**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. Christine J. Lally (Complainant) is the Interim Executive Director of the Medical
24 Board of California (Board). She brought this action solely in her official capacity and is
25 represented in this matter by Xavier Becerra, Attorney General of the State of California, by
26 Peggie Bradford Tarwater, Deputy Attorney General.

27 //

28 //

2. Respondent Malihe Dardashti, M.D. (Respondent) is represented in this proceeding by attorney Raymond J. McMahon, whose address is 5440 Trabuco Road, Irvine, California 92620.

3. On August 13, 1984, the Board issued Physician's and Surgeon's Certificate No. A 41092 to Respondent. That license was in full force and effect at all times relevant to the charges brought in Second Amended Accusation No. 800-2016-027079, and will expire on December 31, 2021, unless renewed.

JURISDICTION

4. The Second Amended Accusation in case number 800-2016-027079 was filed before the Board, and is currently pending against Respondent. The Second Amended Accusation and all other statutorily required documents were properly served on Respondent on January 2, 2020. Respondent filed a timely Notice of Defense contesting the Accusation.

5. A copy of the Second Amended Accusation in case number 800-2016-027079 is attached as Exhibit A.

3 Amended Accusation No. 800-2016-027079, if proven at a hearing, constitute cause for imposing
4 discipline upon her Physician's and Surgeon's Certificate.

5 10. For the purpose of resolving the Accusation without the expense and uncertainty of
6 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual
7 basis for the charges in the Accusation, and that Respondent hereby gives up her right to contest
8 those charges.

9 11. Respondent agrees that her Physician's and Surgeon's Certificate is subject to
10 discipline and she agrees to be bound by the Board's probationary terms as set forth in the
11 Disciplinary Order below.

12 **CONTINGENCY**

13 12. This stipulation shall be subject to approval by the Medical Board of California.
14 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
15 Board of California may communicate directly with the Board regarding this stipulation and
16 settlement, without notice to or participation by Respondent or her counsel. By signing the
17 stipulation, Respondent understands and agrees that she may not withdraw her agreement or seek
18 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails

Physician's and Surgeon's Certificate
No. A 41092,

Respondent.

Case No. 800-2016-027079

SECOND AMENDED ACCUSATION

Complainant alleges:

PARTIES

1. Christine J. Lally (Complainant) brings this Second Amended Accusation solely in her official capacity as the Interim Executive Director of the Medical Board of California (Board).

2. On August 13, 1984, the Board issued Physician's and Surgeon's Certificate Number A 41092 to Malihe Dardashti, M.D. (Respondent). That license was in full force and effect at all times relevant to the charges brought herein and will expire on December 31, 2021, unless

1 renewed.

2 JURISDICTION

3 3. This Second Amended Accusation is brought before the Board under the authority of
4 the following laws. All section references are to the Business and Professions Code (Code)
5 unless otherwise indicated.

6 4. Section 2227 of the Code states:

7 “(a) A licensee whose matter has been heard by an administrative law judge of the Medical
8 Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default
9 has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary
10 action with the board, may, in accordance with the provisions of this chapter:

11 “(1) Have his or her license revoked upon order of the board.

12 “(2) Have his or her right to practice suspended for a period not to exceed one year upon
13 order of the board.

14 “(3) Be placed on probation and be required to pay the costs of probation monitoring upon
15 order of the board.

16 “(4) Be publicly reprimanded by the board. The public reprimand may include a
17 requirement that the licensee complete relevant educational courses approved by the board.

18 “(5) Have any other action taken in relation to discipline as part of an order of probation, as
19 the board or an administrative law judge may deem proper.

20 “(b) Any matter heard pursuant to subdivision (a), except for warning letters, medical

23 successfully completed by the licensee, or other matters made confidential or privileged by
24 existing law, is deemed public, and shall be made available to the public by the board pursuant to
25 Section 803.1.”

26 5. Section 2234 of the Code, states:

27 “The board shall take action against any licensee who is charged with unprofessional
28 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not

1 limited to, the following:

2 “(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
3 violation of, or conspiring to violate any provision of this chapter.

4 “....

5 “(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or
6 omissions. An initial negligent act or omission followed by a separate and distinct departure from
7 the applicable standard of care shall constitute repeated negligent acts.

8 “(1) An initial negligent diagnosis followed by an act or omission medically appropriate for
9 that negligent diagnosis of the patient shall constitute a single negligent act.

10 “(2) When the standard of care requires a change in the diagnosis, act, or omission that
11 constitutes the negligent act described in paragraph (1), including, but not limited to, a
12 reevaluation of the diagnosis or a change in treatment, and the licensee’s conduct departs from the
13 applicable standard of care, each departure constitutes a separate and distinct breach of the
14 standard of care.

15 “....

16 “....

17 “(f) Any action or conduct which would have warranted the denial of a certificate.

18 “(g)

19 “(h)”

20 6. Section 2266 of the Code states: “The failure of a physician and surgeon to maintain
21 adequate and accurate records relating to the provision of services to their patients constitutes

1 **FIRST CAUSE FOR DISCIPLINE**

2 (Repeated Negligent Acts)

3 7. Respondent Malihe Dardashti, M.D. is subject to disciplinary action under section
4 2234, subdivision (b), of the Code in that she was negligent in the treatment of Patient 1.¹ The
5 circumstances are as follows:

6 8. Respondent is a sole practitioner. She practices general medicine and also offers
7 dermatology services.

8 9. Patient 1, a 64-year-old, African-American female, presented to Respondent on June
9 28, 2016, for the primary purpose of obtaining the results of abdominal and pelvic MRI testing.
10 Respondent's progress note for the visit indicates lower abdominal pain as the chief complaint
11 and no mention of a skin complaint. The diagnosis and plan indicate an endocrine disorder,
12 fibroid uterus and referrals for a colonoscopy, gynecology visit, and mammogram. The Review
13 of Systems portion and Diagnosis and Plan section of the progress note also indicate "sun
14 damaged skin," "acne scar," and "black spot." There is no reflection in the progress note that
15 Patient 1 has dark skin. There is no history of prior retinoid use or exfoliation procedures. There
16 is no assessment or plan for the skin conditions.

17 10. Respondent offered a chemical peel to improve Patient 1's skin.

18 11. Respondent did not document an informed consent for a chemical peel.

19 12. A chemical peel was performed on Patient 1. Patient 1 was seated in a chair for the
20 procedure. According to Respondent's description of the procedure, the patient's face was
21 cleaned with alcohol and, when dry, "glycolic applied 1 min., 1 min. wait then glycolic wip[]ed
22 out with gauze soaked with water."

23 13. The medical record contains no mention of the condition of the skin during or after
24 the procedure or whether complications occurred.

25
26
27 ¹ The patient's name is not used in the Second Amended Accusation to protect her
28 privacy. However, in the event the patient's identity is not already known to Respondent as a
result of investigation, information related to her identity will be provided to Respondent in the
course of discovery.

1 14. Respondent did not document the chemical peel agent used, although she claimed to
2 have used a 10 percent glycolic lotion.

3 15. After the procedure, Patient 1 told Respondent that she was experiencing discomfort
4 and that she did not believe Respondent was familiar with "black" skin.

5 16. Patient 1 suffered a chemical "burn" as a result of the procedure.

6 17. Respondent did not recognize the complication and did not manage the burning or
7 discomfort with the application of water, sodium bicarbonate, or ice.

8 18. After leaving Respondent's office, Patient 1 spoke with Respondent by telephone
9 about concerns with the peel. Respondent asked for photographs, told the patient to use
10 moisturizer or aloe, and stated that peeling takes a few days and then scabbing will go away.

11 19. Patient 1 sent photographs showing skin irritation to Respondent but received no
12 response. Patient 1 did not return to Respondent's office after the procedure.

13 20. Respondent performs the chemical peel on all patients in the same manner.
14 According to Respondent, there is no increased risk or problem in treating people with dark skin.

15 21. The standard of care requires identification of high-risk skin types and understanding
16 that patients with high-risk skin types, such as dark skin, have a greater likelihood of post-
17 inflammatory hyperpigmentation and hypopigmentation with dermatologic treatments. The
18 standard of care for the darkest skin type requires pre-treatment of the skin.

19 22. Respondent was negligent in failing to recognize that dark skin types are high risk
20 and have a greater likelihood of complications with dermatologic procedures.

21 23. The standard of care when performing a chemical peel is to document the application
22 of the chemicals used, including the number of applications.

23 24. Respondent was negligent in performing the chemical peel procedure on Patient 1 in
24 that she failed to document the application of the chemicals.

25 25. The standard of care requires neutralizations with sodium bicarbonate solution to
26 control the depth of the chemical. If a patient complains of discomfort or burning at the
27 conclusion of treatment, bicarbonate should be used to neutralize the chemical.

28 //

1 26. Respondent was negligent in failing to neutralize the chemical peel even though the
2 patient complained of discomfort.

3 27. The standard of care requires obtaining informed consent prior to performing a
4 chemical peel, which includes explanation of risks and benefits, as well as alternatives to the
5 procedure. Consent should be documented in the chart.

6 28. Respondent was negligent in performing the chemical peel procedure on Patient 1 in
7 that she failed to document informed consent.

8 29. Respondent's acts and omissions as set forth above constitute repeated negligent acts
9 in violation of section 2234, subdivision (c), of the Code, and Respondent's license is subject to
10 discipline.

11 **SECOND CAUSE FOR DISCIPLINE**

12 (Failure to Maintain Adequate and Accurate Records)

13 30. Respondent Malihe Dardashti, M.D. is subject to disciplinary action under section
14 2266 of the Code in that she failed to maintain adequate and accurate medical records.

15 31. The allegations in the First Cause for Discipline are incorporated here as if fully set
16 forth.
