1           4.       Respondent acknowledges there is current disciplinary action against her  
2 license, that on July 6, 2018, an Accusation was filed against her and on August 21, 2019,  
3 a Decision was rendered wherein her license was revoked, with the revocation stayed, and  
4 placed on three years' probation with various standard terms and conditions.

5           5.       The current disciplinary action provides in pertinent part, "Following the  
6 effective date of this Decision, if Respondent ceases practicing due to retirement, health  
7 reasons, or is otherwise unable to satisfy the terms and conditions of probation, Respondent  
8 may request voluntary surrender of Respondent's license." (Condition #20).

9           6.       Upon acceptance of the Agreement by the Board, Respondent understands she  
10 will no longer be permitted to practice as a physician and surgeon in California, and also  
11 agrees to surrender her wallet certificate, wall license and any D.E.A. Certificate(s) for an  
12 address in California.

13           7.       Respondent fully understands and agrees that if Respondent ever files an  
14 application for relicensure or reinstatement in the State of California, the Board shall treat  
15 it as a Petition for Reinstatement of a revoked license in effect at the time the Petition is  
16 filed. In addition, any Medical Board Investigation Report(s), including all referenced  
17 documents and other exhibits, upon which the Board is predicated, and any such  
18 Investigation Report(s), attachments, and other exhibits, that may be generated subsequent  
19 to the filing of this Agreement for Surrender of License, shall be admissible as direct  
20 evidence, and any time-based defenses, such as laches or any applicable statute of  
21 limitations, shall be waived when the Board determines whether to grant or deny the  
22 Petition.
