1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Repeated Negligent Acts)**

3 7. Respondent is subject to disciplinary action under Code sections 2227 and 2234,
4 subdivision (c), in that he committed repeated negligent acts during the care and treatment of
5 Patients A and B.¹ The circumstances are as follows:

6 8. On or about August 17, 2016, Patient A went to Respondent's clinic in Yuba City,
7 California, upon a referral from her primary care physician. Patient A sought a second opinion
8 consultation regarding her epilepsy, in part due to side effects from her medication. Patient A
9 brought her medical records to the appointment from the physician who had previously been
10 treating her for epilepsy.

11 9. During the visit, Respondent refused to examine Patient A, declined to review her
12 medical records, and threw her medical records into the trash. Respondent insisted that Patient
13 A's daughter and grandson accompany them in the examination room. Patient A and her
14 daughter attempted to tell Respondent about Patient A's medical problems and the complications
15 with her medication. Respondent dismissed Patient A's account of experiencing side effects.
16 Respondent accused Patient A of faking her symptoms, called her mentally deranged, and told her
17 to seek mental health services. Patient A left Respondent's office upset by his conduct.

18 10. Shortly after the above visit, Patient A's daughter posted a review on Respondent's
19 Facebook Business Page, criticizing Respondent's treatment of Patient A.

20 11. On or about May 3, 2017, Patient B saw Respondent for an endocrine consultation.
21 Patient B is hard of hearing and was accompanied by her husband who helped interpret for her.
22 Respondent later recalled, during an interview with Board investigators, that he observed Patient
23 B and her husband using sign language with each other and that he assumed Patient B's husband
24 was deaf. Patient B was uncomfortable with the care she received during the visit. Shortly after,
25 Patient B's husband posted a comment on Respondent's Facebook Business Page. Respondent
26 replied several times to comments by Patient B's husband, making the following statements:

27
28 ¹ The patients' names are omitted to protect privacy.

1 a. "I rate myself 5 out of 5 I am the best dr in town ask 99 percent of my patient
2 the 1 percent remaining are criminal delinquent mentally ill."

3 b. "You are full of shit deaf man I am in the process filing a defamation law suit
4 against you check your mail for Suppina sucker."

5 c. "Your Arm tato showes who you are a criminal subject to prosecution too."

6 12. After noticing Respondent's comments directed at Patient B's husband, Patient A also
7 engaged in a dialogue with Respondent on his Facebook Business Page. Respondent made the
8 following statements to Patient A:

9 a. "You are like your friends all full of shit white trash scom bag."

10 b. "[Patient A], you are wife trash go to hell."

11 c. "Fuck you [Patient A] suck my dick."

12 d. "Prostitute [Patient A] go get laid off don't waste your time here I am like

17 charg white trash spit on you my shit on to your face mother Fucket I smash your face if you
18 don't shout up lick my ass."

19 h. "Fuck you and media who cares shit on you and media go Fuck ur family."

20 13. On or about January 31, 2019, during an interview with Board investigators,
21 Respondent admitted to making the above statements on his Facebook Business Page.

22 **SECOND CAUSE FOR DISCIPLINE**

23 **(Gross Negligence)**

24 14. Respondent is further subject to disciplinary action under Code sections 2227 and
25 2234, subdivision (b), in that he has engaged in gross negligence in his care and treatment of
26 Patient A, as more particularly alleged in paragraphs 7 through 13, above, which are hereby
27 incorporated by reference as if fully set forth herein.
