1 7. Government Code section 11506 states, in pertinent part:

2 (c) The respondent shall be entitled to a hearing on the merits if the respondent  
3 files a notice of defense, and the notice shall be deemed a specific denial of all parts  
4 of the accusation not expressly admitted. Failure to file a notice of defense shall  
5 constitute a waiver of respondent's right to a hearing, but the agency in its discretion  
6 may nevertheless grant a hearing.

7 8. Respondent failed to file a Notice of Defense within 15 days after service upon her of  
8 the First Amended Accusation and Petition to Revoke Probation, and therefore waived her right  
9 to a hearing on the merits of First Amended Accusation and Petition to Revoke Probation No.  
10 800-2019-059104.

11 9. California Government Code section 11520 states, in pertinent part:

12 (a) If the respondent either fails to file a notice of defense or to appear at the  
13 hearing, the agency may take action based upon the respondent's express admissions  
14 or upon other evidence and affidavits may be used as evidence without any notice to  
15 respondent.

16 10. Pursuant to its authority under Government Code section 11520, the Board finds  
17 Respondent is in default. The Board will take action without further hearing and, based on  
18 Respondent's express admissions by way of default and the evidence before it as contained in the  
19 separate accompanying "Default Decision Evidence Packet," finds that the allegations in First  
20 Amended Accusation and Petition to Revoke Probation No. 800-2019-059104 are true.

26 Physicians that Respondent was no longer employed and had not worked there since  
27 February 2019. Inspector C.K. also spoke with R.D., M.D., by telephone who identified  
28

3 9. At all times after the effective date of the Medical Board’s Decision in Case No. D1-  
4 2007-186835, Condition No. 24 stated:

5 “Probation Monitoring Costs. Respondent shall pay the costs associated with  
6 probation monitoring each and every year of probation, as designated by the Board,  
7 which may be adjusted on an annual basis. Such costs shall be payable to the Medical  
8 Board of California and delivered to the Board or its designee no later than January  
9 31 of each calendar year.”

10 10. Respondent’s probation is subject to revocation because she failed to comply with  
11 Probation Condition No. 24, referenced above. The facts and circumstances regarding this  
12 violation are as follows:

13 A. On or about April 16, 2019, a letter was sent to the Respondent from the Medical  
14 Board of California Probation Unit advising her of the total outstanding balance of  
15 \$23,732.04 for probation monitoring costs in Case No. D1-2007-186835, and giving her a  
16 due date of June 30, 2019, to submit a final payment. The letter was accompanied with a  
17 billing statement detailing the following balances each year Respondent was on probation:  
18 balance owed for 2014 was \$2,167.04, balance owed for 2015 was \$3,141.00, balance owed

23 practice with the Board’s Probation Monitor at which time the terms and conditions of her  
24 probation in Case No. D1-2007-186835 were discussed, including the outstanding balance  
25 for her probation monitoring costs, which were due by June 30, 2019. Subsequent to this  
26 interview, a letter dated June 18, 2019 was emailed and mailed to the Respondent, which  
27 specified the outstanding balance for Respondent’s probation monitoring costs of  
28

1 \$23,732.04 that was due no later than June 30, 2019, and that failure to pay this amount  
2 would constitute a violation of probation.

3 C. On or about August 13, 2019, an email was sent to the Respondent by Inspector C.K.  
4 from the Medical Board's Probation Unit, stating that the balance owed for Respondent's  
5 probation monitoring costs was \$23,732.04 which was due and that failure to pay would  
6 result in further disciplinary action.

ACCUSATION AND PETITION TO  
REVOKE PROBATION

15 Physician's and Surgeon's Certificate No. A 72295

16 Respondent.

17  
18 Complainant alleges:

19 PARTIES

20 1. Linda K. Whitney (Complainant) brings this Accusation and Petition to Revoke  
21 Probation solely in her official capacity as the Executive Director of the Medical Board of  
22 California, Department of Consumer Affairs.

23 2. On or about June 29, 2000, the Medical Board of California issued Physician's and  
24 Surgeon's Certificate Number A 72295 to Jennifer Hopper, M.D. (Respondent). The Physician's  
25 and Surgeon's Certificate was in effect at all times relevant to the charges brought herein and will  
26 expire on April 30, 2014, unless renewed.

27 3. In a disciplinary action entitled "In the Matter of the Accusation against Jennifer  
28 Hopper, M.D.," Case No. 02-2007-186835, the Medical Board of California, issued a decision;

1 effective December 16, 2010, in which Respondent's Physician's and Surgeon's Certificate was  
2 revoked. However, the revocation was stayed and Respondent's Physician's and Surgeon's  
3 Certificate was placed on probation for a period of five (5) years with certain terms and  
4 conditions. A copy of that decision is attached as Exhibit A and is incorporated by reference.

5 **JURISDICTION**

6 4. This Accusation and Petition to Revoke Probation is brought before the Medical  
7 Board of California (Board), Department of Consumer Affairs, under the authority of the

13 default has been entered, and who is found guilty, or who has entered into a stipulation for  
14 disciplinary action with the board, may, in accordance with the provisions of this chapter:

15 (1) Have his or her license revoked upon order of the board.

16 (2) Have his or her right to practice suspended for a period not to exceed one year  
17 upon order of the board.

19 upon order of the board.

6 violation of, or conspiring to violate any provision of this chapter.

7           "(b) Gross negligence.

8           "(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or

11           "(1) An initial negligent diagnosis followed by an act or omission medically appropriate  
12 for that negligent diagnosis of the patient shall constitute a single negligent act.

13           "(2) When the standard of care requires a change in the diagnosis, act, or omission that  
14 constitutes the negligent act described in paragraph (1), including, but not limited to, a  
15 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the

11 **FIRST CAUSE FOR DISCIPLINE**

12 [Bus. & Prof. Code § 2234(e)]

(Act Involving Dishonesty or Corruption)

13 8. Respondent is subject to disciplinary action under section 2234(e) of the Code in that  
14 she committed acts of dishonesty and corruption and unprofessional conduct. The circumstances  
15 are as follows:

16 9. In 2012, Respondent worked as a family physician for Quality Medical Care in  
17 Roseville, California.

18 10. For approximately an eight month period between January and August, 2012,  
19 Respondent wrote fraudulent patient prescriptions for benzodiazepines, including Klonopin,  
20 Ambien and Xanax for patient S.H. Instead of being for the benefit of the patient, Respondent  
21 diverted the prescriptions for her own use.

22 11. In approximately August, 2012, Respondent's employer learned of the fraudulently  
23 diverted prescriptions and confronted Respondent who denied the allegation. Respondent then  
24 contacted the patient S.H. and asked her to tell Respondent's employer that the prescriptions were  
25 for her. S.H. declined and said that she would not lie for Respondent.

26 ///

27 ///

28

1 12. In a December 19, 2012 interview with Medical Board investigators, Respondent  
2 admitted that she had been diverting the patient's prescription for her own use and was self-  
3 medicating for her insomnia and anxiety.

4 13. Respondent's conduct as described above are acts of dishonesty and corruption in the  
5 practice of medicine and constitute unprofessional conduct in violation of section 2234(e) of the  
6 Code, and thereby provides cause for discipline to Respondent's physician's and surgeon's  
7 certificate.

8 **SECOND CAUSE FOR DISCIPLINE**

9 [Bus. & Prof. Code § 2239]  
10 (Self Prescribing)

11 14. Respondent is subject to disciplinary action under section 2239 of the Code in that  
12 she self prescribed controlled substances in a manner constituting unprofessional conduct. The  
13 circumstances are as follows:

14 15. Paragraphs 8 through 12 above are repeated here as if fully set forth.

15 16. Respondent's conduct as described above is self prescribing of controlled substances  
16 in a manner constituting unprofessional conduct in violation of section 2239 of the Code, and  
17 thereby provides cause for discipline to Respondent's physician's and surgeon's certificate.

18 **CAUSE TO REVOKE PROBATION**

19 (Obey all laws)

20 17. At all times after the effective date of Respondent's probation, Condition 6 read:

21 "Respondent shall obey all federal, state and local laws, all rules governing the practice of  
22 medicine in California, and remain in full compliance with any court ordered criminal probation,  
23 payments and other orders."

24 18. Respondent's probation is subject to revocation because she failed to comply with  
25 Probation Condition 6, referenced above. The facts and circumstances regarding this violation  
26 are as follows:

27 A. Paragraphs 8 through 12 above are repeated here as if fully set forth.

28 ///

1 DISCIPLINE CONSIDERATIONS

2 19. To determine the degree of discipline, if any, to be imposed on Respondent,  
3 Complainant alleges that on or about March 1, 2012, a Citation Order was issued against Jennifer  
4 Hopper, M.D. before the Medical Board of California, in Citation No. 20-2011-217533.  
5 Respondent was cited and fined \$250.00 for failing to provide records to a patient within 15 days  
6 of the receipt of the patient's request for the records. That decision is now final and is  
7 incorporated by reference as if fully set forth.

8 PRAYER

9 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,  
10 and that following the hearing, the Medical Board of California issue a decision:

11 1. Revoking the probation that was granted by the Medical Board of California in Case  
12 No. 02-2007-186835 and imposing the disciplinary order that was stayed thereby revoking  
13 Physician's and Surgeon's Certificate No. A 72295 issued to Jennifer Hopper, M.D.;

1 No. A72295 to Jennifer Hopper, M.D. (Respondent). Said certificate was active and valid at all  
2 times relevant to this proceeding.

23 CULPABILITY

24 7. Respondent understands and agrees that the charges and allegations in Accusation

7 be accepted towards the fulfillment of this condition if the course would have been approved by  
8 the Board had the course been taken after the effective date of this Decision.

9           Respondent shall submit a certification of successful completion to the Board not later than  
10 15 calendar days after successfully completing the course, or not later than 15 calendar days after  
11 the effective date of the Decision, whichever is later.

1           8.    PROBATION UNIT COMPLIANCE Respondent shall comply with the Board's  
2 probation unit. Respondent shall, at all times, keep the Board informed of Respondent's business  
3 and residence addresses. Changes of such addresses shall be immediately communicated in

7 Respondent shall maintain a current and renewed California physician's and surgeon's license.

13 probation.

14          10. RESIDING OR PRACTICING OUT-OF-STATE In the event Respondent should  
15 leave the State of California to reside or to practice, Respondent shall notify the Board in writing  
16 30 calendar days prior to the dates of departure and return. Non-practice is defined as any period

18 in Sections 2051 and 2052 of the Business and Professions Code.

19           All time spent in an intensive training program outside the State of California which has  
20 been approved by the Board shall be considered as time spent in the practice of medicine within  
21 the State. A Board-ordered suspension of practice shall not be considered as a period of non-  
22 practice. Periods of temporary or permanent residence or practice outside California will not  
23 apply to the reduction of the probationary term. Periods of temporary or permanent residence or

24 practice outside California will relieve Respondent of the responsibility to comply with the  
25 probationary terms and conditions with the exception of this condition and the following terms  
26 and conditions of probation: Obey All Laws; Probation Unit Compliance; and Cost Recovery.

27           Respondent's license shall be automatically cancelled if Respondent's periods of temporary  
28 or permanent residence or practice outside California total two years. However, Respondent's

1 license shall not be cancelled as long as Respondent is residing and practicing medicine in  
2 another  
3 state of the United States and is on active probation with the medical licensing authority of that  
4 state, in which case the two year period shall begin on the date probation is completed or  
5 terminated in that state.

6 11. FAILURE TO PRACTICE MEDICINE - CALIFORNIA RESIDENT

7 In the event Respondent resides in the State of California and for any reason Respondent  
8 stops practicing medicine in California, Respondent shall notify the Board in writing within 30  
9 calendar days prior to the dates of non-practice and return to practice. Any period of non-practice  
10 within California, as defined in this condition, will not apply to the reduction of the probationary  
11 term and does not relieve Respondent of the responsibility to comply with the terms and  
12 conditions of probation. Non-practice is defined as any period of time exceeding 30 calendar  
13 days in which Respondent is not engaging in any activities defined in sections 2051 and 2052 of  
14 the Business and Professions Code.

15 All time spent in an intensive training program which has been approved by the Board shall  
16 be considered time spent in the practice of medicine. For purposes of this condition, non-practice  
17 due to a Board-ordered suspension or in compliance with any other condition of probation, shall  
18 not be considered a period of non-practice.

19 Respondent's license shall be automatically cancelled if Respondent resides in California  
20 and for a total of two years, fails to engage in California in any of the activities described in  
21 Business and Professions Code sections 2051 and 2052.

22 12. COMPLETION OF PROBATION Respondent shall comply with all financial  
23 obligations (e.g., cost recovery, restitution, probation costs) not later than 120 calendar days prior  
24 to the completion of probation. Upon successful completion of probation, Respondent's  
25 certificate shall be fully restored. Pursuant to Business and Professions Code section 2307,  
26 Respondent may file a Petition for Penalty Relief after two years of probation have been  
27 completed.

28 13. VIOLATION OF PROBATION Failure to fully comply with any term or condition

1 of probation is a violation of probation. If Respondent violates probation in any respect, the  
2 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
3 carry out the disciplinary order that was stayed. If an Accusation, Petition to Revoke Probation,  
4 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
5 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
6 the matter is final.

7 14. LICENSE SURRENDER Following the effective date of this Decision, if  
8 Respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy  
9 the terms and conditions of probation, Respondent may request the voluntary surrender of  
10 Respondent's license. The Board reserves the right to evaluate Respondent's request and to  
11 exercise its discretion whether or not to grant the request, or to take any other action deemed  
12 appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender,  
13 Respondent shall within 15 calendar days deliver Respondent's wallet and wall certificate to the  
14 Board and Respondent shall no longer practice medicine. Respondent will no longer be subject  
15 to the terms and conditions of probation and the surrender of Respondent's license shall be  
16 deemed disciplinary action. If Respondent re-applies for a medical license, the application shall  
17 be treated as a petition for reinstatement of a revoked certificate.

18 15. PROBATION MONITORING COSTS Respondent shall pay the costs associated  
19 with probation monitoring each and every year of probation, as designated by the Board, which  
20 are currently set at \$3673.00, but may be adjusted on an annual basis. Such costs shall be payable  
21 to the Medical Board of California and delivered to the Board no later than January 31 of each  
22 calendar year. Failure to pay costs within 30 calendar days of the due date is a violation of  
23 probation.

5 4. Section 2227 of the Code provides that a licensee who is found guilty

7 to exceed one year, placed on probation and required to pay the costs of probation monitoring, or  
8 such other action taken in relation to discipline as the Division<sup>1</sup> deems proper.

9 5. Section 2234 of the Code states:

10 "The Division of Medical Quality shall take action against any licensee who is  
11 charged with unprofessional conduct. In addition to other provisions of this article,  
12 unprofessional conduct includes, but is not limited to, the following:

13 \* \* \*

14 "(c) Repeated negligent acts. To be repeated, there must be two or more  
15 negligent acts or omissions. An initial negligent act or omission followed by a separate  
16 and distinct departure from the applicable standard of care shall constitute repeated  
17 negligent acts.

18 "(1) An initial negligent diagnosis followed by an act or omission  
19 medically appropriate for that negligent diagnosis of the patient shall  
20 constitute a . . . negligent act.

21 "(2) When the standard of care requires a change in the diagnosis, act, or  
22 omission that constitutes the negligent act described in paragraph (1),  
23 including, but not limited to, a reevaluation of the diagnosis or a change in

1 of care, each departure constitutes a separate and distinct breach of the  
2 standard of care.”

3 6. Section 2266 of the Code states: “The failure of a physician and surgeon to  
4 maintain adequate and accurate records relating to the provision of services to their patients  
5 constitutes unprofessional conduct.”

6 7. OxyContin is the trade name for Oxycodone. Oxycodone is a Schedule II  
7 controlled substance under Health and Safety Code Section 1105(b)(1)(N) and a dangerous drug  
8 under Code section 4022.

9 8. Valium is the trade name for diazepam. Diazepam is a schedule IV  
10 controlled substance under Health and Safety Code section 11057(d)(9) and a dangerous drug  
11 under Code section 4022.

12 **FIRST CAUSE FOR DISCIPLINE**  
13 **(Repeated Negligent Acts)**  
14 **[Bus. & Prof. Code, § 2234, subd. (c)]**

15 9 Respondent is subject to disciplinary action under section 2234,  
16 subdivision (c) in that she was repeatedly negligent in her care and treatment of patients A.K. and  
17 A.E.K.<sup>2</sup> The circumstances are as follows:

18 **Patient A.K.**

19 10 Respondent currently operates a solo practice in Roseville, California.  
20 Prior to her solo practice, she was employed by Roy Harris, M.D. until she left in 2005. Patient  
21 A.K. was a patient of Dr. Harris. Respondent was aware that patient A.K. had been under the  
22 care of a neurologist for seizure management, suffered from neck and back pain, and was  
23 addicted to OxyContin.

24 11. On or about February 9, 2006, patient A.K., “ . . . who was 20 years old,  
25 presented . . .” for a medication review. A.K. was already taking OxyContin intranasally even  
26 though it had not been prescribed to him. A.K. told respondent that his pain was so bad, he

27 2. The patient names are abbreviated herein to protect patient confidentiality. The patient  
28 names and medical records will be provided upon receipt of a properly executed and served  
Request for Discovery.

1 resorted to illegal use. Respondent was aware that A.K.'s father had been addicted to OxyContin  
2 (father had died of polypharmacy in 2004). A.K. had multiple falls from seizures and had head,  
3 neck and back pain. Respondent noted patient A.K. had suffered a second petit mal seizure and  
4 the removal of a brain cyst. The medications listed for patient A.K. included Valium and  
5 OxyContin (80 mg b.i.d. intranasally and 20 mg p.o. b.i.d.). Respondent's assessment was  
6 "chronic pain, 40 mg taken daily, refill Valium for sleep" and referred patient A.K. to another  
7 physician for seizure control. The plan was for patient A.K. to "switch now to 40 mg p.o. b.i.d.  
8 and 60 mg IN bid."

9           12. Respondent subsequently saw patient A.K. approximately twenty-one (21)  
10 times between March 7, 2006, through February 28, 2008. During that time, Respondent  
11 provided patient A.K. with monthly prescriptions for Tegretol. Office notes, however, do not  
12 document orders or lab results for Tegretol or CBC levels. Notes also documented Respondent's  
13 unsuccessful attempts to refer patient A.K. to a pain clinic because patient A.K. was "just an  
14 addict." Respondent also documented that patient A.K. did not want to go on methadone and  
15 was compliant with the tapering plan of gradually changing the mode of usage of OxyContin  
16 from nasal to oral. Respondent wrote numerous, almost monthly, prescriptions to patient A.K.  
17 for Valium and OxyContin.

18           13. Respondent wrote prescriptions for OxyContin to address patient A.K.'s  
19 pain and addiction. Respondent addressed patient A.K.'s OxyContin addiction by decreasing his  
20 nasal snorting of OxyContin and substituting oral doses in a tapering manner.

21           14. Respondent did not offer and/or require that A.K. sign a written pain  
22 ~~contract. Respondent discussed with A.K. filling the prescriptions at Safeway because she knew~~  
23 the pharmacist and that he had extensive pain training. A.K. paid cash for the prescriptions  
24 because he did not have insurance. The cost of filling the prescriptions was approximately \$1,000  
25 per month.

26           15. A neurologic exam was performed on October 31, 2007. The office note  
27 for the October 31, 2007, visit documents that patient A.K. was doing "very well," had no seizure  
28 ///

1 activity, some headache and anxiety that improved with Valium. Respondent also noted that the  
2 Valium possibly suppressed seizure activity.

3 16. A neurologic exam was also performed on January 17, 2008. Respondent  
4 documented that patient A.K. had a seizure while at home. Patient A.K. went to the emergency  
5 room, had a CT scan, and was bolused with Tegretol. Patient A.K. represented that he was out of  
6 Valium and his prescription was refilled for 10 mg two tablets q.i.d.

7 17. Patient A.K. underwent another neurologic exam on February 28, 2008,  
8 after having been hospitalized for seizures and subarachnoid hemorrhage. Patient A.K. was  
9 managed with 120 mg of OxyContin daily which was "now at the baseline dosage of an opiate  
10 that will hold his baseline chronic neck, back and head pain."

11 18. On February 12, 2008, patient A.K. visited the emergency room at Sutter  
12 Roseville Medical Center and was hospitalized through February 18, 2008. Patient A.K. again  
13 visited the emergency room on February 19, and was hospitalized through February 21, 2008.

14 Patient A.E.K.

15 19. Respondent first saw patient A.E.K. while she was employed as a  
16 physician by Dr. Harris. Patient A.E.K. continued to see Respondent after she opened her solo  
17 practice in Roseville. Patient A.E.K. is the sister of Patient A.K.

18 20. On or about February 9, 2006, patient A.E.K. who was 24 years old at that  
19 time presented for a recheck of her medications. Respondent only generally noted in the medical  
20 records that she had reviewed the relevant histories. Current medications included Xanax and  
21 OxyContin. A.E.K. started using OxyContin which she obtained from a trainer at her gym for  
22 her back pain. There was no mention of pain in the medical records for this visit. Records  
23 indicated "well-appearing, in no distress." In the social history of the fact sheet in the records it  
24 is recorded "of note her father died of a polypharmacy overdose, he was primarily addicted to  
25 OxyContin." A.E.K. "found him after being dead for a number of days. Has had intermittent  
26 anxiety and difficulty sleeping since this time." Respondent prescribed intranasal OxyContin  
27 with the plan to decrease patient A.E.K.'s intranasal use of OxyContin by substituting oral doses  
28 //

1 in a tapering manner. Pharmacy records reveal that patient A.E.K. received OxyContin on  
2 almost a monthly basis through approximately April 10, 2007.

3  
4 21. Patient A.E.K. saw Respondent again on March 30, 2006. Respondent's  
5 assessment was chronic pain syndrome for which she also provided treatment. Respondent,  
6 however, failed to document the medical history and physical exam as it pertained to patient  
7 A.E.K.'s complaints of chronic pain.

8 22. On August 9, 2006, patient A.E.K. presented to discuss her pregnancy and  
9 medications. Respondent assessed A.E.K. with chronic pain and decreased the OxyContin  
10 dosage to 120 mg daily. There is no notation in the medical records but respondent was aware  
11 that A.E.K. had been told by her obstetrician/gynecologist to not take OxyContin while pregnant  
12 and that he had enrolled A.E.K. in a methadone program.

13 23. On September 20, 2006, Respondent noted that patient A.E.K. continued  
14 to take 140 mg daily of OxyContin and did not wish to decrease the dosage to 120 mg daily.  
15 Patient A.E.K. complained of back pain and was given a refill prescription for OxyContin and  
16 also Xanax for "her anxiety and panic postpartum."

17 24. On December 6, 2006, patient A.E.K. presented again to Respondent and  
18 was diagnosed with chronic pain syndrome with a plan to decrease the OxyContin dosage to 40  
19 mg t.i.d. However, on January 3, 2007, Respondent increased the OxyContin dosage to 100 mg  
20 daily and diagnosed patient A.E.K. with lumbago. Missing from the patient's chart is any  
21 subjective or objective documentation about patient A.E.K.'s back pain.

22 25. Patient A.E.K. also visited Respondent on January 31, 2007, and February  
23 27, 2007. Again, missing from the patient's chart is any subjective or objective documentation  
24 about patient A.E.K.'s back pain.

25 26. On April 24, 2007, patient A.E.K. was again diagnosed with chronic pain.  
26 Respondent's plan was to decrease the OxyContin dosage to 80 mg daily.

27 27. On November 1, 2007, Respondent's plan included a decrease in the  
28 OxyContin dosage to 40 mg daily.

1                   28.     Pharmacy records reflect that patient A.E.K. received OxyContin almost  
2 monthly. Respondent did not offer and/or require that A.E.K. sign a written pain contract.  
3 Respondent discussed with A.E.K. filling the prescriptions at Safeway because she knew the  
4 pharmacist and that he had extensive pain training. A.E.K. paid cash for the OxyContin  
5 prescriptions

6                   29.     Respondent's treatment of patient A.K.'s addiction to OxyContin by  
7 transitioning the intranasal use to the oral use of OxyContin constitutes a negligent act within the  
8 meaning of section 2234, subdivision (c).

9                   30.     Respondent's continued prescriptions of Tegretol to patient A.K. without  
10 appropriate monitoring constitutes a negligent act within the meaning of section 2234,  
11 subdivision (c).

12                  31.     Respondent's treatment of patient A.E.K. for both addiction to OxyContin  
13 and chronic pain constitutes a negligent act within the meaning of section 2234, subdivision (c).

14                  32.     Respondent's treatment of patient A.E.K.'s addiction to OxyContin by  
15 transitioning the intranasal use to the oral use of OxyContin constitutes a negligent act within the  
16 meaning of section 2234, subdivision (c).

17                  33.     Respondent's inadequate documentation of patient A.E.K.'s medical  
18 history and physical exam as it pertained to complaints of chronic pain constitutes a negligent act  
19 within the meaning of section 2234, subdivision (c).

20                  34.     Respondent's failure to communicate directly with patient A.E.K.'s  
21 obstetrician when she continued to prescribe OxyContin constitutes a negligent act within the  
22 meaning of section 2234, subdivision (c).

23                                   SECOND CAUSE FOR DISCIPLINE  
24                                   (Failure to Maintain Adequate Medical Records)  
                                          [Bus. & Prof. Code, § 2266]

25                  35.     Respondent is subject to disciplinary action under section 2266 in that she  
26 failed to maintain adequate medical records for patient A.E.K. The circumstances are as follows:

27                  36.     Complainant realleges paragraphs 8 through 34 above, as if fully set forth  
28 at this point.
