18

Case No. 800-2017-029766

OAH No. 2020040790

**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
23 California (Board), Department of Consumer Affairs. He brought this action solely in his official
24 capacity and is represented in this matter by Xavier Becerra, Attorney General of the State of
25 California, and by Joseph F. McKenna III, Deputy Attorney General.

26 2. Respondent Donald Alton Vance, M.D., (Respondent) is represented in this proceeding
27 by attorney Thomas M. Peabody, Esq., whose address is: 527 Encinitas Boulevard, Suite 100,
28 Encinitas, California, 92024.

1 3. On or about April 24, 1973, the Board issued Physician's and Surgeon's Certificate No.
2 C 34997 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at
3 all times relevant to the charges brought in Accusation No. 800-2017-029766, and will expire on
4 September 30, 2021, unless renewed.

5 JURISDICTION

6 4. On January 16, 2020, Accusation No. 800-2017-029766 was filed before the Board, and
7 is currently pending against Respondent. The Accusation and all other statutorily required
8 documents were properly served on Respondent. Respondent timely filed his Notice of Defense
9 contesting the Accusation. A true and correct copy of the Accusation is attached hereto as
10 Exhibit A and incorporated herein by reference as if fully set forth herein.

11 ADVISEMENT AND WAIVERS

12 5. Respondent has carefully read, discussed with counsel, and fully understands the charges
13 and allegations in Accusation No. 800-2017-029766. Respondent has also read, discussed with
14 counsel, and fully understands the effects of this Stipulated Settlement and Disciplinary Order.

15 6. Respondent is fully aware of his legal rights in this matter, including the right to a
16 hearing on the charges and allegations contained in the Accusation; the right to be represented by
17 counsel at his own expense; the right to confront and cross-examine the witnesses against him;
18 the right to present evidence and to testify on his own behalf; the right to the issuance of
19 subpoenas to compel the attendance of witnesses and the production of documents; the right to
20 reconsideration and court review of an adverse decision; and all other rights accorded by the
21 California Administrative Procedure Act and other applicable laws, having been fully advised of
22 same by his attorney of record, Thomas M. Peabody, Esq.

23 7. Having the benefit of counsel, Respondent hereby voluntarily, knowingly, and
24 intelligently waives and gives up each and every right set forth above.

25 CULPABILITY

26 8. Respondent fully understands and agrees that the charges and allegations contained in
27 Accusation No. 800-2017-029766, if proven at a hearing, constitute cause for imposing discipline
28 upon his Physician's and Surgeon's Certificate No. C 34997.

1 9. Respondent stipulates that, at a hearing, Complainant could establish a *prima facie* case
2 or factual basis for the charges and allegations contained in the Accusation; that he gives up his
3 right to contest those charges and allegations contained in the Accusation; and that he has thereby
4 subjected his Physician's and Surgeon's Certificate No. C 34997 to disciplinary action.

5 **CONTINGENCY**

6 10. This stipulation shall be subject to approval by the Medical Board of California.
7 Respondent understands and agrees that counsel for Complainant and the staff of the Board may
8 communicate directly with the Board regarding this stipulation and settlement, without notice to
9 or participation by Respondent or his counsel. By signing the stipulation, Respondent
10 understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation
11 prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation
12 as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or
13 effect, except for this paragraph, it shall be inadmissible in any legal action between the parties,
14 and the Board shall not be disqualified from further action by having considered this matter.

15 11. Respondent agrees that if an accusation is ever filed against him before the Board, all
16 of the charges and allegations contained in Accusation No. 800-2017-029766 shall be deemed
17 true, correct and fully admitted by Respondent for purposes of any such proceeding or any other
18 licensing proceeding involving Respondent in the State of California.

19 **ADDITIONAL PROVISIONS**

20 12. This Stipulated Settlement and Disciplinary Order is intended by the parties herein
21 to be an integrated writing representing the complete, final and exclusive embodiment of the
22 agreements of the parties in the above-entitled matter.

23 13. The parties understand and agree that Portable Document Format (PDF) and facsimile
24 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
25 signatures thereto, shall have the same force and effect as the originals.

26 14. In consideration of the foregoing admissions and stipulations, the parties agree that the
27 Board may, without further notice or opportunity to be heard by the Respondent, issue and enter
28 the following Disciplinary Order:

1 **DISCIPLINARY ORDER**

2 1. **PUBLIC REPRIMAND.**

3 IT IS HEREBY ORDERED that Respondent Donald Alton Vance, M.D.'s Physician's and
4 Surgeon's Certificate No. C 34997, shall be and is hereby Publicly Reprimanded pursuant to
5 California Business and Professions Code section 2227, subdivision (a), subsection (4). This
6 Public Reprimand, which is issued in connection with the charges and allegations as set forth in
7 Accusation No. 800-2017-029766, is as follows:

8 "Respondent is publicly reprimanded for violating Business and Professions Code
9 section 2234, subdivision (c), in 2014, for failing to perform a complete history
10 and physical examination, and for failing to obtain additional testing due to
11 Patient A's tachycardia, persistently elevated WBC count with bandemia, and
12 elevated lactate."

13 2. **EDUCATION COURSE.**

14 Within ninety (90) calendar days of the effective date of this Decision, Respondent shall
15 submit to the Board or its designee for its prior approval educational course(s) addressing both
16 areas of: (a) recognizing symptoms of Systemic Inflammatory Response Syndrome (SIRS), and
17 (b) appropriate work-up of a patient presenting with criteria for SIRS. Respondent shall complete
18 no less than twenty (20) hours of course-work in addressing both areas of (a) and (b). The
19 educational course(s) shall be Category I certified. The educational course(s) shall be at
20 Respondent's expense and shall be in addition to the Continuing Medical Education requirements
21 for renewal of licensure. Following the completion of the approved educational course(s)
22 addressing both areas of (a) and (b), the Board or its designee may administer an examination to
23 test Respondent's knowledge of the course(s).

24 An education course taken after the acts that gave rise to the charges in Accusation No.
25 800-2017-029766, but prior to the effective date of the Decision may, in the sole discretion of the
26 Board or its designee, be accepted towards the fulfillment of this condition if the course would
27 have been approved by the Board or its designee had the course been taken after the effective date
28 of this Decision.

1 Respondent shall submit a certification of successful completion to the Board or its
2 designee not later than fifteen (15) calendar days after successfully completing the course(s), or
3 not later than fifteen (15) calendar days after the effective date of the Decision, whichever is later.

4 3. FAILURE TO COMPLY.

5 Any failure by Respondent to comply with the terms and conditions of the Disciplinary
6 Order set forth above shall constitute unprofessional conduct and grounds for further disciplinary
7 action.

8 ACCEPTANCE

9 I have carefully read the above Stipulated Settlement and Disciplinary Order and have fully
10 discussed it with my attorney, Thomas M. Peabody, Esq. I fully understand the stipulation and
11 the effect it will have on my Physician's and Surgeon's Certificate No. C 34997. I enter into this
12 Stipulated Settlement and Disciplinary Order voluntarily, knowingly, and intelligently, and agree
13 to be bound by the Decision and Order of the Medical Board of California.

14
15 DATED: 11/25/2020

16 DONALD ALTON VANCE, M.D.
17 Respondent

18 I have carefully read and fully discussed with Respondent Donald Alton Vance, M.D., the
19 terms and conditions and other matters contained in the above Stipulated Settlement and
20 Disciplinary Order. I approve its form and content.

1 JURISDICTION

2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2227 of the Code states:

6 (a) A licensee whose matter has been heard by an administrative law judge of
7 the Medical Quality Hearing Panel as designated in Section 11371 of the
8 Government Code, or whose default has been entered, and who is found guilty, or
9 who has entered into a stipulation for disciplinary action with the board, may, in
10 accordance with the provisions of this chapter:

11 (1) Have his or her license revoked upon order of the board.

12 (2) Have his or her right to practice suspended for a period not to exceed one
13 year upon order of the board.

14 (3) Be placed on probation and be required to pay the costs of probation
15 monitoring upon order of the board.

16 (4) Be publicly reprimanded by the board. The public reprimand may include
17 a requirement that the licensee complete relevant educational courses approved by
18 the board.

19 (5) Have any other action taken in relation to discipline as part of an order of
20 probation, as the board or an administrative law judge may deem proper.

21 (b) Any matter heard pursuant to subdivision (a), except for warning letters,
22 medical review or advisory conferences, professional competency examinations,
23 continuing education activities, and cost reimbursement associated therewith that
24 are agreed to with the board and successfully completed by the licensee, or other
25 matters made confidential or privileged by existing law, is deemed public, and
26 shall be made available to the public by the board pursuant to Section 803.1.

27 5. Section 2234 of the Code states, in relevant part:

28 The board shall take action against any licensee who is charged with
unprofessional conduct. In addition to other provisions of this article, unprofessional
conduct includes, but is not limited to, the following:

...

(c) Repeated negligent acts. To be repeated, there must be two or more
negligent acts or omissions. An initial negligent act or omission followed by a
separate and distinct departure from the applicable standard of care shall constitute
repeated negligent acts.

...

1 6. Section 2266 of the Code states:

2 The failure of a physician and surgeon to maintain adequate and accurate records relating to
3 the provision of services to their patients constitutes unprofessional conduct.

4 **FIRST CAUSE FOR DISCIPLINE**

5 **(Repeated Negligent Acts)**

6 7. Respondent has subjected his Physician's and Surgeon's Certificate No. C 34997 to
7 disciplinary action under sections 2227 and 2234, as defined in section 2234, subdivision (c), of
8 the Code, in that Respondent committed repeated negligent acts in his care and treatment of
9 Patient A,¹ as more particularly alleged hereinafter:

10 8. On or about September 6, 2014, at approximately 10:30 a.m., Patient A, a then-46-
11 year-old female, presented at Scripps Mercy Hospital Chula Vista's (SMHCV) Emergency
12 Department with a chief complaint of vomiting. Respondent evaluated Patient A in the
13 Emergency Department at this visit.

14 9. Per the nursing notes, Patient A's arrival vital signs were a blood pressure of 136/88;
15 heart rate of 112; respiratory rate of 16; an oxygen saturation of 97% on room air; and a
16 temperature of 96.0 tympanic, followed by an oral temperature of 98.3. The notes also recorded
17 that Patient A appeared pale, clammy and diaphoretic, and that she had reported nausea,
18 vomiting, and diarrhea.

19 10. Respondent ordered multiple labs, chemistries, and an EKG was also performed. The
20 lab results were significant for an elevated white blood cell (WBC) count of 16.1 K/mL, with an
21 elevated percentage of immature bands of 15% and an elevated C-reactive protein (CRP) of 58.4
22 mg/L. The lab results also showed a mildly elevated lactate of 2.7 mmol/L and had mild
23 elevations in several of Patient A's liver function tests.

24 11. Respondent documented that Patient A was in acute distress from continuous
25 vomiting and retching, and that she had been feeling very weak. Respondent also documented

26
27 ¹ To protect the privacy of the patient involved in this matter, Patient A's name has not
28 been included in this pleading. Respondent is aware of the identity of Patient A.

1 past surgical history for Patient A which included a recent procedure in August 2014 at an outside
2 hospital for a panniculectomy² and abdominal dermolipochalasis surgery.

3 12. Respondent performed a physical examination and review of systems for Patient A,
4 but he did not address whether she had any urinary symptoms that could be a source of infection.
5 Respondent noted a healing scar across Patient A's abdomen with some mild irritation at the
6 suture line, but found no evidence of any cellulitis.

7 13. Although Patient A had a JP drain³ in place when she returned to the Emergency
8 Department at SMHCV the next day on September 7, Respondent did not document the presence
9 of a JP drain in the record on September 6. Moreover, an evaluation of the characteristics of the
10 output of the drain – which would involve an assessment of a postsurgical patient with the same
11 presentation as Patient A – is missing from the record.

12 14. Significantly, Respondent did not order a urinalysis or a CT of the abdomen to further
13 assess a source of possible infection.

14 15. Labs performed approximately four hours after obtaining the first values showed a
15 persistently elevated WBC count at 15.5K/mcL and an elevated band count of 13%. No other
16 blood tests were repeated following these results prior to Patient A's discharge on September 6.

17 16. Per the nursing notes, Patient A's vital signs taken shortly before discharge at 4:00
18 p.m., recorded blood pressure of 99/58; heart rate of 105; respiratory rate of 18; and an oxygen
19 saturation of 100% on room air.

20 17. After approximately five and a half hours in the Emergency Department, Respondent
21 determined that Patient A had clinically improved and discharged her home with follow-up
22 instructions and return precautions. Notwithstanding Patient A's persistent tachycardia, elevated

23 ////

24 _____
25 ² Panniculectomy is an operative procedure done to remove stretched out skin, excess fat
26 and overhanging skin from a patient's abdomen. This procedure is performed on patients with a
27 large overhanging abdominal skin pannus, which can occur after a person undergoes massive
28 weight loss.

³ A Jackson-Pratt drain (also called a JP drain) is a closed-suction medical device that is
commonly used as a post-operative drain for collecting bodily fluids from surgical sites. Patient
A had a JP drain in place due to her panniculectomy in August 2014.

1 WBC count with elevated band count, and elevated lactate, Respondent did not order any further
2 blood tests, perform any other work-up or additional testing before discharging her home.

3 18. On September 23, 2019, Respondent was interviewed by investigators at the Health
4 Quality Investigation Unit's San Diego field office regarding the care and treatment he had
5 provided to Patient A. Respondent told investigators that he had been concerned that the patient
6 was sick and needed to be admitted to the hospital, so he consulted the hospitalist on call to admit
7 the patient. Respondent further stated that the hospitalist later examined Patient A, but there is no
8 record of this occurring during the visit on September 6. Respondent then stated that the
9 hospitalist did not feel Patient A met the criteria for admission, and even if she did admit the
10 patient, she would not admit Patient A unless she was seen by her surgeon who had performed the
11 panniculectomy. According to Respondent, he tried multiple times to reach her surgeon but with
12 no success. No information regarding the discussion with the hospitalist or attempts to reach the
13 surgeon were documented in the record. Finally, Respondent told investigators that when he did
14 not hear back from Patient A's surgeon, he consulted the general surgeon on call at SMHCV and
15 discussed the case with him over the phone. Respondent stated that the surgeon told him "there
16 was nothing that required acute surgical intervention." Again, there is no documentation of this
17 discussion or consultation note in the patient's record.

18 19. On September 7, 2014, Patient A returned to SMHCV with fever, progressive
19 weakness, lethargy and hypotension. She was admitted to the intensive care unit with the
20 diagnosis of profound sepsis and multi-organ system failure.

21 20. Respondent committed repeated negligent acts in his care and treatment of Patient A
22 which includes, but is not limited to, the following:

- 23 a. Respondent failed to perform a complete history and physical examination,
24 and obtain additional testing due to Patient A's tachycardia, persistently elevated
25 WBC count with bandemia, and elevated lactate; and
- 26 b. Respondent failed to appropriately document consultations and
27 recommendations from discussions with the hospitalist and the on-call surgeon at
28 SMHCV.

SECOND CAUSE FOR DISCIPLINE

(Failure to Maintain Adequate and Accurate Medical Records)

21. Respondent has further subjected his Physician's and Surgeon's Certificate No. C 34997 to disciplinary action under sections 2227 and 2234, as defined in section 2266, of the Code, in that Respondent failed to maintain adequate and accurate records in connection with his care and treatment of Patient A, as more particularly alleged hereinafter:

22. **Patient A**

(a) Paragraphs 13 and 18, above, are hereby incorporated by reference and realleged as if fully set forth herein.

DISCIPLINARY CONSIDERATIONS

23. To determine the degree of discipline, if any, to be imposed on Respondent, Complainant alleges that on or about June 20, 2018, in a prior Medical Board of California investigation, Case No. 800-2015-017401, the Board issued a pre-accusation Public Letter of Reprimand against Respondent's Physician's and Surgeon's Certificate No. C 34997, which was based on findings that Respondent failed to complete a chest wall examination of a patient after admission, failed to correctly interpret and further investigate an abnormal EKG reading, discharged the patient with abnormal vital signs, and failed to document the patient's refusal of repeat troponin testing. These findings constituted violations of Business and Professions Code sections 2234, subsection (c), and 2266. That Public Letter of Reprimand is now final and is incorporated by reference as if fully set forth herein.

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician's and Surgeon's Certificate Number C 34997, issued to Respondent Donald Alton Vance, M.D.;
2. Revoking, suspending or denying approval of Respondent Donald Alton Vance, M.D.'s, authority to supervise physician assistants pursuant to section 3527 of the Code, and advanced practice nurses;
3. Ordering Respondent Donald Alton Vance, M.D., to pay the Medical Board of California the costs of probation monitoring, if placed on probation; and
4. Taking such other and further action as deemed necessary and proper.
