1 **JURISDICTION**

2 3. This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
4 indicated.

5 4. Section 2227 of the Code provides that a licensee who is found guilty under the  
6 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
7 one year, placed on probation and required to pay the costs of probation monitoring, or such other  
8 action taken in relation to discipline as the Board deems proper.

9 5. Section 2305 of the Code states:

10 The revocation, suspension, or other discipline, restriction or limitation  
11 imposed by another state upon a license or certificate to practice medicine issued by  
12 that state, or the revocation, suspension, or restriction of the authority to practice  
13 medicine by any agency of the federal government, that would have been grounds for  
14 discipline in California of a licensee under this chapter [Chapter 5, the Medical  
15 Practice Act] shall constitute grounds for disciplinary action for unprofessional  
16 conduct against the licensee in this state.

17 6. Section 141 of the Code states:

18 (a) For any licensee holding a license issued by a board under the jurisdiction of  
19 the department, a disciplinary action taken by another state, by any agency of the  
20 federal government, or by another country for any act substantially related to the  
21 practice regulated by the California license, may be a ground for disciplinary action  
22 by the respective state licensing board. A certified copy of the record of the  
23 disciplinary action taken against the licensee by another state, an agency of the  
24 federal government, or another country shall be conclusive evidence of the events  
25 related therein.

26 (b) Nothing in this section shall preclude a board from applying a specific  
27 statutory provision in the licensing act administered by that board that provides for  
28 discipline based upon a disciplinary action taken against the licensee by another state,  
an agency of the federal government, or another country.

29 **CAUSE FOR DISCIPLINE**

30 **(Discipline, Restriction, or Limitation Imposed by Another Jurisdiction)**

31 7. On May 9, 2019, the Maryland State Board of Physicians (Maryland Board) issued a  
32 Final Order of Revocation (Order) of Respondent's Maryland medical license. The Maryland  
33 Board based its Order on Respondent's conduct when he submitted his on-line application for  
34 renewal of his Maryland license. On the application Respondent certified that he had complied  
35 with the requirement for Criminal History Record Check (CHRC), including the required

1 fingerprinting; however, Respondent did not in fact comply with that requirement. Respondent  
2 also failed to respond to the Board when it requested clarification. According to the factual  
3 findings in the Order, Respondent fraudulently or deceptively obtained or attempted to obtain a  
4 license; he committed unprofessional conduct; he failed to cooperate with the Board's  
5 investigation; and he willfully made a false report or medical record when he reapplied for  
6 licensure.

7 8. Respondent's conduct and the action of the Maryland Board as set forth in paragraph  
8 7, above, and within the actual Maryland Board documents attached as Exhibit A, constitute  
9 unprofessional conduct within the meaning of section 2305 and conduct subject to disciplinary  
10 action within the meaning of section 141(a).

11 **PRAYER**

12 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,  
13 and that following the hearing, the Medical Board of California issue a decision:

- 14 1. Revoking or suspending Physician's and Surgeon's Certificate Number A 136072,  
15 issued to Franklin Nwoke, M.D.;
- 16 2. Revoking, suspending or denying approval of Franklin Nwoke, M.D.'s authority to  
17 supervise physician assistants and advanced practice nurses;
- 18 3. Ordering Franklin Nwoke, M.D., if placed on probation, to pay the Board the costs of  
19 probation monitoring; and
- 20 4. Taking such other and further action as deemed necessary and proper.

FINAL ORDER OF REVOCATION OF MEDICAL LICENSE

On December 26, 2018 Disciplinary Panel B ("Panel B") of the Maryland State Board of Physicians (the "Board") notified FRANKLIN CHUKWUDI NWOKE, M.D. (the "Respondent"), License Number D82569, of its INTENT TO REVOKE the Respondent's license to practice medicine in the State of Maryland. The Notice informed the Respondent that unless the Respondent requested a hearing in writing within 30 days of the date of mailing of the Notice, Panel B intended to sign this Final Order, which was enclosed. More than 30 days have elapsed, and the Respondent failed to request a hearing. Therefore, Panel B hereby revokes the Respondent's license to practice medicine.

The basis for Panel B's action was pursuant to the Maryland Medical Practice Act (the "Act"), Md. Code Ann., Health Occ. ("Health Occ.") §§ 14-401 *et seq.* (2014 Repl. Vol. and 2017 Supp.), and COMAR 10.32.02.14(A).

The pertinent provisions of the Act provide:

**Health Occ. § 14-404. Denials, reprimands, probations, suspensions, and revocations –Grounds.**

- (a) *In general.* – Subject to the hearing provisions of § 14-405 of this subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee,

place any licensee on probation, or suspend or revoke a license if the licensee:

(1) Fraudulently or deceptively obtains or attempts to obtain a license for the applicant or licensee or for another;

...  
(2) Is guilty of:

...  
(ii) Unprofessional conduct in the practice of medicine;

...  
(33) Fails to cooperate with a lawful investigation conducted by the Board or a disciplinary panel;

...  
(36) Willfully makes a false representation when seeking or making application for licensure or any other application related to the practice of medicine;

...  
(42) Fails to submit to a criminal history records check under § 14-308.1 of this title[.].

**Health Occ. § 14-308.1. Criminal history records check through Central Repository.**

(a) In this section, "Central Repository" means the Criminal Justice Information System Central Repository of the Department of Public Safety and Correctional Services.

(b) An applicant, a licensee, or a certificate holder shall apply to the Central Repository for a State and national criminal history records check.

(c) As part of the application required under subsection (b) of this section, an individual shall submit to the Central Repository:

(1) Two complete sets of legible fingerprints taken on forms approved by the Director of the Central

Repository and the Director of the Federal Bureau of Investigation;

- (2) The fee authorized under § 10-221(b)(7) of the Criminal Procedure Article for access to State criminal history records; and
- (3) The mandatory processing fee required by the Federal Bureau of Investigation for a national criminal history records check.

The pertinent provisions of the Board's regulations under COMAR 10.32.02 provide:

**.14 Proposed Orders; . . .**

- A. Nothing in this chapter prohibits the issuance of a charging document with a proposed order which will go into effect if the respondent fails to request a hearing.

**INVESTIGATIVE FINDINGS**

Panel A finds the following:

1. At all times relevant, the Respondent was and is licensed to practice medicine in the State of Maryland. The Respondent was initially licensed on November 2, 2016, under license number D82569. The Respondent's license is presently active and is scheduled to expire on September 30, 2019.
2. On or about August 14, 2017, the Respondent submitted an online application (the "application") for license renewal using the Board's online license renewal process.
3. When a licensee applies online to renew their license, a notice appears that informs the licensee that the Board may not renew a license if it has not

received the licensee's Criminal History Record Check ("CHRC") information. This requires the licensee's submission of their fingerprints to Criminal Justice Information Services ("CJIS") before attempting to complete the renewal application.

4. The Respondent then continued with the application by clicking the button which reads "Yes, I acknowledge that I have submitted my fingerprints to CJIS BEFORE attempting to complete my renewal application." This dialog box provides that if the applicant has not already submitted their fingerprints, they should exit the application process until this requirement is satisfied.
5. The Respondent did not exit the application, but instead continued and completed it indicating that he had submitted his fingerprints for CHRC. The application was electronically signed by the Respondent and dated August 14, 2017. The Respondent's signed application states, "Failure to submit to a criminal history record check may result in disciplinary action."
6. On or about January 16, 2018, the Board sent a letter to the Respondent indicating that it had not received a response to previous communications<sup>1</sup>, and that a preliminary investigation had been opened based upon the Respondent's failure to obtain a CHRC. The Respondent did not respond.
7. The Board's investigation determined that the Respondent failed to submit fingerprints to CJIS in compliance with the CHRC process, as set forth in

---

<sup>1</sup> In addition to a letter sent via USPS, the Board attempts to make email contact with all licensees for whom the Board has not received CHRC results.

---

Health Occ. § 14-308.1, and misrepresented to the Board in the application that the Respondent had met these requirements.

8. The Respondent's actions including failure to complete the CHRC, as outlined in pertinent part above constitute, in whole or in part, a violation of Health Occ. § 14-404(a)(42), failing to submit to a criminal records history check under § 14-308.1 of this title.
9. The Respondent's misrepresentation to the Board on the application that the Respondent completed the CHRC, and failure to cooperate with the Board's investigation, as outlined in pertinent part above, constitute, in whole or in part, a violation of one or more of the following provisions of the Act: Health Occ. § 14-404(a)(1), Fraudulently or deceptively obtaining or attempting to obtain a license for the applicant, licensee, or for another; Health Occ. § 14-404(a)(3)(ii), Is guilty of: (ii) Unprofessional conduct in the practice of medicine; Health Occ. § 14-404(a)(33), Fails to cooperate with a lawful investigation conducted by the Board or a disciplinary panel; and Health Occ. § 14-404(a)(36), Willfully makes or files a false report or record in the practice of medicine.

#### CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, Panel B concludes as a matter of law that the Respondent violated Health Occ. §§ 14-404(a) (1), (3ii), (33), (36) and (42).

**ORDER**

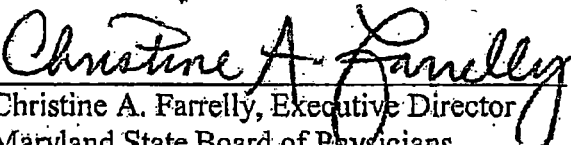

It is, on the affirmative vote of a majority of the quorum of Panel B, hereby:

**ORDERED** that the license of **FRANKLIN CHUKWUDI NWOKE, M.D.**, is **REVOKED**; and it is further

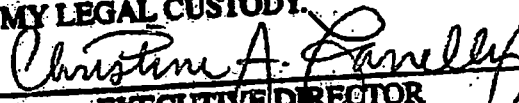

**ORDERED** that the Respondent may apply for reinstatement of the Respondent's license to practice medicine after a minimum of one (1) year from the date of this Order; and it is further

**ORDERED** that this is a **PUBLIC DOCUMENT** pursuant to Md. Code Ann., Gen. Prov. §§ 4-101 *et seq.* (2014 & 2017 Supp.).
