26
27
28

1 2. Respondent Lorrie Ann Strohecker, M.D. (Respondent) is represented in this
2 proceeding by attorney Natalie P. Vance, Klinedinst PC, whose address is 801 K Street, Suite
3 2100, Sacramento, CA 95814.

4 3. On or about November 21, 1997, the Board issued Physician's and Surgeon's
5 Certificate No. A 63964 to Respondent. The Physician's and Surgeon's Certificate was in full
6 force and effect at all times relevant to the charges brought in Accusation No. 800-2016-020061,
7 and will expire on August 31, 2021, unless renewed.

8 JURISDICTION

9 4. Accusation No. 800-2016-020061 was filed before the Board, and is currently
10 pending against Respondent. The Accusation and all other statutorily required documents were
11 properly served on Respondent on September 26, 2018. Respondent timely filed her Notice of
12 Defense contesting the Accusation.

13 5. A copy of Accusation No. 800-2016-020061 is attached as exhibit A and incorporated
14 herein by reference.

26 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
27 every right set forth above.

28

1 CULPABILITY

2 9. Respondent agrees that, at an administrative hearing, Complainant could establish a
3 *prima facie* case with respect to the charges and allegations contained in Accusation No. 800-
4 2016-020061 and that she has thereby subjected her Physician's and Surgeon's Certificate to
5 disciplinary action. Respondent further agrees to be bound by the Board's imposition of
6 discipline as set forth in the Disciplinary Order below.

7 10. Respondent further agrees that if she fails to successfully complete the
8 professionalism program, which is more fully described below, within the required time, all of the
9 charges and allegations contained in Accusation No. 800-2016-020061, shall be deemed true,
10 correct, and fully admitted by Respondent for purposes of any further proceeding before the
11 Board, and that her failure to complete the professionalism program shall constitute
12 unprofessional conduct and grounds for further disciplinary action.

13 CONTINGENCY

14 11. This stipulation shall be subject to approval by the Medical Board of California.
15 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
16 Board of California may communicate directly with the Board regarding this stipulation and
17 settlement, without notice to or participation by Respondent or her counsel. By signing the
18 stipulation, Respondent understands and agrees that she may not withdraw her agreement or seek
19 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
20 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
21 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
22 action between the parties, and the Board shall not be disqualified from further action by having
23 considered this matter.

24 12. The parties understand and agree that Portable Document Format (PDF) and facsimile
25 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
26 signatures thereto, shall have the same force and effect as the originals.

1 13. In consideration of the foregoing admissions and stipulations, the parties agree that
2 the Board may, without further notice or opportunity to be heard by the Respondent, issue and

17 six (6) months after Respondent's initial enrollment, and the longitudinal component of the
18 program not later than the time specified by the program, but no later than one (1) year after
19 attending the classroom component. The professionalism program shall be at Respondent's
20 expense and shall be in addition to the Continuing Medical Education (CME) requirements for
21 renewal of licensure.

22 A professionalism program taken after the acts that gave rise to the charges in the
23 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
24 or its designee, be accepted towards the fulfillment of this condition if the program would have
25 been approved by the Board or its designee had the program been taken after the effective date of
26 this Decision.

27 Respondent shall submit a certification of successful completion to the Board or its
28 designee not later than 15 calendar days after successfully completing the program or not later

1 than 15 calendar days after the effective date of the Decision, whichever is later.

17 **No. A 63964,**

Respondent.

18
19
20 Complainant alleges:

21 **PARTIES**

22 1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official
23 capacity as the Executive Director of the Medical Board of California, Department of Consumer
24 Affairs (Board).

25 2. On or about November 21, 1997, the Medical Board issued Physician's and Surgeon's
26 Certificate Number A 63964 to Lorrie Ann Strohecker, M.D. (Respondent). The Physician's and
27 Surgeon's Certificate was in full force and effect at all times relevant to the charges brought
28 herein and will expire on August 31, 2019, unless renewed.

1 **JURISDICTION**

2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code unless otherwise indicated.

4 4. Section 2227 of the Code provides that a licensee who is found guilty under the
5 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
6 one year, placed on probation and required to pay the costs of probation monitoring, or such other
7 action taken in relation to discipline as the Board deems proper.

8 5. Section 2234 of the Code, states:

9 "The board shall take action against any licensee who is charged with unprofessional
10 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
11 limited to, the following:

12 "(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
13 violation of, or conspiring to violate any provision of this chapter.

14 "(b) Gross negligence.

15 "(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or
16 omissions. An initial negligent act or omission followed by a separate and distinct departure from
17 the applicable standard of care shall constitute repeated negligent acts.

18 "(1) An initial negligent diagnosis followed by an act or omission medically appropriate for
19 that negligent diagnosis of the patient shall constitute a single negligent act.

20 "(2) When the standard of care requires a change in the diagnosis, act, or omission that
21 constitutes the negligent act described in paragraph (1), including, but not limited to, a
22 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the
23 applicable standard of care, each departure constitutes a separate and distinct breach of the
24 standard of care.

25 "(d) Incompetence.

26 "(e) The commission of any act involving dishonesty or corruption which is substantially
27 related to the qualifications, functions, or duties of a physician and surgeon.

28 "(f) Any action or conduct which would have warranted the denial of a certificate.

1 “(g) The practice of medicine from this state into another state or country without meeting
2 the legal requirements of that state or country for the practice of medicine. Section 2314 shall not
3 apply to this subdivision. This subdivision shall become operative upon the implementation of the
4 proposed registration program described in Section 2052.5.

5 “(h) The repeated failure by a certificate holder, in the absence of good cause, to attend and
6 participate in an interview by the board. This subdivision shall only apply to a certificate holder
7 who is the subject of an investigation by the board.”

8 6. Section 2236 of the Code states:

9 “(a) The conviction of any offense substantially related to the qualifications, functions, or
10 duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this
11 chapter [Chapter 5, the Medical Practice Act]. The record of conviction shall be conclusive
12 evidence only of the fact that the conviction occurred.

13 ... (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed
14 to be a conviction within the meaning of this section and Section 2236.1. The record of
15 conviction shall be conclusive evidence of the fact that the conviction occurred.

16 7. Section 2239 of the Code states:

17 (a) The use or prescribing for or administering to himself or herself, of any controlled
18 substance; or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic
19 beverages, to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to
20 any other person or to the public, or to the extent that such use impairs the ability of the licensee
21 to practice medicine safely or more than one misdemeanor or any felony involving the use,
22 consumption, or self-administration of any of the substances referred to in this section, or any
23 combination thereof, constitutes unprofessional conduct. The record of the conviction is
24 conclusive evidence of such unprofessional conduct.

25 (b) A plea or verdict of guilty or a conviction following a plea of nolo contendere is
26 deemed to be a conviction within the meaning of this section. The Medical Board may order
27 discipline of the licensee in accordance with Section 2227 or the Medical Board may order the
28 denial of the license when the time for appeal has elapsed or the judgment of conviction has been

1 affirmed on appeal or when an order granting probation is made suspending imposition of
2 sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal
3 Code allowing such person to withdraw his or her plea of guilty and to enter a plea of not guilty,
4 or setting aside the verdict of guilty, or dismissing the accusation, complaint, information, or
5 indictment.

6 8. California Code of Regulations, title 16, section 1360, states:

7 "For the purposes of denial, suspension or revocation of a license, certificate or permit
8 pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be
9 considered to be substantially related to the qualifications, functions or duties of a person holding
10 a license, certificate or permit under the Medical Practice Act if to a substantial degree it
11 evidences present or potential unfitness of a person holding a license, certificate or permit to
12 perform the functions authorized by the license, certificate or permit in a manner consistent with
13 the public health, safety or welfare. Such crimes or acts shall include but not be limited to the
14 following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the
15 violation of, or conspiring to violate any provision of the Medical Practice Act."

16 9. California Vehicle Code Section 23152 states:

17 "(a) It is unlawful for a person who is under the influence of any alcoholic beverage to
18 drive a vehicle."

19 "(b) It is unlawful for a person who has a 0.08 percent or more, by weight, of alcohol in his
20 or her blood to drive a vehicle. ..."

21 10. California Vehicle Code Section 23578 states:

22 "In addition to any other provision of this code, if a person is convicted of a violation of
23 Section 23152 or 23153, the court shall consider a concentration of alcohol in the person's blood
24 of 0.15 percent or more, by weight, or the refusal of the person to take a chemical test, as a
25 special factor that may justify enhancing the penalties in sentencing, in determining whether to
26 grant probation, and, if probation is granted, in determining additional or enhanced terms and
27 conditions of probation."

1 FIRST CAUSE FOR DISCIPLINE

2 **(Unprofessional Conduct, Criminal Conviction of a Crime, and Dangerous Use of Alcohol)**

3 11. Respondent is subject to disciplinary action under section 2234 (unprofessional
4 conduct), and/or section 2236 and California Code of Regulations, title 16, section 1360 (criminal
5 conviction), and /or section 2239 (dangerous use of alcohol), in that on or about May 26, 2016, in
6 a criminal proceeding entitled *People of the State of California v. Lorrie Ann Strohecker*, in the
7 Placer County Superior Court, Case Number 62-143884, Respondent was convicted by plea of
8 "no contest" to violating California Vehicle Code Section 23152(a), a misdemeanor offense, and
9 violating California Vehicle Code Section 23578, an enhancement of driving with a high blood
10 alcohol level. The circumstances are as follows:

- 11 a. On or about January 8, 2016, at approximately 4:40 a.m., in Placer, California,
12 Respondent was arrested for driving under the influence of alcohol after a witness
13 observed Respondent to drive through the parking lot of the Thunder Valley Casino,
14 strike the curb, and then attempt, unsuccessfully, to park her car.
- 15 b. California Highway Patrol officer found Respondent's car parked in the middle of an
16 aisle in the parking lot. Upon initial contact with Respondent, the officer observed that
17 Respondent displayed objective signs of intoxication. Respondent also failed to
18 perform field sobriety tests administered by the officer.
- 19 c. Respondent provided breath tests that registered .18%, .21% and .20% blood alcohol
20 content (BAC).
- 21 d. Respondent was charged by the Placer County District Attorney's Office with violating
22 California Vehicle Code sections 23152(a), driving under the influence, and 23153 (b),
23 driving with a BAC in excess of 0.08%. Additionally, Respondent was charged with
24 the enhancement of driving with a BAC in excess of 0.15%, pursuant to California
25 Vehicle Code section 23578.
- 26 e. On or about May 26, 2016, Respondent pleaded "no contest" to violating California
27 Vehicle Code section 23152(a) and admitted the enhancement of Vehicle Code section
28 23578. Respondent was sentenced by the court to twenty (20) days in custody with

1 credit for one (1) day served, and the remainder to be completed through the work
2 project program; three (3) years probation; a fine of \$2,027.00; and a three (3) month
3 DUI program.

4 12. Respondent engaged in unprofessional conduct, pursuant to section 2234 of the Code,
5 by virtue of the fact that Respondent drove a vehicle while under the influence of an excessive
6 amount of alcohol in a manner dangerous to Respondent and others in violation of section 2239
7 of the Code.

8 13. Respondent's criminal conviction for driving under the influence of alcohol, with a
9 BAC in excess of .15%, pursuant to California Vehicle Code sections 23152 and 23578, is
10 substantially related to the qualifications, functions and duties of a physician and surgeon, and
11 constitutes unprofessional conduct and cause for discipline pursuant to sections 2234 and 2236 of
12 the Code, and title 16, section 1360 of the California Code of Regulations.

13 **PRAYER**

14 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
15 and that following the hearing, the Medical Board of California issue a decision:
