15. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or formal proceeding, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

4 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
5 or its designee, be accepted towards the fulfillment of this condition if the course would have
6 been approved by the Board or its designee had the course been taken after the effective date of
7 this Decision.

8 Respondent shall submit a certification of successful completion to the Board or its
9 designee not later than 15 calendar days after successfully completing the course, or not later than
10 15 calendar days after the effective date of the Decision, whichever is later.

26 governing the practice of medicine in California and remain in full compliance with any court
27 ordered criminal probation, payments, and other orders.

28 ///

1 6. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
2 under penalty of perjury on forms provided by the Board, stating whether there has been
3 compliance with all the conditions of probation.

4 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
5 of the preceding quarter.

6 7. GENERAL PROBATION REQUIREMENTS.

7 Compliance with Probation Unit

8 Respondent shall comply with the Board's probation unit.

9 Address Changes

10 Respondent shall, at all times, keep the Board informed of Respondent's business and
11 residence addresses, email address (if available), and telephone number. Changes of such
12 addresses shall be immediately communicated in writing to the Board or its designee. Under no
13 circumstances shall a post office box serve as an address of record, except as allowed by Business
14 and Professions Code section 2021(b).

15 Place of Practice

16 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
17 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
18 facility.

19 License Renewal

20 Respondent shall maintain a current and renewed California physician's and surgeon's
21 license.

22 Travel or Residence Outside California

23 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
24 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
25 (30) calendar days.

26 In the event Respondent should leave the State of California to reside or to practice
27 ,Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
28 departure and return.

1 8. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
2 available in person upon request for interviews either at Respondent's place of business or at the
3 probation unit office, with or without prior notice throughout the term of probation.

4 9. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
5 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
6 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
7 defined as any period of time Respondent is not practicing medicine as defined in Business and
8 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
9 patient care, clinical activity or teaching, or other activity as approved by the Board. If
10 Respondent resides in California and is considered to be in non-practice, Respondent shall
11 comply with all terms and conditions of probation. All time spent in an intensive training
12 program which has been approved by the Board or its designee shall not be considered non-
13 practice and does not relieve Respondent from complying with all the terms and conditions of
14 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
15 on probation with the medical licensing authority of that state or jurisdiction shall not be
16 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
17 period of non-practice.

18 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
19 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
20 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
21 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
22 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

23 Respondent's period of non-practice while on probation shall not exceed two (2) years.

24 Periods of non-practice will not apply to the reduction of the probationary term.

25 Periods of non-practice for a Respondent residing outside of California will relieve
26 Respondent of the responsibility to comply with the probationary terms and conditions with the
27 exception of this condition and the following terms and conditions of probation: Obey All Laws;
28 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or

1 Controlled Substances; and Biological Fluid Testing.

2 10. COMPLETION OF PROBATION. Respondent shall comply with all financial
3 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
4 completion of probation. Upon successful completion of probation, Respondent's certificate shall
5 be fully restored.

6 11. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
7 of probation is a violation of probation. If Respondent violates probation in any respect, the
8 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
9 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
10 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
11 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
12 the matter is final.

13 12. LICENSE SURRENDER. Following the effective date of this Decision, if
14 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
15 the terms and conditions of probation, Respondent may request to surrender his or her license.
16 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
17 determining whether or not to grant the request, or to take any other action deemed appropriate
18 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
19 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
20 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
21 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
22 application shall be treated as a petition for reinstatement of a revoked certificate.

23 13. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
24 with probation monitoring each and every year of probation, as designated by the Board, which
25 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
26 California and delivered to the Board or its designee no later than January 31 of each calendar
27 year.

23 **PARTIES**

24 1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official
25 capacity as the Executive Director of the Medical Board of California, Department of Consumer
26 Affairs (Board).

27 2. On or about January 13, 2012, the Medical Board issued Physician's and Surgeon's
28 Certificate Number A 119725 to Hang Nguyen Claus, M.D. (Respondent). The Physician's and

1 Surgeon's Certificate was in full force and effect at all times relevant to the charges brought
2 herein and will expire on November 30, 2019, unless renewed.

3 JURISDICTION

4 3. This Accusation is brought before the Board, under the authority of the following
5 laws. All section references are to the Business and Professions Code unless otherwise indicated.

6 4. Section 2227 of the Code provides that a licensee who is found guilty under the
7 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
8 one year, placed on probation and required to pay the costs of probation monitoring, or such other
9 action taken in relation to discipline as the Board deems proper.

10 5. Section 2234 of the Code, states:

11 "The board shall take action against any licensee who is charged with unprofessional
12 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
13 limited to, the following:

14 "(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
15 violation of, or conspiring to violate any provision of this chapter.

16 "(b) Gross negligence.

17 "(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or
18 omissions. An initial negligent act or omission followed by a separate and distinct departure from
19 the applicable standard of care shall constitute repeated negligent acts.

20 "(1) An initial negligent diagnosis followed by an act or omission medically appropriate for
21 that negligent diagnosis of the patient shall constitute a single negligent act.

22 "(2) When the standard of care requires a change in the diagnosis, act, or omission that
23 constitutes the negligent act described in paragraph (1), including, but not limited to, a
24 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the
25 applicable standard of care, each departure constitutes a separate and distinct breach of the
26 standard of care.

27 "(d) Incompetence.

28 "(e) The commission of any act involving dishonesty or corruption which is substantially

1 related to the qualifications, functions, or duties of a physician and surgeon.

2 “(f) Any action or conduct which would have warranted the denial of a certificate.

3 “(g) The practice of medicine from this state into another state or country without meeting
4 the legal requirements of that state or country for the practice of medicine. Section 2314 shall not
5 apply to this subdivision. This subdivision shall become operative upon the implementation of the
6 proposed registration program described in Section 2052.5.

7 “(h) The repeated failure by a certificate holder, in the absence of good cause, to attend and
8 participate in an interview by the board. This subdivision shall only apply to a certificate holder
9 who is the subject of an investigation by the board.”

10 6. Section 2266 of the Code states: “The failure of a physician and surgeon to maintain
11 adequate and accurate records relating to the provision of services to their patients constitutes
12 unprofessional conduct.”

13 **FIRST CAUSE FOR DISCIPLINE**

14 **(Gross negligence)**

15 7. Respondent is subject to disciplinary action under section 2234, subdivision (b), of
16 the Business and Professions Code (Code), in that she was grossly negligent in her care and
17 treatment of an obstetrical patient. The circumstances are as follows:

18 8. Respondent is a physician and surgeon, board certified in Obstetrics and Gynecology,
19 who at all times alleged practiced medicine at Kaiser Permanente in Vacaville, California. On or
20 about March 22, 2014, at approximately 2:45 a.m., Confidential Patient (C.P.) presented to the
21 Kaiser Vacaville Labor and Delivery with spontaneous rupture of membranes. CP was a 30-year
22 old woman, Gravida 1, Para 0, at 40 weeks of gestation. She had received regular prenatal care
23 throughout her pregnancy since six weeks of gestation, without complication.

24 9. Upon C.P.’s arrival at the Labor and Delivery Unit, Respondent examined her and
25 confirmed that the membranes had ruptured. Respondent performed a sterile vaginal examination
26 and recorded that C.P. was 1.5 centimeters dilated, 75% effaced, and had a vertex of minus two
27 station. C.P. was experiencing contractions every five-to-six minutes. The fetal heart tracings
28 showed a category 2 tracing with a baseline of 160 beats per minute. Respondent assessed the

1 tracing as having moderate variability and periodic variable decelerations.

2 10. At approximately 3:30 a.m., C.P. was admitted to the hospital. Respondent ordered
3 intrauterine resuscitative measures including maternal position changes, IV fluids, and oxygen.
4 Between 4:00 a.m. and 5:30 a.m., nursing notes charted the presence of minimal variability and
5 late decelerations. At approximately 5:30 a.m. Respondent reviewed C.P.'s clinical condition. At
6 approximately 6:00 a.m., Respondent noted C.P. to have no significant cervical change.
7 Internal monitors were placed, and an amnioinfusion was initiated. There was fetal tachycardia at
8 170 bpm. At this time, Respondent continued to interpret moderate variability and did not note
9 the late decelerations.

10 11. At approximately 6:05 a.m., Respondent spoke with C.P. and assessed her to be
11 appropriate for expectant management. At approximately 7:00 a.m., Respondent recommended
12 Cesarean section to the patient. At approximately 7:05 a.m. Respondent ordered the Cesarean
13 section. Respondent did not call for the procedure to be an emergent one, or communicate to the
14 rest of the staff that the procedure should be handled as an emergency.

15 12. C.P. was brought to the OR at 7:37 a.m., and the incision was made at 7:54 a.m. by
16 Dr. T.L. Delivery was at 7:56 a.m., of a viable male infant with APGARS of 1/5/7 weighing
17 2,820 grams. The baby was transferred to another hospital as was C.P. Respondent never saw or
18 spoke to C.P. again.

19 13. Respondent was grossly negligent in her care and treatment of C.P. for her acts
20 including, but not limited to, the following:

21 (a) She failed to properly monitor a patient she admitted to L&D with a non-reassuring
22 fetal heart tracing by failing to frequently review and document the tracings and failing to monitor
23 the results of the resuscitative measures she ordered;

24 (b) She misinterpreted C.P.'s fetal heart tracings by failing to recognize and act on minimal
25 variability, recurrent variable decelerations, intermittent late decelerations, and tachycardia; and

26 (c) When she finally called for a Cesarean section at 7:00 a.m. or 7:05 a.m., she did not
27 order it to be an emergency procedure and ensure delivery within 30 minutes, despite the fact that
28 C.P. had had a Category 2 tracing with concerning signs for more than three hours;

1 **SECOND CAUSE FOR DISCIPLINE**

2 **(Repeated Negligent Acts)**

3 14. Respondent Hang Nguyen Claus, M.D. is subject to disciplinary action under section
4 2234, subdivision (c), of the Code, in that she was repeatedly negligent in the care and treatment
5 C.P. The circumstances are as follows:

6 15. Paragraphs 7 through 13, above, are incorporated by reference and repeated as if fully
7 set forth.

8 16. Respondent was repeatedly negligent in her care and treatment of C.P. for her acts
9 including, but not limited to, the following:

10 (a) She failed to properly monitor a patient she admitted to L&D with a non-reassuring
11 fetal heart tracing by failing to frequently review and document the tracings and failing to monitor
12 the results of the resuscitative measures she ordered;

13 (b) She misinterpreted C.P.'s fetal heart tracings by failing to recognize and act on minimal
14 variability, recurrent variable decelerations, intermittent late decelerations, and tachycardia;

15 (c) When she finally called for a Cesarean section at 7:00 a.m. or 7:05 a.m., she did not
16 order it to be an emergency procedure and ensure delivery within 30 minutes, despite the fact that
17 C.P. had had a Category 2 tracing with concerning signs for more than three hours;

18 (d) Failing to effectively communicate with other members of the obstetrical team
19 throughout C.P.'s hospital stay; and

20 (e) Failing to document relevant aspects of C.P.'s care throughout her hospital stay.

21 **THIRD CAUSE FOR DISCIPLINE**

22 **(Inadequate Recordkeeping)**

23 17. Respondent is subject to disciplinary action under section 2266 of the Code by failing
24 to maintain adequate and accurate records relating to the provision of medical care to C.P.

25 18. Paragraphs 7 through 14, above are incorporated by reference and repeated as if fully
26 set forth.
