Case No. 800-2017-030875  
SECOND AMENDED  
ACCUSATION

19 Complainant alleges:

20 PARTIES

- 21 1. Christine J. Lally (Complainant) brings this Second Amended Accusation solely in  
22 her official capacity as the Interim Executive Director of the Medical Board of California  
23 (Board).  
24 2. On June 29, 1965, the Board issued Physician's and Surgeon's Certificate Number C  
25 27180 to John Joe Estrada, M.D. (Respondent). That license was in full force and effect at all  
26 times relevant to the charges brought herein and will expire on December 31, 2020, unless

28

1 JURISDICTION

2 3. This Accusation is brought before the Board under the authority of the following  
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
4 indicated.

5 4. Section 2227 of the Code states:

6 "(a) A licensee whose matter has been heard by an administrative law judge of the Medical  
7 Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default  
8 has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary  
9 action with the board, may, in accordance with the provisions of this chapter:

10 "(1) Have his or her license revoked upon order of the board.

11 "(2) Have his or her right to practice suspended for a period not to exceed one year upon  
12 order of the board.

13 "(3) Be placed on probation and be required to pay the costs of probation monitoring upon  
14 order of the board.

15 "(4) Be publicly reprimanded by the board. The public reprimand may include a  
16 requirement that the licensee complete relevant educational courses approved by the board.

17 "(5) Have any other action taken in relation to discipline as part of an order of probation, as  
18 the board or an administrative law judge may deem proper.

19 "(b) Any matter heard pursuant to subdivision (a), except for warning letters, medical  
20 review or advisory conferences, professional competency examinations, continuing education  
21 activities, and cost reimbursement associated therewith that are agreed to with the board and  
22 successfully completed by the licensee, or other matters made confidential or privileged by  
23 existing law, is deemed public, and shall be made available to the public by the board pursuant to  
24 Section 803.1."

25 5. Section 2234 of the Code, states:

26 "The board shall take action against any licensee who is charged with unprofessional  
27 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not  
28 limited to, the following:

1           “(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the  
2 violation of, or conspiring to violate any provision of this chapter.

3           “(b) Gross negligence.

4           “(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or  
5 omissions. An initial negligent act or omission followed by a separate and distinct departure from  
6 the applicable standard of care shall constitute repeated negligent acts.

7           “(1) An initial negligent diagnosis followed by an act or omission medically appropriate for  
8 that negligent diagnosis of the patient shall constitute a single negligent act.

9           “(2) When the standard of care requires a change in the diagnosis, act, or omission that  
10 constitutes the negligent act described in paragraph (1), including, but not limited to, a  
11 reevaluation of the diagnosis or a change in treatment, and the licensee’s conduct departs from the  
12 applicable standard of care, each departure constitutes a separate and distinct breach of the  
13 standard of care.

14           “(d) Incompetence.

15           “(e) The commission of any act involving dishonesty or corruption which is substantially  
16 related to the qualifications, functions, or duties of a physician and surgeon.

17           “(f) Any action or conduct which would have warranted the denial of a certificate.

18           “(g) The practice of medicine from this state into another state or country without meeting  
19 the legal requirements of that state or country for the practice of medicine. Section 2314 shall not  
20 apply to this subdivision. This subdivision shall become operative upon the implementation of the  
21 proposed registration program described in Section 2052.5.

22           “(h) The repeated failure by a certificate holder, in the absence of good cause, to attend and  
23 participate in an interview by the board. This subdivision shall only apply to a certificate holder  
24 who is the subject of an investigation by the board.”

25           6. Section 2261 of the Code states:

26           “Knowingly making or signing any certificate or other document directly or indirectly  
27 related to the practice of medicine or podiatry which falsely represents the existence or  
28 nonexistence of a state of facts, constitutes unprofessional conduct.”

1 covered by the patient's pants and underwear. While standing in front of the Patient, Respondent  
2 used the index fingers of both hands to examine the Patient's penis. Respondent held the  
3 patient's penis between his fingers and then used one finger to palpate the patient's penis from the  
4 shaft to the tip, approximately six times. Respondent then told the patient that he "may just as  
5 well go ahead and put some cream here." Respondent prescribed 2% ketoconazole cream and  
6 shampoo to the patient, and the patient felt that Respondent had advised him to apply the cream to  
7 his penis. Respondent never told the Patient to get dressed or cover up. Respondent advised the  
8 patient to return in two weeks to follow up, and left the examination room while the patient was  
9 still undressed.

10 13. Respondent documented in the patient's medical record that he observed hyper  
11 pigmented patches of skin on various parts of the patient's body, including in his genital area.  
12 This portion of the documentation was false, as the Patient never had complaints in his genital  
13 area previously and had no symptoms of any kind in his genital area when Respondent examined  
14 him. Respondent also documented a plan to "consider oral antifungal meds" for the patient if the  
15 cream and shampoo were not effective. In a later interview with the Board's investigators,  
16 Respondent explained that the plan was to prescribe oral ketoconazole if the cream and shampoo  
17 were not effective.

18 14. During the interview with the Board's investigators, Respondent explained that tinea  
19 versicolor could be contracted from a sleeping partner or by sharing clothes, sheets, or towels. He  
20 explained that "they catch it wrestling and rolling on the yoga mat at the gym." However, Tinea  
21 Versicolor symptoms are the result of one's own normal skin flora, rather than "catching" it  
22 from someone else.

23 15. The patient felt that Respondent touched him inappropriately in a sexual manner. He  
24 complained to the Board.

25 //  
26 //

27  
28

1 16. By reason of the facts set forth above in paragraphs 11 through 15, Respondent John  
2 Joe Estrada, M.D. is subject to disciplinary action under section 2234, subdivision (c), in that he  
3 committed repeated negligent acts in the care and treatment of a single patient.

4 17. Each of the following actions by Respondent constituted a departure from the  
5 standard of care:

6 a.) The manner of examining the Patient's genital area was a departure from the  
7 standard of care.

8 b.) Failure to conduct an appropriate skin examination, including failure to offer the  
9 patient a gown or to drape him, was a departure from the standard of care.

10 c.) Considering treatment of tinea versicolor with oral ketoconazole was a departure  
11 from the standard of care.

12 d.) Stating that tinea versicolor is contagious and can be transmitted when "wrestling  
13 and rolling on the yoga mat at the gym" is a departure from the standard of care.

14 **SECOND CAUSE FOR DISCIPLINE**

15 (False Statement in Medical Records)

16 18. By reason of the facts set forth above in paragraphs 11 through 15, Respondent John  
17 Joe Estrada, M.D. is subject to disciplinary action under section 2261 in that he prepared a  
18 document related to the practice of medicine which falsely represented the existence of a state of  
19 facts. The circumstances are as follows:

20 19. Respondent's documentation in the patient's medical record that he observed hyper  
21 pigmented patches of skin on the patient's genital area falsely represented the results of his  
22 examination, in violation of section 2261.

23 **THIRD CAUSE FOR DISCIPLINE**

24 (Failure to Maintain Adequate and Accurate Records)

25 20. By reason of the facts set forth above in paragraphs 11 through 15, Respondent John  
26 Joe Estrada, M.D. is subject to disciplinary action under section 2266 in that he failed to maintain  
27 adequate and accurate records of patient care.
