9 establish a *prima facie* case with respect to the charges and allegations contained in Accusation

11 Certificate No. A86666 to disciplinary action.

6 this paragraph, which shall remain in full force and effect. Respondent fully understands and  
7 agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and  
8 Disciplinary Order, the Board may receive oral and written communications from its staff and/or  
9 the Attorney General's office. Communications pursuant to this paragraph shall not disqualify

18 Accusation, but prior to the effective date of her period of probation may, in the sole discretion of  
19 the Board or its designee, be accepted towards the fulfillment of this condition if the program  
20 would have been approved by the Board or its designee had the program been taken after the  
21 effective date of her period of probation.

23 designee not later than 15 calendar days after successfully completing the program or not later  
24 than 15 calendar days after the effective date of her period of probation, whichever is later.

25 11. PSYCHIATRIC EVALUATION. Within 30 calendar days of the effective date of  
26 her period of probation, and on whatever periodic basis thereafter may be required by the Board  
27 or its designee, Respondent shall undergo and complete a psychiatric evaluation (and

18 proposed monitoring plan, the monitor shall submit a revised monitoring plan with the signed  
19 statement for approval by the Board or its designee.

20 Within 60 calendar days of the effective date of her period of probation, and continuing  
21 throughout probation, Respondent's practice shall be monitored by the approved monitor.  
22 Respondent shall make all records available for immediate inspection and copying on the  
23 premises by the monitor at all times during business hours and shall retain the records for the

4 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
5 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the  
6 quarterly written reports to the Board or its designee within 10 calendar days after the end of the  
7 preceding quarter.

8 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
9 such resignation or unavailability, submit to the Board or its designee, for prior approval, the

13 notification from the Board or its designee to cease the practice of medicine within three (3)  
14 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
15 replacement monitor is approved and assumes monitoring responsibility.

16 In lieu of a monitor, Respondent may participate in a professional enhancement program  
17 approved in advance by the Board or its designee that includes, at minimum, quarterly chart

26 If Respondent fails to establish a practice with another physician or secure employment in  
27 an appropriate practice setting within 60 calendar days of the effective date of her probation,  
28 Respondent shall receive a notification from the Board or its designee to cease the practice of

1 medicine within three (3) calendar days after being so notified. The Respondent shall not resume  
2 practice until an appropriate practice setting is established.

3 If, during the course of the probation, the Respondent's practice setting changes and the  
4 Respondent is no longer practicing in a setting in compliance with this Decision, Respondent  
5 shall notify the Board or its designee within five (5) calendar days of the practice setting change.  
6 If Respondent fails to establish a practice with another physician or secure employment in an  
7 appropriate practice setting within 60 calendar days of the practice setting change, Respondent  
8 shall receive a notification from the Board or its designee to cease the practice of medicine within  
9 three (3) calendar days after being so notified. The Respondent shall not resume practice until an  
10 appropriate practice setting is established.

11 15. PATIENT DISCLOSURE. During her period of probation, Respondent shall provide  
12 a separate disclosure to each of Respondent's patients, or their guardians or health care  
13 surrogates, before each patient's first visit following the effective date of her period of probation.

14 The disclosure shall include all of the following information:

22 of California website.

23 Respondent shall maintain a separate signed copy of this disclosure, signed by the patient,  
24 the patient's guardian or health care surrogate.

25 Respondent is not required to provide this disclosure under the following circumstances:

- 26 (a) Patient is unconscious or otherwise unable to comprehend the disclosure and sign  
27 a copy of the disclosure, and the patient's guardian or health care surrogate is  
28 unavailable to comprehend and sign the disclosure,

- 1 (b) Patient visit occurs in the emergency room or at an urgent care facility or the visit
- 2 is unscheduled, including inpatient consultations,
- 3 (c) Respondent providing treatment to a patient, but is not known to the patient until
- 4 immediately prior to the start of the visit, or
- 5 (d) Respondent does not have a direct treatment relationship with the patient.

17 Board or its designee. "Biological fluid testing" may include, but is not limited to, urine, blood,

18 breathalyzer, hair follicle testing, or similar drug screening approved by the Board or its designee.

19 Respondent shall make daily contact with the Board or its designee to determine whether

20 biological fluid testing is required. Respondent shall be tested on the date of the notification as

21 directed by the Board or its designee. The Board may order a Respondent to undergo a biological

22 fluid test on any day, at any time, including weekends and holidays. Except when testing on a

23 specific date as ordered by the Board or its designee, the scheduling of biological fluid testing

24 shall be done on a random basis. The cost of biological fluid testing shall be borne by the

25 Respondent.

26 During the first year of probation, Respondent shall be subject to 52 to 104 random tests.

27 During the second year of probation and for the duration of the probationary term, up to five (5)

1 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing  
2 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number  
3 of random tests to the first-year level of frequency for any reason.

4 Prior to practicing medicine, Respondent shall contract with a laboratory or service,  
5 approved in advance by the Board or its designee, that will conduct random, unannounced,

17 and Human Services.

18 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day  
19 of receipt and all specimens collected shall be handled pursuant to chain of custody  
20 procedures. The laboratory shall process and analyze the specimens and provide legally  
21 defensible test results to the Board within seven (7) business days of receipt of the  
22 specimen. The Board will be notified of non-negative results within one (1) business day

27 for the detection of alcohol and illegal and controlled substances.

28 (i) It maintains testing sites located throughout California.

1 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line  
2 computer database that allows the Respondent to check in daily for testing.

3 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff  
4 access to drug test results and compliance reporting information that is available 24 hours a  
5 day.

6 (l) It employs or contracts with toxicologists that are licensed physicians and have  
7 knowledge of substance abuse disorders and the appropriate medical training to interpret  
8 and evaluate laboratory biological fluid test results, medical histories, and any other  
9 information relevant to biomedical information.

10 (m) It will not consider a toxicology screen to be negative if a positive result is obtained  
11 while practicing, even if the Respondent holds a valid prescription for the substance.

12 Prior to changing testing locations for any reason, including during vacation or other travel,  
13 alternative testing locations must be approved by the Board and meet the requirements above.

14 The contract shall require that the laboratory directly notify the Board or its designee of  
15 non-negative results within one (1) business day and negative test results within seven (7)  
16 business days of the results becoming available. Respondent shall maintain this laboratory or  
17 service contract during the period of probation.

18 A certified copy of any laboratory test result may be received in evidence in any  
19 proceedings between the Board and Respondent.

20 If a biological fluid test result indicates Respondent has used, consumed, ingested, or  
21 administered to himself or herself a prohibited substance, the Board shall order Respondent to  
22 cease practice and instruct Respondent to leave any place of work where Respondent is practicing  
23 medicine or providing medical services. The Board shall immediately notify all of Respondent's  
24 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or  
25 provide medical services while the cease-practice order is in effect.

26 A biological fluid test will not be considered negative if a positive result is obtained while  
27 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited  
28 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

1 After the issuance of a cease-practice order, the Board shall determine whether the positive  
2 biological fluid test is in fact evidence of prohibited substance use by consulting with the  
3 specimen collector and the laboratory, communicating with the licensee, his or her treating  
4 physician(s), other health care provider, or group facilitator, as applicable.

5 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the  
6 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

7 For purposes of this condition, the term "prohibited substance" means an illegal drug, a  
8 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by  
9 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been  
10 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

11 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited  
12 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the  
13 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to  
14 any other terms or conditions the Board determines are necessary for public protection or to  
15 enhance Respondent's rehabilitation.

16 18. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS. Within thirty (30) days of  
17 the effective date of her probation, Respondent shall submit to the Board or its designee, for its  
18 prior approval, the name of a substance abuse support group which he or she shall attend for the  
19 duration of probation. Respondent shall attend substance abuse support group meetings at least  
20 once per week, or as ordered by the Board or its designee. Respondent shall pay all substance  
21 abuse support group meeting costs.

22 The facilitator of the substance abuse support group meeting shall have a minimum of three  
23 (3) years' experience in the treatment and rehabilitation of substance abuse, and shall be licensed  
24 or certified by the state or nationally certified organizations. The facilitator shall not have a  
25 current or former financial, personal, or business relationship with Respondent within the last five  
26 (5) years. Respondent's previous participation in a substance abuse group support meeting led by  
27 the same facilitator does not constitute a prohibited current or former financial, personal, or  
28 business relationship.

1 The facilitator shall provide a signed document to the Board or its designee showing  
2 Respondent's name, the group name, the date and location of the meeting, Respondent's  
3 attendance, and Respondent's level of participation and progress. The facilitator shall report any  
4 unexcused absence by Respondent from any substance abuse support group meeting to the Board,  
5 or its designee, within twenty-four (24) hours of the unexcused absence.

6 19. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within thirty  
7 (30) calendar days of the effective date of her probation, Respondent shall submit to the Board or  
8 its designee for prior approval as a worksite monitor, the name and qualifications of one or more  
9 licensed physician and surgeon, other licensed health care professional if no physician and  
10 surgeon is available, or, as approved by the Board or its designee, a person in a position of  
11 authority who is capable of monitoring the Respondent at work.

12 The worksite monitor shall not have a current or former financial, personal, or familial  
13 relationship with Respondent, or any other relationship that could reasonably be expected to  
14 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its  
15 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite  
16 monitor, this requirement may be waived by the Board or its designee, however, under no  
17 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

18 The worksite monitor shall have an active unrestricted license with no disciplinary action  
19 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms  
20 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth  
21 by the Board or its designee.

22 Respondent shall pay all worksite monitoring costs.

23 The worksite monitor shall have face-to-face contact with Respondent in the work  
24 environment on as frequent a basis as determined by the Board or its designee, but not less than  
25 once per week; interview other staff in the office regarding Respondent's behavior, if requested  
26 by the Board or its designee; and review Respondent's work attendance.

27 The worksite monitor shall verbally report any suspected substance abuse to the Board and  
28 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected

1 substance abuse does not occur during the Board's normal business hours, the verbal report shall  
2 be made to the Board or its designee within one (1) hour of the next business day. A written  
3 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and  
4 any other information deemed important by the worksite monitor shall be submitted to the Board  
5 or its designee within 48 hours of the occurrence.

6 The worksite monitor shall complete and submit a written report monthly or as directed by  
7 the Board or its designee which shall include the following: (1) Respondent's name and  
8 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)  
9 the worksite monitor's license number, if applicable; (4) the location or location(s) of the  
10 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the  
11 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;  
12 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can  
13 lead to suspected substance abuse by Respondent. Respondent shall complete any required  
14 consent forms and execute agreements with the approved worksite monitor and the Board, or its  
15 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

16 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)  
17 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior  
18 approval, the name and qualifications of a replacement monitor who will be assuming that  
19 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a  
20 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the  
21 monitor, Respondent shall receive a notification from the Board or its designee to cease the  
22 practice of medicine within three (3) calendar days after being so notified. Respondent shall  
23 cease the practice of medicine until a replacement monitor is approved and assumes monitoring  
24 responsibility.

25 20. VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING  
26 LICENSEES . Failure to fully comply with any term or condition of probation is a violation of  
27 probation.

28 A. If Respondent commits a major violation of probation as defined by section

1 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take  
2 one or more of the following actions:

3 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical  
4 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of  
5 Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice  
6 order issued by the Board or its designee shall state that Respondent must test negative for at least  
7 a month of continuous biological fluid testing before being allowed to resume practice. For  
8 purposes of determining the length of time a Respondent must test negative while undergoing  
9 continuous biological fluid testing following issuance of a cease-practice order, a month is  
10 defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until  
11 notified in writing by the Board or its designee that he or she may do so.

12 (2) Increase the frequency of biological fluid testing.

13 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or  
14 other action as determined by the Board or its designee.

15 B. If Respondent commits a minor violation of probation as defined by section  
16 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take  
17 one or more of the following actions:

18 (1) Issue a cease-practice order;

19 (2) Order practice limitations;

20 (3) Order or increase supervision of Respondent;

21 (4) Order increased documentation;

22 (5) Issue a citation and fine, or a warning letter;

23 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in  
24 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of  
25 Regulations, at Respondent's expense;

26 (7) Take any other action as determined by the Board or its designee.

27 C. Nothing in this Decision shall be considered a limitation on the Board's authority  
28 to revoke Respondent's probation if he or she has violated any term or condition of probation. If

1 Respondent violates probation in any respect, the Board, after giving Respondent notice and the  
2 opportunity to be heard, may revoke probation and carry out the disciplinary order that was  
3 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed  
4 against Respondent during probation, the Board shall have continuing jurisdiction until the matter  
5 is final, and the period of probation shall be extended until the matter is final.

6 21. NOTIFICATION. Within seven (7) days of the effective date of her period of  
7 probation, the Respondent shall provide a true copy of this Decision and Accusation to the Chief  
8 of Staff or the Chief Executive Officer at every hospital where privileges or membership are  
9 extended to Respondent, at any other facility where Respondent engages in the practice of  
10 medicine, including all physician and locum tenens registries or other similar agencies, and to the  
11 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage  
12 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within  
13 15 calendar days.

14 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

15 22. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
16 NURSES. During her period of probation, Respondent is prohibited from supervising physician  
17 assistants and advanced practice nurses.

18 23. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
19 governing the practice of medicine in California and remain in full compliance with any court  
20 ordered criminal probation, payments, and other orders.

21 24. QUARTERLY DECLARATIONS. During her period of probation, Respondent shall  
22 submit quarterly declarations under penalty of perjury on forms provided by the Board, stating  
23 whether there has been compliance with all the conditions of probation.

24 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
25 of the preceding quarter.

26 25. GENERAL PROBATION REQUIREMENTS.

27 Compliance with Probation Unit

28 Respondent shall comply with the Board's probation unit.

1           Address Changes

2           Respondent shall, at all times, keep the Board informed of Respondent's business and  
3 residence addresses, email address (if available), and telephone number. Changes of such  
4 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
5 circumstances shall a post office box serve as an address of record, except as allowed by Business  
6 and Professions Code section 2021, subdivision (b).

7           Place of Practice

8           Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
9 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
10 facility.

11           License Renewal

12           Respondent shall maintain a current and renewed California physician's and surgeon's  
13 license.

14           Travel or Residence Outside California

15           Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
16 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
17 (30) calendar days.

18           In the event Respondent should leave the State of California to reside or to practice  
19 , Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
20 departure and return.

21           26. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
22 available in person upon request for interviews either at Respondent's place of business or at the  
23 probation unit office, with or without prior notice throughout the term of probation.

24           27. NON-PRACTICE WHILE ON PROBATION. During her period of probation,  
25 Respondent shall notify the Board or its designee in writing within 15 calendar days of any  
26 periods of non-practice lasting more than 30 calendar days and within 15 calendar days of  
27 Respondent's return to practice. Non-practice is defined as any period of time Respondent is not  
28 practicing medicine as defined in Business and Professions Code sections 2051 and 2052 for at

1 least 40 hours in a calendar month in direct patient care, clinical activity or teaching, or other  
2 activity as approved by the Board. If Respondent resides in California and is considered to be in  
3 non-practice, Respondent shall comply with all terms and conditions of probation. All time spent  
4 in an intensive training program which has been approved by the Board or its designee shall not  
5 be considered non-practice and does not relieve Respondent from complying with all the terms  
6 and conditions of probation. Practicing medicine in another state of the United States or Federal  
7 jurisdiction while on probation with the medical licensing authority of that state or jurisdiction  
8 shall not be considered non-practice. A Board-ordered suspension of practice shall not be  
9 considered as a period of non-practice.

10 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
11 months, Respondent shall successfully complete the Federation of State Medical Boards' Special  
12 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
13 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
14 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

15 Respondent's period of non-practice while on probation shall not exceed two (2) years.  
16 Non-practice exceeding two (2) years shall be considered a violation of probation.

17 Periods of non-practice will not apply to the reduction of the probationary term.

18 Periods of non-practice for a Respondent residing outside of California will relieve  
19 Respondent of the responsibility to comply with the probationary terms and conditions with the  
20 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
21 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
22 Controlled Substances; and Biological Fluid Testing.

23 28. COMPLETION OF PROBATION. Respondent shall comply with all financial  
24 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
25 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
26 be fully restored.

27 29. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
28 of probation is a violation of probation. If Respondent violates probation in any respect, the

1 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
2 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
3 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
4 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
5 the matter is final.

6 30. LICENSE SURRENDER. Following the effective date of this Decision, if  
7 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
8 the terms and conditions of probation, Respondent may request to surrender his or her license.  
9 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
10 determining whether or not to grant the request, or to take any other action deemed appropriate  
11 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
12 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
13 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
14 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
15 application shall be treated as a petition for reinstatement of a revoked certificate.

16 31. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
17 with probation monitoring each and every year of probation, as designated by the Board, which  
18 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
19 California and delivered to the Board or its designee no later than January 31 of each calendar  
20 year.

21 as the Interim Executive Director of the Medical Board of California, Department of Consumer  
22 Affairs (Board).

2 California. As a result, Respondent remains suspended from the practice of medicine pending the  
3 issuance of a final decision after an administrative hearing on the Accusation.

#### 4 JURISDICTION

5 4. This Accusation is brought before the Board, under the authority of the following  
6 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
7 indicated.

8 5. Section 822 of the Code states:

9 If a licensing agency determines that its licentiate's ability to practice his or her  
10 profession safely is impaired because the licentiate is mentally ill, or physically ill  
11 affecting competency, the licensing agency may take action by any one of the  
12 following methods:

13 (a) Revoking the licentiate's certificate or license.

14 (b) Suspending the licentiate's right to practice.

15 (c) Placing the licentiate on probation.

16 (d) Taking such other action in relation to the licentiate as the licensing agency  
17 in its discretion deems proper.

18 The licensing agency shall not reinstate a revoked or suspended certificate or  
19 license until it has received competent evidence of the absence or control of the  
20 condition which caused its action and until it is satisfied that with due regard for the  
21 public health and safety the person's right to practice his or her profession may be  
22 safely reinstated.

23 6. Section 2227 of the Code states, in pertinent part:

24 (a) A licensee whose matter has been heard by an administrative law judge of  
25 the Medical Quality Hearing Panel as designated in Section 11371 of the Government  
26 Code, or whose default has been entered, and who is found guilty, or who has entered  
27 into a stipulation for disciplinary action with the board, may, in accordance with the  
28 provisions of this chapter:

(1) Have his or her license revoked upon order of the board.

(2) Have his or her right to practice suspended for a period not to exceed one  
year upon order of the board.

(3) Be placed on probation and be required to pay the costs of probation  
monitoring upon order of the board.

(4) Be publicly reprimanded by the board. The public reprimand may include a  
requirement that the licensee complete relevant educational courses approved by the  
board.

2 probation, as the board or an administrative law judge may deem proper.

3 ...

4 7. Section 2234 of the Code, states, in pertinent part:

16 (a) The conviction of a charge of violating any federal statutes or regulations or  
17 any statute or regulation of this state, regulating dangerous drugs or controlled  
18 substances, constitutes unprofessional conduct. The record of the conviction is  
19 conclusive evidence of such unprofessional conduct. A plea or verdict of guilty or a  
20 conviction following a plea of nolo contendere is deemed to be a conviction within  
21 the meaning of this section.

22 (b) Discipline may be ordered in accordance with Section 2227 or the Division  
23 of Licensing may order the denial of the license when the time for appeal has elapsed,  
24 or the judgment of conviction has been affirmed on appeal, or when an order granting  
25 probation is made suspending the imposition of sentence, irrespective of a subsequent
