-2017-038084 shall be deemed true, correct and fully
11 admitted by respondent for purposes of that proceeding or any other licensing proceeding
12 involving respondent in the State of California.

13 10. Respondent agrees that her Physician's and Surgeon's Certificate is subject to
14 discipline and she agrees to be bound by the Board's probationary terms as set forth in the
15 Disciplinary Order below.

16 CONTINGENCY

17 11. This stipulation shall be subject to approval by the Medical Board of California.
18 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
19 Board of California may communicate directly with the Board regarding this stipulation and
20 settlement, without notice to or participation by Respondent or her counsel. By signing the
21 stipulation, Respondent understands and agrees that she may not withdraw her agreement or seek
22 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
23 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
24 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
25 action between the parties, and the Board shall not be disqualified from further action by having
26 considered this matter.

27 ///

28 ///

1 12. The parties understand and agree that Portable Document Format (PDF) and facsimile
2 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
3 signatures thereto, shall have the same force and effect as the originals.

4 13. In consideration of the foregoing admissions and stipulations, the parties agree that
5 the Board may, without further notice or formal proceeding, issue and enter the following
6 Disciplinary Order:

7 **DISCIPLINARY ORDER**

8 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 75760 issued
9 to Respondent MARTHA MADRID, M.D. is revoked. However, the revocation is stayed and
10 Respondent is placed on probation for five (5) years on the following terms and conditions.

11 1. ACTUAL SUSPENSION. As part of probation, Respondent is suspended from the

15 RECORDS AND INVENTORIES. Respondent shall maintain a record of all controlled
16 substances ordered, prescribed, dispensed, administered, or possessed by Respondent, and any
17 recommendation or approval which enables a patient or patient's primary caregiver to possess or
18 cultivate marijuana for the personal medical purposes of the patient within the meaning of Health
19 and Safety Code section 11362.5, during probation, showing all of the following: 1) the name and
20 address of the patient; 2) the date; 3) the character and quantity of controlled substances involved;
21 and 4) the indications and diagnosis for which the controlled substances were furnished.

22 Respondent shall keep these records in a separate file or ledger, in chronological order. All
23 records and any inventories of controlled substances shall be available for immediate inspection
24 and copying on the premises by the Board or its designee at all times during business hours and
25 shall be retained for the entire term of probation.

26 3. EDUCATION COURSE. Within 60 calendar days of the effective date of this
27 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee
28 for its prior approval educational program(s) or course(s) which shall not be less than 40 hours

1 per year, for each year of probation. The educational program(s) or course(s) shall be aimed at
2 correcting any areas of deficient practice or knowledge and shall be Category I certified. The
3 educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to
4 the Continuing Medical Education (CME) requirements for renewal of licensure. Following the
5 completion of each course, the Board or its designee may administer an examination to test
6 Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65
7 hours of CME of which 40 hours were in satisfaction of this condition.

8 4. PRESCRIBING PRACTICES COURSE. Within 60 calendar days of the effective
9 date of this Decision, Respondent shall enroll in a course in prescribing practices approved in
10 advance by the Board or its designee. Respondent shall provide the approved course provider
11 with any information and documents that the approved course provider may deem pertinent.
12 Respondent shall participate in and successfully complete the classroom component of the course
13 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
14 complete any other component of the course within one (1) year of enrollment. The prescribing
15 practices course shall be at Respondent's expense and shall be in addition to the Continuing
16 Medical Education (CME) requirements for renewal of licensure.

17 A prescribing practices course taken after the acts that gave rise to the charges in the
18 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
19 or its designee, be accepted towards the fulfillment of this condition if the course would have
20 been approved by the Board or its designee had the course been taken after the effective date of
21 this Decision.

22 Respondent shall submit a certification of successful completion to the Board or its
23 designee not later than 15 calendar days after successfully completing the course, or not later than
24 15 calendar days after the effective date of the Decision, whichever is later.

25 5. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective
26 date of this Decision, Respondent shall enroll in a course in medical record keeping approved in
27 advance by the Board or its designee. Respondent shall provide the approved course provider
28 with any information and documents that the approved course provider may deem pertinent.

1 Respondent shall participate in and successfully complete the classroom component of the course
2 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
3 complete any other component of the course within one (1) year of enrollment. The medical
4 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing
5 Medical Education (CME) requirements for renewal of licensure.

6 A medical record keeping course taken after the acts that gave rise to the charges in the
7 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
8 or its designee, be accepted towards the fulfillment of this condition if the course would have
9 been approved by the Board or its designee had the course been taken after the effective date of
10 this Decision.

11 Respondent shall submit a certification of successful completion to the Board or its
12 designee not later than 15 calendar days after successfully completing the course, or not later than
13 15 calendar days after the effective date of the Decision, whichever is later.

14 6. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
15 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
16 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.
17 Respondent shall participate in and successfully complete that program. Respondent shall
18 provide any information and documents that the program may deem pertinent. Respondent shall
19 successfully complete the classroom component of the program not later than six (6) months after
20 Respondent's initial enrollment, and the longitudinal component of the program not later than the
21 time specified by the program, but no later than one (1) year after attending the classroom
22 component. The professionalism program shall be at Respondent's expense and shall be in
23 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

24 A professionalism program taken after the acts that gave rise to the charges in the
25 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
26 or its designee, be accepted towards the fulfillment of this condition if the program would have
27 been approved by the Board or its designee had the program been taken after the effective date of
28 this Decision.

1 Respondent shall submit a certification of successful completion to the Board or its
2 designee not later than 15 calendar days after successfully completing the program or not later
3 than 15 calendar days after the effective date of the Decision, whichever is later.

4 7. MONITORING - PRACTICE/BILLING. Within 30 calendar days of the effective
5 date of this Decision, Respondent shall submit to the Board or its designee for prior approval as a
6 practice monitor(s), the name and qualifications of one or more licensed physicians and surgeons
7 whose licenses are valid and in good standing, and who are preferably American Board of
8 Medical Specialties (ABMS) certified. A monitor shall have no prior or current business or
9 personal relationship with Respondent, or other relationship that could reasonably be expected to
10 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
11 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
12 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

13 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
14 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the
15 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed
16 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role
17 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees
18 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the
19 signed statement for approval by the Board or its designee.

20 Within 60 calendar days of the effective date of this Decision, and continuing throughout
21 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall
22 make all records available for immediate inspection and copying on the premises by the monitor
23 at all times during business hours and shall retain the records for the entire term of probation.

24 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
25 date of this Decision, Respondent shall receive a notification from the Board or its designee to
26 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
27 shall cease the practice of medicine until a monitor is approved to provide monitoring
28 responsibility.

1 The monitor(s) shall submit a quarterly written report to the Board or its designee which
2 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
3 are within the standards of practice of medicine, and whether Respondent is practicing medicine
4 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure
5 that the monitor submits the quarterly written reports to the Board or its designee within 10
6 calendar days after the end of the preceding quarter.

7 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
8 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
9 name and qualifications of a replacement monitor who will be assuming that responsibility within
10 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
11 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
12 notification from the Board or its designee to cease the practice of medicine within three (3)
13 calendar days after being so notified. Respondent shall cease the practice of medicine until a
14 replacement monitor is approved and assumes monitoring responsibility.

15 In lieu of a monitor, Respondent may participate in a professional enhancement program
16 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
17 review, semi-annual practice assessment, and semi-annual review of professional growth and
18 education. Respondent shall participate in the professional enhancement program at Respondent's
19 expense during the term of probation.

20 8. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
21 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
22 Chief Executive Officer at every hospital where privileges or membership are extended to
23 Respondent, at any other facility where Respondent engages in the practice of medicine,
24 including all physician and locum tenens registries or other similar agencies, and to the Chief
25 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
26 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
27 calendar days.

28 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

1 9. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
2 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
3 advanced practice nurses.

4 10. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
5 governing the practice of medicine in California and remain in full compliance with any court
6 ordered criminal probation, payments, and other orders.

7 11. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
8 under penalty of perjury on forms provided by the Board, stating whether there has been
9 compliance with all the conditions of probation.

10 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
11 of the preceding quarter.

12 12. GENERAL PROBATION REQUIREMENTS.

13 Compliance with Probation Unit

14 Respondent shall comply with the Board's probation unit.

15 Address Changes

16 Respondent shall, at all times, keep the Board informed of Respondent's business and
17 residence addresses, email address (if available), and telephone number. Changes of such
18 addresses shall be immediately communicated in writing to the Board or its designee. Under no
19 circumstances shall a post office box serve as an address of record, except as allowed by Business
20 and Professions Code section 2021(b).

21 Place of Practice

22 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
23 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
24 facility.

25 License Renewal

26 Respondent shall maintain a current and renewed California physician's and surgeon's
27 license.

28 ///

1 Travel or Residence Outside California

2 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
3 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
4 (30) calendar days.

5 In the event Respondent should leave the State of California to reside or to practice,
6 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
7 departure and return.

8 13. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
9 available in person upon request for interviews either at Respondent's place of business or at the
10 probation unit office, with or without prior notice throughout the term of probation.

11 14. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
12 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
13 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
14 defined as any period of time Respondent is not practicing medicine as defined in Business and
15 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
16 patient care, clinical activity or teaching, or other activity as approved by the Board. If
17 Respondent resides in California and is considered to be in non-practice, Respondent shall
18 comply with all terms and conditions of probation. All time spent in an intensive training
19 program which has been approved by the Board or its designee shall not be considered non-
20 practice and does not relieve Respondent from complying with all the terms and conditions of
21 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
22 on probation with the medical licensing authority of that state or jurisdiction shall not be
23 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
24 period of non-practice.

25 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
26 months, Respondent shall successfully complete the Federation of State Medical Boards' Special
27 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
28 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model

1 Disciplinary Orders and Disciplinary Guidelines” prior to resuming the practice of medicine.

2 Respondent’s period of non-practice while on probation shall not exceed two (2) years.

3 Periods of non-practice will not apply to the reduction of the probationary term.

4 Periods of non-practice for a Respondent residing outside of California will relieve
5 Respondent of the responsibility to comply with the probationary terms and conditions with the
6 exception of this condition and the following terms and conditions of probation: Obey All Laws;
7 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
8 Controlled Substances; and Biological Fluid Testing.

9 15. COMPLETION OF PROBATION. Respondent shall comply with all financial
10 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
11 completion of probation. Upon successful completion of probation, Respondent’s certificate shall
12 be fully restored.

13 16. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
14 of probation is a violation of probation. If Respondent violates probation in any respect, the
15 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
16 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
17 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
18 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
19 the matter is final.

20 17. LICENSE SURRENDER. Following the effective date of this Decision, if
21 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
22 the terms and conditions of probation, Respondent may request to surrender his or her license.
23 The Board reserves the right to evaluate Respondent’s request and to exercise its discretion in
24 determining whether or not to grant the request, or to take any other action deemed appropriate
25 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
26 shall within 15 calendar days deliver Respondent’s wallet and wall certificate to the Board or its
27 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
28 to the terms and conditions of probation. If Respondent re-applies for a medical license, the

1 application shall be treated as a petition for reinstatement of a revoked certificate.

2 18. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
3 with probation monitoring each and every year of probation, as designated by the Board, which
4 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
5 California and delivered to the Board or its designee no later than January 31 of each calendar
6 year.

JURISDICTION

1
2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2227 of the Code provides that a licensee who is found guilty under the
6 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
7 one year, placed on probation and required to pay the costs of probation monitoring, or such other
8 action taken in relation to discipline as the Board deems proper.

STATUTORY PROVISIONS

9
10 5. Section 2234 of the Code, states:

11 The board shall take action against any licensee who is charged with
12 unprofessional conduct. In addition to other provisions of this article, unprofessional
13 conduct includes, but is not limited to, the following:

14 (a) Violating or attempting to violate, directly or indirectly, assisting in or
15 abetting the violation of, or conspiring to violate any provision of this chapter.

16 (b) Gross negligence.

17 (c) Repeated negligent acts. To be repeated, there must be two or more
18 negligent acts or omissions. An initial negligent act or omission followed by a
19 separate and distinct departure from the applicable standard of care shall constitute
20 repeated negligent acts.

21 (1) An initial negligent diagnosis followed by an act or omission medically
22 appropriate for that negligent diagnosis of the patient shall constitute a single
23 negligent act.

24 (2) When the standard of care requires a change in the diagnosis, act, or
25 omission that constitutes the negligent act described in paragraph (1), including, but
26 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
27 licensee's conduct departs from the applicable standard of care, each departure
28 constitutes a separate and distinct breach of the standard of care.

 (d) Incompetence.

 (e) The commission of any act involving dishonesty or corruption which is
substantially related to the qualifications, functions, or duties of a physician and
surgeon.

 (f) Any action or conduct which would have warranted the denial of a
certificate.

 (g) The practice of medicine from this state into another state or country
without meeting the legal requirements of that state or country for the practice of

1 medicine. Section 2314 shall not apply to this subdivision. This subdivision shall
2 become operative upon the implementation of the proposed registration program
3 described in Section 2052.5.

4 (h) The repeated failure by a certificate holder, in the absence of good cause, to
5 attend and participate in an interview by the board. This subdivision shall only apply
6 to a certificate holder who is the subject of an investigation by the board.

7 6. Section 2242 of the Code states:

8 (a) Prescribing, dispensing, or furnishing dangerous drugs as defined in Section
9 4022 without an appropriate prior examination and a medical indication, constitutes
10 unprofessional conduct.

11 (b) No licensee shall be found to have committed unprofessional conduct within
12 the meaning of this section if, at the time the drugs were prescribed, dispensed, or
13 furnished, any of the following applies:

14 (1) The licensee was a designated physician and surgeon or podiatrist serving in
15 the absence of the patient's physician and surgeon or podiatrist, as the case may be,
16 and if the drugs were prescribed, dispensed, or furnished only as necessary to
17 maintain the patient until the return of his or her practitioner, but in any case no
18 longer than 72 hours.

19 (2) The licensee transmitted the order for the drugs to a registered nurse or to a
20 licensed vocational nurse in an inpatient facility, and if both of the following
21 conditions exist:

22 (A) The practitioner had consulted with the registered nurse or licensed
23 vocational nurse who had reviewed the patient's records.

24 (B) The practitioner was designated as the practitioner to serve in the absence
25 of the patient's physician and surgeon or podiatrist, as the case may be.

26 (3) The licensee was a designated practitioner serving in the absence of the
27 patient's physician and surgeon or podiatrist, as the case may be, and was in

15 FIRST CAUSE FOR DISCIPLINE

16 **(Prescribing Without An Appropriate Prior Examination or Medical Indication)**

17 11. Respondent has subjected her Physician's and Surgeon's Certificate No. G 75760 to
18 disciplinary action under section 2227, as defined by section 2242, subdivision (a), of the Code,
19 in that she prescribed, dispensed, or furnished dangerous drugs as defined in section 4022,
20 without an appropriate prior examination and a medical indication. The circumstances are as
21 follows:

22 12. At all times relevant to this Accusation, Respondent worked as an anesthesiologist at
23 a surgery center in Bakersfield.

24 13. On or about November 11, 2015, Respondent prescribed 30 pills of Ambien CR to
25 her husband, with three refills. Respondent did not document or maintain any medical records
26 related to the treatment of her husband.

27 14. On or about sometime in early September 2017, Respondent diverted a single vial of
28 Fentanyl from the surgery center. Respondent took the Fentanyl home, and administered it to her

1 husband. Respondent's husband did not have a prescription for Fentanyl. Respondent did not
2 create or maintain any medical records as a provider for her husband.

3 15. On a second occasion in early September 2017, Respondent diverted a single vial of
4 Fentanyl from the surgery center. Respondent took the Fentanyl home, and administered it to her
5 husband. Respondent's husband did not have a prescription for Fentanyl. Respondent did not
6 create or maintain any medical records as a provider for her husband.

7 16. On or about September 14, 2017, staff at the surgery center identified a discrepancy
8 in the remaining count of Fentanyl vials at the end of the day. The count of Fentanyl vials
9 remaining was short by a single vial. An internal investigation commenced, which included a
10 phone call to Respondent. Respondent denied having any information about the missing vial of
11 Fentanyl. Later the same day, Respondent called the member of the staff back and stated that she
12 had located the missing vial of Fentanyl. Respondent stated that it must have fallen out of her
13 scrubs when she was changing at the end of the day. Respondent promised to return the vial the
14 next day. The next day, Respondent reported to the surgical center in the afternoon and returned
15 the single vial of Fentanyl.

16 17. Due to concerns over the possibility that Fentanyl was being diverted, the surgical
17 center continued an internal investigation. The surgical center staff increased their level of
18 monitoring of the usage of Fentanyl, and emptied all sharps, pharmaceutical waste and trash bins
19 so that they could accurately confirm how many vials of Fentanyl were used and/or discarded
20 during the day.

21 18. On or about September 20, 2017, Respondent was the treating anesthesiologist for at
22 least seven patients at the surgery center. Respondent was issued ten 2 ml vials of Fentanyl at the
23 beginning of her shift, which was intended to be administered to the seven surgical patients
24 throughout the day. Respondent maintained an Anesthesia Medication Log for the Fentanyl
25 throughout the day. At the conclusion of the day, Respondent completed and signed the
26 Anesthesia Medication Record falsely stating that she had administered all ten vials, or 20 ml, of
27 Fentanyl to the seven patients. Contrary to the false medical record, Respondent had diverted six
28 2 ml vials of Fentanyl by concealing them in a small compartment in her bag. At the conclusion

1 of the day, the surgical staff conducted a count of all Fentanyl vials used and/or discarded, and
2 learned that 6 vials of 2 ml Fentanyl were missing.

3 19. Respondent hid the vials of fentanyl in her bag, and took them to her home with the
4 intent to administer them to her husband by IV. Prior to administering the Fentanyl to her
5 husband, Respondent changed her mind, and decided to return the Fentanyl to the surgical center
6 the next day.

7 20. On or about September 21, 2017, Respondent reported to work with the intent of
8 returning the six vials of Fentanyl without notifying anyone at the surgical center. Surgical center
9 staff requested Respondent to report to the dictation room with her bag. They explained their
10 concerns about the possibility of Fentanyl being diverted from the surgical center, and asked
11 Respondent to empty her bag, but there were no vials. Then, with Respondent's consent, they
12 searched the bag and located 6 unopened vials of 2 ml Fentanyl in the far back pocket of the bag.
13 Respondent stated that she had taken the Fentanyl to administer to her husband who was in severe
14 pain. Respondent expressed remorse, and left the facility without incident.

15 21. On or about March 18, 2019, Respondent participated in an interview with
16 investigators from the California Department of Consumer Affairs, Division of Investigation,
17 Health Quality Investigation Unit. Respondent admitted that she had diverted a single vial of 2
18 ml Fentanyl twice in early September 2017. Respondent explained that each time, she took the
19 vial to her home, and administered it to her husband who was experiencing severe pain.
20 Respondent admitted that on September 20, 2017, she falsified the medical records of seven
21 patients to aid her in diverting six vials of 2 ml Fentanyl. Respondent stated that she took the
22 vials home, but changed her mind and decided to return them the next day. Prior to secretly
23 returning the Fentanyl vials, Respondent was searched by surgical center staff and the 6 vials of 2
24 ml Fentanyl were located in her bag. Respondent admitted that she never maintained any medical
25 records for her husband, despite prescribing and administering controlled substances to him.
26 Respondent denies ever diverting controlled substances for her own use, and tested negative for
27 the presence of any controlled substances.

1 **SECOND CAUSE FOR DISCIPLINE**

2 **(False Medical Records)**

3 22. Respondent has subjected her Physician's and Surgeon's Certificate No. G 75760 to
4 disciplinary action under section 2227, as defined by section 2262, of the Code, in that she
5 generated false medical records related to administration of Fentanyl to seven patients, as more
6 particularly alleged in paragraphs 13 through 21, which are hereby incorporated by reference and
7 realleged as if fully set forth herein.

8 **THIRD CAUSE FOR DISCIPLINE**

9 **(Gross Negligence)**

10 23. Respondent has subjected her Physician's and Surgeon's Certificate No. G 75760 to
11 disciplinary action under section 2227, as defined by section 2234, subdivision (b), of the Code,
12 in that she committed act(s) and/or omission(s) amounting to gross negligence, as more
13 particularly alleged in paragraphs 13 through 21, which are hereby incorporated by reference and
14 realleged as if fully set forth herein. Additional circumstances are as follows:

15 **Standard of Care**

16 24. The name and amount of medications provided to patients during surgical procedures
17 should be documented by the anesthesiologist. The documentation in the patient's anesthesia
18 record, is a vital record used by future providers in determining subsequent anesthetics.
19 Individual patient reactions to different medications and amount of medications can be critical in
20 the provision of future medical care.

21 25. The standard of care for physicians and anesthesiologists is to act safely and
22 responsibly when handling controlled substances. The physician should ensure the safety of the
23 controlled substance while in their possession, maintain accurate records of administration,
24 including the name of the patient, the amount administered, and specifically identifying any
25 amount of medication that is wasted or returned.

26 **Departures**

27 26. Respondent falsified the medical records of multiple patients. Each false medical
28 record constitutes an extreme departure from the standard of care.

1 27. Respondent diverted Fentanyl from her patients, which constitutes an extreme
2 departure from the standard of care.

3 **FOURTH CAUSE FOR DISCIPLINE**

4 **(Repeated Negligent Acts)**

5 28. Respondent's Physician's and Surgeon's License No. G 75760 is subject to
6 disciplinary action under section 2227, as defined by section 2234, subdivision (c), in that she
7 committed act(s) and/or omission(s) constituting repeated negligent acts, as more particularly
8 alleged in paragraphs 13 through 21, which are hereby incorporated by reference and realleged as
9 if fully set forth herein. Additional circumstances are as follows:

10 **Standard of Care**

11 29. The standard of care is for a physician to maintain timely, accurate, and legible
12 medical records for all patients.

13 **Departures**

14 30. Respondent administered controlled substances to her husband, absent documentation
15 of a prior history, physical examination or maintaining any medical records. Respondent's failure
16 to maintain accurate medical records for her husband constitutes a departure from the standard of
17 care.

18 **FIFTH CAUSE FOR DISCIPLINE**

19 **(Failure to Maintain Adequate and Accurate Medical Records)**

20 31. Respondent has subjected her Physician's and Surgeon's Certificate No. G 75760 to
21 disciplinary action under section 2227, as defined by section 2266, of the Code, in that she failed
22 to maintain adequate and accurate records in connection with her care and treatment of her
23 husband, as more particularly alleged in paragraphs 13 through 22, which are hereby incorporated
24 by reference and realleged as if fully set forth herein.
