1 CULPABILITY

2 8. Respondent does not contest that, at an administrative hearing, Complainant could  
3 establish a *prima facie* case with respect to the charges and allegations contained in Accusation  
4 No. 800-2018-040351 and that he has thereby subjected his license to disciplinary action.

6 an order accepting the surrender of his Physician's and Surgeon's Certificate without further  
7 process.

8 10. Respondent further agrees that if he ever petitions for reinstatement of his Physician's  
9 and Surgeon's Certificate No. G 41001, or if an accusation is filed against him before the Medical

12 purposes of any such proceeding or any other licensing proceeding involving Respondent in the  
13 state of California or elsewhere.

14 CONTINGENCY

15 11. Business and Professions Code section 2224, subdivision (b), provides, in pertinent  
16 part, that the Medical Board "shall delegate to its executive director the authority to adopt a . . .  
17 stipulation for surrender of a license."

18 12. This Stipulated Surrender of License and Disciplinary Order shall be subject to  
19 approval of the Executive Director on behalf of the Medical Board. The parties agree that this  
20 Stipulated Surrender of License and Disciplinary Order shall be submitted to the Executive Director  
21 for her consideration in the above-entitled matter and, further, that the Executive Director shall  
22 have a reasonable period of time in which to consider and act on this Stipulated Surrender of  
23 License and Disciplinary Order after receiving it. By signing this stipulation, Respondent fully  
24 understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation  
25 prior to the time the Executive Director, on behalf of the Medical Board, considers and acts upon  
26 it.
