17 Respondent.

18
19 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. Christine J. Lally (Complainant) is the Interim Executive Director of the Medical
23 Board of California (Board). She brought this action solely in her official capacity and is
24 represented in this matter by Xavier Becerra, Attorney General of the State of California, by
25 Peggie Bradford Tarwater, Deputy Attorney General.

26 2. Respondent Jonathon Harry Serebrin, M.D. (Respondent) is represented in this
27 proceeding by attorney Derek F. O'Reilly-Jones, whose address is 355 South Grand Avenue,
28

1 Suite 1750, Los Angeles, California 90071.

2 3. On June 26, 1978, the Board issued Physician's and Surgeon's Certificate No. G
3 36895 to Jonathon Harry Serebrin, M.D. (Respondent). That license was in full force and effect
4 at all times relevant to the charges brought in Accusation No. 800-2017-030672, and will expire
5 on January 31, 2020, unless renewed.

6 **JURISDICTION**

7 4. Accusation No. 800-2017-030672 was filed before the Board, and is currently
8 pending against Respondent. The Accusation and all other statutorily required documents were
9 properly served on Respondent on April 5, 2019. Respondent timely filed his Notice of Defense
10 contesting the Accusation.

11 5. A copy of Accusation No. 800-2017-030672 is attached as Exhibit A.

12 **ADVISEMENT AND WAIVERS**

13 6. Respondent has carefully read, fully discussed with counsel, and understands the
14 charges and allegations in Accusation No. 800-2017-030672. Respondent has also carefully read,
15 fully discussed with counsel, and understands the effects of this Stipulated Settlement and
16 Disciplinary Order.

17 7. Respondent is fully aware of his legal rights in this matter, including the right to a
18 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
19 the witnesses against him; the right to present evidence and to testify on his own behalf; the right
20 to the issuance of subpoenas to compel the attendance of witnesses and the production of
21 documents; the right to reconsideration and court review of an adverse decision; and all other
22 rights accorded by the California Administrative Procedure Act and other applicable laws.

23 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
24 every right set forth above.

25 **CULPABILITY**

26 9. Respondent understands and agrees that the charges and allegations in Accusation
27 No. 800-2017-030672, if proven at a hearing, constitute cause for imposing discipline upon his
28 Physician's and Surgeon's Certificate.

1 10. For the purpose of resolving the Accusation without the expense and uncertainty of
2 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual
3 basis for the charges in the Accusation, and that Respondent hereby gives up his right to contest
4 those charges.

5 11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
6 discipline, and he agrees to be bound by the Board's terms as set forth in the Disciplinary Order
7 below.

8 **CONTINGENCY**

9 12. This stipulation shall be subject to approval by the Medical Board of California.
10 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
11 Board of California may communicate directly with the Board regarding this stipulation and
12 settlement, without notice to or participation by Respondent or his counsel. By signing the
13 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
14 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
15 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
16 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
17 action between the parties, and the Board shall not be disqualified from further action by having
18 considered this matter.

19 13. The parties understand and agree that Portable Document Format (PDF) and facsimile
20 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
21 signatures thereto, shall have the same force and effect as the originals.

22 14. In consideration of the foregoing admissions and stipulations, the parties agree that
23 the Board may, without further notice or formal proceeding, issue and enter the following
24 Disciplinary Order.

20 Complainant alleges:

21 **PARTIES**

- 22 1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official
23 capacity as the Executive Director of the Medical Board of California (Board).
24 2. On June 26, 1978, the Board issued Physician's and Surgeon's Certificate Number G
25 36895 to Jonathon Harry Serebrin, M.D. (Respondent). That license was in full force and effect
26 at all times relevant to the charges brought herein and will expire on January 31, 2020, unless

1 **JURISDICTION**

2 3. This Accusation is brought under the authority of the following laws. All section
3 references are to the Business and Professions Code (Code) unless otherwise indicated.

4 4. Section 2227 of the Code provides that a licensee who is found guilty under the
5 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
6 one year, placed on probation and required to pay the costs of probation monitoring, or such other
7 action taken in relation to discipline as the Board deems proper.

8 5. Section 2234 of the Code, states, in pertinent part:

9 "The board shall take action against any licensee who is charged with unprofessional
10 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
11 limited to, the following:

12 "(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
13 violation of, or conspiring to violate any provision of this chapter.

14 ". . . .

15 "(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or
16 omissions. An initial negligent act or omission followed by a separate and distinct departure from
17 the applicable standard of care shall constitute repeated negligent acts.

18 "(1) An initial negligent diagnosis followed by an act or omission medically appropriate for
19 that negligent diagnosis of the patient shall constitute a single negligent act.

20 "(2) When the standard of care requires a change in the diagnosis, act, or omission that
21 constitutes the negligent act described in paragraph (1), including, but not limited to, a
22 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the
23 applicable standard of care, each departure constitutes a separate and distinct breach of the
24 standard of care.

25 ". . . .

26 ". . . .

27 "(f) Any action or conduct which would have warranted the denial of a certificate.

6. Section 2266 of the Code states: “The failure of a physician and surgeon to maintain adequate and accurate records relating to the provision of services to their patients constitutes unprofessional conduct.”

7. Health and Safety Code section 11362.5 provides as follows:

“(a) This section shall be known and may be cited as the Compassionate Use Act of 1996.

“(b)(1) The people of the State of California hereby find and declare that the purposes of the Compassionate Use Act of 1996 are as follows:

“(A) To ensure that seriously ill Californians have the right to obtain and use marijuana for medical purposes where that medical use is deemed appropriate and has been recommended by a physician who has determined that the person's health would benefit from the use of marijuana in the treatment of cancer, anorexia, AIDS, chronic pain, spasticity, glaucoma, arthritis, migraine, or any other illness for which marijuana provides relief.

“(B) To ensure that patients and their primary care-givers who obtain and use marijuana for medical purposes upon the recommendation of a physician are not subject to criminal prosecution or sanction.

“(C), To encourage the federal and state governments to implement a plan to provide for the safe and affordable distribution of marijuana to all patients in medical need of marijuana.

“(2) Nothing in this section shall be construed to supersede legislation prohibiting persons from engaging in conduct that endangers others, nor to condone the diversion of marijuana for nonmedical purposes.

“(c) Notwithstanding any other provision of law: no physician in this state shall be punished, or denied any right or privilege, for having recommended marijuana to a patient for medical purposes.

“(d) Section 11357, relating to the possession of marijuana, and Section 11358, relating to the cultivation of marijuana, shall not apply to a patient, or to a patient's primary caregiver, who possesses or cultivates marijuana for the personal medical purposes of the patient upon the written or oral recommendation or approval of a physician.

1 “(e) For the purposes of this section, "primary care-giver" means the individual designated
2 by the person exempted under this section who has consistently assumed responsibility for the
3 housing, health, or safety of that person.”

4 8. Health and Safety Code section 11362.7, subdivision (a) provides that ““Attending
5 physician’ means an individual who possesses a license in good standing to practice medicine or
6 osteopathy issued by the Medical Board of California or the Osteopathic Medical Board of
7 California and who has taken responsibility for an aspect of the medical care, treatment,
8 diagnosis, counseling, or referral of a patient and who has conducted a medical examination of
9 that patient before recording in the patient's medical record the physician's assessment of whether
10 the patient has a serious medical condition and whether the medical use of marijuana is
11 appropriate.”

12 9. Health and Safety Code section 11362.7, subdivision (h) provides that ““Serious
13 medical condition’ means all of the following medical conditions: (1) Acquired immune
14 deficiency syndrome (AIDS); (2) Anorexia.; (3) Arthritis; (4) Cachexia; (5) Cancer; (6) Chronic
15 pain; (7) Glaucoma; (8) Migraine; (9) Persistent muscle spasms, including, but not limited to,
16 spasms associated with multiple sclerosis; (10) Seizures, including, but not limited to, seizures
17 associated with epilepsy; (11) Severe nausea; (12) Any other chronic or persistent medical
18 symptom that either: (A) Substantially limits the ability of the person to conduct one or more
19 major life activities as defined in the Americans with Disabilities Act of 1990 (Public Law 101-
20 336); (B) If not alleviated, may cause serious harm to the patient's safety or physical or mental
21 health.”

22 10. Section 2525.2 of the Code provides:

23 “An individual who possesses a license in good standing to practice medicine or osteopathy
24 issued by the Medical Board of California, the California Board of Podiatric Medicine, or the
25 Osteopathic Medical Board of California shall not recommend medical cannabis to a patient,
26 unless that person is the patient’s attending physician, as defined by subdivision (a) of Section
27 11362.7 of the Health and Safety Code.”

28

1 11. Pursuant to section 2525.3 of the Code, “[r]ecommending medical cannabis to a
2 patient for a medical purpose without an appropriate prior examination and a medical indication
3 constitutes unprofessional conduct.”

4 12. Pursuant to section 2266 of the Code, “[t]he failure of a physician and surgeon to
5 maintain adequate and accurate records relating to the provision of services to their patients
6 constitutes unprofessional conduct.”

7 **FIRST CAUSE FOR DISCIPLINE**

8 (Repeated Negligent Acts)

9 13. Respondent is subject to disciplinary action under section 2234, subdivision (c) of the
10 Code in that he committed repeated negligent acts in the care and treatment of Patient 1.¹ The
11 circumstances are as follows:

12 14. On January 14, 2017, Patient 1, who had turned 18 years of age the prior day,
13 presented to Respondent for a marijuana recommendation evaluation.

14 15. In his intake paperwork, Patient 1 indicated he suffered from anxiety, insomnia, pain,
15 and anorexia. He indicated a medical history of attention deficit hyperactive disorder (ADHD)
16 for which he took Focalin, a stimulant medication used for the treatment of ADHD.

17 16. Respondent’s notes of physical examination indicate a general appearance within
18 normal limits. Also marked as within normal limits are the neck, chest, cardio, abdomen, and
19 thyroid. Knee jerks were noted as normal and motor strength was noted as normal. Pulse was
20 recorded at 114 beats per minute. The patient was not weighed. Respondent did not conduct a
21 “formal” mental status exam.

22 17. Respondent’s assessment of Patient 1 indicates anorexia, anxiety, chronic pain,
23 ADHD, and chronic back pain.

24 18. Respondent did not obtain a release for the past medical records from the patient nor
25 did he attempt to obtain the records. He did not speak with any of the patient’s other physicians.

26
27
28 ¹ The identity of Patient 1 is not disclosed in the Accusation to protect the patient’s
privacy, but it has been provided to Respondent.

1 19. Respondent provided Patient 1 with a one-year recommendation for medical
2 marijuana. The patient was asked to return in two months.

3 20. The standard of care in recommending marijuana requires taking a history and
4 conducting a good faith medical examination of the patient. For patients with a history of a
5 psychiatric condition, such as ADHD or anxiety, obtaining a psychiatric history and performing a
6 mental status examination are required.

7 21. Respondent was negligent in failing to obtain an appropriate history and in failing to
8 conduct an appropriate examination. Respondent checked boxes to signify "within normal limits"
9 but did not provide details of what clinical information was obtained or analyzed. He did not
10 address the high pulse of 114 beats per minute. He failed to complete a mental status
11 examination prior to recommending marijuana for a patient with a history of ADHD and anxiety.

12 22. The standard of care requires that a physician's recommendation for marijuana be
13 supported by documentation justifying the recommendation.

14 23. Respondent was negligent in recommending medical marijuana for anorexia, chronic
15 pain, anxiety, and ADHD without documentation as to how the conditions impacted the patient's
16 quality of life and affected his day-to-day functioning to support the recommendation.

17 24. The standard of care requires coordination of care for a patient with an underlying
18 psychiatric condition.

19 25. Respondent was negligent in failing to coordinate care with the patient's other
20 treating physicians.

21 26. Respondent committed repeated negligent acts in the care and treatment of Patient 1,
22 for which physician's and surgeon's certificate is subject to discipline.

SECOND CAUSE FOR DISCIPLINE

(Prescribing Without an Appropriate Examination and Medical Indication)

27. By reason of the facts set forth above in the First Cause for Discipline, Respondent is subject to disciplinary action under section 2525.3 of the Code in that he recommended medical marijuana without an appropriate prior examination and medical indication.

THIRD CAUSE FOR DISCIPLINE

(Failure to Maintain Adequate and Accurate Medical Records)

28. By reasons of the facts set forth above in the First Cause for Discipline, Respondent Jonathon Harry Serebrin, M.D. is subject to disciplinary action under section 2266 of the Code in that he failed to maintain adequate and accurate medical records.

DISCIPLINARY CONSIDERATIONS

29. To determine the degree of discipline, if any, to be imposed on Respondent's physician's and surgeon's certificate, Complainant alleges that on or about February 1, 2013, in a prior disciplinary action entitled *In the Matter of the Reprimand Against Jonathon Harry Serebrin, M.D.*, Medical Board Case Number 22-2011-217643, Respondent's license was publicly reprimanded for engaging in employment at a medical facility established for the purpose of providing medical services but not owned by a licensed physician and surgeon. That decision is now final and is incorporated by reference as if fully set forth herein.

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:
