The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Second Amended Accusation No. 800-2015-014879, and will expire on May 31, 2021, unless renewed.

JURISDICTION

4. Second Amended Accusation No. 800-2015-014879 was filed before the Board, on or about March 27, 2020, and is currently pending against Respondent. The original Accusation and all other statutorily required documents were properly served on Respondent on or about April 27, 2018. Respondent timely filed her Notice of Defense contesting the Accusation.

5. A copy of Second Amended Accusation No. 800-2015-014879 is attached as Exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Second Amended Accusation No. 800-2015-014879. Respondent has also carefully read, fully discussed with her counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

1 CULPABILITY

2 9. Respondent understands and agrees that the charges and allegations in Second

4 discipline upon her Physician's and Surgeon's Certificate.

5 10. Respondent admits the truth of the charges and allegations in the Second Cause for
6 Discipline as set forth in Second Amended Accusation No. 800-2015-014879. Respondent denies

14 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
15 Board of California may communicate directly with the Board regarding this stipulation and
16 settlement, without notice to or participation by Respondent or her counsel. By signing the

21 action between the parties, and the Board shall not be disqualified from further action by having
22 considered this matter.

23 13. Respondent agrees that if she ever petitions for early termination or modification of
24 probation, or if an accusation and/or petition to revoke probation is filed against her before the
25 Board, all of the charges and allegations contained in Second Amended Accusation No. 800-
26 2015-014879 shall be deemed true, correct and fully admitted by Respondent for purposes of any
27 such proceeding or any other licensing proceeding involving Respondent in the State of
28 California.

14. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

15. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by the Respondent, issue and enter the following Disciplinary Order:

6 ordered criminal probation, payments, and other orders.

7 8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
8 under penalty of perjury on forms provided by the Board, stating whether there has been
9 compliance with all the conditions of probation.

10 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
11 of the preceding quarter.

12 9. GENERAL PROBATION REQUIREMENTS.

13 Compliance with Probation Unit

14 Respondent shall comply with the Board's probation unit.

15 Address Changes

16 Respondent shall, at all times, keep the Board informed of Respondent's business and
17 residence addresses, email address (if available), and telephone number. Changes of such
18 addresses shall be immediately communicated in writing to the Board or its designee. Under no
19 circumstances shall a post office box serve as an address of record, except as allowed by Business
20 and Professions Code section 2021, subdivision (b).

21 Place of Practice

22 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
23 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
24 facility.

25 License Renewal

26 Respondent shall maintain a current and renewed California physician's and surgeon's
27 license.

28 Travel or Residence Outside California

Respondent shall immediately inform the Board or its designee, in writing, of travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar days.

In the event Respondent should leave the State of California to reside or to practice, Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of departure and return.

10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be available in person upon request for interviews either at Respondent's place of business or at the probation unit office, with or without prior notice throughout the term of probation.

11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or its designee in writing within 15 calendar days of any periods of non-practice lasting more than 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is defined as any period of time Respondent is not practicing medicine as defined in Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct patient care, clinical activity or teaching, or other activity as approved by the Board. If Respondent resides in California and is considered to be in non-practice, Respondent shall comply with all terms and conditions of probation. All time spent in an intensive training program which has been approved by the Board or its designee shall not be considered non-practice and does not relieve Respondent from complying with all the terms and conditions of probation. Practicing medicine in another state of the United States or Federal jurisdiction while on probation with the medical licensing authority of that state or jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall not be considered as a period of non-practice.

In the event Respondent's period of non-practice while on probation exceeds 18 calendar months, Respondent shall successfully complete the Federation of State Medical Boards's Special Purpose Examination, or, at the Board's discretion, a clinical competence assessment program that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

1 Respondent's period of non-practice while on probation shall not exceed two (2) years.

2 Periods of non-practice will not apply to the reduction of the probationary term.

3 Periods of non-practice for a Respondent residing outside of California will relieve
4 Respondent of the responsibility to comply with the probationary terms and conditions with the
5 exception of this condition and the following terms and conditions of probation: Obey All Laws;
6 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
7 Controlled Substances; and Biological Fluid Testing..

8 12. COMPLETION OF PROBATION. Respondent shall comply with all financial
9 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
10 completion of probation. Upon successful completion of probation, Respondent's certificate shall
11 be fully restored.

12 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
13 of probation is a violation of probation. If Respondent violates probation in any respect, the
14 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
15 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
16 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
17 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
18 be extended until the matter is final.

19 14. LICENSE SURRENDER. Following the effective date of this Decision, if
20 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
21 the terms and conditions of probation, Respondent may request to surrender his or her license.
22 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
23 determining whether or not to grant the request, or to take any other action deemed appropriate
24 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
25 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
26 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
27 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
28 application shall be treated as a petition for reinstatement of a revoked certificate.

15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated with probation monitoring each and every year of probation, as designated by the Board, which may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of California and delivered to the Board or its designee no later than January 31 of each calendar year.

16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for a new license or certification, or petition for reinstatement of a license, by any other health care licensing action agency in the State of California, all of the charges and allegations contained in Second Amended Accusation No. 800-2015-014879 shall be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or restrict license.

SECOND AMENDED ACCUSATION

19
20 Complainant alleges:

21 **PARTIES**

22 1. Christine J. Lally (Complainant) brings this Second Amended Accusation solely in
23 her official capacity as the Interim Executive Director of the Medical Board of California,
24 Department of Consumer Affairs (Board).

25 2. On or about October 18, 1995, the Medical Board issued Physician's and Surgeon's
26 Certificate Number A 55002 to Alisa Allene Cross, M.D. (Respondent). The Physician's and
27 Surgeon's Certificate was in full force and effect at all times relevant to the charges brought
28 herein and will expire on May 31, 2021, unless renewed.

JURISDICTION

3. This Second Amended Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2234 of the Code states:

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

...

(b) Gross negligence.

(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.

(1) An initial negligent diagnosis followed by an act or omission medically appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

(2) When the standard of care requires a change in the diagnosis, act, or omission that constitutes the negligent act described in paragraph (1), including, but not limited to, a reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the applicable standard of care, each departure constitutes a separate and distinct breach of the standard of care.

....

6. Section 2242 of the Code provides, "[p]rescribing, dispensing, or furnishing dangerous drugs as defined in Section 4022 without an appropriate examination and a medical indication, constitutes unprofessional conduct."

7. Section 2266 of the Code states: "The failure of a physician and surgeon to maintain adequate and accurate records relating to the provision of services to their patients constitutes unprofessional conduct."

1 8. Section 2305 of the Code states:

2 The revocation, suspension, or other discipline, restriction or limitation imposed
3 by another state upon a license or certificate to practice medicine issued by that state, or the
4 revocation, suspension, or restriction of the authority to practice medicine by any agency of
5 the federal government, that would have been grounds for discipline in California of a
6 licensee under this chapter [Chapter 5, the Medical Practice Act] shall constitute grounds
7 for disciplinary action for unprofessional conduct against the licensee in this state.

8 9. Section 141 of the Code states:

9 (a) For any licensee holding a license issued by a board under the jurisdiction
10 of the department, a disciplinary action taken by another state, by any agency of the
11 federal government, or by another country for any act substantially related to the practice
12 regulated by the California license, may be a ground for disciplinary action by the
13 respective state licensing board. A certified copy of the record of the disciplinary action
14 taken against the licensee by another state, an agency of the federal government, or
15 another country shall be conclusive evidence of the events related therein.

16 (b) Nothing in this section shall preclude a board from applying a specific
17 statutory provision in the licensing act administered by that board that provides for
18 discipline based upon a disciplinary action taken against the licensee by another state, an
19 agency of the federal government, or another country.

20 FIRST CAUSE FOR DISCIPLINE

21 (Repeated Negligent Acts)

22 10. Respondent is subject to disciplinary action under Code section 2234, subdivision (c),
23 in that she was negligent in her care and treatment of three patients.¹ The circumstances are as
24 follows:

25 A. During the relevant time period, Respondent was engaged in the private practice of
26 adult psychiatry and psychopharmacology in both the State of California and the State of Texas.

27 B. The Board opened an investigation into Respondent's prescribing practices after it
28 received a complaint that Respondent may be excessively and improperly prescribing controlled
substances to one of her family members.

C. During the course of the investigation, the Board identified three patients to whom
Respondent had inappropriately prescribed medications. Each of those patients was diagnosed

¹ The identity of the three patients is being withheld here to protect their privacy.
Respondent is aware of their identities, which were disclosed to Respondent during the course of
the Board's investigation and again in the Board's discovery production(s) in this action.

1 with Attention Deficit Disorder (ADD). Respondent prescribed the three patients Adderall,
2 dextroamphetamine and Vyvanse, which are central nervous system stimulants used in the
3 treatment of ADD. Respondents' care and treatment of each of the three patients departed from
4 the applicable standard of care in the medical community.

5 D. Specifically with regards to each of the three patients,

6 (1) The patient's record is devoid of evidence to support the diagnosis of ADD. Namely,
7 the patient's records are devoid of any comprehensive evaluations for ADD, including any
8 evidence that the patient suffered from ADD as a child, a necessary pre-requisite, and at least
9 moderate impairment in the core criteria of the diagnosis such as inattention, distractibility, task
10 completion, procrastination, impulsivity, interrupting, forgetfulness, losing things and
11 organizational capacity.

12 (2) Respondent prescribed supratherapeutic doses of Adderall in combination with
13 Vyvanse without any documentation to support the failure of lower doses of stimulants or side
14 effect profiles in relation to these high doses.

15 E. Respondent's care and treatment of each of the three patients represents a simple
16 departure from the standard of care.

17 SECOND CAUSE FOR DISCIPLINE

18 (Out of State Discipline)

19 11. Respondent is subject to disciplinary action under sections 2305 and 141 of the Code
20 in that she was disciplined in Texas for prescribing controlled substances and other medications
21 to a person with whom she had a close, personal relationship, without a demonstrated or
22 documented immediate need. The circumstances are as follows:

23 A. On June 12, 2015, the Texas Medical Board issued an Agreed Order regarding
24 Respondent's license to practice medicine in Texas. The Agreed Order contains findings that
25 Respondent admitted to prescribing controlled substances and other medications to a person with
26 whom she has a close, personal relationship, without a demonstrated or documented immediate
27 need. The Texas Medical Board concluded that Respondent's conduct constituted unprofessional
28 conduct and failure to adhere to acceptable practice standards under various provisions of Texas

1 law. Respondent's Texas medical license was publicly reprimanded. She was prohibited from
2 treating or serving as a physician for her immediate family, and ordered not to prescribe any
3 controlled substances or dangerous drugs with addictive potential or potential for abuse to herself
