**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

17
18 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
22 California (Board). His predecessor as Executive Director brought this action solely in her
23 official capacity. The Complainant is represented in this matter by Xavier Becerra, Attorney
24 General of the State of California, by Robert McKim Bell, Supervising Deputy Attorney General.

25 2. Respondent Hampton T. Gaskins, M.D. (Respondent) is represented in this
26 proceeding by attorney Raymond J. McMahon, whose address is 5440 Trabuco Road
27 Irvine, California 92620.

28 //

1 10. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
 2 discipline and he agrees to be bound by the Board's probationary terms as set forth in the
 3 Disciplinary Order below.

4 **CIRCUMSTANCES IN MITIGATION**

5 11. Respondent Hampton T. Gaskins, M.D. has not been the subject of prior disciplinary
 6 action and is admitting responsibility at an early stage in the proceedings.

7 **CONTINGENCY**

8 12. This stipulation shall be subject to approval by the Medical Board of California.
 9 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
 10 Board of California may communicate directly with the Board regarding this stipulation and
 11 settlement, without notice to or participation by Respondent or his counsel. By signing the
 12 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
 13 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
 14 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
 15 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
 16 action between the parties, and the Board shall not be disqualified from further action by having
 17 considered this matter.

18 13. Respondent agrees that if he ever petitions for early termination or modification of
 19 probation, or if an accusation and/or petition to revoke probation is filed against him before the
 20 Board, all of the charges and allegations contained in Accusation No. 800-2016-028251 shall be
 21 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any
 22 other licensing proceeding involving Respondent in the State of California.

23 14. The parties understand and agree that Portable Document Format (PDF) and facsimile
 24 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
 25 signatures thereto, shall have the same force and effect as the originals.

26 15. In consideration of the foregoing admissions and stipulations, the parties agree that
 27 the Board may, without further notice or opportunity to be heard by the Respondent, issue and
 28 enter the following Disciplinary Order:

1 **DISCIPLINARY ORDER**

2 **IT IS HEREBY ORDERED THAT** Physician's and Surgeon's Certificate No. G 36905
3 issued to Respondent Hampton T. Gaskins, M.D. is revoked. However, the revocation is stayed
4 and Respondent is placed on probation for three (3) years on the following terms and conditions:

5 1. **PRACTICE LIMITATION.** As part of probation, Respondent shall abstain from
6 further cervical neck epidural injections without fluoroscopy or other remote guidance.

7 2. **EDUCATION COURSE.** Within 60 calendar days of the effective date of this
8 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee
9 for its prior approval educational program(s) or course(s) which shall not be less than 40 hours
10 per year, for each year of probation. The educational program(s) or course(s) shall be aimed at
11 correcting any areas of deficient practice or knowledge and shall be Category I certified. The
12 educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to
13 the Continuing Medical Education (CME) requirements for renewal of licensure. Following the
14 completion of each course, the Board or its designee may administer an examination to test
15 Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65
16 hours of CME of which 40 hours were in satisfaction of this condition.

17 3. **NOTIFICATION.** Within seven (7) days of the effective date of this Decision, the
18 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
19 Chief Executive Officer at every hospital where privileges or membership are extended to
20 Respondent, at any other facility where Respondent engages in the practice of medicine,
21 including all physician and locum tenens registries or other similar agencies, and to the Chief
22 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
23 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
24 calendar days.

25 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

26 4. **SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE**
27 **NURSES.** During probation, Respondent is prohibited from supervising physician assistants and
28 advanced practice nurses.

1 5. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
2 governing the practice of medicine in California and remain in full compliance with any court
3 ordered criminal probation, payments, and other orders.

4 6. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
5 under penalty of perjury on forms provided by the Board, stating whether there has been
6 compliance with all the conditions of probation.

7 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
8 of the preceding quarter.

9 7. GENERAL PROBATION REQUIREMENTS.

10 Compliance with Probation Unit

11 Respondent shall comply with the Board's probation unit.

12 Address Changes

13 Respondent shall, at all times, keep the Board informed of Respondent's business and
14 residence addresses, email address (if available), and telephone number. Changes of such
15 addresses shall be immediately communicated in writing to the Board or its designee. Under no
16 circumstances shall a post office box serve as an address of record, except as allowed by Business
17 and Professions Code section 2021, subdivision (b).

18 Place of Practice

19 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
20 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
21 facility.

22 License Renewal

23 Respondent shall maintain a current and renewed California physician's and surgeon's
24 license.

25 Travel or Residence Outside California

26 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
27 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
28 (30) calendar days.

1 In the event Respondent should leave the State of California to reside or to practice,
2 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
3 departure and return.

4 8. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
5 available in person upon request for interviews either at Respondent's place of business or at the
6 probation unit office, with or without prior notice throughout the term of probation.

7 9. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
8 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
9 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
10 defined as any period of time Respondent is not practicing medicine as defined in Business and
11 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
12 patient care, clinical activity or teaching, or other activity as approved by the Board. If
13 Respondent resides in California and is considered to be in non-practice, Respondent shall
14 comply with all terms and conditions of probation. All time spent in an intensive training
15 program which has been approved by the Board or its designee shall not be considered non-
16 practice and does not relieve Respondent from complying with all the terms and conditions of
17 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
18 on probation with the medical licensing authority of that state or jurisdiction shall not be
19 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
20 period of non-practice.

21 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
22 months, Respondent shall successfully complete the Federation of State Medical Boards' Special
23 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
24 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
25 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

26 Respondent's period of non-practice while on probation shall not exceed two (2) years.

27 Periods of non-practice will not apply to the reduction of the probationary term.

28 Periods of non-practice for a Respondent residing outside of California will relieve

1 Respondent of the responsibility to comply with the probationary terms and conditions with the
2 exception of this condition and the following terms and conditions of probation: Obey All Laws;
3 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
4 Controlled Substances; and Biological Fluid Testing..

5 10. COMPLETION OF PROBATION. Respondent shall comply with all financial
6 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
7 completion of probation. Upon successful completion of probation, Respondent's certificate shall
8 be fully restored.

9 11. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
10 of probation is a violation of probation. If Respondent violates probation in any respect, the
11 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
12 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
13 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
14 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
15 the matter is final.

16 12. LICENSE SURRENDER. Following the effective date of this Decision, if
17 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
18 the terms and conditions of probation, Respondent may request to surrender his or her license.
19 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
20 determining whether or not to grant the request, or to take any other action deemed appropriate
21 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
22 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
23 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
24 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
25 application shall be treated as a petition for reinstatement of a revoked certificate.

26 13. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
27 with probation monitoring each and every year of probation, as designated by the Board, which
28 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of

1 California and delivered to the Board or its designee no later than January 31 of each calendar
2 year.

3 14. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
4 a new license or certification, or petition for reinstatement of a license, by any other health care
5 licensing action agency in the State of California, all of the charges and allegations contained in
6 Accusation No. 800-2016-028251 shall be deemed to be true, correct, and admitted by
7 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
8 restrict license.

**BEFORE THE

STATE OF CALIFORNIA**

In the Matter of the Accusation Against:

HAMPTON T. GASKINS, M.D.

7777 Milliken Avenue, Suite 120
Rancho Cucamonga, California 91730-6781

Physician's and Surgeon's Certificate G 36905,

Respondent.

Case No. 800-2016-028251

ACCUSATION

PARTIES

1. Christine J. Lally (Complainant) brings this Accusation solely in her official capacity as the Interim Executive Director of the Medical Board of California (Board).
2. On June 30, 1978, the Board issued Physician's and Surgeon's Certificate Number G 36905 to Hampton T. Gaskins, M.D. (Respondent). That license was in full force and effect at all times relevant to the charges brought herein and will expire on December 31, 2021, unless renewed.

JURISDICTION

3. This Accusation is brought before the Board under the authority of the following provisions of the California Business and Professions Code (Code) unless otherwise indicated.

//

1 due to her complaints of neck pain. Patient 1 also experienced lower back pain, bilateral shoulder
2 pain, and left foot pain.

3 9. Respondent treated Patient 1 with multiple trigger point injections between
4 September 2013 and August 2014.

5 10. In a progress note, dated October 27, 2016, Respondent noted that Patient 1 had
6 complaints of neck pain that had not been relieved by multiple trigger point injections and non-
7 steroidal anti-inflammatory drugs. Respondent recommended a cervical epidural injection.

8 11. Cervical spine x-rays were taken, but no MRI study was obtained.

9 12. On November 10, 2016, Patient 1 presented to Respondent's practice for the purpose
10 of receiving a cervical epidural steroid injection.

11 13. According to Respondent, Patient 1 was seated in a chair with arms. Respondent
12 alleged he counted the spinous process from C1 down to C5-C6 and inserted the needle at that
13 level. Respondent alleged that Patient 1 was injected in the C5-C6 epidural space "uneventfully."
14 Thereafter, she complained of right arm numbness, she kicked a footstool, and she asked to be
15 taken to the hospital. She slumped back in her chair. Alcohol and smelling salts were placed
16 under her nose, and an ice pack was placed on her face because she appeared to have fainted.
17 When a check of her heart revealed no heart sounds, she was placed on the floor, and
18 cardiopulmonary resuscitation was begun. An Ambu bag with high flow oxygen was used. Two
19 intra-cardiac epinephrine injections were given. Paramedics were called and responded. Patient
20 1 was transported to Riverside Community Hospital.

21 14. Patient 1 arrived at Riverside Community Hospital with no pulse and with no viable
22 airway due to vomitus. She was intubated in the emergency department, and there was a return of
23 spontaneous circulation. Patient 1 suffered an anoxic brain injury. Life support was withdrawn
24 on November 14, 2016, and Patient 1 expired.

25 15. A coroner's investigation was completed. Patient 1's death was classified as an
26 accident due to complications of a medical procedure. The autopsy report revealed a large
27 contusion within the cervical spinal cord at the level of C3-C4. Insertion of a needle and injection
28 at this level would explain Patient 1's sudden cardiac arrest and death.

1 16. One hour prior to administering a cervical epidural steroid injection to Patient 1,
2 Respondent administered the same type of cervical epidural steroid injection on Patient 2.

3 17. Respondent has performed thousands of epidural injections. He was not trained to
4 use imaging in giving the injections. He did not use fluoroscopic guidance in performing the
5 procedures for either Patient 1 or Patient 2.

6 **CAUSE FOR DISCIPLINE**

7 (Repeated Negligent Acts)

8 18. Respondent Hampton T. Gaskins, M.D. is subject to disciplinary action under section
9 2234, subdivision (c), of the Code in that he committed repeated negligent acts. The
10 circumstances are as follows:

11 19. The standard of care in performing a cervical epidural steroid injection is to do so
12 under fluoroscopic guidance to confirm needle placement and to ensure the injection is placed in
13 the epidural space and not in an artery or an unknown and potentially dangerous space of the
14 cervical spine. The injection should not be performed at the level of C3-C4.

15 20. By reason of the allegations in paragraphs 6 through 15 and 17, Respondent was
16 negligent in performing a cervical epidural steroid injection on Patient 1 without the use of
17 fluoroscopy.

18 21. By reason of the allegations in paragraphs 6, 7, 16, and 17, Respondent was negligent
19 in performing a cervical epidural steroid injection on Patient 2 without the use of fluoroscopy.

20 22. Respondent's acts and omissions as set forth above constitute repeated negligent acts
21 in violation of section 2234, subdivision (c) of the Code, and his license is subject to discipline.

22 **PRAYER**

23 **WHEREFORE**, Complainant requests that a hearing be held on the matters herein alleged,
24 and that following the hearing, the Medical Board of California issue a decision:

25 1. Revoking or suspending Physician's and Surgeon's Certificate Number G 36905,
26 issued to Hampton T. Gaskins, M.D.;

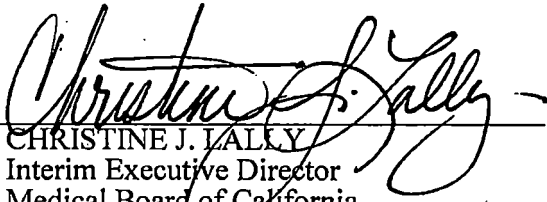

27 2. Revoking, suspending or denying approval of his authority to supervise physician
28 assistants and advanced practice nurses;
