22 as the Interim Executive Director of the Medical Board of California, Department of Consumer
23 Affairs (Board).

24 **JURISDICTION**

25 2. On August 9, 1977, the Board issued Physician's and Surgeon's Certificate Number
26 G 35252 to Benjamin Graham, Jr., M.D. (Respondent). The certificate was in full force and effect

28 renewed.

STATUTORY PROVISIONS

1
2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2004 provides that the Board shall have the responsibility for the enforcement
6 of the disciplinary and criminal provisions of the Medical Practice Act.

7 5. Section 2227 of the Code authorizes the Board to take action against a licensee who
8 has been found guilty under the Medical Practice Act by revoking his or her license, suspending
9 the license for a period not to exceed one year, placing the license on probation and requiring
10 payment of costs of probation monitoring, or taking such other action as the Board deems proper.

11 6. Section 2234 of the Code states:

12 The board shall take action against any licensee who is charged with unprofessional
13 conduct. In addition to other provisions of this article, unprofessional conduct
14 includes, but is not limited to, the following:

15 (a) Violating or attempting to violate, directly or indirectly, assisting in or abetting
16 the violation of, or conspiring to violate any provision of this chapter.

....

17 (c) Repeated negligent acts. To be repeated, there must be two or more negligent
18 acts or omissions. An initial negligent act or omission followed by a separate and
19 distinct departure from the applicable standard of care shall constitute repeated
20 negligent acts.

21 (1) An initial negligent diagnosis followed by an act or omission medically
22 appropriate for that negligent diagnosis of the patient shall constitute a single
23 negligent act.

24 (2) When the standard of care requires a change in the diagnosis, act, or omission
25 that constitutes the negligent act described in paragraph (1), including, but not
26 limited to, a reevaluation of the diagnosis or a change in treatment, and the
27 licensee's conduct departs from the applicable standard of care, each departure
28 constitutes a separate and distinct breach of the standard of care.

1 **FACTUAL ALLEGATIONS**

2 **Respondent's treatment of patient P-1**

3 Respondent assumed care of patient P-1¹ in approximately June 2012 and treated him for
4 chronic pain stemming from a failed back surgery through the patient's death, in August 2014.
5 Respondent prescribed P-1 several medications for his pain, including fentanyl² 150 mcg/hr and
6 hydrocodone³ 120 pills per month. The patient's treatment also included promethazine⁴ among
7 other medications. Respondent's records do not document an indication for prescribing the patient
8 promethazine.

9 P-1 had a history of overdosing on his medications, including on July 12, 2012, and
10 August 27, 2013. P-1 had visited the emergency room several times for narcotic misuse and, at
11 various times in 2012, the emergency room removed fentanyl, Norco,⁵ and other medications
12 from his medication list.

13 **Respondent's treatment of patients P-2 and P-3**

14 Respondent treated patient P-2 for failed back syndrome for two decades, through
15 approximately June 2015. Respondent prescribed P-2 seven fentanyl lozenges per day, 40-mg of
16 methadone⁶ per day, and 960 mg of oxycodone⁷ per day. Respondent also prescribed P-2
17 promethazine. Respondent's records do not document an indication for prescribing the patient
18 promethazine.

19 ///

20 ///

21 _____
22 ¹ The three patients at issue in this document are designated as patients P-1, P-2, and P-3
23 to protect their privacy. Respondent knows their names and can confirm their identity through
24 discovery.

25 ² Fentanyl is an opioid analgesic used primarily for anesthesia and sedation.

26 ³ Hydrocodone/acetaminophen, an opioid analgesic, is a combination of hydrocodone
27 bitartrate, an opioid, and acetaminophen, an analgesic. It is used to treat pain.

28 ⁴ Promethazine is an antihistamine and antiemetic. It is used to treat allergies, nausea, and
anxiety before and after surgery.

⁵ Norco is a brand name of hydrocodone/acetaminophen.

⁶ Methadone is an opioid used to treat pain, as maintenance therapy, and to help with
tapering in patients with opioid dependence.

⁷ Oxycodone/acetaminophen, an opioid analgesic, is a combination of oxycodone, an
opioid, and acetaminophen, an analgesic. It is used to treat pain.

1 Respondent treated patient P-3 for chronic back pain, between approximately March 2011
2 and June 2015. Respondent prescribed P-3 600 methadone tablets per month, among other
3 medications, including hydromorphone⁸ and promethazine.

4 Respondent's records do not document an indication for his long-term prescribing of
5 promethazine to the patient. A single entry in Respondent's records, for P-1's September 23, 2013
6 office visit, states that the patient was using promethazine for reflux esophagitis. Promethazine is
7 not an appropriate medication for the long term treatment of reflux esophagitis.

8 **CAUSE FOR DISCIPLINE**

9 **(Repeated Negligent Acts)**

10 7. Respondent's conduct described above and summarized as follows constitutes
11 unprofessional conduct in violation of Code section 2234, subdivision (c) (repeated negligent
12 acts):

13 A. Respondent's failure to reduce the dosages of or create a tapering schedule for
14 the narcotics that he prescribed P-1 despite P-1's history of overdosing on his medications
15 was a departure from the standard of care.

16 B. Respondent's prescribing of promethazine without indication to patients P-1,
17 P-2, and/or P-3 was a departure from the standard of care. Promethazine has a history as a
18 well-recognized substance of abuse when mixed with narcotics, and Respondent was
19 concurrently prescribing each of these patients significant dosages of narcotics.

20 **PRAYER**

21 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
22 and that following the hearing, the Medical Board of California issue a decision:

23 1. Revoking or suspending Physician's and Surgeon's Certificate Number G 35252,
24 issued to Benjamin Graham, Jr., M.D.;

26 authority to supervise physician assistants and advanced practice nurses;
