### 12 FACTUAL ALLEGATIONS

13 10. On April 25, 2017, the Medical Board of California ("Board") received a Report of  
14 Settlement pursuant to Business and Professions Code section 801 ("801 Report") from  
15 Respondent's professional liability carrier notifying the Board that it paid a settlement to Patient  
16 1<sup>1</sup> on behalf of Respondent for an alleged failure to diagnose testicular cancer. Patient 1's  
17 medical records, including Respondent's progress notes for June 15, 2013, October 9, 2013,  
18 November 14, 2014 and December 1, 2014 were included with the 801 Report.

19 11. The Board requested that Respondent provide a written summary of the care and  
20 treatment he rendered to Patient 1 as well as a copy of his curriculum vitae.

21 12. On June 9, 2017, the Board received correspondence from Respondent's then  
22 attorney summarizing the care and treatment Respondent provided to Patient 1. Copies of  
23 Respondent's progress notes for Patient 1's June 15, 2013, October 9, 2013, November 14, 2014  
24 and December 1, 2014 office visits were also attached to the correspondence along with a copy of  
25 Respondent's curriculum vitae.

26 13. In response to an investigational subpoena issued to Respondent for the certified  
27 medical records of Patient 1, the Health Quality Investigations Unit of the Division of  
28 Investigations, Department of Consumer Affairs ("HQIU") received certified medical records for  
Patient 1 from Respondent's office.

---

<sup>1</sup> For privacy purposes, the patient in this Accusation is referred to as Patient 1.

14. None of the three versions of Patient 1's chart produced by Respondent to the Board match. There is no indication as to which version of the chart is the original and which version was altered. It is clear, however, that all versions of Patient 1's chart in the Board's possession have been altered in some manner.

15. On February 11, 2020, Respondent appeared at the HQUI Rancho Cucamonga Field Office with new counsel for a scheduled Board interview regarding his care and treatment of Patient 1. At that time, Respondent invoked his Fifth Amendment right against self-incrimination in response to all questions regarding his background, training and current medical practice as well as the medical care and treatment provided to Patient 1. Respondent also invoked his Fifth Amendment right against self-incrimination to questions regarding the different charts he produced to the Board, the alterations to the charts, who made the alterations and the specific notation he made in two versions of the charts which state, "amendment done December 20, 2014."

16. During the interview, Respondent's attorney confirmed that Respondent provided the Board a response regarding Respondent's care and treatment of Patient 1 by way of correspondence from Respondent's prior counsel dated June 8, 2017.

### FIRST CAUSE FOR DISCIPLINE

**(Unprofessional Conduct – Gross Negligence)**

17. Respondent is subject to disciplinary action under section 2234, subdivision (b), of the Code, in that he engaged in gross negligence in his record keeping for Patient 1. Complainant refers to and, by this reference, incorporates herein, paragraphs 10 through 16, above, as though fully set forth herein. The circumstances are as follows:

18. There are significant unexplained differences in the versions of Respondent's June 15, 2013, October 9, 2013, November 14, 2014 and December 1, 2014 Progress Notes for Patient 1, which Respondent produced to the Board and received by the Board on April 25, 2017, June 9, 2017 and August 15, 2019. In addition to altered progress notes, Respondent produced different versions of Patient 1's complete chart to the Board.

///

1        19. The standard of care requires that a physician not alter original patient medical  
2 records. If revisions or additional clarifications are necessary to a patient's medical records, the  
3 physician should make the revisions or clarifications as soon as possible relative to the original  
4 note and date and time the revisions or clarifications without making the original entry  
5 unreadable. The entry that has the revisions or clarifications should also set forth a clear  
6 explanation of the reason for the record modification.

7        20. Respondent's acts and/or omissions as set forth in paragraphs 10 through 19, above,  
8 whether proven individually, jointly, or in any combination thereof, constitute gross negligence

15 14, 2014 and December 1, 2014 Progress Notes for Patient 1. Complainant refers to and, by this  
16 reference, incorporates herein, paragraphs 10 through 20, above, as though fully set forth herein.

18 whether proven individually, jointly, or in any combination thereof, constitute unprofessional  
19 conduct, involving dishonesty or corruption, pursuant to section 2234, subdivision (e), of the Code.

21                                    **THIRD CAUSE FOR DISCIPLINE**

22                                    **(Making or Signing False Documents)**

23        23. By reason of the facts set forth above in paragraphs 10 through 22, Respondent's  
24 license is subject to disciplinary action pursuant to section 2261 of the Code for knowingly  
25 making or signing documents directly or indirectly related to the practice of medicine which

9 modifying or creating false medical records with fraudulent intent when he created or caused to be  
10 created significantly different versions of his June 15, 2013, October 9, 2013, November 14, 2014,  
11 and December 1, 2014 Progress Notes for Patient 1. Complainant refers to and, by this reference,  
12 incorporates herein, paragraphs 10 through 24, above, as though fully set forth herein.
