**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

18 Respondent.

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board
23 of California (Board). She brought this action solely in her official capacity and is represented in
24 this matter by Xavier Becerra, Attorney General of the State of California, by Giovanni F. Mejia,
25 Deputy Attorney General.

26 2. Respondent David Mir, M.D. (Respondent) is represented in this proceeding by
27 attorney Vincent J. LaBarbera Jr., Esq., whose address is: 4100 Newport Place Drive, Suite 620,
28 Newport Beach, CA 92660.

1 1. CONTROLLED SUBSTANCES - ABSTAIN FROM USE. Respondent shall abstain
2 completely from the personal use or possession of controlled substances as defined in the
3 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and
4 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not
5 apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide
6 illness or condition.

7 Within fifteen (15) calendar days of receiving any lawfully prescribed medications,
8 Respondent shall notify the Board or its designee of the: issuing practitioner's name, address, and
9 telephone number; medication name, strength, and quantity; and issuing pharmacy name, address,
10 and telephone number.

11 2. ALCOHOL - ABSTAIN FROM USE. Respondent shall abstain completely from the
12 use of products or beverages containing alcohol.

13 3. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to
14 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.
15 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair
16 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall
17 make daily contact with the Board or its designee to determine whether biological fluid testing is
18 required. Respondent shall be tested on the date of the notification as directed by the Board or its
19 designee. The Board may order a Respondent to undergo a biological fluid test on any day, at
20 any time, including weekends and holidays. Except when testing on a specific date as ordered by
21 the Board or its designee, the scheduling of biological fluid testing shall be done on a random
22 basis. The cost of biological fluid testing shall be borne by the Respondent.

23 During the first year of probation, Respondent shall be subject to 52 to 104 random tests.
24 During the second year of probation and for the duration of the probationary term, up to five (5)
25 years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no
26 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing
27 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number
28 of random tests to the first-year level of frequency for any reason.

1 Prior to practicing medicine, Respondent shall contract with a laboratory or service,
2 approved in advance by the Board or its designee, that will conduct random, unannounced,
3 observed, biological fluid testing and meets all of the following standards:

4 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing
5 Industry Association or have completed the training required to serve as a collector for the
6 United States Department of Transportation.

7 (b) Its specimen collectors conform to the current United States Department of
8 Transportation Specimen Collection Guidelines.

9 (c) Its testing locations comply with the Urine Specimen Collection Guidelines
10 published by the United States Department of Transportation without regard to the type of
11 test administered.

12 (d) Its specimen collectors observe the collection of testing specimens.

13 (e) Its laboratories are certified and accredited by the United States Department of
14 Health and Human Services.

15 (f) Its testing locations shall submit a specimen to a laboratory within one (1)
16 business day of receipt and all specimens collected shall be handled pursuant to chain of
17 custody procedures. The laboratory shall process and analyze the specimens and provide
18 legally defensible test results to the Board within seven (7) business days of receipt of the
19 specimen. The Board will be notified of non-negative results within one (1) business day
20 and will be notified of negative test results within seven (7) business days.

21 (g) Its testing locations possess all the materials, equipment, and technical expertise
22 necessary in order to test Respondent on any day of the week.

23 (h) Its testing locations are able to scientifically test for urine, blood, and hair
24 specimens for the detection of alcohol and illegal and controlled substances.

25 (i) It maintains testing sites located throughout California.

26 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-
27 line computer database that allows the Respondent to check in daily for testing.

28 / / / /

1 (k) It maintains a secure, HIPAA-compliant website or computer system that allows
2 staff access to drug test results and compliance reporting information that is available
3 twenty-four (24) hours a day.

4 (l) It employs or contracts with toxicologists that are licensed physicians and have
5 knowledge of substance abuse disorders and the appropriate medical training to interpret
6 and evaluate laboratory biological fluid test results, medical histories, and any other
7 information relevant to biomedical information.

8 (m) It will not consider a toxicology screen to be negative if a positive result is
9 obtained while practicing, even if the Respondent holds a valid prescription for the
10 substance.

11 Prior to changing testing locations for any reason, including during vacation or other travel,
12 alternative testing locations must be approved by the Board and meet the requirements above.

13 The contract shall require that the laboratory directly notify the Board or its designee of
14 non-negative results within one (1) business day and negative test results within seven (7)
15 business days of the results becoming available. Respondent shall maintain this laboratory or
16 service contract during the period of probation.

17 A certified copy of any laboratory test result may be received in evidence in any
18 proceedings between the Board and Respondent.

19 If a biological fluid test result indicates Respondent has used, consumed, ingested, or
20 administered to himself or herself a prohibited substance, the Board shall order Respondent to
21 cease practice and instruct Respondent to leave any place of work where Respondent is practicing
22 medicine or providing medical services. The Board shall immediately notify all of Respondent's
23 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or
24 provide medical services while the cease-practice order is in effect.

25 A biological fluid test will not be considered negative if a positive result is obtained while
26 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
27 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

28 / / / /

1 After the issuance of a cease-practice order, the Board shall determine whether the positive
2 biological fluid test is in fact evidence of prohibited substance use by consulting with the
3 specimen collector and the laboratory, communicating with the licensee, his or her treating
4 physician(s), other health care provider, or group facilitator, as applicable.

5 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the
6 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

7 For purposes of this condition, the term "prohibited substance" means an illegal drug, a
8 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
9 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been
10 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

11 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
12 substance, Respondent has committed a major violation, as defined in section 1361.52,
13 subdivision (a), of Title 16 of the California Code of Regulations, and the Board shall impose any
14 or all of the consequences set forth in section 1361.52, subdivision (b), of Title 16 of the
15 California Code of Regulations, in addition to any other terms or conditions the Board determines
16 are necessary for public protection or to enhance Respondent's rehabilitation.

17 4. CLINICAL DIAGNOSTIC EVALUATIONS AND REPORTS: Within thirty (30)
18 calendar days of the effective date of this Decision, and on whatever periodic basis thereafter as
19 may be required by the Board or its designee, Respondent shall undergo and complete a clinical
20 diagnostic evaluation, including any and all testing deemed necessary, by a Board-appointed
21 board certified physician and surgeon. The examiner shall consider any information provided by
22 the Board or its designee and any other information he or she deems relevant, and shall furnish a
23 written evaluation report to the Board or its designee.

24 The clinical diagnostic evaluation shall be conducted by a licensed physician and surgeon
25 who holds a valid, unrestricted license, has three (3) years' experience in providing evaluations of
26 physicians and surgeons with substance abuse disorders, and is approved by the Board or its
27 designee. The clinical diagnostic evaluation shall be conducted in accordance with acceptable
28 professional standards for conducting substance abuse clinical diagnostic evaluations. The

1 evaluator shall not have a current or former financial, personal, or business relationship with
2 Respondent within the last five (5) years. The evaluator shall provide an objective, unbiased, and
3 independent evaluation. The clinical diagnostic evaluation report shall set forth, in the
4 evaluator's opinion, whether Respondent has a substance abuse problem, whether Respondent is a
5 threat to himself or herself or others, and recommendations for substance abuse treatment,
6 practice restrictions, or other recommendations related to Respondent's rehabilitation and ability
7 to practice safely. If the evaluator determines during the evaluation process that Respondent is a
8 threat to himself or herself or others, the evaluator shall notify the Board within twenty-four (24)
9 hours of such a determination.

10 In formulating his or her opinion as to whether Respondent is safe to return to either part-
11 time or full-time practice and what restrictions or recommendations should be imposed, including
12 participation in an inpatient or outpatient treatment program, the evaluator shall consider the
13 following factors: Respondent's license type; Respondent's history; Respondent's documented
14 length of sobriety (i.e., length of time that has elapsed since Respondent's last substance use);
15 Respondent's scope and pattern of substance abuse; Respondent's treatment history, medical
16 history and current medical condition; the nature, duration and severity of Respondent's
17 substance abuse problem or problems; and whether Respondent is a threat to himself or herself or
18 the public.

19 For all clinical diagnostic evaluations, a final written report shall be provided to the Board
20 no later than ten (10) days from the date the evaluator is assigned the matter. If the evaluator
21 requests additional information or time to complete the evaluation and report, an extension may
22 be granted, but shall not exceed thirty (30) days from the date the evaluator was originally
23 assigned the matter.

24 The Board shall review the clinical diagnostic evaluation report within five (5) business
25 days of receipt to determine whether Respondent is safe to return to either part-time or full-time
26 practice and what restrictions or recommendations shall be imposed on Respondent based on the
27 recommendations made by the evaluator. Respondent shall not be returned to practice until he or
28 she has at least thirty (30) days of negative biological fluid tests or biological fluid tests indicating

1 that he or she has not used, consumed, ingested, or administered to himself or herself a prohibited
2 substance, as defined in section 1361.51, subdivision (e), of Title 16 of the California Code of
3 Regulations.

4 Clinical diagnostic evaluations conducted prior to the effective date of this Decision shall
5 not be accepted towards the fulfillment of this requirement. The cost of the clinical diagnostic
6 evaluation, including any and all testing deemed necessary by the examiner, the Board or its
7 designee, shall be borne by the licensee.

8 Respondent shall not engage in the practice of medicine until notified by the Board or its
9 designee that he or she is fit to practice medicine safely. The period of time that Respondent is
10 not practicing medicine shall not be counted toward completion of the term of probation.

11 Respondent shall undergo biological fluid testing as required in this Decision at least two (2)
12 times per week while awaiting the notification from the Board if he or she is fit to practice
13 medicine safely.

14 Respondent shall comply with all restrictions or conditions recommended by the examiner
15 conducting the clinical diagnostic evaluation within fifteen (15) calendar days after being notified
16 by the Board or its designee.

17 5. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS. Within thirty (30) days of
18 the effective date of this Decision, Respondent shall submit to the Board or its designee, for its
19 prior approval, the name of a substance abuse support group which he or she shall attend for the
20 duration of probation. Respondent shall attend substance abuse support group meetings at least
21 once per week, or as ordered by the Board or its designee. Respondent shall pay all substance
22 abuse support group meeting costs.

23 The facilitator of the substance abuse support group meeting shall have a minimum of
24 three (3) years experience in the treatment and rehabilitation of substance abuse, and shall be
25 licensed or certified by the state or nationally certified organizations. The facilitator shall not
26 have a current or former financial, personal, or business relationship with Respondent within the
27 last five (5) years. Respondent's previous participation in a substance abuse group support

28 / / / /

1 meeting led by the same facilitator does not constitute a prohibited current or former financial,
2 personal, or business relationship.

3 The facilitator shall provide a signed document to the Board or its designee showing
4 Respondent's name, the group name, the date and location of the meeting, Respondent's
5 attendance, and Respondent's level of participation and progress. The facilitator shall report any
6 unexcused absence by Respondent from any substance abuse support group meeting to the Board,
7 or its designee, within twenty-four (24) hours of the unexcused absence.

8 6. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION. Within seven (7)
9 days of the effective date of this Decision, Respondent shall provide to the Board the names,
10 physical addresses, mailing addresses, and telephone numbers of any and all employers and
11 supervisors. Respondent shall also provide specific, written consent for the Board, Respondent's
12 worksite monitor, and Respondent's employers and supervisors to communicate regarding
13 Respondent's work status, performance, and monitoring.

14 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or
15 Well Being Committee Chair, or equivalent, if applicable, when the Respondent has medical staff
16 privileges.

17 7. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within
18 thirty (30) calendar days of the effective date of this Decision, Respondent shall submit to the
19 Board or its designee for prior approval as a worksite monitor, the name and qualifications of one
20 or more licensed physician and surgeon, other licensed health care professional if no physician
21 and surgeon is available, or, as approved by the Board or its designee, a person in a position of
22 authority who is capable of monitoring the Respondent at work.

23 The worksite monitor shall not have a current or former financial, personal, or familial
24 relationship with Respondent, or any other relationship that could reasonably be expected to
25 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its
26 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite
27 monitor, this requirement may be waived by the Board or its designee, however, under no
28 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

1 The worksite monitor shall have an active unrestricted license with no disciplinary action
2 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms
3 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth
4 by the Board or its designee.

5 Respondent shall pay all worksite monitoring costs.

6 The worksite monitor shall have face-to-face contact with Respondent in the work
7 environment on as frequent a basis as determined by the Board or its designee, but not less than
8 once per week; interview other staff in the office regarding Respondent's behavior, if requested
9 by the Board or its designee; and review Respondent's work attendance.

10 The worksite monitor shall verbally report any suspected substance abuse to the Board and
11 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected
12 substance abuse does not occur during the Board's normal business hours, the verbal report shall
13 be made to the Board or its designee within one (1) hour of the next business day. A written
14 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and
15 any other information deemed important by the worksite monitor shall be submitted to the Board
16 or its designee within 48 hours of the occurrence.

17 The worksite monitor shall complete and submit a written report monthly or as directed by
18 the Board or its designee which shall include the following: (1) Respondent's name and
19 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature;
20 (3) the worksite monitor's license number, if applicable; (4) the location or location(s) of the
21 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the
22 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;
23 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can
24 lead to suspected substance abuse by Respondent. Respondent shall complete any required
25 consent forms and execute agreements with the approved worksite monitor and the Board, or its
26 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

27 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)
28 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior

1 approval, the name and qualifications of a replacement monitor who will be assuming that
2 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a
3 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the
4 monitor, Respondent shall receive a notification from the Board or its designee to cease the
5 practice of medicine within three (3) calendar days after being so notified. Respondent shall
6 cease the practice of medicine until a replacement monitor is approved and assumes monitoring
7 responsibility.

8 8. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within sixty (60) calendar
9 days of the effective date of this Decision, Respondent shall enroll in a professionalism program,
10 that meets the requirements of section 1358.1 of Title 16 of the California Code of Regulations.
11 Respondent shall participate in and successfully complete that program. Respondent shall
12 provide any information and documents that the program may deem pertinent. Respondent shall
13 successfully complete the classroom component of the program not later than six (6) months after
14 Respondent's initial enrollment, and the longitudinal component of the program not later than the
15 time specified by the program, but no later than one (1) year after attending the classroom
16 component. The professionalism program shall be at Respondent's expense and shall be in
17 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

18 A professionalism program taken after the acts that gave rise to the charges in the
19 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
20 or its designee, be accepted towards the fulfillment of this condition if the program would have
21 been approved by the Board or its designee had the program been taken after the effective date of
22 this Decision.

23 Respondent shall submit a certification of successful completion to the Board or its
24 designee not later than fifteen (15) calendar days after successfully completing the program or not
25 later than fifteen (15) calendar days after the effective date of the Decision, whichever is later.

26 9. VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING
27 LICENSEES. Failure to fully comply with any term or condition of probation is a violation of
28 probation.

1 A. If Respondent commits a major violation of probation as defined by
2 section 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board
3 shall take one or more of the following actions:

4 (1) Issue an immediate cease-practice order and order Respondent to undergo a
5 clinical diagnostic evaluation to be conducted in accordance with section 1361.5,
6 subdivision (c), paragraph (1), of Title 16 of the California Code of Regulations, at
7 Respondent's expense. The cease-practice order issued by the Board or its designee shall
8 state that Respondent must test negative for at least a month of continuous biological fluid
9 testing before being allowed to resume practice. For purposes of determining the length of
10 time a Respondent must test negative while undergoing continuous biological fluid testing
11 following issuance of a cease-practice order, a month is defined as thirty (30) calendar days.
12 Respondent may not resume the practice of medicine until notified in writing by the Board
13 or its designee that he or she may do so.

14 (2) Increase the frequency of biological fluid testing.

15 (3) Refer Respondent for further disciplinary action, such as suspension, revocation,
16 or other action as determined by the Board or its designee.

17 B. If Respondent commits a minor violation of probation as defined by
18 section 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board
19 shall take one or more of the following actions:

20 (1) Issue a cease-practice order.

21 (2) Order practice limitations.

22 (3) Order or increase supervision of Respondent.

23 (4) Order increased documentation.

24 (5) Issue a citation and fine, or a warning letter.

25 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in
26 accordance with section 1361.5, subdivision (c), paragraph (1), of Title 16 of the California
27 Code of Regulations, at Respondent's expense.

28 (7) Take any other action as determined by the Board or its designee.

1 C. Nothing in this Decision shall be considered a limitation on the Board's authority
2 to revoke Respondent's probation if he or she has violated any term or condition of probation. If
3 Respondent violates probation in any respect, the Board, after giving Respondent notice and the
4 opportunity to be heard, may revoke probation and carry out the disciplinary order that was
5 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed
6 against Respondent during probation, the Board shall have continuing jurisdiction until the matter
7 is final, and the period of probation shall be extended until the matter is final.

8 10. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
9 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
10 Chief Executive Officer at every hospital where privileges or membership are extended to
11 Respondent, at any other facility where Respondent engages in the practice of medicine,
12 including all physician and locum tenens registries or other similar agencies, and to the Chief
13 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
14 Respondent. Respondent shall submit proof of compliance to the Board or its designee within
15 fifteen (15) calendar days.

16 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

17 11. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
18 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
19 advanced practice nurses.

20 12. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
21 governing the practice of medicine in California and remain in full compliance with any court
22 ordered criminal probation, payments, and other orders.

23 13. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
24 under penalty of perjury on forms provided by the Board, stating whether there has been
25 compliance with all the conditions of probation.

26 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
27 of the preceding quarter.

28 / / / /

1 14. GENERAL PROBATION REQUIREMENTS.

2 Compliance with Probation Unit

3 Respondent shall comply with the Board's probation unit.

4 Address Changes

5 Respondent shall, at all times, keep the Board informed of Respondent's business and
6 residence addresses, email address (if available), and telephone number. Changes of such
7 addresses shall be immediately communicated in writing to the Board or its designee. Under no
8 circumstances shall a post office box serve as an address of record, except as allowed by Business
9 and Professions Code section 2021, subdivision (b).

10 Place of Practice

11 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
12 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
13 facility.

14 License Renewal

15 Respondent shall maintain a current and renewed California physician's and surgeon's
16 license.

17 Travel or Residence Outside California

18 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
19 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than
20 thirty (30) calendar days.

21 In the event Respondent should leave the State of California to reside or to practice,
22 Respondent shall notify the Board or its designee in writing thirty (30) calendar days prior to the
23 dates of departure and return.

24 15. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
25 available in person upon request for interviews either at Respondent's place of business or at the
26 probation unit office, with or without prior notice throughout the term of probation.

27 16. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
28 its designee in writing within fifteen (15) calendar days of any periods of non-practice lasting

1 more than thirty (30) calendar days and within fifteen (15) calendar days of Respondent's return
2 to practice. Non-practice is defined as any period of time Respondent is not practicing medicine
3 as defined in Business and Professions Code sections 2051 and 2052 for at least forty (40) hours
4 in a calendar month in direct patient care, clinical activity or teaching, or other activity as
5 approved by the Board. If Respondent resides in California and is considered to be in non-
6 practice, Respondent shall comply with all terms and conditions of probation. All time spent in
7 an intensive training program which has been approved by the Board or its designee shall not be
8 considered non-practice and does not relieve Respondent from complying with all the terms and
9 conditions of probation. Practicing medicine in another state of the United States or Federal
10 jurisdiction while on probation with the medical licensing authority of that state or jurisdiction
11 shall not be considered non-practice. A Board-ordered suspension of practice shall not be
12 considered as a period of non-practice.

13 In the event Respondent's period of non-practice while on probation exceeds eighteen (18)
14 calendar months, Respondent shall successfully complete the Federation of State Medical
15 Boards's Special Purpose Examination, or, at the Board's discretion, a clinical competence
16 assessment program that meets the criteria of Condition 18 of the current version of the Board's
17 "Manual of Model Disciplinary Orders and Disciplinary Guidelines" prior to resuming the
18 practice of medicine.

19 Respondent's period of non-practice while on probation shall not exceed two (2) years.

20 Periods of non-practice will not apply to the reduction of the probationary term.

21 Periods of non-practice for a Respondent residing outside of California will relieve
22 Respondent of the responsibility to comply with the probationary terms and conditions with the
23 exception of this condition and the following terms and conditions of probation: Obey All Laws;
24 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
25 Controlled Substances; and Biological Fluid Testing.

26 17. COMPLETION OF PROBATION. Respondent shall comply with all financial
27 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the

28 / / / /

1 completion of probation. Upon successful completion of probation, Respondent's certificate shall
2 be fully restored.

3 18. LICENSE SURRENDER. Following the effective date of this Decision, if
4 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
5 the terms and conditions of probation, Respondent may request to surrender his or her license.

9 “(a) The conviction of any offense substantially related to the qualifications,
10 functions, or duties of a physician and surgeon constitutes unprofessional conduct within
11 the meaning of this chapter [Chapter 5, the Medical Practice Act]. The record of conviction

15 in a manner consistent with the public health, safety or welfare. Such crimes or acts shall
16 include but not be limited to the following: Violating or attempting to violate, directly or
17 indirectly, or assisting in or abetting the violation of, or conspiring to violate any provision
18 of the Medical Practice Act.”

19 **FIRST CAUSE FOR DISCIPLINE**

20 **(Use of Drugs or Alcoholic Beverages in a Manner, or to an Extent, as to be Dangerous to**
21 **Himself, to Another Person, or to the Public)**

22 10. Respondent has subjected his Physician’s and Surgeon’s Certificate No. A 96676 to
23 disciplinary action under sections 2227 and 2234, as defined by section 2239, subdivision (a), of
24 the Code, in that he used, prescribed, or administered to himself, drugs or alcoholic beverages
25 to the extent, or in such manner, as to be dangerous or injurious to him, to another person, or to
26 the public. The circumstances are as follows:

27 11. On or about January 17, 2016, California Highway Patrol (CHP) Officers K.Y.
28 (Officer Y.) and K.U. (Officer U.) were on patrol in or around Newport Beach, California.

1 Officer Y. observed a silver Mercedes Benz sedan entering the southbound Interstate Highway 5.
2 The Mercedes Benz sedan made several lane changes into the number 2 lane while accelerating
3 rapidly. The sedan changed velocity multiple times and eventually accelerated very rapidly to
4 approximately 93 miles per hour. While travelling at a high rate of speed, the sedan made lane
5 changes into the number 1 lane and then back into the number 2 lane.

6 12. Officer Y. initiated an enforcement stop by activating Officer Y.'s vehicle's overhead
7 light bar and instructing the driver of the Mercedes Benz sedan, via the public address system in
8 Officer Y.'s vehicle, to exit at the next off-ramp. The driver of the Mercedes Benz sedan was
9 slow to respond and pulled onto the right shoulder of the highway. After receiving several
10 additional instructions, the driver of the Mercedes Benz eventually exited the highway and came
11 to a stop.

12 13. Officer Y. approached the Mercedes Benz and made contact with the driver, who was
13 eventually identified as Respondent, through the driver's side window. Officer Y. advised
14 Respondent of the reason for the stop. Respondent acknowledged that he was driving at a high
15 rate of speed. While Officer Y. was speaking with Respondent, he detected a strong odor of an
16 alcoholic beverage emitting from within the vehicle and saw that Respondent's eyes were red and
17 watery. Officer Y. asked Respondent if Respondent had had anything to drink earlier and
18 Respondent stated that he had not.

19 14. Officer Y. asked Respondent to exit his vehicle and meet Officer Y. at the front of the
20 patrol vehicle. As Respondent walked to the location, Officer Y. observed Respondent to be
21 unsteady on his feet. Once Officer Y. met Respondent at the front of the patrol vehicle, he asked
22 Respondent again if Respondent had consumed any alcohol. Respondent responded that he had
23 nothing to drink in the last five hours and stated, "I'm a physician and I'm not drunk!"

24 15. While conversing with Respondent, Officer Y. detected a strong odor of an alcoholic
25 beverage emitting from Respondent's breath and observed that Respondent's speech was slow
26 and slurred.

27 ///

28 ///

1 16. Officer Y. asked Respondent pre-field sobriety test investigative questions and
2 administered a series of pre-explained and pre-demonstrated standard field sobriety tests (SFSTs).
3 Respondent failed to perform one or more of the SFSTs as explained and demonstrated.

4 17. Based on Officer Y.'s observations of Respondent's unsafe driving, objective
5 symptoms of intoxication and poor performance on the SFSTs, Officer Y. formed the opinion that
6 Respondent was driving while under the influence of alcohol and placed Respondent under arrest
7 for violating Vehicle Code section 23152, subdivision (a) (driving a motor vehicle while under
8 the influence of alcohol or drugs).

9 18. After Officer Y. placed a hand cuff onto Respondent's right wrist, Respondent
10 suddenly resisted by pushing to his left. Respondent attempted to separate his arms, not allowing
11 Officer Y. to place the second cuff onto Respondent's left wrist. Respondent shouted, "go to hell
12 you fucking asshole!" Officer Y. placed Respondent onto the rear of trunk of the Mercedes Benz
13 sedan with the assistance of Officer U. to apply the second cuff onto Respondent's left wrist as
14 Officer Y. maintained a control hold. Respondent stated, "I can kick your ass, take these cuffs off
15 and I'll kick your ass!" Respondent was assisted to the right front of the patrol vehicle to be
16 searched. Respondent pushed right and left to resist being searched. Respondent shouted, "fuck
17 both of you, you Chinese fucking prick!" Respondent then looked at Officer U. and shouted,
18 "you fucking homosexual!"

19 19. Officer Y. placed Respondent onto the ground in a prone position and Officer U.
20 called CHP dispatch for an additional unit for assistance. Additional CHP officers responded and
21 assisted with the application of leg restraints. Respondent was placed onto his side on the rear
22 seat of a CHP patrol vehicle and seatbelted. Respondent stated, "if I had a gun I would shoot both
23 of you!"

24 20. Respondent later consented to an alcohol breath test. Officer Y. administered the
25 alcohol breath test at the Santa Ana CHP office and obtained two results yielding blood alcohol
26 concentrations of .21 and .20 percent.

27 21. On or about August 25, 2016, in the case entitled *People of the State of California v.*
28 *David Mir*, Superior Court of California, County of Orange, Case No. 16HM01158MA,

1 Respondent was convicted, upon his plea of guilty, of one misdemeanor violation of Vehicle
2 Code section 23152, subdivision (a) (driving under the influence of alcohol) and one
3 misdemeanor violation of Vehicle Code section 23152, subdivision (b) (driving a motor vehicle
4 with .08% or more, by weight, of alcohol in his blood).

5 22. As a result of this conviction, Respondent was sentenced to three (3) years of
6 informal probation. The probation terms and conditions included, but were not limited to,
7 payment of over \$1,000 in fees or fines, enrollment in and completion of a nine-month alcohol
8 offender program, abstention from driving a motor vehicle with a measurable amount of alcohol
9 in Respondent's blood, and submission to a chemical blood test upon demand from any peace
10 officer, probation officer, or mandatory supervision officer.

11 **SECOND CAUSE FOR DISCIPLINE**

12 **(More than One Misdemeanor Involving the Use, Consumption or Self-Administration of**
13 **Alcoholic Beverages)**

14 23. Respondent has further subjected his Physician's and Surgeon's Certificate
15 No. A 96676 to disciplinary action under sections 2227 and 2234, as defined by section 2239,
16 subdivisions (a) and (b), of the Code, in that he was convicted of more than one misdemeanor
17 violation involving the use, consumption or self-administration of alcoholic beverages as more
18 particularly alleged in paragraphs 10 to 22, above, which are hereby incorporated by reference
19 and realleged as if fully set forth herein.

20 **THIRD CAUSE FOR DISCIPLINE**

21 **(Conviction of a Crime Substantially Related to the Qualifications,**
22 **Functions, or Duties of a Physician and Surgeon)**

23 24. Respondent has further subjected his Physician's and Surgeon's Certificate
24 No. A 96676 to disciplinary action under sections 2227 and 2234, as defined by section 2236, of
25 the Code in that he has been convicted of a crime substantially related to the qualifications,
26 functions or duties of a physician and surgeon as more particularly alleged in paragraphs 10 to 22,
27 above, which are hereby incorporated by reference and realleged as if fully set forth herein.

28 ///

1 FOURTH CAUSE FOR DISCIPLINE

2 (Violating or Attempting to Violate the Medical Practice Act)

3 25. Respondent has further subjected his Physician's and Surgeon's Certificate
4 No. A 96676 to disciplinary action under sections 2227 and 2234 of the Code, as defined by
5 section 2234, subdivision (a) of the Code and section 1360 of the Medical Practice Regulations,
6 in that he violated or attempted to violate, directly or indirectly, any provision of the Medical
7 Practice Act as more particularly alleged in paragraphs 10 to 24, above, which are hereby
8 incorporated by reference and realleged as if fully set forth herein.

9 DISCIPLINARY CONSIDERATIONS

10 26. On or about June 24, 1991 in a prior criminal proceeding entitled *State of Indiana v.*
11 *David Mir*, Fayette County Superior Court, Case No. 21D01-9104-CM-163, Respondent was
12 convicted of a misdemeanor violation for driving under the influence of alcohol and was
13 sentenced to one year of probation, had an order for a 90-day suspension of driving privileges
14 entered against him, and was ordered to complete defensive driving school.
