1 **JURISDICTION**

2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2227 of the Code authorizes the Board to take action against a licensee by
6 revoking, suspending for a period not to exceed one year, placing the license on probation and
7 requiring payment of costs of probation monitoring, or taking such other action taken as the
8 Board deems proper.

9 5. Section 2228.1 of the Code provides, in pertinent part, that the Board shall require a
10 licensee to provide a separate disclosure that includes the licensee's probation status, the length of
11 the probation, the probation end date, all practice restrictions placed on the licensee by the board,
12 the board's telephone number, and an explanation of how the patient can find further information
13 on the licensee's probation on the licensee's profile page on the board's online license
14 information Internet Web site, to a patient or the patient's guardian or health care surrogate before
15 the patient's first visit following the probationary order while the licensee is on probation
16 pursuant to a probationary order made on and after July 1, 2019, in any of the following
17 circumstances:

18 (1) A final adjudication by the board following an administrative hearing or admitted
19 findings or prima facie showing in a stipulated settlement establishing any of the following:

20 (A) The commission of any act of sexual abuse, misconduct, or relations with a patient or
21 client as defined in Section 726 or 729.

22 (B) Drug or alcohol abuse directly resulting in harm to patients or the extent that such use
23 impairs the ability of the licensee to practice safely.

24 (C) Criminal conviction directly involving harm to patient health.

25 (D) Inappropriate prescribing resulting in harm to patients and a probationary period of five
26 years or more.

27 Further, Section 2228.1 of the Code demands that a licensee required to provide a
28 disclosure pursuant to subdivision (a) shall obtain from the patient, or the patient's guardian or

1 health care surrogate, a separate, signed copy of that disclosure.

2 6. Section 2239 of the Code states in pertinent part:

3 “(a) The use or prescribing for or administering to himself or herself, of any controlled
4 substance; or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic
5 beverages, to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to
6 any other person or to the public, or to the extent that such use impairs the ability of the licensee
7 to practice medicine safely or more than one misdemeanor or any felony involving the use,
8 consumption, or self-administration of any of the substances referred to in this section, or any
9 combination thereof, constitutes unprofessional conduct. The record of the conviction is
10 conclusive evidence of such unprofessional conduct.”

11 7. Section 820 of the Code provides that whenever it appears that a licensee may be
12 unable to practice his or her profession safely as a result of mental illness or physical illness
13 affecting competency, the licensing agency may order an examination of licensee.

14 8. Section 822 of the Code provides that, if a licensing agency determines that a
15 licensee's ability to practice his or her profession safely is impaired because of mental or physical
16 illness affecting competency, the licensing agency may take action by revoking the licensee's
17 certificate or license, suspending the licensee's right to practice, placing the licensee on probation,
18 or taking such other action in relation to the licensee as the licensing agency in its discretion
19 deems proper.

20 FACTS

21 9. On or about July 29, 2017, Respondent completed a 24-hour shift at Kaiser-San
22 Leandro. After the shift ended, Respondent attempted to sleep in the anesthesia call room at the
23 hospital.

24 10. While in the call room, Respondent used a 10cc syringe and injected herself with
25 propofol.¹

26 _____
27 ¹ Propofol is an intravenous sedative-hypnotic agent for use in the induction and
28 maintenance of anesthesia or sedation. It is a dangerous drug as described in section 4022. It is a
respiratory depressant with common side effects including irregular heart rate, low blood
pressure, burning sensation at the site of the injection, and the cessation of breathing.

1 11. Respondent has admitted to other non-prescribed uses of propofol.

2 12. On August 13, 2019, Respondent voluntarily underwent a full evaluation by a Board
3 appointed psychiatrist.

4 13. In a report to the Board dated August 22, 2019, the psychiatrist concluded that
5 Respondent has chronic anxiety and depression that has resulted in a propofol addiction, and
6 noted that Respondent, herself, admitted to the addiction. The psychiatrist concluded that without
7 the imposition of certain restrictions or conditions to Respondent's Physician's and Surgeon's
8 Certificate, Respondent presents a risk to patient safety.

9 **CAUSE FOR DISCIPLINE**

10 **(Mental Impairment)**

11 14. Respondent's certificate is subject to Board action pursuant to Sections 822, 2227,
12 and 2239 of the Code, in that due to a mental illness and her controlled substance use, her ability
13 to practice medicine safely is impaired.

14 **PRAAYER**

15 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
16 and that following the hearing, the Medical Board of California issue a decision:

17 1. Revoking or suspending Physician's and Surgeon's Certificate Number A 88572,
18 issued to Joycie Maria Smith, M.D.;

19 2. Revoking, suspending or denying approval of Joycie Maria Smith, M.D.'s authority to
20 supervise physician assistants and advanced practice nurses;

21 3. Ordering Joycie Maria Smith, M.D., if placed on probation, to pay the Board the costs
22 of probation monitoring;

23 4. Ordering Respondent Joycie Maria Smith, M.D., if placed on probation, to disclose
24 the disciplinary order to patients pursuant to section 2228.1 of the Code; and
