1 CULPABILITY

2 8. Respondent does not contest that, at an administrative hearing, Complainant could
3 establish a *prima facie* case with respect to the charges and allegations contained in First
4 Amended Accusation No. 800-2016-023665, and agrees that he has thereby subjected his
5 Physician's and Surgeon's Certificate No. A 40490 to disciplinary action.

6 9. Respondent further agrees that if he ever petitions for modification or early
7 termination of probation, or if an accusation and/or petition to revoke probation is filed against
8 him before the Medical Board of California, all of the charges and allegations contained in First
9 Amended Accusation No. 800-2016-023665, shall be deemed true, correct, and fully admitted by
10 Respondent for purposes of any such proceeding or any other licensing proceeding involving
11 Respondent in the State of California.

12 10. Respondent agrees that his Physician's and Surgeon's Certificate No. A 40490 is
13 subject to discipline and he agrees to be bound by the Board's imposition of discipline as set forth
14 in the Disciplinary Order below.

15 CONTINGENCY

16 11. This Stipulated Settlement and Disciplinary Order shall be subject to approval of the
17 Board. The parties agree that this Stipulated Settlement and Disciplinary Order shall be
18 submitted to the Board for its consideration in the above-entitled matter and, further, that the
19 Board shall have a reasonable period of time in which to consider and act on this Stipulated
20 Settlement and Disciplinary Order after receiving it. By signing this stipulation, Respondent fully
21 understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation
22 prior to the time the Board considers and acts upon it.

23 12. The parties agree that this Stipulated Settlement and Disciplinary Order shall be null
24 and void and not binding upon the parties unless approved and adopted by the Board, except for
25 this paragraph, which shall remain in full force and effect. Respondent fully understands and
26 agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and
27 Disciplinary Order, the Board may receive oral and written communications from its staff and/or
28 the Attorney General's office. Communications pursuant to this paragraph shall not disqualify

1 the Board, any member thereof, and/or any other person from future participation in this or any
2 other matter affecting or involving Respondent. In the event that the Board, in its discretion, does
3 not approve and adopt this Stipulated Settlement and Disciplinary Order, with the exception of
4 this paragraph, it shall not become effective, shall be of no evidentiary value whatsoever, and
5 shall not be relied upon or introduced in any disciplinary action by either party hereto.

6 Respondent further agrees that should the Board reject this Stipulated Settlement and Disciplinary
7 Order for any reason, Respondent will assert no claim that the Board, or any member thereof, was
8 prejudiced by its/his/her review, discussion and/or consideration of this Stipulated Settlement and
9 Disciplinary Order or of any matter or matters related hereto.

10 **ADDITIONAL PROVISIONS**

11 13. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to
12 be an integrated writing representing the complete, final and exclusive embodiment of the
13 agreements of the parties in the above-entitled matter.

14 14. The parties agree that copies of this Stipulated Settlement and Disciplinary Order,
15 including copies of the signatures of the parties, may be used in lieu of original documents and
16 signatures and, further, that such copies and signatures shall have the same force and effect as
17 originals.

18 15. In consideration of the foregoing admissions and stipulations, the parties agree the
19 Board may, without further notice to or opportunity to be heard by Respondent, issue and enter
20 the following Disciplinary Order:

21 been approved by the Board or its designee had the course been taken after the effective date of
22 this Decision.

9 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
10 or its designee, be accepted towards the fulfillment of this condition if the program would have
11 been approved by the Board or its designee had the program been taken after the effective date of

13 Respondent shall submit a certification of successful completion to the Board or its
14 designee not later than 15 calendar days after successfully completing the program or not later

17 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice
18 monitor, the name and qualifications of one or more licensed physicians and surgeons whose
19 licenses are valid and in good standing, and who are preferably American Board of Medical
20 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal
21 relationship with Respondent, or other relationship that could reasonably be expected to
22 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
23 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
24 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

25 The Board or its designee shall provide the approved monitor with copies of the Decision
26 and First Amended Accusation, and a proposed monitoring plan. Within 15 calendar days of
27 receipt of the Decision, First Amended Accusation, and proposed monitoring plan, the monitor
28 shall submit a signed statement that the monitor has read the Decision and First Amended

1 Accusation, fully understands the role of a monitor, and agrees or disagrees with the proposed
2 monitoring plan. If the monitor disagrees with the proposed monitoring plan, the monitor shall
3 submit a revised monitoring plan with the signed statement for approval by the Board or its
4 designee.

5 Within 60 calendar days of the effective date of this Decision, and continuing throughout
6 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall
7 make all records available for immediate inspection and copying on the premises by the monitor
8 at all times during business hours and shall retain the records for the entire term of probation.

9 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
10 date of this Decision, Respondent shall receive a notification from the Board or its designee to
11 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
12 shall cease the practice of medicine until a monitor is approved to provide monitoring
13 responsibility.

14 The monitor(s) shall submit a quarterly written report to the Board or its designee which
15 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
16 are within the standards of practice of medicine, and whether Respondent is practicing medicine
17 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the
18 quarterly written reports to the Board or its designee within 10 calendar days after the end of the
19 preceding quarter.

20 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
21 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
22 name and qualifications of a replacement monitor who will be assuming that responsibility within
23 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
24 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
25 notification from the Board or its designee to cease the practice of medicine within three (3)
26 calendar days after being so notified. Respondent shall cease the practice of medicine until a
27 replacement monitor is approved and assumes monitoring responsibility.

28 In lieu of a monitor, Respondent may participate in a professional enhancement program

1 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
2 review, semi-annual practice assessment, and semi-annual review of professional growth and
3 education. Respondent shall participate in the professional enhancement program at Respondent's
4 expense during the term of probation.

5 7. PROHIBITED PRACTICE. During probation, Respondent is prohibited from
6 providing treatment for chronic pain. After the effective date of this Decision, all patients seeking
7 chronic pain management from Respondent shall be notified that Respondent is prohibited from
8 providing treatment for chronic pain. Any new patients seeking chronic pain treatment must be
9 provided this notification at the time of their initial appointment.

10 Respondent shall maintain a log of all patients to whom the required oral notification was
11 made. The log shall contain the: 1) patient's name, address and phone number; 2) patient's
12 medical record number, if available; 3) the full name of the person making the notification; 4) the
13 date the notification was made; and 5) a description of the notification given. Respondent shall
14 keep this log in a separate file or ledger, in chronological order, shall make the log available for
15 immediate inspection and copying on the premises at all times during business hours by the Board
16 or its designee, and shall retain the log for the entire term of probation.

17 8. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
18 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
19 Chief Executive Officer at every hospital where privileges or membership are extended to
20 Respondent, at any other facility where Respondent engages in the practice of medicine,
21 including all physician and locum tenens registries or other similar agencies, and to the Chief
22 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
23 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
24 calendar days.

25 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

26 9. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
27 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
28 advanced practice nurses.

1 10. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
2 governing the practice of medicine in California and remain in full compliance with any court
3 ordered criminal probation, payments, and other orders.

4 11. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
5 under penalty of perjury on forms provided by the Board, stating whether there has been
6 compliance with all the conditions of probation.

7 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
8 of the preceding quarter.

9 12. GENERAL PROBATION REQUIREMENTS.

10 Compliance with Probation Unit

11 Respondent shall comply with the Board's probation unit.

12 Address Changes

13 Respondent shall, at all times, keep the Board informed of Respondent's business and
14 residence addresses, email address (if available), and telephone number. Changes of such
15 addresses shall be immediately communicated in writing to the Board or its designee. Under no
16 circumstances shall a post office box serve as an address of record, except as allowed by Business
17 and Professions Code section 2021(b).

18 Place of Practice

19 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
20 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
21 facility.

22 License Renewal

23 Respondent shall maintain a current and renewed California physician's and surgeon's
24 license.

25 Travel or Residence Outside California

26 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
27 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
28 (30) calendar days.

1 In the event Respondent should leave the State of California to reside or to practice
2 ,Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
3 departure and return.

4 13. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
5 available in person upon request for interviews either at Respondent's place of business or at the
6 probation unit office, with or without prior notice throughout the term of probation.

7 14. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
8 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
9 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
10 defined as any period of time Respondent is not practicing medicine as defined in Business and
11 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
12 patient care, clinical activity or teaching, or other activity as approved by the Board. If
13 Respondent resides in California and is considered to be in non-practice, Respondent shall
14 comply with all terms and conditions of probation. All time spent in an intensive training
15 program which has been approved by the Board or its designee shall not be considered non-
16 practice and does not relieve Respondent from complying with all the terms and conditions of
17 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
18 on probation with the medical licensing authority of that state or jurisdiction shall not be
19 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
20 period of non-practice.

21 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
22 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
23 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
24 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
25 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

26 Respondent's period of non-practice while on probation shall not exceed two (2) years.

27 Periods of non-practice will not apply to the reduction of the probationary term.

28 Periods of non-practice for a Respondent residing outside of California will relieve

1 Respondent of the responsibility to comply with the probationary terms and conditions with the
2 exception of this condition and the following terms and conditions of probation: Obey All Laws;
3 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
4 Controlled Substances; and Biological Fluid Testing..

5 15. COMPLETION OF PROBATION. Respondent shall comply with all financial
6 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
7 completion of probation. Upon successful completion of probation, Respondent's certificate shall
8 be fully restored.

9 16. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
10 of probation is a violation of probation. If Respondent violates probation in any respect, the
11 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
12 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
13 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
14 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
15 the matter is final.

16 17. LICENSE SURRENDER. Following the effective date of this Decision, if
17 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
18 the terms and conditions of probation, Respondent may request to surrender his or her license.
19 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
20 determining whether or not to grant the request, or to take any other action deemed appropriate
21 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
22 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
23 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
24 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
25 application shall be treated as a petition for reinstatement of a revoked certificate.

26 18. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
27 with probation monitoring each year of probation, as designated by the Board, which may be
28 adjusted on an annual basis. Such costs shall be payable to the Medical Board of California and

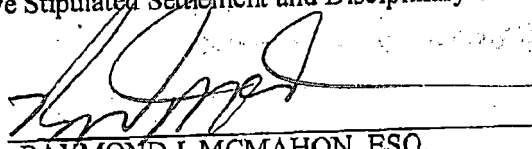

1 delivered to the Board or its designee no later than January 31 of each calendar year.

Reports of suspected child abuse or neglect shall be made by mandated reporters, or in the case of reports pursuant to Section 11166.05, may be made, to any police department or sheriff's department, not including a school district police or security department, county probation department, if designated by the county to receive mandated reports, or the county welfare department...

(a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written followup report within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any

8 it require a specific medical indication of child abuse or neglect; any "reasonable

17 mandated reporter to be abuse or severe neglect under this section, the failure to
18 report is a continuing offense until an agency specified in Section 11165.9 discovers
19 the offense.

21 **FIRST CAUSE FOR DISCIPLINE**

22 **(Gross Negligence)**

23 18. Respondent has subjected his Physician's and Surgeon's Certificate No. A40490 to
24 disciplinary action under sections 2227 and 2234, as defined by section 2234, subdivision (b), of
25 the Code, in that he was grossly negligent in his care and treatment of Patients A, B, and C,¹ as
26 more particularly alleged hereinafter:

27 19. Respondent is Board Certified in Internal Medicine. For approximately twenty-five
28 (25) years, he owned a private practice clinic called, Tustin Place Medical Group. Respondent
maintained a locked cabinet at this practice containing medications he dispensed to patients,
including controlled substances. In or around January 2019, Respondent sold Tustin Place
Medical Group to another practitioner.

20 20. On or about March 6, 2017, investigators from the Division of Investigations
21 conducted an unannounced inspection at Tustin Place Medical Group. During that inspection,
22 Respondent showed the investigators a cabinet fitted with a combination lock that contained

1 various medications including, but not limited to, Atenolol, Carisprodol,² Toradol,³ and Botox.⁴
2 When asked to produce his medication log, Respondent indicated that the log was “missing,” and
3 claimed he had not dispensed medications directly to patients “in a while.”

4 **PATIENT A**

5 21. Sometime prior to January 14, 2014, Patient A and her husband, Patient D, were
6 experiencing marital issues, and a friend referred them to Respondent for marriage counseling.

7 22. On or about January 14, 2014, Patients A and D presented to Respondent at Tustin
8 Place Medical Group for treatment.⁵ At this first visit, Respondent met with both parties and
9 discussed their marital issues. Respondent obtained Patient A’s vital signs and a brief medical
10 history, and diagnosed her with obesity. Patient A’s chart note for this clinical encounter does not
11 reference the fact that the couple were seen together for marriage counseling, and contains no
12 review of systems, detailed physical examination, or assessment/plan. Respondent did not
13 prepare any chart notes for Patient D for this clinical encounter.

14 23. On or about January 21, 2014, Patient A and Patient D returned to see Respondent for
15 marriage counseling. At this second visit, Respondent met with both parties and discussed their
16 marital issues. Patient A’s chart note for this visit identifies the reason for the appointment to be
17 “walk-in.” The documented treatment rendered was, “If you think you are stressed out, you can
18 take Seroquel⁶ at night. Do not discuss sensitive things. They are in the past. It will not help to
19 discuss it now. Work on maximizing happiness at each moment. Most important thing is to take

2 Atenolol,⁷ but did not document the clinical reason for this medication, the dosage prescribed, or
3 administration instruction. Patient A’s chart note for this clinical encounter does not reference the
4 fact that the couple were seen together for marriage counseling, and contains no vital signs,
5 review of systems, physical examination, or assessment/plan. Respondent did not prepare any
6 chart notes for Patient D for this clinical encounter.

7 24. On or about April 9, 2014, Patient A and Patient D returned to see Respondent for
8 marriage counseling. At this third and final visit, Respondent met with both parties and discussed
9 their marital issues. Patient A’s chart note for this visit identifies the reason for the appointment
10 to be “walk-in.” Respondent obtained Patient A’s vital signs, identified her history of present
11 illness to be “back pain for 2 months,” and diagnosed her with obesity. Patient A’s chart note for
12 this clinical encounter does not reference the fact that the couple were seen together for marriage
13 counseling, and contains no review of systems, detailed physical examination, or assessment/plan.

16 Patient D met with Respondent alone, and informed him that Patient A abused their young child.
17 Respondent did not document this discussion in Patient A’s chart, and did not report this alleged
18 abuse to law enforcement or child welfare services at any time.

19 26. On or about July 14, 2014, in the Superior Court of San Bernardino County, Patient D
20 separated from Patient A and petitioned for physical and legal custody of their child. In support
21 of his Petition, Patient D filed a declaration signed by Respondent under penalty of perjury. In
22 this declaration, Respondent indicated that he examined and treated Patient A, observed severe
23 anger issues, diagnosed her with severe bipolar syndrome, prescribed her “Seracol,” and believed
24 she was in need of further treatment. Respondent further declared that Patient A was non-
25 compliant with his recommended treatment and opined that her medical condition created a risk

7 among other things, lumbar sprain and strain. At the conclusion of the visit, Respondent
8 prescribed Patient B Hydrocodone-APAP⁹ for her pain.

9 28. Between in or around February 2011, and in or around June 2014, Respondent
