Public Letter of Reprimand

The Board's investigation revealed that you departed from the standard of care during the treatment of multiple patients by failing to have a single physician identified to provide comprehensive follow-up to the patients during their hospital stays. These actions are in violation of California B&P Code section 2234(c)-Repeated Negligent Acts - to be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.
