7 **DISCIPLINARY ORDER**

8 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. C 37989, issued
9 to Respondent Kwang Pong Chiu, M.D., is revoked. However, the revocation is stayed and
10 Respondent is placed on probation for two years, which shall be served consecutive to
11 Respondent's remaining term of probation in Medical Board of California Case No. 12-2000-

24 of probation is a violation of probation. If Respondent violates probation in any respect, the

5 negligence in the quality of his care of three obstetrics patients. The decision stayed the
6 revocation and placed Respondent's Physician's and Surgeon's Certificate on probation for ten
7 years with certain terms and conditions.

8 **JURISDICTION**

9 4. This Accusation and Petition to Revoke Probation is brought before the Board, under
10 the authority of the following laws. All section references are to the Business and Professions
11 Code (Code) unless otherwise indicated.

12 5. Section 2004 of the Code provides that the Board shall have the responsibility for the
13 enforcement of the disciplinary and criminal provisions of the Medical Practice Act.

14 6. Section 2227 of the Code authorizes the Board to take action against a licensee who
15 has been found guilty under the Medical Practice Act by revoking his or her license, suspending
16 the license for a period not to exceed one year, placing the license on probation and requiring
17 payment of costs of probation monitoring, or taking such other action as the Board deems proper.

18 **STATUTORY PROVISIONS**

19 7. Section 2234 of the Code states:

20 The board shall take action against any licensee who is charged with unprofessional
21 conduct. In addition to other provisions of this article, unprofessional conduct

22 (a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
23 violation of, or conspiring to violate any provision of this chapter.

24 (b) Gross negligence.

25 (c) Repeated negligent acts. To be repeated, there must be two or more negligent acts

departure from the applicable standard of care shall constitute repeated negligent acts.

27 (1) An initial negligent diagnosis followed by an act or omission medically
28 appropriate for that negligent diagnosis of the patient shall constitute a single
negligent act.

1 (2) When the standard of care requires a change in the diagnosis, act, or omission that
2 constitutes the negligent act described in paragraph (1), including, but not limited to,
3 a reevaluation of the diagnosis or a change in treatment, and the licensee's conduct
4 departs from the applicable standard of care, each departure constitutes a separate and
5 distinct breach of the standard of care.

6
7
8
9 8. Section 2238 of the Code states:

10 A violation of any federal statute or federal regulation or any of the statutes or
11 regulations of this state regulating dangerous drugs or controlled substances
12 constitutes unprofessional conduct.

13
14
15
16 9. Section 2242, subdivision (a), of the Code states:

17 Prescribing, dispensing, or furnishing dangerous drugs as defined in Section 4022
18 without an appropriate prior examination and a medical indication, constitutes
19 unprofessional conduct

20
21
22
23 10. Section 2266 of the Code states:

24 The failure of a physician and surgeon to maintain adequate and accurate records
25 relating to the provision of services to their patients constitutes unprofessional
