1 CULPABILITY

2 9. Respondent understands and agrees that the charges and allegations in Accusation

6 for the charges in the Accusation, and that Respondent hereby gives up his right to contest those

1 JURISDICTION

2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code unless otherwise indicated.

4 4. Section 2227 of the Code states:

5 “(a) A licensee whose matter has been heard by an administrative law judge of the Medical
6 Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default
7 has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary
8 action with the board, may, in accordance with the provisions of this chapter:

9 “(1) Have his or her license revoked upon order of the board.

10 “(2) Have his or her right to practice suspended for a period not to exceed one year upon
11 order of the board.

12 “(3) Be placed on probation and be required to pay the costs of probation monitoring upon
13 order of the board.

14 “(4) Be publicly reprimanded by the board. The public reprimand may include a
15 requirement that the licensee complete relevant educational courses approved by the board.

16 “(5) Have any other action taken in relation to discipline as part of an order of probation, as
17 the board or an administrative law judge may deem proper.

18 “(b) Any matter heard pursuant to subdivision (a), except for warning letters, medical
19 review or advisory conferences, professional competency examinations, continuing education
20 activities, and cost reimbursement associated therewith that are agreed to with the board and
21 successfully completed by the licensee, or other matters made confidential or privileged by
22 existing law, is deemed public, and shall be made available to the public by the board pursuant to
23 Section 803.1.”

24 5. Section 2234 of the Code, states:

25 “The board shall take action against any licensee who is charged with unprofessional
26 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
27 limited to, the following:

28 ///

1 “(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
2 violation of, or conspiring to violate any provision of this chapter.

3 “(b) Gross negligence.

4 “(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or
5 omissions. An initial negligent act or omission followed by a separate and distinct departure from
6 the applicable standard of care shall constitute repeated negligent acts.

7 “(1) An initial negligent diagnosis followed by an act or omission medically appropriate for
8 that negligent diagnosis of the patient shall constitute a single negligent act.

9 “(2) When the standard of care requires a change in the diagnosis, act, or omission that
10 constitutes the negligent act described in paragraph (1), including, but not limited to, a
11 reevaluation of the diagnosis or a change in treatment, and the licensee’s conduct departs from the
12 applicable standard of care, each departure constitutes a separate and distinct breach of the
13 standard of care.

14 “(d) Incompetence.

15 “(e) The commission of any act involving dishonesty or corruption which is substantially
16 related to the qualifications, functions, or duties of a physician and surgeon.

17 “(f) Any action or conduct which would have warranted the denial of a certificate.

18 “(g) The practice of medicine from this state into another state or country without meeting
19 the legal requirements of that state or country for the practice of medicine. Section 2314 shall not
20 apply to this subdivision. This subdivision shall become operative upon the implementation of
21 the proposed registration program described in Section 2052.5.

22 “(h) The repeated failure by a certificate holder, in the absence of good cause, to attend and
23 participate in an interview by the board. This subdivision shall only apply to a certificate holder
24 who is the subject of an investigation by the board.”

25 6. Section 2236 of the Code states:

26 “(a) The conviction of any offense substantially related to the qualifications, functions, or
27 duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this
28

1 chapter [Chapter 5, the Medical Practice Act]. The record of conviction shall be conclusive
2 evidence only of the fact that the conviction occurred.

3 “(b) The district attorney, city attorney, or other prosecuting agency shall notify the
4 Medical Board of the pendency of an action against a licensee charging a felony or misdemeanor
5 immediately upon obtaining information that the defendant is a licensee. The notice shall identify
6 the licensee and describe the crimes charged and the facts alleged. The prosecuting agency shall
7 also notify the clerk of the court in which the action is pending that the defendant is a licensee,
8 and the clerk shall record prominently in the file that the defendant holds a license as a physician
9 and surgeon.

10 “(c) The clerk of the court in which a licensee is convicted of a crime shall, within 48 hours
11 after the conviction, transmit a certified copy of the record of conviction to the board. The
12 division may inquire into the circumstances surrounding the commission of a crime in order to fix
13 the degree of discipline or to determine if the conviction is of an offense substantially related to
14 the qualifications, functions, or duties of a physician and surgeon.

15 “(d) A plea or verdict of guilty or a conviction after a plea of *nolo contendere* is deemed to
16 be a conviction within the meaning of this section and Section 2236.1. The record of conviction
17 shall be conclusive evidence of the fact that the conviction occurred.”

18 7. California Code of Regulations, title 16, section 1360, states:

19 “For the purposes of denial, suspension or revocation of a license, certificate or permit
20 pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be
21 considered to be substantially related to the qualifications, functions or duties of a person holding
22 a license, certificate or permit under the Medical Practice Act if to a substantial degree it
23 evidences present or potential unfitness of a person holding a license, certificate or permit to
24 perform the functions authorized by the license, certificate or permit in a manner consistent with
25 the public health, safety or welfare. Such crimes or acts shall include but not be limited to the
26 following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the
27 violation of, or conspiring to violate any provision of the Medical Practice Act.”

28 ///

1 8. Section 490 of the Code states:

2 “(a) In addition to any other action that a board is permitted to take against a licensee, a
3 board may suspend or revoke a license on the ground that the licensee has been convicted of a
4 crime, if the crime is substantially related to the qualifications, functions, or duties of the business
5 or profession for which the license was issued.

6 “(b) Notwithstanding any other provision of law, a board may exercise any authority to
7 discipline a licensee for conviction of a crime that is independent of the authority granted under
8 subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties
9 of the business or profession for which the licensee’s license was issued.

10 “(c) A conviction within the meaning of this section means a plea or verdict of guilty or a
11 conviction following a plea of nolo contendere. Any action that a board is permitted to take
12 following the establishment of a conviction may be taken when the time for appeal has elapsed, or
13 the judgment of conviction has been affirmed on appeal, or when an order granting probation is
14 made suspending the imposition of sentence, irrespective of a subsequent order under the
15 provisions of Section 1203.4 of the Penal Code.

16 “(d) The Legislature hereby finds and declares that the application of this section has been
17 made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th
18 554, and that the holding in that case has placed a significant number of statutes and regulations
19 in question, resulting in potential harm to the consumers of California from licensees who have
20 been convicted of crimes. Therefore, the Legislature finds and declares that this section
21 establishes an independent basis for a board to impose discipline upon a licensee, and that the
22 amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change
23 to, but rather are declaratory of, existing law.”

24 9. Section 493 of the Code states:

25 “Notwithstanding any other provision of law, in a proceeding conducted by a board within
26 the department pursuant to law to deny an application for a license or to suspend or revoke a
27 license or otherwise take disciplinary action against a person who holds a license, upon the
28 ground that the applicant or the licensee has been convicted of a crime substantially related to the

1 qualifications, functions, and duties of the licensee in question, the record of conviction of the
2 crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact,
3 and the board may inquire into the circumstances surrounding the commission of the crime in
4 order to fix the degree of discipline or to determine if the conviction is substantially related to the
5 qualifications, functions, and duties of the licensee in question.

6 "As used in this section, 'license' includes 'certificate,' 'permit,' 'authority,' and
7 'registration.'"

8 FACTUAL SUMMARY

9 10. On August 10, 2018, in the case entitled *The People of the State of California v. Gary*
10 *Feldman*, case number 8VW03068, in the Superior Court of California, County of Los Angeles,
11 Respondent, upon his plea of nolo contendere, was convicted of battery upon an intimate partner,
12 in violation of Penal Code section 243(e)(1), a misdemeanor. The remaining criminal charge was
13 dismissed as part of Respondent's plea agreement with the Los Angeles District Attorney's
14 Office. Respondent was placed on three years of supervised probation with the following terms
15 and conditions:

- 16 A. Serve one day in the Los Angeles county jail.
- 17 B. Perform 200 hours of community service.
- 18 C. Do not own, use or possess dangerous or deadly weapons, including firearms or
19 other concealable weapons.
- 20 D. Do not use or threaten to use force or violence against any person.
- 21 E. Obey any protective order.
- 22 F. Pay fine and fees.
- 23 G. Obey all laws and orders of the court.
- 24 H. Complete a 52-week domestic violence treatment program.

25 11. The circumstances leading to the above-referenced conviction are as follows:

26 A. On or about March 21, 2018, at approximately 2:25 p.m., officers from the Los
27 Angeles Police Department were approached by the victim in the 3900 block of Hopevale Drive.

28 ///

1 B. The victim told officers that she had been dating Respondent for approximately
2 3 years and had no children in common with him.

3 C. The victim stated that she was home alone when Respondent arrived at
4 approximately 1:50 p.m. Respondent demanded to see the victim's cellphone to check her call
5 log.

6 D. While viewing the victim's call log, Respondent became aware that the victim
7 called a male friend of hers the previous night and he became irate.

8 E. Respondent demanded to know why the victim contacted the male friend. The
9 victim attempted to walk away from the argument but Respondent grabbed the victim in a bear
10 hug, lifted her from the floor, and shook her side to side, yelling, "You bitch, you bitch. Tell me
11 the truth. You are cheating on me." Respondent then proceeded to punch the victim four to six
12 times in the abdomen.

13 F. The victim was able to get away, and as she ran, Respondent stated, "I will kill
14 you! Go ahead and call Paul and I will kill him too!" The victim was in fear for her life and
15 contacted the police because of the threats.

16 G. Officers attempted to make contact with Respondent; however, Respondent was
17 barricaded inside of his home. SWAT was called to the scene to assist with the investigation.

18 H. SWAT repeatedly directed Respondent to exit the location and submit to arrest.
19 Respondent ignored the requests of SWAT for approximately 2 hours. During this time,
20 neighbors and businesses were evacuated from the area due to safety concerns.

21 I. Respondent eventually surrendered and submitted to arrest.

22 **FIRST CAUSE FOR DISCIPLINE**

25 Feldman, M.D. is subject to disciplinary action under Section 2236, subdivision (a), and Section
26 490 of the Code, as well as California Code of Regulations, title 16, Section 1360, in that
27 Respondent has been convicted of crimes substantially related to the qualifications, function or
28 duties of a physician and surgeon.
