**STIPULATED SETTLEMENT AND**  
**DISCIPLINARY ORDER**

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
23 California (Board). He brought this action solely in his official capacity and is represented in this  
24 matter by Xavier Becerra, Attorney General of the State of California, by Vladimir Shalkevich,  
25 Deputy Attorney General.

26 2. Respondent Alan Mark Gross, M.D. (Respondent) is represented in this proceeding  
27 by attorney Eric W. Cheung, whose address is: 555 South Flower Street, Suite 3300  
28

1 Los Angeles, CA 90071-24112.1. On or about March 8, 1982, the Board issued Physician's and  
2 Surgeon's Certificate No. G 47080 to Alan Mark Gross, M.D. (Respondent). The Physician's and  
3 Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in  
4 Accusation No. 800-2016-028256, and will expire on September 30, 2021, unless renewed.

5 **JURISDICTION**

6 3. Accusation No. 800-2016-028256 was filed before the Board, and is currently  
7 pending against Respondent. The Accusation and all other statutorily required documents were  
8 properly served on Respondent on November 21, 2019. Respondent timely filed his Notice of  
9 Defense contesting the Accusation.

10 4. A copy of Accusation No. 800-2016-028256 is attached as exhibit A and incorporated  
11 herein by reference.

12 **ADVISEMENT AND WAIVERS**

13 5. Respondent has carefully read, fully discussed with counsel, and understands the  
14 charges and allegations in Accusation No. 800-2016-028256. Respondent has also carefully read,  
15 fully discussed with his counsel, and understands the effects of this Stipulated Settlement and  
16 Disciplinary Order.

17 6. Respondent is fully aware of his legal rights in this matter, including the right to a  
18 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine  
19 the witnesses against him; the right to present evidence and to testify on his own behalf; the right  
20 to the issuance of subpoenas to compel the attendance of witnesses and the production of  
21 documents; the right to reconsideration and court review of an adverse decision; and all other  
22 rights accorded by the California Administrative Procedure Act and other applicable laws.

23 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
24 every right set forth above.

25 **CULPABILITY**

26 8. Respondent understands and agrees that the charges and allegations in Accusation  
27 No. 800-2016-028256, a true and correct copy of which is attached hereto as Exhibit A, if proven  
28

1 at a hearing, constitute cause for imposing discipline upon his Physician's and Surgeon's  
2 Certificate.

3 9. Respondent does not contest that, at an administrative hearing, complainant could  
4 establish a prima facie case with respect to the charges and allegations contained in Accusation  
5 No. 800-2016-028256 and that he has thereby subjected his Physician's and Surgeon's Certificate,  
6 No. G 47080 to disciplinary action.

7 10. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
8 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
9 Disciplinary Order below.

10 11. Respondent agrees that if he ever petitions for early termination or modification of  
11 probation, or if the Board ever petitions for revocation of probation, all of the charges and  
12 allegations contained in Accusation No. 800-2016-028256 shall be deemed true, correct and fully  
13 admitted by respondent for purposes of that proceeding or any other licensing proceeding  
14 involving respondent in the State of California.”

### 15 CONTINGENCY

16 12. This stipulation shall be subject to approval by the Medical Board of California.  
17 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
18 Board of California may communicate directly with the Board regarding this stipulation and  
19 settlement, without notice to or participation by Respondent or his counsel. By signing the  
20 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
21 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
22 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
23 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
24 action between the parties, and the Board shall not be disqualified from further action by having  
25 considered this matter.

26 13. Respondent agrees that if he ever petitions for early termination or modification of  
27 probation, or if an accusation and/or petition to revoke probation is filed against him before the  
28 Board, all of the charges and allegations contained in Accusation No. 800-2016-028256 shall be

1 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any  
2 other licensing proceeding involving Respondent in the State of California.

3 14. The parties understand and agree that Portable Document Format (PDF) and facsimile  
4 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
5 signatures thereto, shall have the same force and effect as the originals.

6 15. In consideration of the foregoing admissions and stipulations, the parties agree that  
7 the Board may, without further notice or opportunity to be heard by the Respondent, issue and  
8 enter the following Disciplinary Order:

9 **DISCIPLINARY ORDER**

10 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 47080 issued

14 prohibited from practicing medicine until Respondent provides documentary proof to the Board  
15 or its designee that Respondent's DEA permit has been surrendered to the Drug Enforcement  
16 Administration for cancellation, together with any state prescription forms and all controlled  
17 substances order forms. Thereafter, Respondent shall not reapply for a new DEA permit without  
18 the prior written consent of the Board or its designee.

19 2. **PRESCRIBING PRACTICES COURSE.** Within 60 calendar days of the effective  
20 date of this Decision, Respondent shall enroll in a course in prescribing practices approved in  
21 advance by the Board or its designee. Respondent shall provide the approved course provider  
22 with any information and documents that the approved course provider may deem pertinent.  
23 Respondent shall participate in and successfully complete the classroom component of the course  
24 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully  
25 complete any other component of the course within one (1) year of enrollment. The prescribing  
26 practices course shall be at Respondent's expense and shall be in addition to the Continuing  
27 Medical Education (CME) requirements for renewal of licensure.

28 A prescribing practices course taken after the acts that gave rise to the charges in the

1 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
2 or its designee, be accepted towards the fulfillment of this condition if the course would have  
3 been approved by the Board or its designee had the course been taken after the effective date of  
4 this Decision.

5 Respondent shall submit a certification of successful completion to the Board or its  
6 designee not later than 15 calendar days after successfully completing the course, or not later than  
7 15 calendar days after the effective date of the Decision, whichever is later.

8 3. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of  
9 the effective date of this Decision, Respondent shall enroll in a professionalism program, that  
10 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.  
11 Respondent shall participate in and successfully complete that program. Respondent shall  
12 provide any information and documents that the program may deem pertinent. Respondent shall  
13 successfully complete the classroom component of the program not later than six (6) months after  
14 Respondent's initial enrollment, and the longitudinal component of the program not later than the  
15 time specified by the program, but no later than one (1) year after attending the classroom  
16 component. The professionalism program shall be at Respondent's expense and shall be in  
17 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

18 A professionalism program taken after the acts that gave rise to the charges in the  
19 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
20 or its designee, be accepted towards the fulfillment of this condition if the program would have  
21 been approved by the Board or its designee had the program been taken after the effective date of  
22 this Decision.

23 Respondent shall submit a certification of successful completion to the Board or its  
24 designee not later than 15 calendar days after successfully completing the program or not later  
25 than 15 calendar days after the effective date of the Decision, whichever is later.

26 4. MEDICAL EVALUATION AND TREATMENT. Within 30 calendar days of the  
27 effective date of this Decision, and on a periodic basis thereafter as may be required by the Board  
28 or its designee, Respondent shall undergo a medical evaluation by a Board-appointed physician

1 who shall consider any information provided by the Board or designee and any other information  
2 the evaluating physician deems relevant and shall furnish a medical report to the Board or its  
3 designee. Respondent shall provide the evaluating physician with any information and  
4 documentation that the evaluating physician may deem pertinent.

5 Following the evaluation, Respondent shall comply with all restrictions or conditions  
6 recommended by the evaluating physician within 15 calendar days after being notified by the  
7 Board or its designee. If Respondent is required by the Board or its designee to undergo medical  
8 treatment, Respondent shall within 30 calendar days of the requirement notice, submit to the  
9 Board or its designee for prior approval the name and qualifications of a California licensed  
10 treating physician of Respondent's choice. Upon approval of the treating physician, Respondent  
11 shall within 15 calendar days undertake medical treatment and shall continue such treatment until  
12 further notice from the Board or its designee.

13 The treating physician shall consider any information provided by the Board or its designee  
14 or any other information the treating physician may deem pertinent prior to commencement of  
15 treatment. Respondent shall have the treating physician submit quarterly reports to the Board or  
16 its designee indicating whether or not the Respondent is capable of practicing medicine safely.  
17 Respondent shall provide the Board or its designee with any and all medical records pertaining to  
18 treatment that the Board or its designee deems necessary.

19 If, prior to the completion of probation, Respondent is found to be physically incapable of  
20 resuming the practice of medicine without restrictions, the Board shall retain continuing  
21 jurisdiction over Respondent's license and the period of probation shall be extended until the  
22 Board determines that Respondent is physically capable of resuming the practice of medicine  
23 without restrictions. Respondent shall pay the cost of the medical evaluation(s) and treatment.

24 5. PROHIBITED PRACTICE. Due solely to the state of his health, Respondent has not  
25 performed surgery for more than 10 years. Therefore, during probation, Respondent is prohibited  
26 from performing any surgical procedure. After the effective date of this Decision, all patients  
27 being treated by the Respondent shall be notified that the Respondent is prohibited from  
28 performing surgery. Any new patients must be provided this notification at the time of their

1 initial appointment.

2 Respondent shall maintain a log of all patients to whom the required oral notification was  
3 made. The log shall contain the: 1) patient's name, address and phone number; 2) patient's  
4 medical record number, if available; 3) the full name of the person making the notification; 4) the  
5 date the notification was made; and 5) a description of the notification given. Respondent shall  
6 keep this log in a separate file or ledger, in chronological order, shall make the log available for  
7 immediate inspection and copying on the premises at all times during business hours by the Board  
8 or its designee, and shall retain the log for the entire term of probation.

9 6. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
10 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
11 Chief Executive Officer at every hospital where privileges or membership are extended to  
12 Respondent, at any other facility where Respondent engages in the practice of medicine,  
13 including all physician and locum tenens registries or other similar agencies, and to the Chief  
14 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
15 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
16 calendar days.

17 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

18 7. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
19 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
20 advanced practice nurses.

21 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
22 governing the practice of medicine in California and remain in full compliance with any court  
23 ordered criminal probation, payments, and other orders.

24 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
25 under penalty of perjury on forms provided by the Board, stating whether there has been  
26 compliance with all the conditions of probation.

27 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
28 of the preceding quarter.

1           10. GENERAL PROBATION REQUIREMENTS.

2           Compliance with Probation Unit

3           Respondent shall comply with the Board's probation unit.

4           Address Changes

5           Respondent shall, at all times, keep the Board informed of Respondent's business and  
6 residence addresses, email address (if available), and telephone number. Changes of such  
7 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
8 circumstances shall a post office box serve as an address of record, except as allowed by Business  
9 and Professions Code section 2021, subdivision (b).

10          Place of Practice

11          Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
12 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
13 facility.

14          License Renewal

15          Respondent shall maintain a current and renewed California physician's and surgeon's  
16 license.

17          Travel or Residence Outside California

18          Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
19 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
20 (30) calendar days.

21          In the event Respondent should leave the State of California to reside or to practice  
22 ,Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
23 departure and return.

24          11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
25 available in person upon request for interviews either at Respondent's place of business or at the  
26 probation unit office, with or without prior notice throughout the term of probation.

27          12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
28 its designee in writing within 15 calendar days of any periods of non-practice lasting more than

1 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
2 defined as any period of time Respondent is not practicing medicine as defined in Business and  
3 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
4 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
5 Respondent resides in California and is considered to be in non-practice, Respondent shall  
6 comply with all terms and conditions of probation. All time spent in an intensive training  
7 program which has been approved by the Board or its designee shall not be considered non-  
8 practice and does not relieve Respondent from complying with all the terms and conditions of  
9 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
10 on probation with the medical licensing authority of that state or jurisdiction shall not be  
11 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
12 period of non-practice.

13 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
14 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
15 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
16 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
17 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

18 Respondent's period of non-practice while on probation shall not exceed two (2) years.

19 Periods of non-practice will not apply to the reduction of the probationary term.

20 Periods of non-practice for a Respondent residing outside of California will relieve  
21 Respondent of the responsibility to comply with the probationary terms and conditions with the  
22 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
23 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
24 Controlled Substances; and Biological Fluid Testing.

25 13. COMPLETION OF PROBATION. Respondent shall comply with all financial  
26 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
27 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
28 be fully restored.

1        14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
2 of probation is a violation of probation. If Respondent violates probation in any respect, the  
3 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
4 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke  
5 Probation, or an Interim Suspension Order is filed against Respondent during probation, the  
6 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall  
7 be extended until the matter is final.

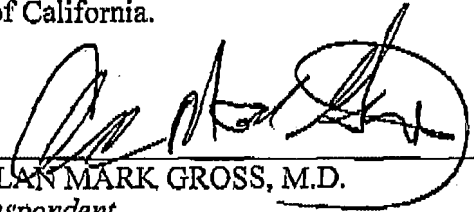

8        15. LICENSE SURRENDER. Following the effective date of this Decision, if  
9 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
10 the terms and conditions of probation, Respondent may request to surrender his or her license.  
11 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
12 determining whether or not to grant the request, or to take any other action deemed appropriate  
13 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
14 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
15 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
16 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
17 application shall be treated as a petition for reinstatement of a revoked certificate.

18        16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
19 with probation monitoring each and every year of probation, as designated by the Board, which  
20 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
21 California and delivered to the Board or its designee no later than January 31 of each calendar  
22 year.

23        17. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
24 a new license or certification, or petition for reinstatement of a license, by any other health care  
25 licensing action agency in the State of California, all of the charges and allegations contained in  
26 Accusation No. 800-2016-028256 shall be deemed to be true, correct, and admitted by  
27 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or  
28 restrict license.
