1 assessment program.

2 date of this Decision and Order, Respondent shall submit to the Board or its designee for prior
3 approval as a practice and billing monitor(s), the name and qualifications of one or more licensed
4 physicians and surgeons whose licenses are valid and in good standing, and who are preferably
5 American Board of Medical Specialties (ABMS) certified. A monitor shall have no prior or
6 current business or personal relationship with Respondent, or other relationship that could
7 reasonably be expected to compromise the ability of the monitor to render fair and unbiased
8 reports to the Board, including but not limited to any form of bartering, shall be in Respondent's
9 field of practice, and must agree to serve as Respondent's monitor. Respondent shall pay all
10 monitoring costs.

11 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
12 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the
13 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed
14 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role
15 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees
16 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the
17 signed statement for approval by the Board or its designee.

18 Within 60 calendar days of the effective date of this Decision, and continuing throughout
19 probation, Respondent's practice and billing shall be monitored by the approved monitor.
20 Respondent shall make all records available for immediate inspection and copying on the
21 premises by the monitor at all times during business hours and shall retain the records for the
22 entire term of probation.

23 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
24 date of this Decision, Respondent shall receive a notification from the Board or its designee to
25 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
26 shall cease the practice of medicine until a monitor is approved to provide monitoring
27 responsibility.

28 The monitor(s) shall submit a quarterly written report to the Board or its designee which

1 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
2 are within the standards of practice of medicine and billing, and whether Respondent is practicing
3 medicine safely and billing appropriately. It shall be the sole responsibility of Respondent to
4 ensure that the monitor submits the quarterly written reports to the Board or its designee within
5 10 calendar days after the end of the preceding quarter.

6 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
7 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
8 name and qualifications of a replacement monitor who will be assuming that responsibility within
9 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
10 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
11 notification from the Board or its designee to cease the practice of medicine within three (3)
12 calendar days after being so notified. Respondent shall cease the practice of medicine until a
13 replacement monitor is approved and assumes monitoring responsibility.

14 In lieu of a monitor, Respondent may participate in a professional enhancement program
15 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
16 review, semi-annual practice assessment, and semi-annual review of professional growth and
17 education. Respondent shall participate in the professional enhancement program at Respondent's

21 the Chief Executive Officer at every hospital where privileges or membership are extended to
22 Respondent, at any other facility where Respondent engages in the practice of medicine,
23 including all physician and locum tenens registries or other similar agencies, and to the Chief
24 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
25 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
26 calendar days.
27

28 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

6 court ordered criminal probation, payments, and other orders.

7 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly
8 declarations under penalty of perjury on forms provided by the Board, stating whether there has
9 been compliance with all the conditions of probation.

10 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
11 of the preceding quarter.

12 11. GENERAL PROBATION REQUIREMENTS.

13 Compliance with Probation Unit

14 Respondent shall comply with the Board's probation unit.

15 Address Changes

16 Respondent shall, at all times, keep the Board informed of Respondent's business and
17 residence addresses, email address (if available), and telephone number. Changes of such
18 addresses shall be immediately communicated in writing to the Board or its designee. Under no
19 circumstances shall a post office box serve as an address of record, except as allowed by Business
20 and Professions Code section 2021(b).

21 Place of Practice

22 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
23 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
24 facility.

25 License Renewal

26 Respondent shall maintain a current and renewed California physician's and surgeon's
27 license.

28 ///

1 Travel or Residence Outside California

2 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
3 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
4 (30) calendar days.

5 In the event Respondent should leave the State of California to reside or to practice
6 ,Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
7 departure and return.

8 12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
9 available in person upon request for interviews either at Respondent's place of business or at the
10 probation unit office, with or without prior notice throughout the term of probation.

11 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board
12 or its designee in writing within 15 calendar days of any periods of non-practice lasting more than
13 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
14 defined as any period of time Respondent is not practicing medicine as defined in Business and
15 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
16 patient care, clinical activity or teaching, or other activity as approved by the Board. If
17 Respondent resides in California and is considered to be in non-practice, Respondent shall
18 comply with all terms and conditions of probation. All time spent in an intensive training
19 program which has been approved by the Board or its designee shall not be considered non-
20 practice and does not relieve Respondent from complying with all the terms and conditions of
21 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
22 on probation with the medical licensing authority of that state or jurisdiction shall not be
23 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
24 period of non-practice.

25 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
26 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
27 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
28 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model

1 Disciplinary Orders and Disciplinary Guidelines” prior to resuming the practice of medicine.

2 Respondent’s period of non-practice while on probation shall not exceed two (2) years.

3 Periods of non-practice will not apply to the reduction of the probationary term.

4 Periods of non-practice for a Respondent residing outside of California will relieve
5 Respondent of the responsibility to comply with the probationary terms and conditions with the
6 exception of this condition and the following terms and conditions of probation: Obey All Laws;
7 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
8 Controlled Substances; and Biological Fluid Testing..

9 14. COMPLETION OF PROBATION. Respondent shall comply with all financial
10 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
11 completion of probation. Upon successful completion of probation, Respondent’s certificate shall
12 be fully restored.

13 15. VIOLATION OF PROBATION. Failure to fully comply with any term or
14 condition of probation is a violation of probation. If Respondent violates probation in any
15 respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke
16 probation and carry out the disciplinary order that was stayed. If an Accusation, or Petition to
17 Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation,
18 the Board shall have continuing jurisdiction until the matter is final, and the period of probation
19 shall be extended until the matter is final.

20 16. LICENSE SURRENDER. Following the effective date of this Decision, if
21 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
22 the terms and conditions of probation, Respondent may request to surrender his or her license.
23 The Board reserves the right to evaluate Respondent’s request and to exercise its discretion in
24 determining whether or not to grant the request, or to take any other action deemed appropriate
25 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
26 shall within 15 calendar days deliver Respondent’s wallet and wall certificate to the Board or its
27 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
28 to the terms and conditions of probation. If Respondent re-applies for a medical license, the

1 application shall be treated as a petition for reinstatement of a revoked certificate.

2 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
3 with probation monitoring each and every year of probation, as designated by the Board, which
4 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
5 California and delivered to the Board or its designee no later than January 31 of each calendar
6 year.

1 some of them had been stored in an electronic program he could not access. SIP provided the
2 medical records they obtained from Respondent for Patients A, B, C, and D to the Board.

3 11. On or about August 31, 2016, a Division of Investigation Investigator (DOI
4 Investigator) was assigned to investigate the complaints on behalf of the Board. On or about
5 September 6, 2016, a DOI Investigator interviewed Dr. J.A., Chief Medical Officer for SIP. Dr.
6 J.A. was contacted by a person alleging that Respondent only kept minimal notes for patient
7 visits, and when charts were requested, he would have to create the charts from his minimal notes.
8 The person also informed Dr. J.A. that Respondent left for a vacation and gave his medical
9 assistant blank signed prescriptions with instructions to fill them out for patients who requested
10 prescriptions. The person provided Dr. J.A. with the pre-signed prescriptions. When Dr. J.A.
11 queried Respondent regarding the pre-signed blank prescriptions, Respondent response was, "I
12 usually don't do that."

13 12. In or about February 2019, as part of the Board's investigation, a DOI Investigator
14 requested that Respondent provide medical records for Patients A, B, C, and D by, on or about
15 March 15, 2019. Respondent only provided records for Patient C prior to that deadline.

16 13. On or about March 20, 2019, Respondent finally provided the medical records for
17 Patient B. Respondent's staff advised the medical records for Patient D would be available the
18 following day.

19 14. On or about March 20, 2019, Respondent was asked to provide medical records for
20 Patient A as soon as possible. Respondent was eventually given a deadline of April 4, 2019, to
21 produce those records.

22 15. On or about March 21, 2019, Respondent's staff informed the DOI Investigator the
23 medical records for Patient D were at Respondent's home. These records were not provided until
24 hours later.

25 16. On or about April 8, 2019, Respondent had yet to provide the medical records for
26 Patient A. Respondent's staff advised Patient A's medical records were at Respondent's home.

27 17. On or about April 9, 2019 Respondent finally provided Patient A's medical records.

3 vascular disease, and heart disease. Patient A was treated by Respondent from approximately
4 2015 through 2016.

5 19. On or about June 19, 2015. Patient A's insurance company was billed \$415.30 for
6 services rendered. The medical records that Respondent provided to SIP in 2016 did not include
7 any chart notes for this date. The medical chart Respondent produced to the DOI Investigator on
8 April 9, 2019, contained notes supporting the June 19, 2015 visit.

9 20. On or about July 24, 2015. Patient A's insurance company was billed \$150 for
10 services rendered. The medical records that Respondent provided to SIP in 2016 included a

1 23. On or about December 14, 2015, Patient A's insurance company was billed \$150 for
2 services rendered. The medical records that Respondent provided to SIP in 2016 included a
3 medical chart note for Norco and Soma without any other supporting documentation for those
4 drugs. Additionally, Respondent provided a patient sign-in sheet for December 14, 2015, and
5 notably, Patient A's name was not on that sheet. The medical chart Respondent produced to the
6 DOI Investigator on April 9, 2019, contained notes supporting the December 14, 2015, visit.

7 24. On or about January 20, 2016, Patient A's insurance company was billed \$150 for
8 services rendered. The medical records that Respondent provided to SIP in 2016 included a
9 medical chart note for Norco and Soma without any other supporting documentation for those
10 drugs. Additionally, Respondent provided a patient sign-in sheet for January 20, 2016, and
11 notably, Patient A's name was not on that sheet. The medical chart Respondent produced to the
12 DOI Investigator on April 9, 2019, contained notes supporting the January 20, 2016, visit.

13 25. On or about July 1, 2016, Patient A's insurance company was billed \$300 for services
14 rendered. The medical records that Respondent provided to SIP in 2016 had one small note "L hip
15 (unintelligible)." This medical documentation was not included as part of Patient A's record that
16 Respondent provided to the DOI Investigator on April 9, 2019.

17 26. Respondent committed gross negligence in his care and treatment of Patient A
18 including, but not limited to, the following:

19 (a) Respondent's office visit notes for Patient A are either missing, illegible,
20 disorganized and/or missing time annotations such that the chart notes do not support the level of
21 services billed; and

22 (b) Respondent billed for office visits that are not documented.

23 **PATIENT B**

24 27. Patient B started seeing Respondent in 2013. Respondent provided the DOI
25 Investigator 91 pages of medical records for Patient B, but only 27 pages pertain to Respondent's
26 care and treatment of Patient B. The 27 pages consist of fairly illegible hand written notes.

27 28. On or about April 21, 2016, Patient B broke her wrist at work. As a result, Patient B
28 opened a Worker's Compensation claim. Patient B's insurance company, Traveler's Insurance

1 Company, sent Patient B notice to provide them with her medical records in order to process the
2 claim. Patient B attempted to obtain copies of medical records from Respondent for over a year.
3 Patient B called and left messages at Respondent's office with no response. Patient B physically
4 went to Respondent's office and Respondent's office staff repeatedly advised Patient B the
5 records were not ready. Patient B even had a family member, an attorney, attempt to retrieve the
6 records to no avail. After one year of failing to obtain medical records from Respondent, Patient
7 B dropped her Worker's Compensation claim.

8 29. On or about March 6, 2015, Patient B's insurance company was billed \$150 for
9 services rendered. Respondent provided a patient sign-in sheet for that same date, and notably,
10 Patient B's name was not on that sheet.

11 30. On or about May 9, 2016, Patient B's insurance company was billed \$95 for services
12 rendered. Patient B's medical chart did not reflect treatment on that date. Additionally,
13 Respondent provided a patient sign-in sheet for that same date, and notably, Patient B's name was
14 not on that sheet.

15 31. Respondent committed gross negligence in his care and treatment of Patient B
16 including, but not limited to, the following:

17 (a) Respondent's office visit notes for Patient B are either missing, illegible,
18 disorganized and/or missing time annotations such that the chart does not support the level of
19 services billed;

20 (b) Respondent failed to provide Patient B with her medical chart after repeated
21 requests by the patient; and

22 (c) Respondent billed for office visits that are not documented.

23 **PATIENT C**

24 32. Patient C was a patient with lymphoma and coronary artery disease who saw
25 Respondent from, in or around, 2014 through 2018. Respondent provided the DOI Investigator
26 approximately 300 pages of medical records for Patient C, but only approximately twelve (12)
27 pages pertain to Respondent's care and treatment of Patient C. The twelve (12) pages consist of

28 ///

1 fairly illegible hand written notes and there were no office visits documented before December 2,
2 2016.

3 33. A 36 month Controlled Substance Utilization Review and Evaluation System
4 (CURES) report was reviewed. The CURIES report showed prescriptions from Respondent from
5 January 6, 2014 through December 2, 2016 on a regular basis for controlled substances to Patient
6 C. During this period, Respondent prescribed hydrocodone, lorazepam, temazepam, and Lyrica to
7 Patient C. There are no medical records from Respondent supporting these prescriptions.

8 34. On or about March 19, 2015, Patient C's insurance company was billed \$150. Patient
9 C's medical chart simply reflects medications for Norco and Zetonna without any other
10 supporting documentation for those drug recommendations. Additionally, Respondent provided a
11 patient sign-in sheet for that same date, and notably, Patient C's name was not on that sheet.

12 35. On or about September 17, 2015, Patient C's insurance company was billed \$150 for
13 services rendered. Patient C's medical chart simply reflected "Req blood work" without any other
14 supporting documentation for that request. Additionally, Respondent provided a patient sign-in
15 sheet for that same date, and notably, Patient C's name was not on that sheet.

16 36. In or about March 2019, Respondent provided approximately 300 pages of medical
17 records for Patient C to the DOI Investigator. The medical records only cover the periods between
18 on or about December 2, 2016 through July 9, 2018. Of those 300 pages, only twelve (12) pages
19 appear to contain Respondent's hand-written notes. Those twelve (12) pages documented six (6)
20 visits in 2016, and none in 2014 and 2015. As a comparison, in the medical records for Patient C
21 that Respondent provided to SIP in 2016, Patient C's medical chart showed Patient C being
22 treated on September 17, 2015 and March 19, 2015. Respondent was not able to explain why or
23 how the medical records he provided to SIP and to the DOI Investigator were different.

24 37. Respondent committed gross negligence in his care and treatment of Patient C,
25 including, but not limited to, the following:

26 (a) Respondent's office visit notes for Patient C are either missing, illegible,
27 disorganized and/or missing time annotations such that the chart does not support the level of
28 services billed; and

1 (b) Respondent prescribed controlled medications over time without any
2 corroborating medical chart notes.

3 **PATIENT D**

4 38. Patient D was a patient with chronic pain from osteoarthritis, degenerative disc
5 disease, and polypharmacy who saw Respondent from, in or about, 2014 through 2017.
6 Respondent provided the DOI Investigator approximately 73 pages of medical records for Patient
7 D, but none of the pages pertain to Respondent's care and treatment of Patient D.

8 39. A 36 month Controlled Substance Utilization Review and Evaluation System
9 (CURES) report was reviewed. The CURES report showed prescriptions from Respondent from
10 January 2014 through March 2017 on a regular basis for lorazepam to Patient D. There are no
11 medical records from Respondent supporting these prescriptions.

12 40. On or about February 24, 2015, Patient D's insurance company was billed \$95.
13 Respondent did not have an office visit documented to show treatment on the date in question.
14 Additionally, Respondent provided a patient sign-in sheet for that same date, and notably, Patient
15 D's name was not on that sheet.

16 41. On or about July 24, 2015, Patient D's insurance company was billed \$95.
17 Respondent did not have an office visit documented to show treatment on the date in question.
18 Additionally, Respondent provided a patient sign-in sheet for that same date, and notably, Patient
19 D's name was not on that sheet.

4 (b) Respondent prescribed controlled medications over time without any
5 corroborating medical chart notes; and

6 (c) Respondent billed for office visits that are not documented.

7 **PRE-SIGNED PRESCRIPTIONS**

8 45. During the investigation by SIP and in Respondent's subject interview with a Board
9 Investigator, Respondent admitted to pre-signing blank prescriptions that he left locked in his
10 office. He had his Medical Assistants fill out the prescriptions under his direction because it was
11 faster and more legible.

12 46. Respondent committed gross negligence by pre-signing blank prescriptions.
