### 17 **ADVISEMENT AND WAIVERS**

18 6. Respondent has carefully read, fully discussed with counsel, and understands the  
19 charges and allegations in Petition to Revoke Probation No. 800-2019-055424. Respondent has  
20 also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated  
21 Settlement and Disciplinary Order.

22 7. Respondent is fully aware of his legal rights in this matter, including the right to a  
23 hearing on the charges and allegations in the Petition to Revoke Probation; the right to confront  
24 and cross-examine the witnesses against him; the right to present evidence and to testify on his  
25 own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the  
26 production of documents; the right to reconsideration and court review of an adverse decision;  
27 and all other rights accorded by the California Administrative Procedure Act and other applicable  
28 laws.

1 designee, Respondent shall undergo and complete a psychiatric evaluation (and psychological  
2 testing, if deemed necessary) by a Board-appointed board certified psychiatrist, who shall  
3 consider any information provided by the Board or designee and any other information the  
4 psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its  
5 designee. Psychiatric evaluations conducted after the effective date of the Decision and Order in  
6 Case No. 800-2014-009413, but prior to the effective date of this Decision may be accepted  
7 towards the fulfillment of this condition if the program would have been approved by the Board  
8 or its designee had the program been taken after the effective date of this Decision. Respondent  
9 shall pay the cost of all psychiatric evaluations and psychological testing.

10 Respondent shall comply with all restrictions or conditions recommended by the evaluating  
11 psychiatrist within 15 calendar days after being notified by the Board or its designee.

12 3. MEDICAL EVALUATION AND TREATMENT. Within 30 calendar days of the  
13 effective date of this Decision, and on a periodic basis thereafter as may be required by the Board  
14 or its designee, Respondent shall undergo a medical evaluation by a Board-appointed physician  
15 who shall consider any information provided by the Board or designee and any other information  
16 the evaluating physician deems relevant and shall furnish a medical report to the Board or its  
17 designee. Respondent shall provide the evaluating physician with any information and  
18 documentation that the evaluating physician may deem pertinent.

19 Medical evaluations conducted after the effective date of the Decision and Order in Case  
20 No. 800-2014-009413, but prior to the effective date of this Decision may be accepted towards  
21 the fulfillment of this condition if the program would have been approved by the Board or its  
22 designee had the program been taken after the effective date of this Decision. Respondent shall  
23 pay the cost of all medical evaluations.

24 Following the evaluation, Respondent shall comply with all restrictions or conditions  
25 recommended by the evaluating physician within 15 calendar days after being notified by the  
26 Board or its designee. If Respondent is required by the Board or its designee to undergo medical  
27 treatment, Respondent shall within 30 calendar days of the requirement notice, submit to the  
28 Board or its designee for prior approval the name and qualifications of a California licensed

1 treating physician of Respondent's choice. Upon approval of the treating physician, Respondent  
2 shall within 15 calendar days undertake medical treatment and shall continue such treatment until  
3 further notice from the Board or its designee.

4 The treating physician shall consider any information provided by the Board or its designee  
5 or any other information the treating physician may deem pertinent prior to commencement of  
6 treatment. Respondent shall have the treating physician submit quarterly reports to the Board or  
7 its designee indicating whether or not the Respondent is capable of practicing medicine safely.  
8 Respondent shall provide the Board or its designee with any and all medical records pertaining to  
9 treatment that the Board or its designee deems necessary.

10 If, prior to the completion of probation, Respondent is found to be physically incapable of  
11 resuming the practice of medicine without restrictions, the Board shall retain continuing  
12 jurisdiction over Respondent's license and the period of probation shall be extended until the  
13 Board determines that Respondent is physically capable of resuming the practice of medicine  
14 without restrictions. Respondent shall pay the cost of the medical evaluation(s) and treatment.

15 4. MONITORING - PRACTICE/BILLING. Within 30 calendar days of the effective  
16 date of this Decision, Respondent shall submit to the Board or its designee for prior approval as a  
17 practice monitor, the name and qualifications of one or more licensed physicians and surgeons  
18 whose licenses are valid and in good standing, and who are preferably American Board of  
19 Medical Specialties (ABMS) certified. A monitor shall have no prior or current business or  
20 personal relationship with Respondent, or other relationship that could reasonably be expected to  
21 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
22 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
23 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

24 The Board or its designee shall provide the approved monitor with copies of the Decision  
25 and Petition to Revoke Probation, and a proposed monitoring plan. Within 15 calendar days of  
26 receipt of the Decision and Petition to Revoke Probation, and proposed monitoring plan, the  
27 monitor shall submit a signed statement that the monitor has read the Decision and Petition to  
28 Revoke Probation, fully understands the role of a monitor, and agrees or disagrees with the

1 proposed monitoring plan. If the monitor disagrees with the proposed monitoring plan, the  
2 monitor shall submit a revised monitoring plan with the signed statement for approval by the  
3 Board or its designee.

4 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
5 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
6 make all records available for immediate inspection and copying on the premises by the monitor  
7 at all times during business hours and shall retain the records for the entire term of probation.

8 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
9 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
10 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
11 shall cease the practice of medicine until a monitor is approved to provide monitoring  
12 responsibility.

13 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
14 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
15 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
16 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the  
17 quarterly written reports to the Board or its designee within 10 calendar days after the end of the  
18 preceding quarter.

19 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
20 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
21 name and qualifications of a replacement monitor who will be assuming that responsibility within  
22 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
23 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
24 notification from the Board or its designee to cease the practice of medicine within three (3)  
25 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
26 replacement monitor is approved and assumes monitoring responsibility.

27 In lieu of a monitor, Respondent may participate in a professional enhancement program  
28 approved in advance by the Board or its designee that includes, at minimum, quarterly chart

1 review, semi-annual practice assessment, and semi-annual review of professional growth and  
2 education. Respondent shall participate in the professional enhancement program at Respondent's  
3 expense during the term of probation.

4 5. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in  
5 the solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice  
6 where: 1) Respondent merely shares office space with another physician but is not affiliated for  
7 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that  
8 location.

9 If Respondent fails to establish a practice with another physician or secure employment in  
10 an appropriate practice setting within 60 calendar days of the effective date of this Decision,  
11 Respondent shall receive a notification from the Board or its designee to cease the practice of  
12 medicine within three (3) calendar days after being so notified. The Respondent shall not resume  
13 practice until an appropriate practice setting is established.

14 If, during the course of the probation, the Respondent's practice setting changes and the  
15 Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent  
16 shall notify the Board or its designee within five (5) calendar days of the practice setting change.  
17 If Respondent fails to establish a practice with another physician or secure employment in an  
18 appropriate practice setting within 60 calendar days of the practice setting change, Respondent  
19 shall receive a notification from the Board or its designee to cease the practice of medicine within  
20 three (3) calendar days after being so notified. The Respondent shall not resume practice until an  
21 appropriate practice setting is established.

22 6. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
23 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
24 Chief Executive Officer at every hospital where privileges or membership are extended to  
25 Respondent, at any other facility where Respondent engages in the practice of medicine,  
26 including all physician and locum tenens registries or other similar agencies, and to the Chief  
27 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
28 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15

1 calendar days.

2 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

3 7. SUPERVISION OF PHYSICIAN ASSISTANTS. During probation, Respondent  
4 is prohibited from supervising physician assistants.

5 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all  
6 rules governing the practice of medicine in California and remain in full compliance with any  
7 court ordered criminal probation, payments, and other orders.

8 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly  
9 declarations under penalty of perjury on forms provided by the Board, stating whether there has  
10 been compliance with all the conditions of probation.

11 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
12 of the preceding quarter.

13 10. GENERAL PROBATION REQUIREMENTS.

14 Compliance with Probation Unit

15 Respondent shall comply with the Board's probation unit.

16 Address Changes

17 Respondent shall, at all times, keep the Board informed of Respondent's business and  
18 residence addresses, email address (if available), and telephone number. Changes of such  
19 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
20 circumstances shall a post office box serve as an address of record, except as allowed by Business  
21 and Professions Code section 2021, subdivision (b).

22 Place of Practice

23 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
24 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
25 facility.

26 License Renewal

27 Respondent shall maintain a current and renewed California physician's and surgeon's  
28 license.

1           Travel or Residence Outside California

2           Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
3 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
4 (30) calendar days.

5           In the event Respondent should leave the State of California to reside or to practice,  
6 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
7 departure and return.

8           11.       INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
9 available in person upon request for interviews either at Respondent's place of business or at the  
10 probation unit office, with or without prior notice throughout the term of probation.

11           12.       NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board  
12 or its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
13 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
14 defined as any period of time Respondent is not practicing medicine as defined in Business and  
15 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
16 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
17 Respondent resides in California and is considered to be in non-practice, Respondent shall  
18 comply with all terms and conditions of probation. All time spent in an intensive training  
19 program which has been approved by the Board or its designee shall not be considered non-  
20 practice and does not relieve Respondent from complying with all the terms and conditions of  
21 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
22 on probation with the medical licensing authority of that state or jurisdiction shall not be  
23 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
24 period of non-practice.

25           Periods of non-practice will not apply to the reduction of the probationary term.

26           Periods of non-practice for a Respondent residing outside of California will relieve  
27 Respondent of the responsibility to comply with the probationary terms and conditions with the  
28 exception of this condition and the following terms and conditions of probation: Obey All Laws;

1 General Probation Requirements; and Quarterly Declarations.

2 Respondent's period of non-practice while on probation shall not exceed six (6) months. If  
3 Respondent's period of non-practice exceeds six (6) months, he shall be notified by the Board or  
4 its designee in writing to his address of record with the Board. In consideration of his admissions  
5 made in Petition to Revoke Probation No. 800-2019-055424, above, Respondent hereby agrees  
6 that if his period of non-practice exceeds six (6) months, Respondent agrees that he has violated  
7 this term of his probation, that he will not contest this violation, and agrees that he shall  
8 voluntarily surrender his license within 15 calendar days of written notification from the Board or  
9 its designee.

10 Respondent is fully aware of his legal rights regarding a violation of this term of probation,  
11 including the right to the filing of charges and allegations in a Petition to Revoke Probation; the  
12 right to confront and cross-examine the witnesses against him; the right to present evidence and to  
13 testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of  
14 witnesses and the production of documents; the right to reconsideration and court review of an  
15 adverse decision; and all other rights accorded by the California Administrative Procedure Act  
16 and other applicable laws. Having the benefit of counsel, Respondent hereby voluntarily,  
17 knowingly, and intelligently waives and gives up each and every right set forth above as to this  
18 term of probation only.

19 Upon formal acceptance of the surrender, Respondent shall within 15 calendar days deliver  
20 Respondent's wallet and wall certificate to the Board or its designee and Respondent shall no  
21 longer practice medicine. Respondent will no longer be subject to the terms and conditions of  
22 probation. If Respondent re-applies for a medical license, the application shall be treated as a  
23 petition for reinstatement of a revoked certificate.

24 13. COMPLETION OF PROBATION. Respondent shall comply with all financial  
25 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
26 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
27 be fully restored.

28 ///

1           14.       VIOLATION OF PROBATION. Failure to fully comply with any term or  
2 condition of probation is a violation of probation. Notwithstanding Condition No. 12 regarding  
3 Non-Practice While on Probation, above, if Respondent violates any other term of probation in  
4 any respect, the Board, after giving Respondent notice and the opportunity to be heard, may  
5 revoke probation and carry out the disciplinary order that was stayed. If an Accusation, or Petition  
6 to Revoke Probation, or an Interim Suspension Order is filed against Respondent during  
7 probation, the Board shall have continuing jurisdiction until the matter is final, and the period of  
8 probation shall be extended until the matter is final.

9           15.       LICENSE SURRENDER. Following the effective date of this Decision, if  
10 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
11 the terms and conditions of probation, Respondent may request to surrender his license. The  
12 Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
13 determining whether or not to grant the request, or to take any other action deemed appropriate  
14 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
15 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
16 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
17 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
18 application shall be treated as a petition for reinstatement of a revoked certificate.

19           16.       PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
20 with probation monitoring each and every year of probation, as designated by the Board, which  
21 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
22 California and delivered to the Board or its designee no later than January 31 of each calendar  
23 year.

22 1. Kimberly Kirchmeyer (Complainant) brings this Petition to Revoke Probation solely  
23 in her official capacity as the Executive Director of the Medical Board of California, Department

8                           **CAUSE TO REVOKE PROBATION**

9                           **(Non-Practice While on Probation)**

10           7. At all times after the effective date of the Decision and Order in Case No. 800-2014-  
11 009413, Probation Condition No. 12 states,

12                   “NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the  
13 Board or its designee in writing within 15 calendar days of any periods of non-  
14 practice lasting more than 30 calendar days and within 15 calendar days of  
15 Respondent’s return to practice. Non-practice is defined as any period of time  
16 Respondent is not practicing medicine in California as defined in Business and  
17 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in  
18 direct patient care, clinical activity or teaching, or other activity as approved by the  
19 Board. All time spent in an intensive training program which has been approved by  
20 the Board or its designee shall not be considered non-practice. Practicing medicine in  
21 another state of the United States or Federal jurisdiction while on probation with the  
22 medical licensing authority of that state or jurisdiction shall not be considered non-  
23 practice. A Board-ordered suspension of practice shall not be considered as a period  
24 of non-practice.

25                   “In the event Respondent’s period of non-practice while on probation exceeds  
26 18 calendar months, Respondent shall successfully complete a clinical training  
27 program that meets the criteria of Condition 18 of the current version of the Board’s  
28 “Manual of Model Disciplinary Orders and Disciplinary Guidelines” prior to

1 resuming the practice of medicine.

2 "Respondent's period of non-practice while on probation shall not exceed two  
3 (2) years.

4 "Periods of non-practice will not apply to the reduction of the probationary term.

5 "Periods of non-practice will relieve Respondent of the responsibility to comply  
6 with the probationary terms and conditions with the exception of this condition and  
7 the following terms and conditions of probation: Obey All Laws; and General  
8 Probation Requirements."

9 8. Respondent's probation is subject to revocation because he failed to comply with  
10 Probation Condition No. 12 referenced above. The facts and circumstances regarding this  
11 violation are as follows:

12 9. On or about April 14, 2016, Respondent's assigned probation inspector mailed him a  
13 letter to his address of record in Connecticut. This letter reminded Respondent that if a period of  
14 non-practice while on probation exceeds 18 months, he will be required to successfully complete  
15 a clinical training program prior to resuming practice in California. In addition, that any period of  
16 non-practice shall not exceed two (2) years.

17 10. On or about April 29, 2016, Respondent acknowledged receipt of the letter from his  
18 probation inspector, and advised her of his updated address of record in Connecticut.

19 11. On or about May 26, 2016, Respondent submitted an Information Summary form to  
20 his probation inspector, which indicated that he was not practicing medicine at that time.

21 12. On or about August 9, 2016, Respondent submitted a Semi-Annual Declaration of an  
22 out-of-state probationer to his probation inspector, which indicated that he closed his practice in  
23 Connecticut and surrendered his medical license there on March 15, 2016.

24 13. On or about April 13, 2017, Respondent's assigned probation inspector mailed him a

DISCIPLINARY ORDER**

16  
17  
18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
19 entitled proceedings that the following matters are true:

20 PARTIES

21 1. Kimberly Kirchmeyer ("Complainant") is the Executive Director of the Medical  
22 Board of California. She brought this action solely in her official capacity and is represented in  
23 this matter by Kamala D. Harris, Attorney General of the State of California, via Joshua M.  
24 Templet, Deputy Attorney General.

25 2. Respondent Marlon F. Castillo, M.D. ("Respondent") is represented in this  
26 proceeding by attorney Fredrick M. Ray, 5000 Birch Street, Suite 7000, Newport Beach, CA  
27 92660-2127.  
28

1 psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its  
2 designee. Psychiatric evaluations conducted prior to the effective date of the Decision shall not  
3 be accepted towards the fulfillment of this requirement. Respondent shall pay the cost of all  
4 psychiatric evaluations and psychological testing.

5 Respondent shall comply with all restrictions or conditions recommended by the evaluating  
6 psychiatrist within 15 calendar days after being notified by the Board or its designee.

7 3. MEDICAL EVALUATION AND TREATMENT. Within 30 calendar days of the  
8 effective date of this Decision, and on a periodic basis thereafter as may be required by the Board  
9 or its designee, Respondent shall undergo a medical evaluation by a Board-appointed physician  
10 who shall consider any information provided by the Board or designee and any other information  
11 the evaluating physician deems relevant and shall furnish a medical report to the Board or its  
12 designee. Respondent shall provide the evaluating physician any information and documentation  
13 that the evaluating physician may deem pertinent.

14 Following the evaluation, Respondent shall comply with all restrictions or conditions  
15 recommended by the evaluating physician within 15 calendar days after being notified by the  
16 Board or its designee. If Respondent is required by the Board or its designee to undergo medical  
17 treatment, Respondent shall within 30 calendar days of the requirement notice, submit to the  
18 Board or its designee for prior approval the name and qualifications of a California licensed  
19 treating physician of Respondent's choice. Upon approval of the treating physician, Respondent  
20 shall within 15 calendar days undertake medical treatment and shall continue such treatment until  
21 further notice from the Board or its designee.

22 The treating physician shall consider any information provided by the Board or its designee  
23 or any other information the treating physician may deem pertinent prior to commencement of  
24 treatment. Respondent shall have the treating physician submit quarterly reports to the Board or  
25 its designee indicating whether or not the Respondent is capable of practicing medicine safely.  
26 Respondent shall provide the Board or its designee with any and all medical records pertaining to  
27 treatment, the Board or its designee deems necessary.

28 If, prior to the completion of probation, Respondent is found to be physically incapable of

1 resuming the practice of medicine without restrictions, the Board shall retain continuing  
2 jurisdiction over Respondent's license and the period of probation shall be extended until the  
3 Board determines that Respondent is physically capable of resuming the practice of medicine  
4 without restrictions. Respondent shall pay the cost of the medical evaluation(s) and treatment.

5 4. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this  
6 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
7 monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose  
8 licenses are valid and in good standing, and who are preferably American Board of Medical  
9 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
10 relationship with Respondent, or other relationship that could reasonably be expected to  
11 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
12 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
13 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

14 The Board or its designee shall provide the approved monitor with copies of the Decision(s)  
15 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the  
16 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed  
17 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role  
18 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees  
19 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the  
20 signed statement for approval by the Board or its designee.

21 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
22 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
23 make all records available for immediate inspection and copying on the premises by the monitor  
24 at all times during business hours and shall retain the records for the entire term of probation.

25 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
26 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
27 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
28 shall cease the practice of medicine until a monitor is approved to provide monitoring

1 responsibility.

2 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
3 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
4 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
5 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
6 that the monitor submits the quarterly written reports to the Board or its designee within 10  
7 calendar days after the end of the preceding quarter.

8 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
9 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
10 name and qualifications of a replacement monitor who will be assuming that responsibility within  
11 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
12 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
13 notification from the Board or its designee to cease the practice of medicine within three (3)  
14 calendar days after being so notified Respondent shall cease the practice of medicine until a  
15 replacement monitor is approved and assumes monitoring responsibility.

16 In lieu of a monitor, Respondent may participate in a professional enhancement program  
17 equivalent to the one offered by the Physician Assessment and Clinical Education Program at the  
18 University of California, San Diego School of Medicine, that includes, at minimum, quarterly  
19 chart review, semi-annual practice assessment, and semi-annual review of professional growth  
20 and education. Respondent shall participate in the professional enhancement program at  
21 Respondent's expense during the term of probation.

22 5. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the  
23 solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice  
24 where: 1) Respondent merely shares office space with another physician but is not affiliated for  
25 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that  
26 location.

27 If Respondent fails to establish a practice with another physician or secure employment in  
28 an appropriate practice setting within 60 calendar days of the effective date of this Decision,

1 Respondent shall receive a notification from the Board or its designee to cease the practice of  
2 medicine within three (3) calendar days after being so notified. The Respondent shall not resume  
3 practice until an appropriate practice setting is established.

4 If, during the course of the probation, the Respondent's practice setting changes and the  
5 Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent  
6 shall notify the Board or its designee within 5 calendar days of the practice setting change. If  
7 Respondent fails to establish a practice with another physician or secure employment in an  
8 appropriate practice setting within 60 calendar days of the practice setting change, Respondent  
9 shall receive a notification from the Board or its designee to cease the practice of medicine within  
10 three (3) calendar days after being so notified. The Respondent shall not resume practice until an  
11 appropriate practice setting is established.

12 6. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
13 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
14 Chief Executive Officer at every hospital where privileges or membership are extended to  
15 Respondent, at any other facility where Respondent engages in the practice of medicine,  
16 including all physician and locum tenens registries or other similar agencies, and to the Chief  
17 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
18 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
19 calendar days.

20 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

21 7. SUPERVISION OF PHYSICIAN ASSISTANTS. During probation, Respondent is  
22 prohibited from supervising physician assistants.

23 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
24 governing the practice of medicine in California and remain in full compliance with any court  
25 ordered criminal probation, payments, and other orders.

26 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
27 under penalty of perjury on forms provided by the Board, stating whether there has been  
28 compliance with all the conditions of probation.

1 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
2 of the preceding quarter.

3 10. GENERAL PROBATION REQUIREMENTS.

4 Compliance with Probation Unit

5 Respondent shall comply with the Board's probation unit and all terms and conditions of  
6 this Decision.

7 Address Changes

8 Respondent shall, at all times, keep the Board informed of Respondent's business and  
9 residence addresses, email address (if available), and telephone number. Changes of such  
10 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
11 circumstances shall a post office box serve as an address of record, except as allowed by Business  
12 and Professions Code section 2021(b).

13 Place of Practice

14 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
15 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
16 facility.

17 License Renewal

18 Respondent shall maintain a current and renewed California physician's and surgeon's  
19 license.

20 Travel or Residence Outside California

21 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
22 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
23 (30) calendar days.

24 In the event Respondent should leave the State of California to reside or to practice  
25 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
26 departure and return.

27 11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
28 available in person upon request for interviews either at Respondent's place of business or at the

1 probation unit office, with or without prior notice throughout the term of probation.

2 12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
3 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
4 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
5 defined as any period of time Respondent is not practicing medicine in California as defined in  
6 Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month  
7 in direct patient care, clinical activity or teaching, or other activity as approved by the Board. All  
8 time spent in an intensive training program which has been approved by the Board or its designee  
9 shall not be considered non-practice. Practicing medicine in another state of the United States or  
10 Federal jurisdiction while on probation with the medical licensing authority of that state or  
11 jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall  
12 not be considered as a period of non-practice.

13 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
14 months, Respondent shall successfully complete a clinical training program that meets the criteria  
15 of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and  
16 Disciplinary Guidelines" prior to resuming the practice of medicine.

17 Respondent's period of non-practice while on probation shall not exceed two (2) years.

18 Periods of non-practice will not apply to the reduction of the probationary term.

19 Periods of non-practice will relieve Respondent of the responsibility to comply with the  
20 probationary terms and conditions with the exception of this condition and the following terms  
21 and conditions of probation: Obey All Laws; and General Probation Requirements.

22 13. COMPLETION OF PROBATION. Respondent shall comply with all financial  
23 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
24 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
25 be fully restored.

26 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
27 of probation is a violation of probation. If Respondent violates probation in any respect, the  
28 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and

1 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
2 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
3 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
4 the matter is final.

5 15. LICENSE SURRENDER. Following the effective date of this Decision, if  
6 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
7 the terms and conditions of probation, Respondent may request to surrender his or her license.  
8 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
9 determining whether or not to grant the request, or to take any other action deemed appropriate  
10 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
11 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
12 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
13 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
14 application shall be treated as a petition for reinstatement of a revoked certificate.

15 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
16 with probation monitoring each and every year of probation, as designated by the Board, which  
17 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
18 California and delivered to the Board or its designee no later than January 31 of each calendar  
19 year.

10 provision in the licensing act administered by that board that provides for discipline  
11 based upon a disciplinary action taken against the licensee by another state, an agency  
12 of the federal government, or another country.

13 9. Section 2305 of the Code states:

14 The revocation, suspension, or other discipline, restriction or limitation imposed by  
15 another state upon a license or certificate to practice medicine issued by that state, or  
16 the revocation, suspension, or restriction of the authority to practice medicine by any  
17 agency of the federal government, that would have been grounds for discipline in  
18 California of a licensee under this chapter [Chapter 5, the Medical Practice Act] shall  
19 constitute grounds for disciplinary action for unprofessional conduct against the  
20 licensee in this state.

#### 21 FIRST CAUSE FOR DISCIPLINE

##### 22 (Criminal Conviction)

23 10. On May 8, 2014, in the Supreme Court for the State of New York, Queens County,  
24 New York. Respondent pleaded guilty to the crime of aiding or abetting the unauthorized practice  
25 of medicine, in violation of New York State Education Law, Section 6512(1), a felony.  
26 Respondent was sentenced on June 27, 2014 to five years of probation and was ordered to pay  
27 restitution to the patients harmed as a result of his actions.

28 11. As a result of his conviction for an offense substantially related to the qualifications,  
functions, or duties of a physician and surgeon, Respondent is subject to discipline under Code  
sections 2234(a) (unprofessional conduct) and 2236 (criminal conviction).

#### SECOND CAUSE FOR DISCIPLINE

##### (Dishonesty)

12. On or about March 14, 2013, Respondent filed an application with the New York  
State Department of Education to renew his registration to practice medicine in New York. The  
application included the question "Are criminal charges pending against you in any court?" to

1 which Respondent responded, "No." However criminal charges were pending against Respondent  
2 at the time that he completed his application, and had been so pending for nearly a year.

3 13. The criminal complaint in the above referenced criminal prosecution of the  
4 Respondent before the Supreme Court for the State of New York, Queens County, New York was  
5 filed on April 11, 2012. Respondent was arrested in that matter on April 17, 2012, and arraigned  
6 on the filed charges on April 18, 2012. Accordingly, Respondent was aware, or should have been  
7 aware, of the existence of pending criminal charges against him when he responded to the  
8 question regarding pending criminal charges.

9 14. As a result of his submission of a dishonest response in his medical license renewal  
10 application, an act substantially related to the qualifications, functions, or duties of a physician  
11 and surgeon, Respondent is subject to discipline under section 2234(e) (unprofessional conduct:  
12 commission of any act involving dishonesty or corruption).

13 **THIRD CAUSE FOR DISCIPLINE**

14 **(Discipline, Restriction or Limitation Imposed by another State)**

15 15. On October 27, 2014, the New York State Board for Professional Medical Conduct  
16 ("New York Board") issued Consent Order No. 14-259 against Respondent, attached as  
17 **Exhibit A** and hereby incorporated by reference. The Order incorporated a Statement of Charges  
18 alleging that Respondent (1) had committed professional misconduct by having been convicted of  
19 a felony, as noted above, and (2) had committed professional misconduct "by practicing the  
20 profession of medicine fraudulently," based on his dishonest response in his license renewal  
21 application to the New York State Department of Education, as noted above. In the Consent  
22 Agreement, made part of the Consent Order, Respondent conceded that "I assert that I cannot  
23 successfully defend against at least one of the acts of misconduct alleged, in full satisfaction of  
24 the charges against me, and agree to the following penalty . . . ." The Consent Order required  
25 Respondent to cease his practice of medicine, to close his medical practice, and to change his  
26 New York medical license status to "inactive."

NEW YORK STATE DEPARTMENT OF HEALTH  
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER  
OF  
MARLON F. CASTILLO, M.D.

CONSENT  
AGREEMENT

MARLON F. CASTILLO, M.D., represents that all of the following statements are true:

That on or about December 4, 2003, I was licensed to practice as a physician in the State of New York, and issued License No. 230700 by the New York State Education Department.

My current address is REDACTED and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with two specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I assert that I cannot successfully defend against at least one of the acts of misconduct alleged, in full satisfaction of the charges against me, and agree to the following penalty:

Immediately upon issuance of the Consent Order for which I apply, my license to practice medicine shall be limited, pursuant to N.Y. Pub. Health Law § 230-a, to preclude patient contact and any practice of medicine, clinical or otherwise. I shall be precluded from diagnosing, treating, operating, or prescribing for any human disease, pain, injury, deformity, or physical condition. I shall be precluded from further reliance upon my license to practice medicine to exempt me from the licensure, certification or other requirements set forth in statute or regulation for the practice of any other profession licensed, regulated or certified by the Board of Regents, Department of Education, Department of Health or the Department of State.

I further agree that the Consent Order for which I apply shall impose the following conditions:

That Respondent shall, within 30 days of the issuance of the Consent Order, notify the New York State Education Department, Division of Professional Licensing Services, that Respondent's license status is "inactive," and shall provide proof of such notification to the Director of OPMC immediately upon having done so; and

That Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with

the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Respondent receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State; and

That Respondent shall comply with all conditions set forth in attached Exhibit "B" ("Requirements for Closing a Medical Practice").

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined in N.Y. Educ. Law § 6530(29).

I agree that if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board for Professional Medical Conduct and the Office of Professional Medical Conduct have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.

I am aware and agree that, regardless of prior communication, the attorney for the Department, the Director of the Office of Professional Medical Conduct, and the Chairperson of the State Board for Professional Medical Conduct each reserve full discretion to enter into the Consent Agreement that I propose in this application, or to decline to do so.
