28 license.

1 Travel or Residence Outside California

2 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
3 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
4 (30) calendar days.

5 In the event Respondent should leave the State of California to reside or to practice
6 ,Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of

12 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
13 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
14 defined as any period of time Respondent is not practicing medicine as defined in Business and
15 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
16 patient care, clinical activity or teaching, or other activity as approved by the Board. If
17 Respondent resides in California and is considered to be in non-practice, Respondent shall
18 comply with all terms and conditions of probation. All time spent in an intensive training
19 program which has been approved by the Board or its designee shall not be considered non-
20 practice and does not relieve Respondent from complying with all the terms and conditions of
21 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
22 on probation with the medical licensing authority of that state or jurisdiction shall not be
23 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
24 period of non-practice.

25 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
26 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
27 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
28 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model

Disciplinary Orders and Disciplinary Guidelines” prior to resuming the practice of medicine.

Respondent’s period of non-practice while on probation shall not exceed two (2) years.

Periods of non-practice will not apply to the reduction of the probationary term.

Periods of non-practice for a Respondent residing outside of California will relieve Respondent of the responsibility to comply with the probationary terms and conditions with the exception of this condition and the following terms and conditions of probation: Obey All Laws; General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or Controlled Substances; and Biological Fluid Testing..

14. COMPLETION OF PROBATION. Respondent shall comply with all financial obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the completion of probation. Upon successful completion of probation, Respondent’s certificate shall be fully restored.

15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition of probation is a violation of probation. If Respondent violates probation in any respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final.

16. LICENSE SURRENDER. Following the effective date of this Decision, if Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy the terms and conditions of probation, Respondent may request to surrender his or her license. The Board reserves the right to evaluate Respondent’s request and to exercise its discretion in determining whether or not to grant the request, or to take any other action deemed appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent shall within 15 calendar days deliver Respondent’s wallet and wall certificate to the Board or its designee and Respondent shall no longer practice medicine. Respondent will no longer be subject to the terms and conditions of probation. If Respondent re-applies for a medical license, the

1 application shall be treated as a petition for reinstatement of a revoked certificate.

2 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
3 with probation monitoring each and every year of probation, as designated by the Board, which
4 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
5 California and delivered to the Board or its designee no later than January 31 of each calendar
6 year.

JURISDICTION

3. This Accusation is brought before the Board under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

4. Section 2001.1 of the Code states:

"Protection of the public shall be the highest priority for the Medical Board of California in exercising its licensing, regulatory, and disciplinary functions. Whenever the protection of the public is inconsistent with other interests sought to be promoted, the protection of the public shall be paramount."

5. Section 2227 of the Code states:

"(a) A licensee whose matter has been heard by an administrative law judge of the Medical Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary action with the board, may, in accordance with the provisions of this chapter:

"(1) Have his or her license revoked upon order of the board.

"(2) Have his or her right to practice suspended for a period not to exceed one year upon order of the board.

"(3) Be placed on probation and be required to pay the costs of probation monitoring upon order of the board.

"(4) Be publicly reprimanded by the board. The public reprimand may include a requirement that the licensee complete relevant educational courses approved by the board.

"(5) Have any other action taken in relation to discipline as part of an order of probation, as the board or an administrative law judge may deem proper.

"(b) Any matter heard pursuant to subdivision (a), except for warning letters, medical review or advisory conferences, professional competency examinations, continuing education activities, and cost reimbursement associated therewith that are agreed to with the board and successfully completed by the licensee, or other matters made confidential or privileged by existing law, is deemed public, and shall be made available to the public by the board pursuant to Section 803.1."

1 6. Section 2234 of the Code states:

2 "The board shall take action against any licensee who is charged with unprofessional
3 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
4 limited to, the following:

5 "(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
6 violation of, or conspiring to violate any provision of this chapter.

7 "..."

8 7. Section 2236 of the Code states:

9 "(a) The conviction of any offense substantially related to the qualifications, functions, or
10 duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this
11 chapter [Chapter 5, the Medical Practice Act]. The record of conviction shall be conclusive
12 evidence only of the fact that the conviction occurred.

13 "(b) The district attorney, city attorney, or other prosecuting agency shall notify the
14 Division of Medical Quality¹ of the pendency of an action against a licensee charging a felony or
15 misdemeanor immediately upon obtaining information that the defendant is a licensee. The
16 notice shall identify the licensee and describe the crimes charged and the facts alleged. The
17 prosecuting agency shall also notify the clerk of the court in which the action is pending that the
18 defendant is a licensee, and the clerk shall record prominently in the file that the defendant holds
19 a license as a physician and surgeon.

20 "(c) The clerk of the court in which a licensee is convicted of a crime shall, within 48 hours
21 after the conviction, transmit a certified copy of the record of conviction to the board. The
22 division may inquire into the circumstances surrounding the commission of a crime in order to fix
23 the degree of discipline or to determine if the conviction is of an offense substantially related to
24 the qualifications, functions, or duties of a physician and surgeon.

25 ///

26 ¹ California Business and Professions Code Section 2002, as amended and effective January 1,
27 2008, provides that, unless otherwise expressly provided, the term "board" as used in the State Medical
28 Practice Act (Cal. Bus. & Prof. Code §§§§ 2000, et seq.) means the "Medical Board of California" and
references to the "Division of Medical Quality" and "Division of Licensing" in the Act or any other
provision of law shall be deemed to refer to the Board.

1 “(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to
2 be a conviction within the meaning of this section and Section 2236.1. The record of conviction
3 shall be conclusive evidence of the fact that the conviction occurred.”

4 8. Section 490 of the Code states:

5 “(a) In addition to any other action that a board is permitted to take against a licensee, a
6 board may suspend or revoke a license on the ground that the licensee has been convicted of a
7 crime, if the crime is substantially related to the qualifications, functions, or duties of the business
8 or profession for which the license was issued.

9 “(b) Notwithstanding any other provision of law, a board may exercise any authority to
10 discipline a licensee for conviction of a crime that is independent of the authority granted under
11 subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties
12 of the business or profession for which the licensee's license was issued.

13 “(c) A conviction within the meaning of this section means a plea or verdict of guilty or a
14 conviction following a plea of nolo contendere. Any action that a board is permitted to take
15 following the establishment of a conviction may be taken when the time for appeal has elapsed, or
16 the judgment of conviction has been affirmed on appeal, or when an order granting probation is
17 made suspending the imposition of sentence, irrespective of a subsequent order under the
18 provisions of Section 1203.4 of the Penal Code.

19 “(d) The Legislature hereby finds and declares that the application of this section has been
20 made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th
21 554, and that the holding in that case has placed a significant number of statutes and regulations
22 in question, resulting in potential harm to the consumers of California from licensees who have
23 been convicted of crimes. Therefore, the Legislature finds and declares that this section
24 establishes an independent basis for a board to impose discipline upon a licensee, and that the
25 amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change
26 to, but rather are declaratory of, existing law.”

27 ///

28 ///

9. Section 493 of the Code states:

“Notwithstanding any other provision of law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact, and the board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, and duties of the licensee in question.

“ ”
 . . .

10. California Code of Regulations, title 16, Section 1360 states:

“For the purposes of denial, suspension or revocation of a license, certificate or permit pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be considered to be substantially related to the qualifications, functions or duties of a person holding a license, certificate or permit under the Medical Practice Act if to a substantial degree it evidences present or potential unfitness of a person holding a license, certificate or permit to perform the functions authorized by the license, certificate or permit in a manner consistent with the public health, safety or welfare. Such crimes or acts shall include but not be limited to the following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate any provision of the Medical Practice Act.”

FACTUAL SUMMARY

11. On November 10, 2014, in the case entitled the *People of the State of California v. Richard Byoung Kim*, case number BA431297, in the Superior Court of California, County of Los Angeles, a Felony Complaint was filed by the Los Angeles County District Attorney's Office. Count One charged the Respondent with willfully and unlawfully threatening to commit a crime which would result in death and great bodily injury to the victim, S.F.,² in violation of Section

² The crime victim is referred to by his initials in order to protect his privacy.

1 422, subdivision (a) of the Penal Code, a felony. Count Two charged the Respondent with
2 willfully and unlawfully discharging a firearm in a grossly negligent manner, which could result
3 in injury and death to a person, as set forth in Count Two, in violation of Section 246.3,
4 subdivision (a) of the Penal Code, a felony. The circumstances related to the filing of these
5 criminal charges against Respondent are as follows:

6 A. On or about October 19, 2014, law enforcement officers with the Los Angeles Police
7 Department (LAPD) were contacted by the Respondent's wife, S.K.,³ who reported that
8 Respondent had fired a shotgun at a tree in their front yard earlier that morning. S.K. requested
9 that LAPD officers be dispatched to her residence in order to confiscate and recover the shotgun
10 that Respondent had used that morning. S.K. indicated that the Respondent's shotgun was placed
11 under her nanny's bed inside of her residence, and that Respondent was asleep at their home.
12 Moreover, S.K. reported that she had been receiving threats to her life from Respondent because
13 he believed that S.K. was cheating on him. During her interview with LAPD officers, S.K.
14 disclosed that she had been married to Respondent for approximately eight years and that they
15 had two children together. S.K. reported that Respondent had become increasingly insecure
16 lately and that he had started to accuse S.K. of having an extramarital affair.

17 B. According to S.K., she decided to spend the night at the home of a male friend, S.F.,
18 on or about October 17, 2014. The following morning, Respondent exchanged text messages
19 with S.K. in which he had threatened to beat up S.F. Although S.K. tried to calm him down,
20 Respondent indicated that he would strangle S.F. and threatened to destroy S.K.'s property.
21 Based upon these threatening text messages, S.K. decided not to return home because she was
22 fearful of Respondent. S.K. decided to stay another evening with S.F. On or about October 19,
23 2014, Respondent communicated to S.K. that he intended to murder S.F. with his shotgun. Later
24 that morning, Respondent texted S.K. that he had fired his shotgun at a tree in their front yard.
25 S.K. worried that Respondent would kill her and S.F. and she reported the matter to LAPD.

26 C. Before going to the LAPD station to file a report, S.K. had also received an alarming
27 text message from her nanny on October 19, 2014. The nanny also told S.K. that Respondent had

1 gone outside to the front yard and shot a tree with his shotgun. The nanny advised that
2 Respondent had been drinking heavily the night before and that he had passed out on his bed.
3 The nanny had taken the shotgun away from Respondent and hid it under her bed. The nanny
4 then took the Respondent's two children to her family's residence in Bakersfield, California. She
5 was fearful of what the Respondent might do next. S.K. relayed all of this information to the
6 LAPD officers during her interview.

7 D. LAPD officers responded to the Respondent's residence based upon S.K.'s report.
8 Respondent was contacted at the front door of the residence and immediately taken into custody.
9 LAPD officers quickly observed numerous loose shotgun shells on the living room coffee table,
10 as well as two spent shotgun shells on the floor of the Respondent's bedroom. The shotgun was
11 located under the nanny's bed and seized by the LAPD officers. Lastly, the LAPD officers
12 located two loaded 9 mm handgun magazines and three cases of 12 gauge shotgun ammunition.

13 E. While detained by the LAPD officers, Respondent spontaneously admitted to being
14 responsible for the radio calls that were generated earlier that day concerning the gunshot at a tree
15 in his front yard. Respondent explained that he did not hurt anyone, but rather threatened S.F.
16 Respondent was subsequently transported to the jail.

17 F. LAPD officers also interviewed S.F. regarding the events that had transpired over the
18 previous few days. S.F. provided copies of threatening text messages that he had received from
19 Respondent. S.F. acknowledged that he was upset and afraid of Respondent's violent tone when
20 reading the text messages. In fact, S.F. was visibly upset and shaken when interviewed by the
21 LAPD officers. S.F. stated that he believed that Respondent would carry out his threats of
22 violence.
