**DISCIPLINARY ORDER**

18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. Christine J. Lally (Complainant) is the Interim Executive Director of the Medical  
22 Board of California (Board). She brought this action solely in her official capacity and is  
23 represented in this matter by Xavier Becerra, Attorney General of the State of California, by  
24 Jonathan Nguyen, Deputy Attorney General.

25 2. Respondent Siva Venu Natarajan, M.D. (Respondent) is represented in this  
26 proceeding by attorney Peter R. Osinoff, Esq., whose address is: 355 South Grand Avenue, Suite  
27 1750 Los Angeles, CA 90071.

28 3. On or about April 29, 2009, the Board issued Physician's and Surgeon's Certificate

1 No. A 107471 to Siva Venu Natarajan, M.D. (Respondent). The Physician's and Surgeon's  
2 Certificate was in full force and effect at all times relevant to the charges brought in Accusation  
3 No. 800-2017-037511, and will expire on January 31, 2021, unless renewed.

4 **JURISDICTION**

5 Accusation No. 800-2017-037511 was filed before the Board, and is currently pending  
6 against Respondent. The Accusation and all other statutorily required documents were properly  
7 served on Respondent on August 16, 2019. Respondent timely filed his Notice of Defense  
8 contesting the Accusation.

9 4. A copy of Accusation No. 800-2017-037511 is attached as exhibit A and incorporated  
10 herein by reference.

11 **ADVISEMENT AND WAIVERS**

12 5. Respondent has carefully read, fully discussed with counsel, and understands the  
13 charges and allegations in Accusation No. 800-2017-037511. Respondent has also carefully read,  
14 fully discussed with counsel, and understands the effects of this Stipulated Settlement and  
15 Disciplinary Order.

16 6. Respondent is fully aware of his legal rights in this matter, including the right to a  
17 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine  
18 the witnesses against him; the right to present evidence and to testify on his own behalf; the right  
19 to the issuance of subpoenas to compel the attendance of witnesses and the production of  
20 documents; the right to reconsideration and court review of an adverse decision; and all other  
21 rights accorded by the California Administrative Procedure Act and other applicable laws.

22 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
23 every right set forth above.

24 **CULPABILITY**

25 8. Respondent admits the truth of each and every charge and allegation in Accusation  
26 No. 800-2017-037511.

27 9. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
28 discipline and he agrees to be bound by the Board's probationary terms as set forth in the

1 Disciplinary Order below.

2 **CONTINGENCY**

3 10. This stipulation shall be subject to approval by the Medical Board of California.  
4 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
5 Board of California may communicate directly with the Board regarding this stipulation and  
6 settlement, without notice to or participation by Respondent or his counsel. By signing the  
7 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
8 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
9 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
10 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
11 action between the parties, and the Board shall not be disqualified from further action by having  
12 considered this matter.

13 11. The parties understand and agree that Portable Document Format (PDF) and facsimile  
14 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
15 signatures thereto, shall have the same force and effect as the originals.

16 12. In consideration of the foregoing admissions and stipulations, the parties agree that  
17 the Board may, without further notice or formal proceeding, issue and enter the following  
18 Disciplinary Order:

19 **DISCIPLINARY ORDER**

20 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 107471 issued  
21 to Respondent SIVA VENU NATARAJAN, M.D. is revoked. However, the revocation is stayed  
22 and Respondent is placed on probation for five (5) years on the following terms and conditions.

23 1. **PSYCHIATRIC EVALUATION.** Within 30 calendar days of the effective date of  
24 this Decision, and on whatever periodic basis thereafter may be required by the Board or its  
25 designee, Respondent shall undergo and complete a psychiatric evaluation (and psychological  
26 testing, if deemed necessary) by a Board-appointed board certified psychiatrist, who shall  
27 consider any information provided by the Board or designee and any other information the  
28 psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its

1 designee. Psychiatric evaluations conducted prior to the effective date of the Decision shall not  
2 be accepted towards the fulfillment of this requirement. Respondent shall pay the cost of all  
3 psychiatric evaluations and psychological testing.

4 Respondent shall comply with all restrictions or conditions recommended by the evaluating  
5 psychiatrist within 15 calendar days after being notified by the Board or its designee.

6 2. MEDICAL EVALUATION AND TREATMENT. Within 30 calendar days of the  
7 effective date of this Decision, and on a periodic basis thereafter as may be required by the Board  
8 or its designee, Respondent shall undergo a medical evaluation by a Board-appointed physician  
9 who shall consider any information provided by the Board or designee and any other information  
10 the evaluating physician deems relevant and shall furnish a medical report to the Board or its  
11 designee. Respondent shall provide the evaluating physician with any information and  
12 documentation that the evaluating physician may deem pertinent.

13 Following the evaluation, Respondent shall comply with all restrictions or conditions  
14 recommended by the evaluating physician within 15 calendar days after being notified by the  
15 Board or its designee. If Respondent is required by the Board or its designee to undergo medical  
16 treatment, Respondent shall within 30 calendar days of the requirement notice, submit to the  
17 Board or its designee for prior approval the name and qualifications of a California licensed  
18 treating physician of Respondent's choice. Upon approval of the treating physician, Respondent  
19 shall within 15 calendar days undertake medical treatment and shall continue such treatment until  
20 further notice from the Board or its designee.

21 The treating physician shall consider any information provided by the Board or its designee  
22 or any other information the treating physician may deem pertinent prior to commencement of  
23 treatment. Respondent shall have the treating physician submit quarterly reports to the Board or  
24 its designee indicating whether or not the Respondent is capable of practicing medicine safely.  
25 Respondent shall provide the Board or its designee with any and all medical records pertaining to  
26 treatment that the Board or its designee deems necessary.

27 If, prior to the completion of probation, Respondent is found to be physically incapable of  
28 resuming the practice of medicine without restrictions, the Board shall retain continuing

1 jurisdiction over Respondent's license and the period of probation shall be extended until the  
2 Board determines that Respondent is physically capable of resuming the practice of medicine  
3 without restrictions. Respondent shall pay the cost of the medical evaluation(s) and treatment.

4 3. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION. Within seven (7)  
5 days of the effective date of this Decision, Respondent shall provide to the Board the names,  
6 physical addresses, mailing addresses, and telephone numbers of any and all employers and  
7 supervisors. Respondent shall also provide specific, written consent for the Board, Respondent's  
8 worksite monitor, and Respondent's employers and supervisors to communicate regarding  
9 Respondent's work status, performance, and monitoring.

10 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or  
11 Well Being Committee Chair, or equivalent, if applicable, when the Respondent has medical staff  
12 privileges.

13 4. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to  
14 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.  
15 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair  
16 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall  
17 make daily contact with the Board or its designee to determine whether biological fluid testing is  
18 required. Respondent shall be tested on the date of the notification as directed by the Board or its  
19 designee. The Board may order a Respondent to undergo a biological fluid test on any day, at  
20 any time, including weekends and holidays. Except when testing on a specific date as ordered by  
21 the Board or its designee, the scheduling of biological fluid testing shall be done on a random  
22 basis. The cost of biological fluid testing shall be borne by the Respondent.

23 During the first year of probation, Respondent shall be subject to 52 to 104 random tests.  
24 During the second year of probation and for the duration of the probationary term, up to five (5)  
25 years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no  
26 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing  
27 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number  
28 of random tests to the first-year level of frequency for any reason.

1 Prior to practicing medicine, Respondent shall contract with a laboratory or service,  
2 approved in advance by the Board or its designee, that will conduct random, unannounced,  
3 observed, biological fluid testing and meets all of the following standards:

4 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry  
5 Association or have completed the training required to serve as a collector for the United  
6 States Department of Transportation.

7 (b) Its specimen collectors conform to the current United States Department of  
8 Transportation Specimen Collection Guidelines.

9 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published  
10 by the United States Department of Transportation without regard to the type of test  
11 administered.

12 (d) Its specimen collectors observe the collection of testing specimens.

13 (e) Its laboratories are certified and accredited by the United States Department of Health  
14 and Human Services.

15 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day  
16 of receipt and all specimens collected shall be handled pursuant to chain of custody  
17 procedures. The laboratory shall process and analyze the specimens and provide legally  
18 defensible test results to the Board within seven (7) business days of receipt of the  
19 specimen. The Board will be notified of non-negative results within one (1) business day  
20 and will be notified of negative test results within seven (7) business days.

21 (g) Its testing locations possess all the materials, equipment, and technical expertise  
22 necessary in order to test Respondent on any day of the week.

23 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens  
24 for the detection of alcohol and illegal and controlled substances.

25 (i) It maintains testing sites located throughout California.

26 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line  
27 computer database that allows the Respondent to check in daily for testing.

28 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff

1 access to drug test results and compliance reporting information that is available 24 hours a  
2 day.

3 (l) It employs or contracts with toxicologists that are licensed physicians and have  
4 knowledge of substance abuse disorders and the appropriate medical training to interpret  
5 and evaluate laboratory biological fluid test results, medical histories, and any other  
6 information relevant to biomedical information.

7 (m) It will not consider a toxicology screen to be negative if a positive result is obtained  
8 while practicing, even if the Respondent holds a valid prescription for the substance.

9 Prior to changing testing locations for any reason, including during vacation or other travel,  
10 alternative testing locations must be approved by the Board and meet the requirements above.

11 The contract shall require that the laboratory directly notify the Board or its designee of  
12 non-negative results within one (1) business day and negative test results within seven (7)  
13 business days of the results becoming available. Respondent shall maintain this laboratory or  
14 service contract during the period of probation.

15 A certified copy of any laboratory test result may be received in evidence in any  
16 proceedings between the Board and Respondent.

17 If a biological fluid test result indicates Respondent has used, consumed, ingested, or  
18 administered to himself or herself a prohibited substance, the Board shall order Respondent to  
19 cease practice and instruct Respondent to leave any place of work where Respondent is practicing  
20 medicine or providing medical services. The Board shall immediately notify all of Respondent's  
21 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or  
22 provide medical services while the cease-practice order is in effect.

23 A biological fluid test will not be considered negative if a positive result is obtained while  
24 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited  
25 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

26 After the issuance of a cease-practice order, the Board shall determine whether the positive  
27 biological fluid test is in fact evidence of prohibited substance use by consulting with the  
28 specimen collector and the laboratory, communicating with the licensee, his or her treating

1 physician(s), other health care provider, or group facilitator, as applicable.

2 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the  
3 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

4 For purposes of this condition, the term "prohibited substance" means an illegal drug, a  
5 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by  
6 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been  
7 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

8 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited  
9 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the  
10 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to  
11 any other terms or conditions the Board determines are necessary for public protection or to  
12 enhance Respondent's rehabilitation.

13 5. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS. Within thirty (30) days of  
14 the effective date of this Decision, Respondent shall submit to the Board or its designee, for its  
15 prior approval, the name of a substance abuse support group which he or she shall attend for the  
16 duration of probation. Respondent shall attend substance abuse support group meetings at least  
17 once per week, or as ordered by the Board or its designee. Respondent shall pay all substance  
18 abuse support group meeting costs.

19 The facilitator of the substance abuse support group meeting shall have a minimum of three  
20 (3) years experience in the treatment and rehabilitation of substance abuse, and shall be licensed  
21 or certified by the state or nationally certified organizations. The facilitator shall not have a  
22 current or former financial, personal, or business relationship with Respondent within the last five  
23 (5) years. Respondent's previous participation in a substance abuse group support meeting led by  
24 the same facilitator does not constitute a prohibited current or former financial, personal, or  
25 business relationship.

26 The facilitator shall provide a signed document to the Board or its designee showing  
27 Respondent's name, the group name, the date and location of the meeting, Respondent's  
28 attendance, and Respondent's level of participation and progress. The facilitator shall report any

1 unexcused absence by Respondent from any substance abuse support group meeting to the Board,  
2 or its designee, within twenty-four (24) hours of the unexcused absence.

3 6. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within thirty  
4 (30) calendar days of the effective date of this Decision, Respondent shall submit to the Board or  
5 its designee for prior approval as a worksite monitor, the name and qualifications of one or more  
6 licensed physician and surgeon, other licensed health care professional if no physician and  
7 surgeon is available, or, as approved by the Board or its designee, a person in a position of  
8 authority who is capable of monitoring the Respondent at work.

9 The worksite monitor shall not have a current or former financial, personal, or familial  
10 relationship with Respondent, or any other relationship that could reasonably be expected to  
11 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its  
12 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite  
13 monitor, this requirement may be waived by the Board or its designee, however, under no  
14 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

15 The worksite monitor shall have an active unrestricted license with no disciplinary action  
16 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms  
17 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth  
18 by the Board or its designee.

19 Respondent shall pay all worksite monitoring costs.

20 The worksite monitor shall have face-to-face contact with Respondent in the work  
21 environment on as frequent a basis as determined by the Board or its designee, but not less than  
22 once per week; interview other staff in the office regarding Respondent's behavior, if requested  
23 by the Board or its designee; and review Respondent's work attendance.

24 The worksite monitor shall verbally report any suspected substance abuse to the Board and  
25 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected  
26 substance abuse does not occur during the Board's normal business hours, the verbal report shall  
27 be made to the Board or its designee within one (1) hour of the next business day. A written  
28 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and

1 any other information deemed important by the worksite monitor shall be submitted to the Board  
2 or its designee within 48 hours of the occurrence.

3 The worksite monitor shall complete and submit a written report monthly or as directed by  
4 the Board or its designee which shall include the following: (1) Respondent's name and  
5 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)  
6 the worksite monitor's license number, if applicable; (4) the location or location(s) of the  
7 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the  
8 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;  
9 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can  
10 lead to suspected substance abuse by Respondent. Respondent shall complete any required  
11 consent forms and execute agreements with the approved worksite monitor and the Board, or its  
12 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

13 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)  
14 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior  
15 approval, the name and qualifications of a replacement monitor who will be assuming that  
16 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a  
17 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the  
18 monitor, Respondent shall receive a notification from the Board or its designee to cease the  
19 practice of medicine within three (3) calendar days after being so notified. Respondent shall  
20 cease the practice of medicine until a replacement monitor is approved and assumes monitoring  
21 responsibility.

22 7. VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING  
23 LICENSEES. Failure to fully comply with any term or condition of probation is a violation of  
24 probation.

25 A. If Respondent commits a major violation of probation as defined by section  
26 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take  
27 one or more of the following actions:

28 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical

1 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of  
2 Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice  
3 order issued by the Board or its designee shall state that Respondent must test negative for at least  
4 a month of continuous biological fluid testing before being allowed to resume practice. For  
5 purposes of determining the length of time a Respondent must test negative while undergoing  
6 continuous biological fluid testing following issuance of a cease-practice order, a month is  
7 defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until  
8 notified in writing by the Board or its designee that he or she may do so.

9 (2) Increase the frequency of biological fluid testing.

10 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or  
11 other action as determined by the Board or its designee.

12 B. If Respondent commits a minor violation of probation as defined by section  
13 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take  
14 one or more of the following actions:

15 (1) Issue a cease-practice order;

16 (2) Order practice limitations;

17 (3) Order or increase supervision of Respondent;

18 (4) Order increased documentation;

19 (5) Issue a citation and fine, or a warning letter;

20 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in  
21 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of  
22 Regulations, at Respondent's expense;

23 (7) Take any other action as determined by the Board or its designee.

24 C. Nothing in this Decision shall be considered a limitation on the Board's authority  
25 to revoke Respondent's probation if he or she has violated any term or condition of probation. If  
26 Respondent violates probation in any respect, the Board, after giving Respondent notice and the  
27 opportunity to be heard, may revoke probation and carry out the disciplinary order that was  
28 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed

1 against Respondent during probation, the Board shall have continuing jurisdiction until the matter  
2 is final, and the period of probation shall be extended until the matter is final.

3 8. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
4 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
5 Chief Executive Officer at every hospital where privileges or membership are extended to  
6 Respondent, at any other facility where Respondent engages in the practice of medicine,  
7 including all physician and locum tenens registries or other similar agencies, and to the Chief  
8 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
9 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
10 calendar days.

11 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

12 9. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
13 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
14 advanced practice nurses.

15 10. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
16 governing the practice of medicine in California and remain in full compliance with any court  
17 ordered criminal probation, payments, and other orders.

18 11. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
19 under penalty of perjury on forms provided by the Board, stating whether there has been  
20 compliance with all the conditions of probation.

21 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
22 of the preceding quarter.

23 12. GENERAL PROBATION REQUIREMENTS.

24 Compliance with Probation Unit

25 Respondent shall comply with the Board's probation unit.

26 Address Changes

27 Respondent shall, at all times, keep the Board informed of Respondent's business and  
28 residence addresses, email address (if available), and telephone number. Changes of such

addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a post office box serve as an address of record, except as allowed by Business and Professions Code section 2021(b).

Place of Practice

Respondent shall not engage in the practice of medicine in Respondent's or patient's place of residence, unless the patient resides in a skilled nursing facility or other similar licensed facility.

License Renewal

Respondent shall maintain a current and renewed California physician's and surgeon's license.

Travel or Residence Outside California

Respondent shall immediately inform the Board or its designee, in writing, of travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar days.

In the event Respondent should leave the State of California to reside or to practice, Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of departure and return.

13. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be available in person upon request for interviews either at Respondent's place of business or at the probation unit office, with or without prior notice throughout the term of probation.

14. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or its designee in writing within 15 calendar days of any periods of non-practice lasting more than 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is defined as any period of time Respondent is not practicing medicine as defined in Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct patient care, clinical activity or teaching, or other activity as approved by the Board. If Respondent resides in California and is considered to be in non-practice, Respondent shall comply with all terms and conditions of probation. All time spent in an intensive training

1 program which has been approved by the Board or its designee shall not be considered non-  
2 practice and does not relieve Respondent from complying with all the terms and conditions of  
3 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
4 on probation with the medical licensing authority of that state or jurisdiction shall not be  
5 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
6 period of non-practice.

7 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
8 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
9 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
10 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
11 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

12 Respondent's period of non-practice while on probation shall not exceed two (2) years.

13 Periods of non-practice will not apply to the reduction of the probationary term.

14 Periods of non-practice for a Respondent residing outside of California will relieve  
15 Respondent of the responsibility to comply with the probationary terms and conditions with the  
16 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
17 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
18 Controlled Substances; and Biological Fluid Testing..

19 15. COMPLETION OF PROBATION. Respondent shall comply with all financial  
20 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
21 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
22 be fully restored.

23 16. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
24 of probation is a violation of probation. If Respondent violates probation in any respect, the  
25 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
26 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke  
27 Probation, or an Interim Suspension Order is filed against Respondent during probation, the  
28 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall

1 be extended until the matter is final.

2 17. LICENSE SURRENDER. Following the effective date of this Decision, if  
3 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
4 the terms and conditions of probation, Respondent may request to surrender his or her license.  
5 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
6 determining whether or not to grant the request, or to take any other action deemed appropriate  
7 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
8 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
9 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
10 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
11 application shall be treated as a petition for reinstatement of a revoked certificate.

12 18. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
13 with probation monitoring each and every year of probation, as designated by the Board, which  
14 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
15 California and delivered to the Board or its designee no later than January 31 of each calendar  
16 year.

21 capacity as the Executive Director of the Medical Board of California, Department of Consumer  
22 Affairs (Board).

23 2. On or about April 29, 2009, the Medical Board issued Physician's and Surgeon's  
24 Certificate Number A 107471 to Siva Venu Natarajan, M.D. (Respondent). The Physician's and  
25 Surgeon's Certificate was in full force and effect at all times relevant to the charges brought  
26 herein and will expire on January 31, 2021, unless renewed.

27 **JURISDICTION**

28 3. The Accusation is brought before the Board, under the authority of the following

1 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
2 indicated.

3 4. Section 2001.1 of the Code states:

4 "Protection of the public shall be the highest priority for the Medical Board of California in  
5 exercising its licensing, regulatory, and disciplinary functions. Whenever the protection of the  
6 public is inconsistent with other interests sought to be promoted, the protection of the public shall  
7 be paramount."

8 5. Section 2227 of the Code states:

9 "(a) A licensee whose matter has been heard by an administrative law judge of the Medical  
10 Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default  
11 has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary  
12 action with the board, may, in accordance with the provisions of this chapter:

13 "(1) Have his or her license revoked upon order of the board.

14 "(2) Have his or her right to practice suspended for a period not to exceed one year upon  
15 order of the board.

16 "(3) Be placed on probation and be required to pay the costs of probation monitoring upon  
17 order of the board.

18 "(4) Be publicly reprimanded by the board. The public reprimand may include a  
19 requirement that the licensee complete relevant educational courses approved by the board.

20 "(5) Have any other action taken in relation to discipline as part of an order of probation, as  
21 the board or an administrative law judge may deem proper.

22 "(b) Any matter heard pursuant to subdivision (a), except for warning letters, medical  
23 review or advisory conferences, professional competency examinations, continuing education  
24 activities, and cost reimbursement associated therewith that are agreed to with the board and  
25 successfully completed by the licensee, or other matters made confidential or privileged by  
26 existing law, is deemed public, and shall be made available to the public by the board pursuant to  
27 Section 803.1."

28 6. Section 2234 of the Code states:

1       “The board shall take action against any licensee who is charged with unprofessional  
2 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not  
3 limited to, the following:

4       “(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the  
5 violation of, or conspiring to violate any provision of this chapter.

6       “...”

7       7. Section 2236 of the Code states:

8       “(a) The conviction of any offense substantially related to the qualifications, functions, or  
9 duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this  
10 chapter [Chapter 5, the Medical Practice Act]. The record of conviction shall be conclusive  
11 evidence only of the fact that the conviction occurred.

12       “(b) The district attorney, city attorney, or other prosecuting agency shall notify the  
13 Division of Medical Quality<sup>1</sup> of the pendency of an action against a licensee charging a felony or  
14 misdemeanor immediately upon obtaining information that the defendant is a licensee. The  
15 notice shall identify the licensee and describe the crimes charged and the facts alleged. The  
16 prosecuting agency shall also notify the clerk of the court in which the action is pending that the  
17 defendant is a licensee, and the clerk shall record prominently in the file that the defendant holds  
18 a license as a physician and surgeon.

19       “(c) The clerk of the court in which a licensee is convicted of a crime shall, within 48 hours  
20 after the conviction, transmit a certified copy of the record of conviction to the board. The  
21 division may inquire into the circumstances surrounding the commission of a crime in order to fix  
22 the degree of discipline or to determine if the conviction is of an offense substantially related to  
23 the qualifications, functions, or duties of a physician and surgeon.

25       ///

26       <sup>1</sup> California Business and Professions Code Section 2002, as amended and effective January 1,  
27 2008, provides that, unless otherwise expressly provided, the term “board” as used in the State Medical  
28 Practice Act (Cal. Bus. & Prof. Code §§§§ 2000, et seq.) means the “Medical Board of California” and  
references to the “Division of Medical Quality” and “Division of Licensing” in the Act or any other  
provision of law shall be deemed to refer to the Board.

1       “(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to  
2 be a conviction within the meaning of this section and Section 2236.1. The record of conviction  
3 shall be conclusive evidence of the fact that the conviction occurred.”

4       8. Section 2239 of the Code states:

5       “(a) The use or prescribing for or administering to himself or herself, of any controlled  
6 substance; or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic  
7 beverages, to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to  
8 any other person or to the public, or to the extent that such use impairs the ability of the licensee  
9 to practice medicine safely or more than one misdemeanor or any felony involving the use,  
10 consumption, or self-administration of any of the substances referred to in this section, or any  
11 combination thereof, constitutes unprofessional conduct. The record of the conviction is  
12 conclusive evidence of such unprofessional conduct.

13       “(b) A plea or verdict of guilty or a conviction following a plea of nolo contendere is  
14 deemed to be a conviction within the meaning of this section. The Medical Board may order  
15 discipline of the licensee in accordance with Section 2227 or the Medical Board may order the  
16 denial of the license when the time for appeal has elapsed or the judgment of conviction has been  
17 affirmed on appeal or when an order granting probation is made suspending imposition of  
18 sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal  
19 Code allowing such person to withdraw his or her plea of guilty and to enter a plea of not guilty,  
20 or setting aside the verdict of guilty, or dismissing the accusation, complaint, information, or  
21 indictment.”<sup>2</sup>

22       9. Section 490 of the Code states:

24 board may suspend or revoke a license on the ground that the licensee has been convicted of a

27       <sup>2</sup> There is a nexus between a physician's use of alcoholic beverages and his or her fitness to  
28 practice medicine, established by the Legislature in Section 2239, in “all cases where a licensed physician  
used alcoholic beverages to the extent or in such a manner as to pose a danger to himself or others.”

3 “(b) Notwithstanding any other provision of law, a board may exercise any authority to

5 subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties  
6 of the business or profession for which the licensee's license was issued.

7 “(c) A conviction within the meaning of this section means a plea or verdict of guilty or a  
8 conviction following a plea of nolo contendere. Any action that a board is permitted to take  
9 following the establishment of a conviction may be taken when the time for appeal has elapsed, or  
10 the judgment of conviction has been affirmed on appeal, or when an order granting probation is  
11 made suspending the imposition of sentence, irrespective of a subsequent order under the  
12 provisions of Section 1203.4 of the Penal Code.

13 “(d) The Legislature hereby finds and declares that the application of this section has been  
14 made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th  
15 554, and that the holding in that case has placed a significant number of statutes and regulations  
16 in question, resulting in potential harm to the consumers of California from licensees who have  
17 been convicted of crimes. Therefore, the Legislature finds and declares that this section  
18 establishes an independent basis for a board to impose discipline upon a licensee, and that the  
19 amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change  
20 to, but rather are declaratory of, existing law.”

21 10. Section 493 of the Code states:

22 “Notwithstanding any other provision of law, in a proceeding conducted by a board within  
23 the department pursuant to law to deny an application for a license or to suspend or revoke a  
24 license or otherwise take disciplinary action against a person who holds a license, upon the  
25 ground that the applicant or the licensee has been convicted of a crime substantially related to the  
26 qualifications, functions, and duties of the licensee in question, the record of conviction of the  
27 crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact,  
28 and the board may inquire into the circumstances surrounding the commission of the crime in

1 order to fix the degree of discipline or to determine if the conviction is substantially related to the  
2 qualifications, functions, and duties of the licensee in question.

4 11. California Code of Regulations, title 16, Section 1360 states:

5 "For the purposes of denial, suspension or revocation of a license, certificate or permit  
6 pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be  
7 considered to be substantially related to the qualifications, functions or duties of a person holding  
8 a license, certificate or permit under the Medical Practice Act if to a substantial degree it  
9 evidences present or potential unfitness of a person holding a license, certificate or permit to  
10 perform the functions authorized by the license, certificate or permit in a manner consistent with  
11 the public health, safety or welfare. Such crimes or acts shall include but not be limited to the  
12 following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the  
13 violation of, or conspiring to violate any provision of the Medical Practice Act."

14 **FACTUAL SUMMARY**

15 12. On August 29, 2018, in the case entitled the *People of the State of California v. Siva*  
16 *V. Natarajan*, case number CHPC 201701805, in the Superior Court of California, County of  
17 Orange, Respondent, upon his plea of guilty, was convicted of driving a vehicle while under the  
18 influence of alcohol, in violation of Vehicle Code Section 23152, subdivision (a), a  
19 misdemeanor,<sup>3</sup> and having a blood alcohol content of .08 percent or more, in violation of Vehicle  
20 Code Section 23152, subdivision (b), also a misdemeanor.<sup>4</sup> Pursuant to Vehicle Code section  
21 23540,<sup>5</sup> the charges triggered additional sentencing enhancements due to the commission of a

22 <sup>3</sup> Vehicle Code Section 23152, subdivision (a) provides: "It is unlawful for a person who is under  
23 the influence of any alcoholic beverage to drive a vehicle."

24 <sup>4</sup> Vehicle Code Section 23152, subdivision (b) provides: "It is unlawful for a person who has 0.08  
percent or more, by weight, of alcohol in her or her blood to drive a vehicle."

25 <sup>5</sup> Vehicle Code Section 23540, subdivision (a) provides: "If a person is convicted of a violation of  
26 Section 23152 and the offense occurred within 10 years of a separate violation of Section 23103, as  
27 specified in Section 23103.5, 23152, or 23153, that resulted in a conviction, that person shall be punished  
28 by imprisonment in the county jail for not less than 90 days nor more than one year and by a fine of not  
less than three hundred ninety dollars (\$390) nor more than one thousand dollars (\$1,000). The person's  
privilege to operate a motor vehicle shall be suspended by the department pursuant to paragraph (3) of  
subdivision (a) of Section 13352. The court shall require the person to surrender the driver's license to the  
court in accordance with Section 13550."

1 separate violation of Vehicle Code section 23103 within ten (10) years. The remaining criminal  
2 charge of violating Vehicle Code section 20002, subdivision (a), a misdemeanor,<sup>6</sup> was dismissed  
3 as part of Respondent's plea agreement with the Orange County District Attorney's Office.

4 Respondent was placed on five years of informal probation with the following terms and  
5 conditions:

- 6 A. Serve 60 days in Orange County Jail;
- 7 B. Complete Multiple Offender Alcohol Program;
- 8 C. Attend Victim Impact Counseling;
- 9 D. Not drive a vehicle with any measurable amount of alcohol in his blood;
- 10 E. Not drive a vehicle unless licensed and insured;
- 11 F. Submit to chemical testing on demand of any peace or probation officer;
- 12 G. Pay fines and fees;
- 13 H. Obey all laws;
- 14 I. Pay restitution as determined through the Victim Witness Program; and
- 15 J. Pay \$500.00 to the Victim Witness Emergency Fund.

16 13. The circumstances leading to Respondent's conviction are as follows:

17 A. At approximately 1:35 a.m. on September 22, 2017, law enforcement  
18 officers from California Highway Patrol were dispatched to investigate and assist in a report of a  
19 hit and run traffic collision on the State Route 55 southbound freeway.

20 B. Respondent's vehicle was located at the scene of the collision, partially blocking  
21 the carpool lane and the center median. His vehicle sustained moderate damage as a result of the  
22 collision, consisting of, but not limited to, a buckled hood, a dented and dislocated front bumper,  
23 broken headlights, buckled front fenders, a crushed grille, and a shattered windshield.

24 Respondent was not with the vehicle.

25 C. Another vehicle (Vehicle 2) was located on the right shoulder of the freeway.

26  
27 <sup>6</sup> Vehicle Code Section 20002(a), subdivision (a) provides: "The driver of any vehicle involved in  
28 an accident resulting only in damage to any property, including vehicles, shall immediately stop the  
vehicle at the nearest location that will not impeded traffic or otherwise jeopardize the safety of other  
motorists...."

1 Vehicle 2 sustained moderate damage, consisting of, but not limited to, a dented rear bumper and  
2 scratches to the rear bumper. The driver of Vehicle 2 was with his vehicle.

3 D. The driver of Vehicle 2 stated that he was driving his truck on the freeway when  
4 he felt an impact to the rear of his truck. The impact caused his vehicle to strike the raised  
5 concrete divider wall of the freeway. After this traffic collision, he drove his truck to the right  
6 shoulder and waited until the arrival of law enforcement.

7 E. California Highway Patrol officers searched Respondent's vehicle and identified  
8 Respondent as the vehicle's owner by his registration and insurance card. At approximately 2:28  
9 a.m., an officer contacted Respondent's wife, who then contacted Respondent.

10 F. At approximately 3:20 a.m., law enforcement officers found Respondent at a  
11 Mobil gas station near the scene of the traffic collision. Respondent's car keys were found in his  
12 possession.

13 G. Respondent stated that he had been in a car accident but had walked away from  
14 the scene due to his head spinning. He did not attempt to check on the welfare of the other  
15 vehicle's occupants, or call law enforcement. When law enforcement called him earlier, he was  
16 dazed and confused, and thought he was at St. Francis Hospital, where he works. After speaking  
17 with the officer, he recalled speaking with his wife, and realized he was not at the hospital.

18 H. As the officer spoke with Respondent, he detected the strong odor of alcoholic  
19 beverages emitting from Respondent's breath and person, and observed his eyes to be red and  
20 watery.

21 I. When the officer asked whether he had consumed any alcoholic beverages,  
22 Respondent stated that he could not remember. When the officer asked if he had consumed any  
23 alcoholic beverages after the accident, Respondent stated that he had not. Respondent also  
24 answered in the affirmative that he had bumped his head in the accident. Respondent related that  
25 he had been driving from his place of work, St. Francis Hospital, and was headed home.

26 J. Due to Respondent's objective signs and symptoms of alcohol intoxication,  
27 Standardized Field Sobriety Tests (SFSTs) were conducted and Respondent failed to perform  
28 satisfactorily.

1 K. Respondent stated he would submit to a chemical breath test. However, he  
2 stated he had just burped and had GERD. The officers initiated a 15 minute observation period  
3 before conducting the test. Respondent blew into the Preliminary Alcohol Screening Device,  
4 which registered at .137 and .134 Blood Alcohol Concentration (BAC) at 03:59 a.m. and 4:02  
5 a.m., respectively. Respondent was transported to the Santa Ana California Highway Patrol  
6 office.

7 L. When Respondent arrived at the office, he burped again prior to conducting the  
8 Chemical breath test. The officers sat directly in front of Respondent and observed him for  
9 another 15 minutes before conducting a chemical breath test.

10 M. At 4:42 a.m. and 4:47 a.m. respectively, Respondent provided breath samples of  
11 .12 BAC and .11 BAC. He was then transported to the Orange County Jail.

12 N. On December 12, 2017, Respondent was charged with a violation of Count 1:  
13 Vehicle Code section 23152, subdivision (a), Driving Under the Influence of Alcohol, a  
14 misdemeanor, Count 2: Vehicle Code section 23152, subdivision (b), Driving with a Blood  
15 Alcohol Concentration .08% or more, a misdemeanor, and Count 3: Vehicle Code section 20002,  
16 subdivision (a), Hit and Run with Property Damage, a misdemeanor. As to Counts 1 and 2,  
17 pursuant to Vehicle Code section 23540, additional enhancements were triggered due to the  
18 commission of a separate violation of Vehicle Code section 23103 within ten (10) years.

19 O. On August 29, 2018, Respondent pled guilty to Counts 1 and 2, and Count 3 was  
20 dismissed with a Harvey Waiver.<sup>7</sup> Respondent admitted his prior misdemeanor conviction as  
21 charged in Counts 1 and 2.

22 P. On November 27, 2018, Respondent voluntarily participated in an interview  
23 conducted by an investigator with the Medical Board of California's Complaint Investigation  
24 Office at the Glendale, California field office. During the interview, Respondent stated that he  
25 had previously been arrested for DUI in 2008, in which he had received a wet and reckless  
26 conviction. He stated that in that case, he had dinner with his family, including his three children,

27 <sup>7</sup> Restitution may be imposed on dismissed counts if the plea is freely made, the court approves all  
28 conditions, and the offender files a Harvey Waiver. (People v. Beck (1993) 17 Cal.App.4th 209, 215.)  
Under a Harvey Waiver, the offender is required to pay restitution on all counts connected with the plea.

1 when he was pulled over for weaving. He stated he performed the field sobriety test and was  
2 arrested.

3 Q. According to the Hermosa Beach Police Department record from that incident  
4 on May 23, 2009, Respondent had BAC readings of .083% and .085% when he blew into the  
5 Preliminary Alcohol Screening Device and BAC readings of .08% and .08% when he blew into a  
6 breathalyzer at the Hermosa Beach Police Department Jail.

7 R. During the interview, Respondent also stated that regarding the DUI on
