22 **PARTIES**

23 1. William Prasifka (Complainant) is the current Executive Director of the Medical  
24 Board of California (Board). This action was previously brought by Kimberly Kirchmeyer and  
25 Christine J. Lally solely in their prior official capacities as Executive Director and Interim  
26 Executive Director, respectively, of the Board. Complainant is represented in this matter by  
27 Xavier Becerra, Attorney General of the State of California, by Giovanni F. Mejia, Deputy  
28 Attorney General.

2. Respondent Anna R. Gevorgyan, M.D. (Respondent) is represented in this proceeding by attorneys Peter R. Osinoff, Esq. and Derek F. O'Reilly-Jones, Esq., whose address is: Bonne, Bridges, Mueller, O'Keefe & Nichols, 355 South Grand Avenue, Suite 1750, Los Angeles, CA 90071-15621.

3. On or about July 11, 2008, the Board issued Physician's and Surgeon's Certificate No. A 104829 to Anna R. Gevorgyan, M.D. (Respondent). The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Second Amended Accusation No. 800-2017-030511, and will expire on June 30, 2022, unless renewed.

## JURISDICTION

4. Accusation No. 800-2017-030511 was filed before the Board. The Accusation and all other statutorily required documents were properly served on Respondent on December 14, 2018. Respondent timely filed her Notice of Defense contesting the Accusation.

5. First Amended Accusation No. 800-2017-030511 was filed before the Board and duly served on Respondent July 26, 2019.

6. Second Amended Accusation No. 800-2017-030511 was filed before the Board on March 18, 2020, and is currently pending before the Board. The Second Amended Accusation was duly served on Respondent March 18, 2020.

7. A copy of Second Amended Accusation No. 800-2017-030511 is attached as exhibit A and incorporated herein by reference.

## ADVISEMENT AND WAIVERS

8. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Second Amended Accusation No. 800-2017-030511. Respondent has also carefully read, fully discussed with her counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

9. Respondent is fully aware of her legal rights in this matter, including the right to a hearing on the charges and allegations in the Second Amended Accusation; the right to confront and cross-examine the witnesses against her; the right to present evidence and to testify on her own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the

1 production of documents; the right to reconsideration and court review of an adverse decision;  
2 and all other rights accorded by the California Administrative Procedure Act and other applicable  
3 laws.

4 10. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
5 every right set forth above.

#### 6 CULPABILITY

7 11. Respondent agrees that, at an administrative hearing, Complainant could establish a  
8 prima facie case with respect to the charges and allegations in Second Amended Accusation  
9 No. 800-2017-030511, and Respondent hereby gives up her right to contest those charges.

10 12. Respondent agrees that if she ever petitions for early termination or modification of  
11 probation, or if an accusation and/or petition to revoke probation is filed against her before the  
12 Board, all of the charges and allegations contained in Second Amended Accusation No. 800-  
13 2017-030511 shall be deemed true, correct and fully admitted by respondent for purposes of any  
14 such proceeding or any other licensing proceeding involving Respondent in the State of  
15 California.

16 13. Respondent agrees that her Physician's and Surgeon's Certificate is subject to  
17 discipline and she agrees to be bound by the Board's probationary terms as set forth in the  
18 Disciplinary Order below.

#### 19 CONTINGENCY

20 14. This stipulation shall be subject to approval by the Board. Respondent understands  
21 and agrees that counsel for Complainant and the staff of the Board may communicate directly  
22 with the Board regarding this stipulation and settlement, without notice to or participation by  
23 Respondent or her counsel. By signing the stipulation, Respondent understands and agrees that  
24 she may not withdraw her agreement or seek to rescind the stipulation prior to the time the Board  
25 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,  
26 the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this  
27 paragraph, it shall be inadmissible in any legal action between the parties, and the Board or any  
28 member thereof shall not be disqualified from further action by having considered this matter.

Respondent further agrees that should this Stipulated Settlement and Disciplinary Order be rejected for any reason by the Board, Respondent will assert no claim that the Board, or any member thereof, was prejudiced by review, discussion and/or consideration of this Stipulated Settlement and Disciplinary Order, or of any matter or matters related hereto.

#### **ADDITIONAL PROVISIONS**

15. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to be an integrated writing representing the complete, final and exclusive embodiment of the agreements of the parties in the above-entitled matter.

16. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

17. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by the Respondent, issue and enter the following Disciplinary Order:

#### **DISCIPLINARY ORDER**

1. EDUCATION COURSE. Within 60 calendar days of the effective date of this Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee for its prior approval educational program(s) or course(s) which shall not be less than 40 hours per year, for each year of probation. The educational program(s) or course(s) shall be aimed at correcting any areas of deficient practice or knowledge and shall be Category I certified. The educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure. Following the completion of each course, the Board or its designee may administer an examination to test

////

Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65 hours of CME of which 40 hours were in satisfaction of this condition.

2. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a course in medical record keeping approved in advance by the Board or its designee. Respondent shall provide the approved course provider with any information and documents that the approved course provider may deem pertinent. Respondent shall participate in and successfully complete the classroom component of the course not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully complete any other component of the course within one (1) year of enrollment. The medical record keeping course shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

A medical record keeping course taken after the acts that gave rise to the charges in the Second Amended Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board or its designee, be accepted towards the fulfillment of this condition if the course would have been approved by the Board or its designee had the course been taken after the effective date of this Decision.

Respondent shall submit a certification of successful completion to the Board or its designee not later than 15 calendar days after successfully completing the course, or not later than 15 calendar days after the effective date of the Decision, whichever is later.

1 component. The professionalism program shall be at Respondent's expense and shall be in  
2 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

3 A professionalism program taken after the acts that gave rise to the charges in the Second  
4 Amended Accusation, but prior to the effective date of the Decision may, in the sole discretion of  
5 the Board or its designee, be accepted towards the fulfillment of this condition if the program  
6 would have been approved by the Board or its designee had the program been taken after the  
7 effective date of this Decision.

8 Respondent shall submit a certification of successful completion to the Board or its  
9 designee not later than 15 calendar days after successfully completing the program or not later  
10 than 15 calendar days after the effective date of the Decision, whichever is later.

11 4. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this  
12 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
13 monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose  
14 licenses are valid and in good standing, and who are preferably American Board of Medical  
15 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
16 relationship with Respondent, or other relationship that could reasonably be expected to  
17 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
18 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
19 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

20 The Board or its designee shall provide the approved monitor with copies of the Decision(s)  
21 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the  
22 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed  
23 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role  
24 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees  
25 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the  
26 signed statement for approval by the Board or its designee.

27 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
28 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall

1 make all records available for immediate inspection and copying on the premises by the monitor  
2 at all times during business hours and shall retain the records for the entire term of probation.

3 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
4 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
5 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
6 shall cease the practice of medicine until a monitor is approved to provide monitoring  
7 responsibility.

8 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
9 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
10 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
11 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
12 that the monitor submits the quarterly written reports to the Board or its designee within 10  
13 calendar days after the end of the preceding quarter.

14 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
15 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
16 name and qualifications of a replacement monitor who will be assuming that responsibility within  
17 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
18 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
19 notification from the Board or its designee to cease the practice of medicine within three (3)  
20 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
21 replacement monitor is approved and assumes monitoring responsibility.

22 In lieu of a monitor, Respondent may participate in a professional enhancement program  
23 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
24 review, semi-annual practice assessment, and semi-annual review of professional growth and  
25 education. Respondent shall participate in the professional enhancement program at Respondent's  
26 expense during the term of probation.

27 5. PROHIBITED PRACTICE. During probation, Respondent is prohibited from holding  
28 a majority interest or being a sole proprietor, partner, officer, director, or manager in any business

1 that offers elective cosmetic surgery, as defined by Business and Professions Code  
2 section 2259.8, subdivision (d).

3 6. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
4 Respondent shall provide a true copy of this Decision and Second Amended Accusation to the  
5 Chief of Staff or the Chief Executive Officer at every hospital where privileges or membership  
6 are extended to Respondent, at any other facility where Respondent engages in the practice of  
7 medicine, including all physician and locum tenens registries or other similar agencies, and to the  
8 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage  
9 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within  
10 15 calendar days.

11 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

12 7. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
13 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
14 advanced practice nurses.

15 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
16 governing the practice of medicine in California and remain in full compliance with any court  
17 ordered criminal probation, payments, and other orders.

18 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
19 under penalty of perjury on forms provided by the Board, stating whether there has been  
20 compliance with all the conditions of probation.

21 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
22 of the preceding quarter.

23 10. GENERAL PROBATION REQUIREMENTS.

24 Compliance with Probation Unit

25 Respondent shall comply with the Board's probation unit.

26 Address Changes

27 Respondent shall, at all times, keep the Board informed of Respondent's business and  
28 residence addresses, email address (if available), and telephone number. Changes of such

addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a post office box serve as an address of record, except as allowed by Business and Professions Code section 2021, subdivision (b).

Place of Practice

Respondent shall not engage in the practice of medicine in Respondent's or patient's place of residence, unless the patient resides in a skilled nursing facility or other similar licensed facility.

License Renewal

Respondent shall maintain a current and renewed California physician's and surgeon's license.

Travel or Residence Outside California

Respondent shall immediately inform the Board or its designee, in writing, of travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar days.

In the event Respondent should leave the State of California to reside or to practice, Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of departure and return.

11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be available in person upon request for interviews either at Respondent's place of business or at the probation unit office, with or without prior notice throughout the term of probation.

12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or its designee in writing within 15 calendar days of any periods of non-practice lasting more than 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is defined as any period of time Respondent is not practicing medicine as defined in Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct patient care, clinical activity or teaching, or other activity as approved by the Board. If Respondent resides in California and is considered to be in non-practice, Respondent shall comply with all terms and conditions of probation. All time spent in an intensive training program

1 which has been approved by the Board or its designee shall not be considered non-practice and  
2 does not relieve Respondent from complying with all the terms and conditions of probation.  
3 Practicing medicine in another state of the United States or Federal jurisdiction while on  
4 probation with the medical licensing authority of that state or jurisdiction shall not be considered  
5 non-practice. A Board-ordered suspension of practice shall not be considered as a period of non-  
6 practice.

7 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
8 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
9 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
10 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
11 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

12 Respondent's period of non-practice while on probation shall not exceed two (2) years.

13 Periods of non-practice will not apply to the reduction of the probationary term.

14 Periods of non-practice for a Respondent residing outside of California will relieve  
15 Respondent of the responsibility to comply with the probationary terms and conditions with the  
16 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
17 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
18 Controlled Substances; and Biological Fluid Testing..

19 13. COMPLETION OF PROBATION. Respondent shall comply with all financial  
20 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
21 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
22 be fully restored.

23 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
24 of probation is a violation of probation. If Respondent violates probation in any respect, the  
25 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
26 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
27 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have

28 ////.

1 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
2 the matter is final.

3 15. LICENSE SURRENDER. Following the effective date of this Decision, if  
4 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
5 the terms and conditions of probation, Respondent may request to surrender his or her license.  
6 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
7 determining whether or not to grant the request, or to take any other action deemed appropriate  
8 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
9 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
10 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
11 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
12 application shall be treated as a petition for reinstatement of a revoked certificate.

13 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
14 with probation monitoring each and every year of probation, as designated by the Board, which  
15 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
16 California and delivered to the Board or its designee no later than January 31 of each calendar  
17 year.

18 17. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for a  
19 new license or certification, or petition for reinstatement of a license, by any other health care  
20 licensing action agency in the State of California, all of the charges and allegations contained in  
21 Second Amended Accusation No. 800-2017-030511 shall be deemed to be true, correct, and  
22 admitted by Respondent for the purpose of any Statement of Issues or any other proceeding  
23 seeking to deny or restrict license.
