DEFAULT DECISION
AND ORDER

[Gov. Code §11520]

16
17 **Physician's and Surgeon's Certificate**
No. G 88791

Respondent

18
19
20 **FINDINGS OF FACT**

21 On or about February 27, 2020, an employee of the Medical Board of California (Board),
22 served by U.S. First Class Mail and Certified Mail a copy of the Accusation No. 800-2019-
23 057222, Statement to Respondent, Notice of Defense, Request for Discovery, and Government
24 Code sections 11507.5, 11507.6, and 11507.7 (Accusation Package) to Respondent's address of
25 record with the Board, which was and is 1971 N. Palo Verde Blvd, Tucson, AZ 95716-3242¹. On
26 March 17, 2020, the Board received the envelope back stamped "Return to Sender. Unable to
27

28 ¹ The zip code contained an inadvertent error and should have been 85716-3242.

1 Forward.” On March 17, 2020, an employee of the Board again mailed the Accusation Package
2 with the corrected zip code and it was returned on April 6, 2020 stamped “Return to Sender. Not
3 Deliverable as Addressed. Unable to Forward.” (Exhibit Package, Exhibit 1²: Accusation, the
4 related documents, Declarations of Service, envelopes returned to the Board.)

5 There was no response to the Accusation. On March 16, 2020, an employee of the
6 Attorney General’s Office sent by certified mail addressed to Respondent at his address of record,
7 a Courtesy Notice of Default, advising Respondent of the Accusation, and providing him with an
8 opportunity to file a Notice of Defense and request relief from default. The Courtesy Notice of
9 Default was returned marked “Undeliverable as Addressed.” (Exhibit Package, Exhibit 2:
10 Courtesy Notice of Default, Declaration of Service)

11 Respondent has not responded to service of the Accusation or Courtesy Notice of Default.
12 He has not filed a Notice of Defense. As a result, Respondent has waived his right to a hearing
13 on the merits to contest the allegations contained in the Accusation.

14 FINDINGS OF FACT

15 I.

16 Christine J. Lally is the Interim Executive Director of the Medical Board of California. The
17 charges and allegations in the Accusation were at all times brought and made solely in her official
18 capacity as the Board’s Interim Executive Director.

19 II.

20 On or about September 22, 2010, the Board issued Physician's and Surgeon's Certificate
21 No. G 88791 to Respondent. The Physician's and Surgeon's Certificate expired on December 31,
22 2017, and has not been renewed. On November 26, 2019, pursuant to section 2310(a) of the
23 Business and Professions Code, Respondent’s certificate was suspended pursuant to an out of
24 state-no practice suspension order. (Exhibit Package, Exhibit 3: Certificate of Licensure.)

25 III.

26 Business and Professions Code section 118 states, in pertinent part:

27 _____
28 ² The evidence in support of this Default Decision and Order is submitted herewith as the
“Exhibit Package.”

1 (b) The suspension, expiration, or forfeiture by operation of law of a license
2 issued by a board in the department, or its suspension, forfeiture, or cancellation by
3 order of the board or by order of a court of law, or its surrender without the written
4 consent of the board, shall not, during any period in which it may be renewed,
5 restored, reissued, or reinstated, deprive the board of its authority to institute or
6 continue a disciplinary proceeding against the licensee upon any ground provided by
7 law or to enter an order suspending or revoking the license or otherwise taking
8 disciplinary action against the license on any such ground.

9 IV.

10 On February 27, 2020 and March 17, 2020, Respondent was duly served with an
11 Accusation, alleging causes for discipline against Respondent. On March 16, 2020, a Courtesy
12 Notice of Default was thereafter served on Respondent.

13 V.

14 Government Code section 11506 states, in pertinent part, that within 15 days after service
15 of the Accusation, the Respondent may file with the agency a Notice of Defense in which the
16 Respondent may request a hearing, object to the Accusation, admit the Accusation, or file other
17 defenses. Government Code section 11506(c) states, in pertinent part, the following :

18 The respondent shall be entitled to a hearing on the merits if the respondent
19 files a notice of defense, and the notice shall be deemed a specific denial of all parts
20 of the accusation not expressly admitted. Failure to file a notice of defense shall
21 constitute a waiver of respondent's right to a hearing, but the agency in its discretion
22 may nevertheless grant a hearing.

23 Respondent failed to file a Notice of Defense within 15 days after service upon him of the
24 Accusation, and therefore waived his right to a hearing on the merits of Accusation No. 800-
25 2019-057222.

26 VI.

27 The allegations of the Accusation are true as follows:

28 On or about July 7, 2017, the Federation of State Medical Boards (FSMB) issued a
Disciplinary Alert Report, informing the Arizona Medical Board (Arizona Board) that the
Colorado Medical Board (Colorado Board) had denied Respondent's application for licensure
based on unprofessional conduct. The Arizona Board opened an investigation and requested that
Respondent provide a written narrative explaining the Colorado Board's denial of his license
application based on unprofessional conduct, as well as a complete copy of all documents and
correspondence from the Colorado Board no later than August 9, 2017. Respondent did not

1 respond at all. The Arizona Board repeatedly requested these same documents by mail, by email
2 and by telephone. On September 7, 2017, the Arizona Board sent a letter by FedEx delivery to
3 Respondent's address of record again requesting the documents and correspondence from the
4 Colorado Board, and informing Respondent that the Arizona Board had added complaint
5 allegations for his failure to timely respond to the Arizona Board's request for information and
6 failure to keep his contact information current. The September 7, 2017 letter was returned
7 undeliverable. Respondent never provided a written narrative or any documents or
8 correspondence related to the Colorado Board's denial of his license application.

9 On June 5, 2019, the Arizona Board revoked Respondent's license to practice allopathic
10 medicine based on unprofessional conduct for repeatedly failing to respond to the Arizona
11 Board's requests for information and documentation as to why the Colorado Board denied
12 Respondent's application for licensure, and for repeated failures to respond to the Arizona
13 Board's communications, or to attend the hearing, which indicated that the Respondent cannot be
14 regulated. (Exhibit Package, Exhibit 4: certified copy of Arizona Medical Board documents.)

15 VII

16 California Government Code section 11520 states, in pertinent part:

17 (a) If the respondent either fails to file a notice of defense or to appear at the
18 hearing, the agency may take action based upon the respondent's express admissions
or upon other evidence and affidavits may be used as evidence without any notice to
respondent.

19 Pursuant to its authority under Government Code section 11520, the Board finds
20 Respondent is in default. The Board will take action without further hearing and, based on
21 Respondent's express admissions by way of default and the evidence before it, contained in
22 Exhibits 1, 2, 3 and 4, finds that the allegations in Accusation No. 800-2019-057222 are true.

23 **DETERMINATION OF ISSUES**

24 Respondent's conduct and the action of the Arizona State Medical Board constitutes
25 unprofessional conduct with the meaning of Business and Professions Code section 2305 and
26 conduct subject to discipline within the meaning of Code section 141(a).

11 events related therein.

12 (b) Nothing in this section shall preclude a board from applying a specific statutory
13 provision in the licensing act administered by that board that provides for discipline based upon a
14 disciplinary action taken against the licensee by another state, an agency of the federal
