RE: Physician's and Surgeon's Certificate No. G 59919
Case No. 800-2018-044689

Public Letter of Reprimand

An investigation by the Medical Board of California revealed you departed from the standard of care for the unsupported reasons for providing medical exemptions, providing an exemption to all vaccines, and lack of knowledge for providing a permanent exemption instead of a temporary exemption.

These actions constitute a violation of Business and Professions Code 2234, 2234 (b), and 2234 (d).

Pursuant to the authority of California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California, and you are required to do the following: 40 hours of education courses in the areas of immunization practices and vaccine safety.
