PETITION TO REVOKE PROBATION

15 1216 Drake Avenue
16 Burlingame, CA 94010

17 Physician's and Surgeon's Certificate
18 No. A 66142

19 Respondent.

20 Complainant alleges:

21 **PARTIES**

22 1. Kimberly Kirchmeyer (Complainant) brings this Petition to Revoke Probation solely
23 in her official capacity as the Executive Director of the Medical Board of California, Department
24 of Consumer Affairs.

25 2. On July 31, 1998, the Medical Board of California (Board) issued Physician's and
26 Surgeon's Certificate Number A 66142 to Christian Bernard Mathy, M.D. (Respondent). The
27 certificate was in effect at all times relevant to the charges brought herein and will expire on July
28 31, 2020, unless renewed.

1 **CAUSE TO REVOKE PROBATION**

2 **(Violation of Probation Condition 20: Non-Practice While on Probation)**

3 8. On February 26, 2016, Respondent agreed to entry of an interim order suspending his
4 practice of medicine pending a decision in the Board's disciplinary action against him. The Board
5 filed an Accusation against Respondent on June 23, 2016, charging Respondent with using
6 fictitious names and false documents to prescribe large quantities of controlled substances for his
7 personal use. On February 3, 2017, Respondent entered into a Stipulated Settlement and
8 Disciplinary Order with the Board, in which he agreed that his license was subject to discipline
9 and entered into a five-year term of probation. Respondent's probation imposed various
10 conditions restricting his access to controlled substances and requiring monitoring and treatment
11 of his addiction to controlled substances.

12 9. At all times after the effective date of Respondent's probation, Condition 20 of his
13 probation stated as follows:

14 **NON-PRACTICE WHILE ON PROBATION.** Respondent shall notify the Board or
15 its designee in writing within 15 calendar days of any periods of non-practice lasting
16 more than 30 calendar days and within 15 calendar days of Respondent's return to
17 practice. Non-practice is defined as any period of time Respondent is not practicing
18 medicine in California as defined in Business and Professions Code sections 2051 and
19 2052 for at least 40 hours in a calendar month in direct patient care, clinical activity
20 or teaching, or other activity as approved by the Board. All time spent in an intensive
21 training program which has been approved by the Board or its designee shall not be
22 considered non-practice. Practicing medicine in another state of the United States or
23 Federal jurisdiction while on probation with the medical licensing authority of that
24 state or jurisdiction shall not be considered non-practice. A Board-ordered suspension
25 of practice shall not be considered as a period of non-practice.

26 In the event Respondent's period of non-practice while on probation exceeds 18
27 calendar months, Respondent shall successfully complete a clinical training program
28 that meets the criteria of Condition 18 of the current version of the Board's "Manual
of Model Disciplinary Orders and Disciplinary Guidelines" prior to resuming the
practice of medicine.

Respondent's period of non-practice while on probation shall not exceed two (2)
years.

Periods of non-practice will not apply to the reduction of the probationary term.

Periods of non-practice will relieve Respondent of the responsibility to comply with
the probationary terms and conditions with the exception of this condition and the
following terms and conditions of probation: Obey All Laws; and General Probation
Requirements.

17
18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
19 entitled proceedings that the following matters are true:

20 PARTIES

21 1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board
22 of California (Board). She brought this action solely in her official capacity and is represented in
23 this matter by Kamala D. Harris, Attorney General of the State of California, via Joshua M.
24 Templett, Deputy Attorney General.

25 2. Respondent Christian Bernard Mathy, M.D. (Respondent) is represented in this
26 proceeding by attorney Thomas E. Still, 12901 Saratoga Avenue, Saratoga, CA 95070-9988.

27 3. On or about July 31, 1998, the Board issued Physician's and Surgeon's Certificate No.
28 A66142 to Respondent. The certificate was in full force and effect at all times relevant to the

1 charges brought in Accusation No. 800-2015-014348, and will expire on July 31, 2016, unless
2 renewed.

3 JURISDICTION

4 4. Accusation No. 800-2015-014348 was filed before the Board, and is currently
5 pending against Respondent. The Accusation and all other statutorily required documents were
6 properly served on Respondent on June 23, 2016. Respondent timely filed his Notice of Defense
7 contesting the Accusation.

8 5. A copy of Accusation No. 800-2015-014348 is attached as **Exhibit A** and
9 incorporated herein.

10 ADVISEMENT AND WAIVERS

11 6. Respondent has carefully read, fully discussed with counsel, and understands the
12 charges and allegations in Accusation No. 800-2015-014348. Respondent has also carefully read,
13 fully discussed with counsel, and understands the effects of this Stipulated Settlement and
14 Disciplinary Order.

15 7. Respondent is fully aware of his legal rights in this matter, including the right to a
16 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
17 the witnesses against him; the right to present evidence and to testify on his own behalf; the right
18 to the issuance of subpoenas to compel the attendance of witnesses and the production of
19 documents; the right to reconsideration and court review of an adverse decision; and all other
20 rights accorded by the California Administrative Procedure Act and other applicable laws.

21 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
22 every right set forth above.

23 CULPABILITY

24 9. Respondent understands and agrees that the charges and allegations in Accusation
25 No. 800-2015-014348, if proven at a hearing, constitute cause for imposing discipline upon his
26 Physician's and Surgeon's Certificate.

27 10. For the purpose of resolving the Accusation without the expense and uncertainty of
28 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual

1 basis for the charges in the Accusation, and that Respondent hereby gives up his right to contest
2 those charges.

3 11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
4 discipline and he agrees to be bound by the Board's probationary terms as set forth in the
5 Disciplinary Order below.

6 CONTINGENCY

7 12. This stipulation shall be subject to approval by the Medical Board of California.
8 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
9 Board of California may communicate directly with the Board regarding this stipulation and
10 settlement, without notice to or participation by Respondent or his counsel. By signing the
11 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
12 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
13 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
14 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
15 action between the parties, and the Board shall not be disqualified from further action by having
16 considered this matter.

17 13. The parties understand and agree that Portable Document Format (PDF) and facsimile
18 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
19 signatures thereto, shall have the same force and effect as the originals.

20 14. In consideration of the foregoing admissions and stipulations, the parties agree that
21 the Board may, without further notice or formal proceeding, issue and enter the following
22 Disciplinary Order:

23 DISCIPLINARY ORDER

24 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A66142 issued
25 to Respondent Christian Bernard Mathy, M.D. is revoked. However, the revocation is stayed and
26 Respondent is placed on probation for five (5) years on the following terms and conditions.

27 1. CONTROLLED SUBSTANCES - PARTIAL RESTRICTION. Respondent shall not
28 order, prescribe, dispense, administer, furnish, or possess any controlled substances as defined by

1 the California Uniform Substances Act except during the following gastroenterology procedures,
2 performed and documented in the presence of other licensed staff: colonoscopy, flexible
3 sigmoidoscopy, upper endoscopy, endoscopic retrograde cholangiopancreatography (ERCP),
4 upper and lower endoscopic ultrasound (EUS), percutaneous liver biopsy, percutaneous
5 endoscopic gastrostomy (PEG) tube placement.

6 Respondent shall not issue an oral or written recommendation or approval to a patient or a
7 patient's primary caregiver for the possession or cultivation of marijuana for the personal medical
8 purposes of the patient within the meaning of Health and Safety Code section 11362.5. If
9 Respondent forms the medical opinion, after an appropriate prior examination and medical
10 indication, that a patient's medical condition may benefit from the use of marijuana, Respondent
11 shall so inform the patient and shall refer the patient to another physician who, following an
12 appropriate prior examination and medical indication, may independently issue a medically
13 appropriate recommendation or approval for the possession or cultivation of marijuana for the
14 personal medical purposes of the patient within the meaning of Health and Safety Code section
15 11362.5. In addition, Respondent shall inform the patient or the patient's primary caregiver that
16 Respondent is prohibited from issuing a recommendation or approval for the possession or
17 cultivation of marijuana for the personal medical purposes of the patient and that the patient or
18 the patient's primary caregiver may not rely on Respondent's statements to legally possess or
19 cultivate marijuana for the personal medical purposes of the patient. Respondent shall fully
20 document in the patient's chart that the patient or the patient's primary caregiver was so
21 informed. Nothing in this condition prohibits Respondent from providing the patient or the
22 patient's primary caregiver information about the possible medical benefits resulting from the use
23 of marijuana.

24 2. CONTROLLED SUBSTANCES- MAINTAIN RECORDS AND ACCESS TO
25 RECORDS AND INVENTORIES. Respondent shall maintain a record of all controlled
26 substances ordered, prescribed, dispensed, administered, or possessed by Respondent, and any
27 recommendation or approval which enables a patient or patient's primary caregiver to possess or
28 cultivate marijuana for the personal medical purposes of the patient within the meaning of Health

1 and Safety Code section 11362.5, during probation, showing all the following: 1) the name and
2 address of patient; 2) the date; 3) the character and quantity of controlled substances involved;
3 and 4) the indications and diagnosis for which the controlled substances were furnished.

4 Respondent shall keep these records in a separate file or ledger, in chronological order. All
5 records and any inventories of controlled substances shall be available for immediate inspection
6 and copying on the premises by the Board or its designee at all times during business hours and
7 shall be retained for the entire term of probation.

8 3. CONTROLLED SUBSTANCES - ABSTAIN FROM USE. Respondent shall abstain
9 completely from the personal use or possession of controlled substances as defined in the
10 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and
11 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not
12 apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide
13 illness or condition.

14 Within 15 calendar days of receiving any lawfully prescribed medications, Respondent
15 shall notify the Board or its designee of the: issuing practitioner's name, address, and telephone
16 number; medication name, strength, and quantity; and issuing pharmacy name, address, and
17 telephone number.

18 If Respondent has a confirmed positive biological fluid test for any substance (whether or
19 not legally prescribed) and has not reported the use to the Board or its designee, Respondent shall
20 receive a notification from the Board or its designee to immediately cease the practice of
21 medicine. Respondent shall not resume the practice of medicine until final decision on an
22 accusation and/or a petition to revoke probation. An accusation and/or petition to revoke
23 probation shall be filed by the Board within 15 days of the notification to cease practice. If
24 Respondent requests a hearing on the accusation and/or petition to revoke probation, the Board
25 shall provide Respondent with a hearing within 30 days of the request, unless Respondent
26 stipulates to a later hearing. A decision shall be received from the Administrative Law Judge or
27 the Board within 15 days unless good cause can be shown for the delay. The cessation of practice
28 shall not apply to the reduction of the probationary time period.

1 If the Board does not file an accusation or petition to revoke probation within 15 days of the
2 issuance of the notification to cease practice or does not provide Respondent with a hearing
3 within 30 days of such a request, the notification of cease practice shall be dissolved.

4 4. ALCOHOL - ABSTAIN FROM USE. Respondent shall abstain completely from the
5 use of products or beverages containing alcohol.

6 If Respondent has a confirmed positive biological fluid test for alcohol, Respondent shall
7 receive a notification from the Board or its designee to immediately cease the practice of
8 medicine. Respondent shall not resume the practice of medicine until final decision on an
9 accusation and/or a petition to revoke probation. An accusation and/or petition to revoke
10 probation shall be filed by the Board within 15 days of the notification to cease practice. If
11 Respondent requests a hearing on the accusation and/or petition to revoke probation, the Board
12 shall provide Respondent with a hearing within 30 days of the request, unless Respondent
13 stipulates to a later hearing. A decision shall be received from the Administrative Law Judge or
14 the Board within 15 days unless good cause can be shown for the delay. The cessation of practice
15 shall not apply to the reduction of the probationary time period.

16 If the Board does not file an accusation or petition to revoke probation within 15 days of the
17 issuance of the notification to cease practice or does not provide Respondent with a hearing
18 within 30 days of such a request, the notification of cease practice shall be dissolved.

19 5. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
20 the effective date of this Decision, Respondent shall enroll in a professionalism program that
21 meets the requirements of title 16, California Code of Regulations, section 1358. Respondent
22 shall participate in and successfully complete that program. Respondent shall provide any
23 information and documents that the program may deem pertinent. Respondent shall successfully
24 complete the classroom component of the program not later than six (6) months after
25 Respondent's initial enrollment, and the longitudinal component of the program not later than the
26 time specified by the program, but no later than one (1) year after attending the classroom
27 component. The professionalism program shall be at Respondent's expense and shall be in
28 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

1 A professionalism program taken after the acts that gave rise to the charges in the
2 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
3 or its designee, be accepted towards the fulfillment of this condition if the program would have
4 been approved by the Board or its designee had the program been taken after the effective date of
5 this Decision.

6 Respondent shall submit a certification of successful completion to the Board or its
7 designee not later than 15 calendar days after successfully completing the program or not later
8 than 15 calendar days after the effective date of the Decision, whichever is later.

9 6. PSYCHIATRIC EVALUATION. Within 180 calendar days of the effective date of
10 this Decision, and on whatever periodic basis thereafter may be required by the Board or its
11 designee, Respondent shall undergo and complete a psychiatric evaluation (and psychological
12 testing, if deemed necessary) by a Board-appointed board certified psychiatrist, who shall
13 consider any information provided by the Board or designee and any other information the
14 psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its
15 designee. Psychiatric evaluations conducted prior to the effective date of the Decision shall not be
16 accepted towards the fulfillment of this requirement. Respondent shall pay the cost of all
17 psychiatric evaluations and psychological testing.

18 Respondent shall comply with all restrictions or conditions recommended by the evaluating
19 psychiatrist within 15 calendar days after being notified by the Board or its designee.

20 7. PSYCHOTHERAPY. Within 60 calendar days of the effective date of this Decision,
21 Respondent shall submit to the Board or its designee for prior approval the name and
22 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who
23 has a doctoral degree in psychology and at least five years of postgraduate experience in the
24 diagnosis and treatment of emotional and mental disorders. At the Board's discretion, and on
25 whatever periodic basis that may be required by the Board or its designee, Respondent shall
26 undergo and continue psychotherapy treatment, including any modifications to the frequency of
27 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

28 The psychotherapist shall consider any information provided by the Board or its designee

1 and any other information the psychotherapist deems relevant and shall furnish a written
2 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
3 psychotherapist any information and documents that the psychotherapist may deem pertinent.

4 If the Board or its designee requires Respondent to undergo psychotherapy treatment,
5 during such time Respondent shall have the treating psychotherapist submit quarterly status
6 reports to the Board or its designee. The Board or its designee may require Respondent to
7 undergo psychiatric evaluations by a Board-appointed board certified psychiatrist. If, prior to the
8 completion of probation, Respondent is found to be mentally unfit to resume the practice of
9 medicine without restrictions, the Board shall retain continuing jurisdiction over Respondent's
10 license and the period of probation shall be extended until the Board determines that Respondent
11 is mentally fit to resume the practice of medicine without restrictions.

12 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

13 8. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the
14 solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice
15 where: 1) Respondent merely shares office space with another physician but is not affiliated for
16 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that
17 location.

18 If Respondent fails to establish a practice with another physician or secure employment in
19 an appropriate practice setting within 60 calendar days of the effective date of this Decision,
20 Respondent shall receive a notification from the Board or its designee to cease the practice of
21 medicine within three (3) calendar days after being so notified. The Respondent shall not resume
22 practice until an appropriate practice setting is established.

23 If, during the course of the probation, Respondent's practice setting changes and
24 Respondent is no longer practicing in a setting in compliance with this Decision, Respondent
25 shall notify the Board or its designee within 5 calendar days of the practice setting change. If
26 Respondent fails to establish a practice with another physician or secure employment in an
27 appropriate practice setting within 60 calendar days of the practice setting change, Respondent
28 shall receive a notification from the Board or its designee to cease the practice of medicine within

1 three (3) calendar days after being so notified. Respondent shall not resume practice until an
2 appropriate practice setting is established.

3 9. NOTIFICATION. Within seven (7) days of the effective date of this Decision,
4 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
5 Chief Executive Officer at every hospital where privileges or membership are extended to
6 Respondent, at any other facility where Respondent engages in the practice of medicine,
7 including all physician and locum tenens registries or other similar agencies, and to the Chief
8 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
9 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
10 calendar days.

11 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

12 10. SUPERVISION OF PHYSICIAN ASSISTANTS. During probation, Respondent is
13 prohibited from supervising physician assistants.

14 11. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
15 governing the practice of medicine in California and remain in full compliance with any court
16 ordered criminal probation, payments, and other orders.

17 12. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
18 under penalty of perjury on forms provided by the Board, stating whether there has been
19 compliance with all the conditions of probation.

20 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
21 of the preceding quarter.

22 13. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION.

24 Board the names, physical addresses, mailing addresses, and telephone numbers of any and all
25 employers and supervisors. Respondent shall also provide specific, written consent for the Board,
26 Respondent's worksite monitor, and Respondent's employers and supervisors to communicate
27 regarding Respondent's work status, performance, and monitoring.

28 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or

1 Well Being Committee Chair, or equivalent, if applicable, when the Respondent has medical staff
2 privileges.

3 14. BIOLOGICAL FLUID TESTING.

4 Respondent shall immediately submit to biological fluid testing, at Respondent's expense,
5 upon request of the Board or its designee. "Biological fluid testing" may include, but is not
6 limited to, urine, blood, breathalyzer, hair follicle testing, or similar drug screening approved by
7 the Board or its designee. Respondent shall make daily contact with the Board or its designee to
8 determine whether biological fluid testing is required. Respondent shall be tested on the date of
9 the notification as directed by the Board or its designee. The Board may order a Respondent to
10 undergo a biological fluid test on any day, at any time, including weekends and holidays. Except
11 when testing on a specific date as ordered by the Board or its designee, the scheduling of
12 biological fluid testing shall be done on a random basis. The cost of biological fluid testing shall
13 be borne by the Respondent.

14 During the first year of probation, Respondent shall be subject to 52 to 104 random tests.
15 During the second year of probation and for the duration of the probationary term, up to five (5)
16 years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no
17 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing
18 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number of
19 random tests to the first-year level of frequency for any reason.

20 Prior to practicing medicine, Respondent shall contract with a laboratory or service,
21 approved in advance by the Board or its designee, that will conduct random, unannounced,
22 observed, biological fluid testing and meets all the following standards:

23 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry
24 Association or have completed the training required to serve as a collector for the United States
25 Department of Transportation.

26 (b) Its specimen collectors conform to the current United States Department of
27 Transportation Specimen Collection Guidelines

28 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published

1 by the United States Department of Transportation without regard to the type of test administered.

2 (d) Its specimen collectors observe the collection of testing specimens.

3 (e) Its laboratories are certified and accredited by the United States Department of Health
4 and Human Services.

5 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day
6 of receipt and all specimens collected shall be handled pursuant to chain of custody procedures.
7 The laboratory shall process and analyze the specimens and provide legally defensible test results
8 to the Board within seven (7) business days of receipt of the specimen. The Board will be
9 notified of non-negative results within one (1) business day and will be notified of negative test
10 results within seven (7) business days.

11 (g) Its testing locations possess all the materials, equipment, and technical expertise
12 necessary in order to test Respondent on any day of the week.

13 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens
14 for the detection of alcohol and illegal and controlled substances.

15 (i) It maintains testing sites located throughout California.

16 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line
17 computer database that allows the Respondent to check in daily for testing.

18 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff
19 access to drug test results and compliance reporting information that is available 24 hours a day.

20 (l) It employs or contracts with toxicologists that are licensed physicians and have
21 knowledge of substance abuse disorders and the appropriate medical training to interpret and
22 evaluate laboratory biological fluid test results, medical histories, and any other information
23 relevant to biomedical information.

24 (m) It will not consider a toxicology screen to be negative if a positive result is obtained
25 while practicing, even if the Respondent holds a valid prescription for the substance.

26 Prior to changing testing locations for any reason, including during vacation or other travel,
27 alternative testing locations must be approved by the Board and meet the requirements above.

28 The contract shall require that the laboratory directly notify the Board or its designee of

1 non-negative results within one (1) business day and negative test results within seven (7)
2 business days of the results becoming available. Respondent shall maintain this laboratory or
3 service contract during the period of probation.

4 A certified copy of any laboratory test result may be received in evidence in any
5 proceedings between the Board and Respondent.

6 If a biological fluid test result indicates Respondent has used, consumed, ingested, or
7 administered to himself or herself a prohibited substance, the Board shall order Respondent to
8 cease practice and instruct Respondent to leave any place of work where Respondent is practicing
9 medicine or providing medical services. The Board shall immediately notify all of Respondent's
10 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or
11 provide medical services while the cease-practice order is in effect.

12 A biological fluid test will not be considered negative if a positive result is obtained while
13 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
14 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

15 After the issuance of a cease-practice order, the Board shall determine whether the positive
16 biological fluid test is in fact evidence of prohibited substance use by consulting with the
17 specimen collector and the laboratory, communicating with the licensee, his or her treating
18 physician(s), other health care provider, or group facilitator, as applicable.

19 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the
20 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

21 For purposes of this condition, the term "prohibited substance" means an illegal drug, a
22 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
23 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been
24 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

25 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
26 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the
27 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to
28 any other terms or conditions the Board determines are necessary for public protection or to

1 enhance Respondent's rehabilitation.

2 15. SUBSTANCE ABUSE SUPPORT GROUP MEETING.

3 Within thirty (30) days of the effective date of this Decision, Respondent shall submit to the
4 Board or its designee, for its prior approval, the name of a substance abuse support group which
5 he or she shall attend for the duration of probation. Respondent shall attend substance abuse
6 support group meetings at least once per week, or as ordered by the Board or its designee.
7 Respondent shall pay all substance abuse support group meeting costs.

8 The facilitator of the substance abuse support group meeting shall have a minimum of three
9 (3) years experience in the treatment and rehabilitation of substance abuse, and shall be licensed
10 or certified by the state or nationally certified organizations. The facilitator shall not have a
11 current or former financial, personal, or business relationship with Respondent within the last five
12 (5) years. Respondent's previous participation in a substance abuse group support meeting led by
13 the same facilitator does not constitute a prohibited current or former financial, personal, or
14 business relationship.

15 The facilitator shall provide a signed document to the Board or its designee showing
16 Respondent's name, the group name, the date and location of the meeting, Respondent's
17 attendance, and Respondent's level of participation and progress. The facilitator shall report any
18 unexcused absence by Respondent from any substance abuse support group meeting to the Board,
19 or its designee, within twenty-four (24) hours of the unexcused absence.

20 16. WORKSITE MONITOR.

21 Within thirty (30) calendar days of the effective date of this Decision, Respondent shall
22 submit to the Board or its designee for prior approval as a worksite monitor, the name and
23 qualifications of one or more licensed physician and surgeon, other licensed health care
24 professional if no physician and surgeon is available, or, as approved by the Board or its designee,
25 a person in a position of authority who is capable of monitoring the Respondent at work.

26 The worksite monitor shall not have a current or former financial, personal, or familial
27 relationship with Respondent, or any other relationship that could reasonably be expected to
28 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its

1 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite
2 monitor, this requirement may be waived by the Board or its designee, however, under no
3 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

4 The worksite monitor shall have an active unrestricted license with no disciplinary action
5 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms
6 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth
7 by the Board or its designee.

8 Respondent shall pay all worksite monitoring costs.

9 The worksite monitor shall have face-to-face contact with Respondent in the work
10 environment on as frequent a basis as determined by the Board or its designee, but not less than
11 once per week; interview other staff in the office regarding Respondent's behavior, if requested
12 by the Board or its designee; and review Respondent's work attendance.

13 The worksite monitor shall verbally report any suspected substance abuse to the Board and
14 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected
15 substance abuse does not occur during the Board's normal business hours, the verbal report shall
16 be made to the Board or its designee within one (1) hour of the next business day. A written
17 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and
18 any other information deemed important by the worksite monitor shall be submitted to the Board
19 or its designee within 48 hours of the occurrence.

20 The worksite monitor shall complete and submit a written report monthly or as directed by
21 the Board or its designee which shall include the following: (1) Respondent's name and
22 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)
23 the worksite monitor's license number, if applicable; (4) the location or location(s) of the
24 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the
25 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;
26 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can
27 lead to suspected substance abuse by Respondent. Respondent shall complete any required
28 consent forms and execute agreements with the approved worksite monitor and the Board, or its

1 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

2 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)
3 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior
4 approval, the name and qualifications of a replacement monitor who will be assuming that
5 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a
6 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the
7 monitor, Respondent shall receive a notification from the Board or its designee to cease the
8 practice of medicine within three (3) calendar days after being so notified. Respondent shall
9 cease the practice of medicine until a replacement monitor is approved and assumes monitoring
10 responsibility.

11 **17. VIOLATION OF PROBATION CONDITION.**

12 Failure to fully comply with any term or condition of probation is a violation of probation.

13 A. If Respondent commits a major violation of probation as defined by section 1361.52,
14 subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take one or
15 more of the following actions:

16 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical
17 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1),
18 of Title 16 of the California Code of Regulations, at Respondent's expense. The cease-
19 practice order issued by the Board or its designee shall state that Respondent must test
20 negative for at least a month of continuous biological fluid testing before being allowed to
21 resume practice. For purposes of the determining the length of time a Respondent must test
22 negative while undergoing continuous biological fluid testing following issuance of a
23 cease-practice order, a month is defined as thirty calendar (30) days. Respondent may not
24 resume the practice of medicine until notified in writing by the Board or its designee that he
25 or she may do so.

26 (2) Increase the frequency of biological fluid testing.

27 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or
28 other action as determined by the Board or its designee. (Cal. Code Regs., tit. 16, §

1 1361.52, subd. (b).)

2 B. If Respondent commits a minor violation of probation as defined by section
3 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take
4 one or more of the following actions:

5 (1) Issue a cease-practice order;

6 (2) Order practice limitations;

7 (3) Order or increase supervision of Respondent;

8 (4) Order increased documentation;

9 (5) Issue a citation and fine, or a warning letter;

10 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in
11 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of
12 Regulations, at Respondent's expense;

13 (7) Take any other action as determined by the Board or its designee. (Cal. Code Regs., tit.
14 16, § 1361.52, subd. (d).)

15 C. Nothing in this Decision shall be considered a limitation on the Board's authority to
16 revoke Respondent's probation if he or she has violated any term or condition of probation. (See
17 Cal. Code Regs., tit. 16, § 1361.52, subd. (e).) If Respondent violates probation in any respect, the
18 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
19 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
20 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
21 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
22 the matter is final.

23 18. GENERAL PROBATION REQUIREMENTS.

24 Compliance with Probation Unit

25 Respondent shall comply with the Board's probation unit and all terms and conditions of
26 this Decision.

27 Address Changes

28 Respondent shall, at all times, keep the Board informed of Respondent's business and

1 residence addresses, email address (if available), and telephone number. Changes of such
2 addresses shall be immediately communicated in writing to the Board or its designee. Under no
3 circumstances shall a post office box serve as an address of record, except as allowed by Business
4 and Professions Code section 2021(b).

5 Place of Practice

6 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
7 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
8 facility.

9 License Renewal

10 Respondent shall maintain a current and renewed California physician's and surgeon's
11 license.

12 Travel or Residence Outside California

13 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
14 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
15 (30) calendar days.

16 In the event Respondent should leave the State of California to reside or to practice
17 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
18 departure and return.

19 19. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
20 available in person upon request for interviews either at Respondent's place of business or at the
21 probation unit office, with or without prior notice throughout the term of probation.

22 20. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
23 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
24 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
25 defined as any period of time Respondent is not practicing medicine in California as defined in
26 Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month
27 in direct patient care, clinical activity or teaching, or other activity as approved by the Board. All
28 time spent in an intensive training program which has been approved by the Board or its designee

1 shall not be considered non-practice. Practicing medicine in another state of the United States or
2 Federal jurisdiction while on probation with the medical licensing authority of that state or
3 jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall
4 not be considered as a period of non-practice.

5 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
6 months, Respondent shall successfully complete a clinical training program that meets the criteria
7 of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and
8 Disciplinary Guidelines" prior to resuming the practice of medicine.

9 Respondent's period of non-practice while on probation shall not exceed two (2) years.

10 Periods of non-practice will not apply to the reduction of the probationary term.

11 Periods of non-practice will relieve Respondent of the responsibility to comply with the
12 probationary terms and conditions with the exception of this condition and the following terms
13 and conditions of probation: Obey All Laws; and General Probation Requirements.

14 21. COMPLETION OF PROBATION. Respondent shall comply with all financial
15 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
16 completion of probation. Upon successful completion of probation, Respondent's certificate shall
17 be fully restored.

18 22. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
19 of probation is a violation of probation. If Respondent violates probation in any respect, the
20 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
21 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
22 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
23 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
24 the matter is final.

25 23. LICENSE SURRENDER. Following the effective date of this Decision, if
26 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
27 the terms and conditions of probation, Respondent may request to surrender his or her license.
28 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in

1 determining whether or not to grant the request, or to take any other action deemed appropriate
2 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
3 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
4 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
5 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
6 application shall be treated as a petition for reinstatement of a revoked certificate.

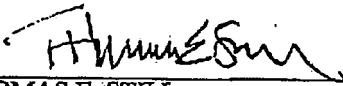

7 24. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
8 with probation monitoring each and every year of probation, as designated by the Board, which
9 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
10 California and delivered to the Board or its designee no later than January 31 of each calendar
11 year.

ACCUSATION

17 Complainant alleges:

18 PARTIES

- 19 1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official
20 capacity as the Executive Director of the Medical Board of California, Department of Consumer
21 Affairs (Board).
- 22 2. On July 31, 1998, the Medical Board issued Physician's and Surgeon's Certificate
23 Number A 66142 to Christian Bernard Mathy, M.D. (Respondent). The Physician's and

25 and will expire on July 31, 2016, unless renewed.
- 26 3. On February 25, 2016, an Interim Suspension Order (ISO) was issued in this matter
27 suspending Respondent's Physician's and Surgeon's Certificate and prohibiting him, among other
28 things, from practicing as a physician and surgeon and from possessing, prescribing, dispensing,

1 furnishing, administering, or otherwise distributing any controlled substance or dangerous drug in
2 California. The ISO shall remain in force and effect until the Board issues and adopts a final

2 a course of several weeks may result in psychic and physical dependence.

3 20. Alprazolam (Trade name Xanax) is a psychotropic drug of the benzodiazepine class
4 of CNS-active compounds and is indicated for the management of anxiety disorders or for the
5 short-term relief of the symptoms of anxiety. It is a dangerous drug as defined in section 4022 of
6 the Code and a schedule IV controlled substance and narcotic as defined by section 11057(d)(1)

21 recommended dosage is 60 mg per day.

22 FACTS

23 23. For over ten years Respondent has been prescribing controlled substances to as many
24 as four fictitious patients whom he created expressly for that purpose. The names of the fictitious
25 patients are Joseph Greenwall, Ronald Greenwall, Joseph Greenwell (or Joseph Ron Greenwell),
26 and Ronald Greenwell.¹ He gave all four the same birthdate. He gave the two Greenwells the

27

28

¹ These four names were invented by Respondent and are not the names of actual patients.

1 same San Francisco address and Joseph Greenwall an address in Palo Alto. Respondent also
2 occasionally entered the San Francisco address he had assigned to the Greenwells on prescriptions
3 for Joseph Greenwall.

4 24. Initially and until August 2011, Respondent prescribed hydrocodone with
5 acetaminophen and benzodiazepines—alprazolam and/or lorazepam—to the various fictitious
6 patients.

7 25. In the final six months of 2009, Respondent prescribed an average of approximately 5
8 tablets of hydrocodone/APAP 325/10 a day and 8.3 mg of benzodiazepines—alprazolam and
9 lorazepam—a day to the various fictitious patients. In addition, Respondent himself was being
10 prescribed an average of approximately 1 mg of lorazepam a day by another physician, for a total
11 of 9.3 mg of benzodiazepines a day.

12 26. In 2010, Respondent prescribed an average of approximately 9.2 tablets of
13 hydrocodone/APAP 325/10 a day and 11.1 mg of lorazepam a day to the various fictitious
14 patients. In addition, Respondent was being prescribed an average of approximately 2.2 mg of
15 lorazepam a day by another physician, for a total of 13.3 mg of lorazepam a day.
