20 entitled proceedings that the following matters are true:

21 **PARTIES**

23 Board of California (Board). She brought this action solely in her official capacity and is  
24 represented in this matter by Xavier Becerra, Attorney General of the State of California, by  
25 Peggie Bradford Tarwater, Deputy Attorney General.

26 2. Respondent Jonathon Harry Serebrin, M.D. (Respondent) is represented in this  
27 proceeding by attorney Derek F. O'Reilly-Jones, whose address is 355 South Grand Avenue,  
28

1 Suite 1750, Los Angeles, California 90071.

2 3. On June 26, 1978, the Board issued Physician's and Surgeon's Certificate No. G  
3 36895 to Jonathon Harry Serebrin, M.D. (Respondent). That license was in full force and effect  
4 at all times relevant to the charges brought in Accusation No. 800-2017-030672, and will expire  
5 on January 31, 2020, unless renewed.

6 **JURISDICTION**

7 4. Accusation No. 800-2017-030672 was filed before the Board, and is currently  
8 pending against Respondent. The Accusation and all other statutorily required documents were  
9 properly served on Respondent on April 5, 2019. Respondent timely filed his Notice of Defense  
10 contesting the Accusation.

11 5. A copy of Accusation No. 800-2017-030672 is attached as Exhibit A.

12 **ADVISEMENT AND WAIVERS**

13 6. Respondent has carefully read, fully discussed with counsel, and understands the

15 fully discussed with counsel, and understands the effects of this Stipulated Settlement and  
16 Disciplinary Order.

18 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine  
19 the witnesses against him; the right to present evidence and to testify on his own behalf; the right  
20 to the issuance of subpoenas to compel the attendance of witnesses and the production of  
21 documents; the right to reconsideration and court review of an adverse decision; and all other  
22 rights accorded by the California Administrative Procedure Act and other applicable laws.

23 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
24 every right set forth above.

25 **CULPABILITY**

26 9. Respondent understands and agrees that the charges and allegations in Accusation  
27 No. 800-2017-030672, if proven at a hearing, constitute cause for imposing discipline upon his  
28 Physician's and Surgeon's Certificate.

1 10. For the purpose of resolving the Accusation without the expense and uncertainty of  
2 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual  
3 basis for the charges in the Accusation, and that Respondent hereby gives up his right to contest  
4 those charges.

5 11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
6 discipline, and he agrees to be bound by the Board's terms as set forth in the Disciplinary Order  
7 below.

### 8 CONTINGENCY

9 12. This stipulation shall be subject to approval by the Medical Board of California.  
10 Respondent understands and agrees that counsel for Complainant and the staff of the Medical

12 settlement, without notice to or participation by Respondent or his counsel. By signing the  
13 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
14 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
15 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
16 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
17 action between the parties, and the Board shall not be disqualified from further action by having  
18 considered this matter.

19 13. The parties understand and agree that Portable Document Format (PDF) and facsimile  
20 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
21 signatures thereto, shall have the same force and effect as the originals.

Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2234 of the Code, states, in pertinent part:

"The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

"(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

"(2) When the standard of care requires a change in the diagnosis, act, or omission that constitutes the negligent act described in paragraph (1), including, but not limited to, a reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the applicable standard of care, each departure constitutes a separate and distinct breach of the standard of care.

1        "..."

2        6.     Section 2266 of the Code states: "The failure of a physician and surgeon to maintain  
3 adequate and accurate records relating to the provision of services to their patients constitutes  
4 unprofessional conduct."

5        7.     Health and Safety Code section 11362.5 provides as follows:

6        "(a) This section shall be known and may be cited as the Compassionate Use Act of 1996.

7        "(b)(1) The people of the State of California hereby find and declare that the purposes of the  
8 Compassionate Use Act of 1996 are as follows:

9        "(A) To ensure that seriously ill Californians have the right to obtain and use marijuana for  
10 medical purposes where that medical use is deemed appropriate and has been recommended by a  
11 physician who has determined that the person's health would benefit from the use of marijuana in  
12 the treatment of cancer, anorexia, AIDS, chronic pain, spasticity, glaucoma, arthritis, migraine, or  
13 any other illness for which marijuana provides relief.

14        "(B) To ensure that patients and their primary care-givers who obtain and use marijuana for  
15 medical purposes upon the recommendation of a physician are not subject to criminal prosecution  
16 or sanction.

17        "(C), To encourage the federal and state governments to implement a plan to provide for the  
18 safe and affordable distribution of marijuana to all patients in medical need of marijuana.

19        "(2) Nothing in this section shall be construed to supersede legislation prohibiting persons  
20 from engaging in conduct that endangers others, nor to condone the diversion of marijuana for  
21 nonmedical purposes.

22        "(c) Notwithstanding any other provision of law: no physician in this state shall be  
23 punished, or denied any right or privilege, for having recommended marijuana to a patient for  
24 medical purposes.

25        "(d) Section 11357, relating to the possession of marijuana, and Section 11358, relating to  
26 the cultivation of marijuana, shall not apply to a patient, or to a patient's primary caregiver, who  
27 possesses or cultivates marijuana for the personal medical purposes of the patient upon the  
28 written or oral recommendation or approval of a physician.

1       “(e) For the purposes of this section, "primary care-giver" means the individual designated  
2 by the person exempted under this section who has consistently assumed responsibility for the  
3 housing, health, or safety of that person.”

7 **FIRST CAUSE FOR DISCIPLINE**

8 (Repeated Negligent Acts)

9 13. Respondent is subject to disciplinary action under section 2234, subdivision (c) of the  
10 Code in that he committed repeated negligent acts in the care and treatment of Patient 1.<sup>1</sup> The  
11 circumstances are as follows:

12 14. On January 14, 2017, Patient 1, who had turned 18 years of age the prior day,  
13 presented to Respondent for a marijuana recommendation evaluation.

14 15. In his intake paperwork, Patient 1 indicated he suffered from anxiety, insomnia, pain,  
15 and anorexia. He indicated a medical history of attention deficit hyperactive disorder (ADHD)  
16 for which he took Focalin, a stimulant medication used for the treatment of ADHD.

17 16. Respondent’s notes of physical examination indicate a general appearance within  
18 normal limits. Also marked as within normal limits are the neck, chest, cardio, abdomen, and  
19 thyroid. Knee jerks were noted as normal and motor strength was noted as normal. Pulse was  
20 recorded at 114 beats per minute. The patient was not weighed. Respondent did not conduct a  
21 “formal” mental status exam.

22 17. Respondent’s assessment of Patient 1 indicates anorexia, anxiety, chronic pain,  
23 ADHD, and chronic back pain.

24 18. Respondent did not obtain a release for the past medical records from the patient nor  
25 did he attempt to obtain the records. He did not speak with any of the patient’s other physicians.

26  
27  
28 <sup>1</sup> The identity of Patient 1 is not disclosed in the Accusation to protect the patient’s  
privacy, but it has been provided to Respondent.

1        19. Respondent provided Patient 1 with a one-year recommendation for medical  
2 marijuana. The patient was asked to return in two months.

3        20. The standard of care in recommending marijuana requires taking a history and  
4 conducting a good faith medical examination of the patient. For patients with a history of a  
5 psychiatric condition, such as ADHD or anxiety, obtaining a psychiatric history and performing a  
6 mental status examination are required.

7        21. Respondent was negligent in failing to obtain an appropriate history and in failing to  
8 conduct an appropriate examination. Respondent checked boxes to signify "within normal limits"  
9 but did not provide details of what clinical information was obtained or analyzed. He did not  
10 address the high pulse of 114 beats per minute. He failed to complete a mental status  
11 examination prior to recommending marijuana for a patient with a history of ADHD and anxiety.

12        22. The standard of care requires that a physician's recommendation for marijuana be  
13 supported by documentation justifying the recommendation.

14        23. Respondent was negligent in recommending medical marijuana for anorexia, chronic  
15 pain, anxiety, and ADHD without documentation as to how the conditions impacted the patient's  
16 quality of life and affected his day-to-day functioning to support the recommendation.

17        24. The standard of care requires coordination of care for a patient with an underlying  
18 psychiatric condition.

19        25. Respondent was negligent in failing to coordinate care with the patient's other  
20 treating physicians.

21        26. Respondent committed repeated negligent acts in the care and treatment of Patient 1,  
22 for which physician's and surgeon's certificate is subject to discipline.
