JURISDICTION

1
2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (“Code”) unless otherwise
4 indicated.

5 4. Section 2227 of the Code provides in pertinent part, that a licensee who is found
6 guilty under the Medical Practice Act may have his or her license revoked, suspended for a period
7 not to exceed one year, placed on probation and required to pay the costs of probation monitoring,
8 or such other action taken in relation to discipline as the Board deems proper.

9 5. Section 2234 of the Code, states, in pertinent part:

10 “The board shall take action against any licensee who is charged with
11 unprofessional conduct. In addition to other provisions of this article, unprofessional
12 conduct includes, but is not limited to, the following:

13 “...
14

15 “(b) Gross negligence.

16 “(c) Repeated negligent acts. To be repeated, there must be two or more
17 negligent acts or omissions. An initial negligent act or omission followed by a
18 separate and distinct departure from the applicable standard of care shall constitute
19 repeated negligent acts.

20 (1) An initial negligent diagnosis followed by an act or omission medically
21 appropriate for that negligent diagnosis of the patient shall constitute a single
22 negligent act.

23 (2) When the standard of care requires a change in the diagnosis, act, or
24 omission that constitutes the negligent act described in paragraph (1), including, but
25 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
26 licensee’s conduct departs from the applicable standard of care, each departure
27 constitutes a separate and distinct breach of the standard of care.

28 “...”

6. Section 2266 of the Code states, in pertinent part:

“The failure of a physician and surgeon to maintain adequate and accurate records
relating to the provision of services to their patients constitutes unprofessional conduct.”

7. Section 11165.7 of the California Penal Code states, in pertinent part:

“(a) As used in this article, ‘mandated reporter’ is defined as any of the following:

8. Section 11165.9 of the California Penal Code states, in pertinent part:

“Reports of suspected child abuse or neglect shall be made by mandated reporters, or in the case of reports pursuant to Section 11166.05, may be made, to any police department or sheriff’s department, not including a school district police or security department, county probation department, if designated by the county to receive mandated reports, or the county welfare department. Any of those agencies shall accept a report of suspected child abuse or neglect...”

9. Section 11166 of the California Penal Code states, in pertinent part:

“(a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in the mandated reporter’s professional capacity or within the scope of the mandated reporter’s employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written followup report within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any nonprivileged documentary evidence the mandated reporter possesses relating to the incident.

“(1) For purposes of this article, “reasonable suspicion” means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on the person’s training and experience, to suspect child abuse or neglect. “Reasonable suspicion” does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect; any “reasonable suspicion” is sufficient. For purposes of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

“...”

“(3) A report made by a mandated reporter pursuant to this section shall be known as a mandated report.

“...”

“(c) A mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals the mandated reporter’s failure to report an incident known by the mandated

1
2 reporter to be abuse or severe neglect under this section, the failure to report is a continuing
3 offense until an agency specified in Section 11165.9 discovers the offense.
