[Gov. Code §11520]

17 **Physician's and Surgeon's Certificate**  
18 **No. C 39650**

19 Respondent  
20

21 1. On or about August 1, 2019, an employee of the Medical Board of California (Board)  
22 served by certified mail a copy of Accusation No. 800-2018-050907, Statement to Respondent,  
23 Notice of Defense, Request for Discovery, and Government Code sections 11507.5, 11507.6, and  
24 11507.7 to the address of record of Kwok Cheung Lee, M.D. (Respondent), which was and is  
25 9505 Piscataway Road, Clinton, MD 20735. The aforementioned documents were returned to the  
26 Board marked "Unclaimed. Being returned to Sender." (Exhibit Package, Exhibit 1<sup>1</sup>:  
27

28 <sup>1</sup> The evidence in support of this Default Decision and Order is contained in the "Exhibit Package."

1 Accusation, related documents, Declarations of Service, and U.S. Postal Service Tracking  
2 printout.)

3 2. Respondent did not file a Notice of Defense. On August 20, 2019, the Attorney  
4 General's Office served by certified mail a Courtesy Notice of Default on Respondent at the  
5 aforementioned address of record. The Courtesy Notice of Default advised Respondent of the  
6 Accusation and provided Respondent with an opportunity to request relief from default. (Exhibit  
7 Package, Exhibit 2: Courtesy Notice of Default, proof of service, and U.S. Postal Service  
8 Tracking printout.) Respondent has not filed a Notice of Defense.

9 **FINDINGS OF FACT**

10 I.

11 Complainant Christine J. Lally is the Interim Executive Director of the Medical Board of  
12 California, Department of Consumer Affairs. The charges and allegations in Accusation No. 800-  
13 2018-050907 were at all times brought and made solely in the official capacity of the Board's  
14 Executive Director.

15 II

16 On March 2, 1981, the Board issued Physician's and Surgeon's Certificate No. C 39650 to  
17 Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times  
18 relevant to the charges brought herein and will expire on September 30, 2020. (Exhibit Package,  
19 Exhibit 3: Certificate of License.)

20 III

21 On August 1, 2019, the Board served Respondent with an Accusation, alleging causes for  
22 discipline against him. A Courtesy Notice of Default was thereafter served on Respondent.

23 IV.

24 Government Code section 11506 states, in pertinent part:

25 (c) The respondent shall be entitled to a hearing on the merits if the respondent files a  
26 notice of defense, and the notice shall be deemed a specific denial of all parts of the  
27 accusation not expressly admitted. Failure to file a notice of defense shall constitute a  
28 waiver of respondent's right to a hearing, but the agency in its discretion may  
nevertheless grant a hearing.

1 Respondent failed to file a Notice of Defense within 15 days after service upon him of the  
2 Accusation, and he therefore waived his right to a hearing on the merits of Accusation No. 800-  
3 2018-049166.

4 V.

5 The allegations of the Accusation are true as follows:

6 On November 7, 2017, the Maryland State Board of Physicians charged Respondent with  
7 unprofessional conduct, willfully making a false representation on his license renewal application  
8 that he had completed required continuing medical education (CME) credits, and failure to have  
9 obtained the CME credits required for license renewal. Respondent contested the charges at a  
10 hearing, and the Maryland Board subsequently adopted a Final Decision and Order, on December  
11 3, 2018 (Exhibit Package, Exhibit 4: Certified copy of Maryland State Board of Physicians Final  
12 Decision and Order.) In its Decision and Final Order, the Maryland Board concluded that  
13 Respondent was guilty of unprofessional conduct, willfully making a false representation on his  
14 license renewal application, and failure to have obtained the CME credits required for license  
15 renewal. As a result, the Maryland Board disciplined Respondent by reprimanding him and  
16 requiring him to pay a \$10,000 civil fine.

17 VI

18 California Government Code section 11520 states, in pertinent part:

- 19 (a) If the respondent either fails to file a notice of defense or to appear at the  
20 hearing, the agency may take action based upon the respondent's express  
21 admissions or upon other evidence and affidavits may be used as evidence  
22 without any notice to respondent.

23 Pursuant to its authority under Government Code section 11520, the Board finds  
24 Respondent is in default. The Board will take action without further hearing and, based on  
25 Respondent's express admissions by way of default and the evidence before it contained in  
26 Exhibits 1-4, finds that the allegations in Accusation No. 800-2018-050907 are true.

## JURISDICTION

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2004 of the Code provides that the Board shall have the responsibility for the enforcement of the disciplinary and criminal provisions of the Medical Practice Act.

5. Section 2227 of the Code authorizes the Board to take action against a licensee who has been found guilty under the Medical Practice Act by revoking his or her license, suspending the license for a period not to exceed one year, placing the license on probation and requiring payment of costs of probation monitoring, or taking such other action as the Board deems proper.

## STATUTORY PROVISIONS

6. Section 141 of the Code states:

(a) For any licensee holding a license issued by a board under the jurisdiction of the department, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any act substantially related to the practice regulated by the California license, may be a ground for disciplinary action by the respective state licensing board. A certified copy of the record of the disciplinary action taken against the licensee by another state, an agency of the federal government, or another country shall be conclusive evidence of the events related therein.

(b) Nothing in this section shall preclude a board from applying a specific statutory provision in the licensing act administered by that board that provides for discipline based upon a disciplinary action taken against the licensee by another state, an agency of the federal government, or another country.

7. Section 2305 of the Code states:

The revocation, suspension, or other discipline, restriction, or limitation imposed by another state upon a license or certificate to practice medicine issued by that state, or the revocation, suspension, or restriction of the authority to practice medicine by any agency of the federal government, that would have been grounds for discipline in California of a licensee under this chapter, shall constitute grounds for disciplinary action for unprofessional conduct against the licensee in this state.
