15 Physician's and Surgeon's Certificate A 46009,

Case No. 800-2018-040336
A C C U S A T I O N

17
18
19 **PARTIES**

- 20 1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official
21 capacity as the Executive Director of the Medical Board of California (Board).
22 2. On April 17, 1989, the Board issued Physician's and Surgeon's Certificate number A
23 46009 to Anil Gupta, M.D. (Respondent). That license was in full force and effect at all times
24 relevant to the charges brought herein and will expire on March 31, 2021, unless renewed.

25 **JURISDICTION**

- 26 3. This Accusation is brought before the Board under the authority of the following
27 laws. All section references are to the Business and Professions Code (Code) unless otherwise
28 indicated.

1 4. Section 2227 of the Code provides that a licensee who is found guilty under the
2 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
3 one year, placed on probation and required to pay the costs of probation monitoring, or such other
4 action taken in relation to discipline as the Board deems proper.

5 5. Section 2234 of the Code states:

6 “The board shall take action against any licensee who is charged with unprofessional
7 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
8 limited to, the following:

9 “(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
10 violation of, or conspiring to violate any provision of this chapter.

11 “(b) Gross negligence.

12 “(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or
13 omissions. An initial negligent act or omission followed by a separate and distinct departure from
14 the applicable standard of care shall constitute repeated negligent acts.

15 “(1) An initial negligent diagnosis followed by an act or omission medically
16 appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

17 “(2) When the standard of care requires a change in the diagnosis, act, or omission
18 that constitutes the negligent act described in paragraph (1), including, but not limited to, a
19 reevaluation of the diagnosis or a change in treatment, and the licensee’s conduct departs from the
20 applicable standard of care, each departure constitutes a separate and distinct breach of the
21 standard of care.

22 “(d) Incompetence.

23 “(e) The commission of any act involving dishonesty or corruption which is substantially
24 related to the qualifications, functions, or duties of a physician and surgeon.

25 “(f) Any action or conduct which would have warranted the denial of a certificate.

26 “(g) The practice of medicine from this state into another state or country without meeting
27 the legal requirements of that state or country for the practice of medicine. Section 2314 shall not
28 apply to this subdivision. This subdivision shall become operative upon the implementation of the

1 proposed registration program described in Section 2052.5.

2 “(h) The repeated failure by a certificate holder, in the absence of good cause, to attend and
3 participate in an interview by the board. This subdivision shall only apply to a certificate holder
4 who is the subject of an investigation by the board.”

5 **CAUSE FOR DISCIPLINE**

6 (Gross Negligence)

7 6. Respondent’s license is subject to disciplinary action under section 2234, subdivision
8 (b), in that he committed gross negligence in his care and treatment of Patient 1. The
9 circumstances are as follows:

10 7. At all times relevant to the allegations herein, Respondent was a physician practicing
11 internal medicine.

12 8. On January 2, 2018, Patient 1, a 79-year-old male, presented to the emergency
13 department with rectal bleeding. Patient 1 had a history of diabetes mellitus, hypertension,
14 chronic obstructive pulmonary disease, and severe coronary artery disease. Respondent admitted
15 Patient 1 to the hospital and noted in his history and physical that Patient 1’s electrocardiogram
16 (EKG) showed “inferolateral ST and T-wave changes.” The formal read of the EKG, however,
17 noted “marked ST abnormality, possible anterior subendocardial injury” as well as new ST
18 segment depressions in the inferior and anterolateral leads and new T-wave inversions in the
19 inferior and lateral leads. The EKG performed on January 3, 2018, was even more abnormal with
20 “acute anterior ischemia.”

21 9. Respondent did not order troponin levels until January 4, 2018, with the first value
22 not resulting until January 5, 2018. The first values of CK and CK-MB also were not checked
23 until January 5, 2018.

24 10. The standard of care is to promptly measure levels of cardiac enzymes, such as
25 troponin, or CK and CK-MB, in the evaluation of a patient where there is concern for cardiac
26 ischemia.

27 ///

28 ///

1 11. Respondent's failure to check the levels of cardiac enzymes for nearly 48 hours, in a
2 patient with both severe coronary artery disease and an EKG concerning for ischemia, was an
3 extreme departure from the standard of care.

4 **PRAYER**

5 **WHEREFORE**, Complainant requests that a hearing be held on the matters herein alleged,
6 and that following the hearing, the Medical Board of California issue a decision:

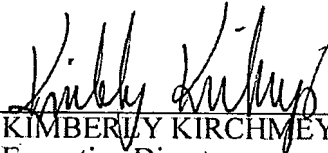

7 1. Revoking or suspending Physician's and Surgeon's Certificate Number A 46009,
8 issued to Anil Gupta, M.D.;

9 2. Revoking, suspending or denying approval of Anil Gupta, M.D.'s authority to
10 supervise physician assistants and advanced practice nurses;

11 3. If placed on probation, ordering Anil Gupta, M.D. to pay the Board the costs of
12 probation monitoring; and

13 4. Taking such other and further action as deemed necessary and proper.
