In the Matter of the Petition to Revoke Probation Against:

RAJINDER SINGH RANDHAWA, M.D., Respondent

Agency Case No. 800-2020-067421

OAH No. 2020080575

PROPOSED DECISION

Heather M. Rowan, Administrative Law Judge, Office of Administrative Hearings (OAH), State of California, heard this matter via videoconference on November 9, 2020, from Sacramento, California.

Aaron Lent, Deputy Attorney General, represented complainant, Christine J. Lally, Interim Executive Director of the Medical Board of California (Board).

There was no appearance by or on behalf of respondent Rajinder Singh Randhawa, M.D. Complainant established respondent was properly served with a Notice of Hearing. Consequently, this matter proceeded as a default hearing against the Department pursuant to Government Code section 11520, subdivision (a).

Oral and documentary evidence was received. The record was closed and the matter was submitted for decision on November 9, 2020.

ISSUE

Did complainant establish cause to revoke respondent's probation and institute the stayed certificate revocation?

FACTUAL FINDINGS

Background and Procedural History

1. On October 3, 1997, the Board issued respondent Physician's and Surgeon's Certificate number C 50081 (certificate). The certificate will expire on March 31, 2021, unless renewed or revoked.

2. On April 2, 2014, complainant Kimberly Kirchmeyer, former Executive Director for the Board, signed and thereafter filed an Accusation against respondent. The Accusation alleged respondent had: 1) engaged in unprofessional conduct when he altered his expired "pocket license" in a way that it appeared it had not expired; 2) signed a false document related to the practice of medicine when he alleged his license was current on an application for a position at Napa State hospital; and 3) engaged in dishonest and corrupt acts that were substantially related to the qualifications, functions, or duties of a physician or surgeon.

3. On March 12, 2015, respondent entered into a Stipulated Settlement and Disciplinary Order (Stipulated Surrender) with the Board, effective May 22, 2015. By the Stipulated Settlement, respondent admitted to the truth of the allegations in the Accusation. His certificate was revoked, but that revocation was stayed for five years, provided respondent comply with certain terms and conditions, including:

13. PROBATION MONITORING COSTS: Respondent shall pay the costs associated with probation monitoring each and every year of probation, as designated by the Board, which may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of California and delivered to the Board or its designee no later than January 31 of each calendar year.

11. VIOLATION OF PROBATION: Failure to fully comply with any term or condition of probation is a violation of probation. If Respondent violates probation in any respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final.

4. On May 20, 2020, complainant filed a Petition to Revoke Probation against respondent. Complainant alleged respondent violated the terms of his probation by paying the Board probation monitoring costs, in violation of Probation Term 13. Under Probation Term 11, the Board may revoke respondent's probation after giving him an opportunity to be heard.

5. Respondent timely filed a Notice of Defense, pursuant to Government Code section 11506. The matter was set for an evidentiary hearing before an

Administrative Law Judge of OAH, an independent adjudicative agency of the State of California, pursuant to Government Code section 11500 et seq.

Probation Violations

6. Jeffrey Routsong is a Probation Inspector II for the Board. As a Probation Inspector II, Mr. Routsong is assigned to probationers to explain their probation conditions, guide them through the process, and help to ensure compliance. He was assigned to monitor respondent's probation. He testified at hearing.

7. Catherine Cortez was respondent's probation monitor in 2015, when his probation began. Respondent signed a statement agreeing Ms. Cortez had provided him a copy of the Stipulated Settlement and she explained each term of probation and answered any questions he had.

8. On May 5, 2015, the Board sent respondent a letter informing him probation costs would be due each January 31 for the prior year. At that time, annual probation costs were \$4,106. The letter informed respondent how he could submit payment.

9. On December 30, 2016, Ms. Cortez emailed respondent to ask if he needed a payment plan given he had not made any payments toward costs. Ms. Cortez arranged a \$400 per month payment plan. On March 30, 2017, to complete her Quarterly Progress Report, Ms. Cortez called respondent to discuss his probation. He was making progress in completing the required course work and had completed his volunteer hours. He also hoped to make payments larger than \$400 when he could. On March 14, 2017, respondent submitted a \$400 payment to the Board.

10. Ms. Cortez held similar meetings or telephone calls with respondent on a quarterly basis from the beginning of respondent's probation to the time of case reassignment. Each time, respondent reported his progress in complying with his probation terms and acknowledged costs were due.

11. On September 30, 2019, Mr. Routsong sent respondent a "reassignment letter" informing respondent that Mr. Routsong had been assigned as his Probation Inspector.

12. On December 30, 2019, Mr. Routsong sent respondent a letter instructing him to pay \$15,473 in outstanding monitoring fees no later than February 28, 2020. No payment was received. On May 11, 2020, to complete his Quarterly Progress Report, Mr. Routsong held a telephone conversation with respondent. Mr. Routsong confirmed respondent had complied with the terms of his probation, except for some late quarterly reports and he had not paid the costs of probation, which totaled \$21,904 at that time. Respondent acknowledged he was not current with his payments and that failure to pay the Board probation costs could result in further discipline against his certificate.

13. On March 24, 2020, Mr. Routsong held a telephone conference with respondent for his Quarterly Progress Report. Mr. Routsong informed respondent that failure to pay the \$21,904 he owed the Board could result in further disciplinary action. Respondent stated he understood. On May 5, 2020, Mr. Routsong created a "Probation Noncompliance Report," documenting respondent's failure to pay costs. He recommended respondent's probation be revoked.

Respondent's Evidence

14. Respondent did not appear at hearing and did not provide any evidence to contradict the above.

PRINCIPLES OF LAW

15. The purpose of the Medical Practice Act is to assure the high quality of medical practice; in other words, to keep unqualified and undesirable persons and those guilty of unprofessional conduct out of the medical profession. (*Shea v. Board of Medical Examiners* (1978) 81 Cal.App.3d 564, 574.) The purpose of administrative discipline is not to punish, but to protect the public by eliminating those practitioners who are dishonest, immoral, disreputable or incompetent. (*Fahmy v. Medical Board of California* (1995) 38 Cal.App.4th 810, 817.)

16. In a petition to revoke probation complainant must show by a preponderance of evidence that respondent's certificate should be revoked. (*Sandarg v. Dental Board of California* (2010) 184 Cal.App.4th 1434). If complainant meets his burden, rehabilitation is akin to an affirmative defense; consequently, the burden of proof of establishing an affirmative defense is on the respondent. (*Whetstone v. Board of Dental Examiners* (1927) 87 Cal.App. 156, 164.)

17. Business and Professions Code section 2004 states the Board is responsible for the following in relevant part:

(a) The enforcement of the disciplinary and criminal provisions of the Medical Practice Act.

(b) The administration and hearing of disciplinary actions.

(c) Carrying out disciplinary actions appropriate to findings made by a panel or an administrative law judge.

(d) Suspending, revoking, or otherwise limiting certificates after the conclusion of disciplinary actions.

18. Business and Professions Code section 2234, provides in relevant part:

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

ANALYSIS

19. As set forth in Factual Findings 6 through 13, respondent failed to pay the costs of probation as he agreed to do per the Stipulated Settlement. While respondent has made some effort to comply with a payment plan, he has not consistently made payments and is in violation of Probation Condition 13. Complainant established cause to set aside the stay order and impose the stayed discipline of revocation of respondent's certificate under Probation Condition 11.

20. Given there was no mitigating or contradictory evidence presented, the stay order must be revoked and stayed discipline of revocation of respondent's certificate imposed under Probation Condition 11.

LEGAL CONCLUSION

21. Complainant established by a preponderance of the evidence cause to set aside the order staying imposition of discipline and impose the stayed discipline of revocation.

ORDER

Physician's and Surgeon's Certificate number C 50081 issued to respondent Rajinder Singh Randhawa is revoked.

...

CAUSE TO REVOKE PROBATION

(Failure to Pay Probation Monitoring Costs)

8. At all times after the effective date of Respondent's probation, Condition Number 13, PROBATION MONITORING COSTS, stated in relevant part:

"Respondent shall pay the costs associated with probation monitoring each and every year of probation, as designated by the Board, which may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of California and delivered to the Board or its designee no later than January 31 of each calendar year."

9. At all times after the effective date of Respondent's probation, Condition Number 11, VIOLATION OF PROBATION, stated in relevant part:

///

1 “Failure to fully comply with any term or condition of probation is a violation of
2 probation. If Respondent violates probation in any respect, the Board, after giving
3 Respondent notice and the opportunity to be heard, may revoke probation and carry out the
4 disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation, or an
5 Interim Suspension Order is filed against Respondent during probation, the Board shall
6 have continuing jurisdiction until the matter is final, and the period of probation shall be
7 extended until the matter is final.

8 10. Respondent’s probation is subject to revocation because he failed to comply with
9 Probation Condition 13, referenced above, by repeatedly failing to pay probation monitoring costs
10 to the Board. The facts and circumstances regarding this violation are as follows:

11 A. The circumstances set forth in Paragraph 3 are incorporated by reference as if fully
12 set forth herein.

13 B. On or about May 27, 2015, Respondent signed and dated a document entitled
14 “Acknowledgement of Decision” as part of the intake procedures with the Board’s probation
15 department. The document stated that the Board had provided Respondent with a copy of the
16 decision in MBC Case No. 02-2013-232013 and that his certificate was being placed on probation
17 for a period of five years. The document further stated,

18 “Your signature in the space provided below acknowledges that you received a copy
19 of said decision and that I explained all the terms and conditions of your probation to you
20 and addressed any questions you had about the conditions of your probation.”

21 C. On or about May 4, 2015, the Board sent a letter to Respondent stating that he would
22 owe \$2,520.00 in prorated probation monitoring costs for 2015 and that the total was due on or
23 before January 31, 2016. He was also notified in the same letter that while the total probation
24 monitoring costs for the current calendar year were \$4,106.00, the amount might vary from year
25 to year. On or about December 21, 2016, the Board sent an e-mail to Respondent notifying him
26 that he had not paid anything for 2015 or 2016 probation monitoring costs. Respondent
27 responded that he needed a payment plan and that he would begin paying \$400.00 a month
28

1 towards his outstanding probation monitoring costs. At the time, Respondent owed \$6,187.00 in
2 probation monitoring costs to the Board for 2015 and 2016.

3 D. On or about March 14, 2017, the Board received a \$400.00 payment from Respondent
4 towards his outstanding probation monitoring costs. On or about March 30, 2017, during an
5 interview with Respondent, a probation monitor informed Respondent that he would need to
6 make approximately 15 monthly payments of \$400.00 to pay off the 2015 and 2016 probation
7 monitoring costs and that Respondent would incur an additional \$4,537.00 in probation
8 monitoring costs for 2017. Respondent stated that he intended to make larger payments but that
9 he would continue to make a minimum payment of \$400.00 a month.

10 E. On or about September 30, 2019, Respondent was notified by the Board that his
11 probation file was being assigned to a new probation monitor. On or about November 21, 2019,
12 the Board's new probation monitor interviewed Respondent at his place of employment.
13 Respondent admitted that he was not in compliance with all of his terms and conditions of
14 probation and admitted that he was behind on his probation monitoring costs. The probation
15 monitor informed the Respondent that he owed the Board \$15,473.00 for outstanding probation
16 monitoring costs. The Respondent stated that he understood that he owed the Board \$15,473.00.
17 On or about December 30, 2019, the Board's probation monitor sent Respondent a letter stating
18 that Respondent's current balance for outstanding probation monitoring costs was \$15,473.00 and
19 that he was to make payment by the end of February 2020.

20 F. On or about March 24, 2020, the Board's probation monitor interviewed Respondent
21 at Respondent's place of employment. Respondent admitted that he did not comply with all of
22 his terms and conditions of probation and he admitted that he was behind on his probation
23 monitoring costs. The probation monitor informed the Respondent that he now owed \$21,904.00
24 in probation monitoring costs and that payment was due in full before May 22, 2020, the
25 scheduled expiration of his probation term. The probation monitor explained to Respondent that
26 failure to pay his probation costs would result in further discipline against Respondent's license
27 and the Respondent stated that he understood the consequences of not paying probation
28 monitoring

1 ///

2 costs. As of May 8, 2020, Respondent still owes the Board \$21,904.00 in outstanding probation
3 monitoring costs.

4 **DISCIPLINE CONSIDERATIONS**

5 11. To determine the degree of discipline, if any, to be imposed on Respondent,
6 Complainant alleges that on or about May 22, 2015, in a prior disciplinary action entitled *In the*
7 *Matter of the Accusation Against Rajinder Singh Randhawa, M.D.* before the Medical Board of
8 California, in Case No. 02-2013-232013, Respondent's license was revoked, with the revocation
9 stayed, for Respondent improperly presenting an altered pocket license and for falsely
10 representing that his medical license was current when in fact it was delinquent to a prospective
11 employer. Prior to accepting the Board's stipulation for a Decision and Order in this matter,
12 Respondent agreed that if the Board ever petitioned for revocation of probation, "all of the
13 charges, and allegations contained in Accusation No. 02-2013-232013, shall be deemed true,
14 correct, and fully admitted by Respondent for the purposes of that proceeding..." That decision
15 is now final and is incorporated by reference as if fully set forth.

28 and conditions of probation: Obey All Laws; and General Probation Requirements.

1 10. COMPLETION OF PROBATION. Respondent shall comply with all financial

6 of probation is a violation of probation. If Respondent violates probation in any respect, the
7 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
8 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
9 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
10 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
11 the matter is final.

12 12. LICENSE SURRENDER. Following the effective date of this Decision, if
13 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
14 the terms and conditions of probation, Respondent may request to surrender his or her license.
15 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
16 determining whether or not to grant the request, or to take any other action deemed appropriate
17 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
18 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
19 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
20 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
21 application shall be treated as a petition for reinstatement of a revoked certificate.

22 13. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
23 with probation monitoring each and every year of probation, as designated by the Board, which
24 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of

ACCUSATION

15 Physician's and Surgeon's Certificate C 50081
16 Respondent.

17
18 Complainant alleges:

19 PARTIES

- 20 1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official
21 capacity as the Executive Director of the Medical Board of California ("Board").
22 2. On October 3, 1997, the Board issued Physician's and Surgeon's Certificate number C
23 50081 to Rajinder Singh Randhawa, M.D. ("Respondent"). That license expired on March 31,
24 2011. On April 1, 2011, Respondent's license went into delinquent status. On April 23, 2011,
25 the Respondent renewed his delinquent license. His license again expired on March 31, 2013.
26 On April 1, 2013, Respondent's license went into delinquent status. On May 11, 2013, the

27 ///

28

1 Respondent renewed his delinquent license. His license is currently in full force and effect and
2 will expire on March 31, 2015, unless renewed.

3 JURISDICTION

4 3. This Accusation is brought before the Board under the authority of the following
5 laws. All section references are to the Business and Professions Code ("Code") unless otherwise
6 indicated.

7 4. Section 2227 of the Code provides that a licensee who is found guilty under the
8 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
9 one year, placed on probation and required to pay the costs of probation monitoring, or such other
10 action taken in relation to discipline as the Board deems proper.

11 5. Section 119 of the Code states:

12 "Any person who does any of the following is guilty of a misdemeanor:

13 "...

14 "(f) Photographs, photostats, duplicates, manufactures, or in any way reproduces any
15 license or facsimile thereof in a manner that it could be mistaken for a valid license, or displays or
16 has in his or her possession any such photograph, Photostat, duplicate, reproduction, or facsimile
17 unless authorized by this code.

18 "...

19 "As used in this section, "license" includes "certificate," "permit," "authority," and
20 "registration" or any other indicia giving authorization to engage in a business or profession
21 regulated by this code or referred to in Section 1000 or 3600."

22 6. Section 2234 of the Code, states:

23 "The board shall take action against any licensee who is charged with unprofessional
24 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
25 limited to, the following:

26 "(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
27 violation of, or conspiring to violate any provision of this chapter.

28 "...

1 13. On April 30, 2013, the NSH medical staff coordinator requested additional
2 documentation directly from the Respondent. That same day, the Respondent faxed the NSH
3 medical staff coordinator a "pocket license" which had an expiration date of March 31, 2015.

4 14. On May 9, 2013, the NSF medical staff coordinator contacted the Medical Board to
5 verify that the Respondent's license was valid. The NSF medical staff coordinator was informed
6 by the Medical Board that the Respondent's license was delinquent.

7 15. On May 10, 2013, the NSF medical staff coordinator contacted the Medical Board
8 and spoke to a regulatory analyst. The regulatory analyst again verified that the account was
9 delinquent. The NSF medical staff coordinator informed the regulatory analyst that she had
10 received a "pocket license" from the Respondent that had an expiration date of March 31, 2015.
11 The regulatory analyst confirmed that the Medical Board had not issued Respondent a "pocket
12 license" with an expiration date of March 31, 2015. The regulatory analyst concluded the
13 expiration date had been altered.

14 16. After speaking to the Medical Board, the NSF medical staff coordinator informed her
15 supervisor that Respondent's medical license was delinquent. The supervisor contacted the
16 Respondent and informed him that his license was delinquent and that he could not start
17 employment at NSH without a valid medical license.

18 17. On May 10, 2013, after being contacted by the supervisor, the Respondent renewed
19 his medical license by making payment on-line to the Medical Board. The Medical Board sent
20 the Respondent a valid "pocket license" with an expiration date of March 31, 2015.

21 18. On August 29, 2013, the Respondent admitted he received the valid "pocket license"
22 from the Medical Board by mail approximately a week after May 10, 2013.

23 19. The Respondent is subject to disciplinary action because he sent a fraudulent "pocket
24 license" to the Napa State Hospital in such a manner that it was mistakenly received as a valid
25 license.
