20 Surrender and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall  
21 be inadmissible in any legal action between the parties, and the Board shall not be disqualified from  
22 further action by having considered this matter.

23           13. The parties understand and agree that Portable Document Format (PDF) and facsimile

29 **FIRST CAUSE FOR DISCIPLINE**

30 **(Conviction of a Crime Substantially Related to the Qualifications, Functions, or Duties of  
31 Physician and Surgeon)**

32 9. Respondent is subject to disciplinary action under sections 2227 and 2234, as defined  
33 by section 2236, of the Code, and California Code of Regulations, title 16, section 1360, in that  
34 he has been convicted of a crime, to wit: violation of Code of Federal Regulations section 4.23,  
35 subdivision (a)(1) [Operating a vehicle under the influence of alcohol or drugs], substantially  
36

1 related to the qualifications, functions or duties of a physician and surgeon, as more particularly  
2 alleged hereinafter:

3 10. Respondent is a physician whose specialty is General Oncology. He is employed at  
4 Rideout Cancer Center in Marysville, California.

5 11. On about July 19, 2017, Respondent went to Sacramento International Airport, in  
6 Sacramento, California, for the purpose of travelling to Yellowstone National Park for a vacation.  
7 While at the airport, Respondent consumed three (3) alcoholic beverages. Respondent then flew  
8 to Salt Lake City International Airport, in Salt Lake City, Utah, for a brief layover, and then to  
9 Bozeman Yellowstone International Airport, in Bozeman, Montana. While en route, Respondent  
10 consumed alcoholic beverages throughout the trip and became intoxicated.

11 12. Respondent arrived in Bozeman, Montana, on July 20, 2017, at approximately 10:00  
12 p.m. He rented a vehicle, and while intoxicated, drove the vehicle for approximately one hour, into  
13 Yellowstone National Park. Between leaving the airport and arriving at Yellowstone National Park,  
14 Respondent consumed at least one alcoholic beverage, while driving. After Respondent entered the  
15 interior of the park, Respondent lost control of the vehicle, which caused it to swerve off of the  
16 road, resulting in a rollover crash.

17 13. At or about 2:10 a.m., a Yellowstone National Park Ranger responded to a dispatch  
18 notification of a possible single vehicle crash, located on U.S. Highway 191, near milepost 17.5.  
19 The Ranger observed that the vehicle driven by Respondent had sustained major damage, consistent  
20 with a rollover crash. The Ranger contacted Respondent, who was still located in the driver's seat  
21 area of the vehicle, and instructed him to climb out through the rear broken window. The Ranger  
22 smelled an odor of an alcoholic beverage emanating from Respondent. He observed two loose  
23 unopened cans of "Mikes Hard Lemonade" within the vehicle. The Ranger additionally observed  
24 that Respondent swayed and stumbled as he walked from his vehicle towards the roadway and that  
25 Respondent's eyes were bloodshot.

26 14. Respondent told the Ranger that he left California on the evening of July 19, 2017, and  
27 flew by plane to Bozeman, Montana, where he arrived at approximately 10:00 p.m. Respondent  
28 stated he had two alcoholic beverages prior to boarding his plane, between 7:00 p.m. and 8:00 p.m.

1 Respondent additionally admitted to the Ranger that he had consumed two more alcoholic  
2 beverages while on the plane, prior to landing in Montana. Respondent further admitted to the  
3 Ranger that he had consumed one more alcoholic beverage in his rental vehicle after leaving  
4 Bozeman, Montana.

5 15. The Ranger administered a Preliminary Breath Test (PBT) on Respondent. It took  
6 Respondent two (2) tries before he was able to provide a sufficient sample. Respondent's breath  
7 registered a Blood Alcohol Content (BAC) level of 0.20. The Ranger then administered a series of  
8 Field Sobriety Tests (FST), which Respondent was unable to complete as explained and  
9 demonstrated.

10 16. At approximately 3:30 a.m., the Ranger placed Respondent under arrest for driving  
11 while under the influence of alcohol. At the West Yellowstone police department, Respondent  
12 consented to an additional PBT, which occurred shortly after. Respondent's BAC registered at 0.19.

13 17. Later that day, a Misdemeanor Complaint was filed against Respondent in the matter  
14 of *United States of America vs. Charles M. Wilkinson*, United States District Court for the District  
15 of Wyoming Court Case No. 5:17-PO-553-MLC. Count One (1) charged Respondent with a  
16 violation of the Code of Federal Regulations (CFR), section 4.23, subdivision (a)(1), operating [a  
17 vehicle] under the influence of alcohol or drugs. Count Two (2) charged Respondent with a  
18 violation of CFR, section 4.23, subdivision (a)(2), operating or in actual physical control of a motor  
19 vehicle while alcohol concentration is 0.08 grams or more per 210 liters of breath to wit. Count  
20 Three (3) charged Respondent with a violation of CFR, section 4.22, subdivision (b)(3), Failure to  
21 maintain control to the degree of control to avoid danger to persons/property/wildlife. Count Four  
22 (4) charged Respondent with a violation of CFR, section 4.14, subdivision (b), carry or store open  
23 container of an alcoholic beverage within a motor vehicle.

24 18. Respondent, while still in custody, pled guilty and was convicted of Count Two (2), a  
25 misdemeanor. Counts One (1), Three (3), and Four (4) were dismissed. The United States District  
26 Court sentenced Respondent to probation for a period of one (1) year, without supervision.  
27 Respondent was additionally charged a \$750 fine and ordered to enroll in an alcohol treatment  
28 program.

1 **SECOND CAUSE FOR DISCIPLINE**  
2 **(Conviction of a Crime Substantially Related to the Qualifications, Functions, or Duties of**  
3 **Physician and Surgeon)**

4 19. Respondent is additionally subject to disciplinary action under sections 2227 and 2234,  
5 as defined by section 2236, of the Code, and California Code of Regulations, title 16, section 1360,  
6 in that he has been convicted of a crime, to wit: violation of Code of Federal Regulations section  
7 4.23, subdivision (a)(1) [Operating a vehicle under the influence of alcohol or drugs], substantially  
8 related to the qualifications, functions or duties of a physician and surgeon, as more particularly  
9 alleged hereinafter:

10 20. On or about November 18, 2018, Respondent was at a social gathering in Corvallis,  
11 Oregon. While there, Respondent consumed several alcoholic beverages. At approximately 8:00  
12 p.m., Respondent got into his rental car and drove around the Oregon State University Campus,  
13 then went to a nearby bar and consumed approximately two (2) alcoholic beverages.

14 21. After leaving the bar, Respondent got back into his vehicle and resumed driving. At  
15 approximately 10:08 p.m., an Oregon State Police Officer observed Respondent travel outside of  
16 the road's fog line and then merge into the road's left lane without using the vehicle's turn signal.  
17 The officer then pulled over Respondent's vehicle.

18 22. The officer made contact with Respondent and questioned him regarding his driving.  
19 During the conversation, the officer observed that Respondent had multiple indicators of  
20 impairment, including bloodshot and watery eyes, slurred and broken speech, a nervous demeanor,  
21 and the odor of an alcoholic beverage emitting from the vehicle.

22 23. The officer then administered FST's on Respondent, which Respondent failed.  
23 Respondent was then placed under arrest and into the backseat of the officer's patrol car. The officer  
24 drove Respondent to the Benton County Law Enforcement Center, arriving at approximately 10:33  
25 p.m.

26 24. At or about 10:51 p.m., Respondent consented to an intoxilyzer breathalyzer test, which  
27 occurred shortly after. Respondent's BAC registered at 0.12% (The legal limit in the State of  
28 Oregon is .08%). Respondent was cited for driving under the influence of alcohol [Oregon Revised

1 Statutes (ORS), chapter 813.010(4)] and reckless driving (ORS 811.140.)—both Class A  
2 Misdemeanors. At approximately 11:28 P.M., respondent was released from police custody.

3 25. On or about February 19, 2019, Respondent appeared in the Oregon Circuit Court of  
4 Benton County. Respondent pled guilty to Count 1: Driving Under the Influence of Intoxicants
