1 JURISDICTION

2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2227 of the Code states:

6 (a) A licensee whose matter has been heard by an administrative law judge of
7 the Medical Quality Hearing Panel as designated in Section 11371 of the Government
8 Code, or whose default has been entered, and who is found guilty, or who has entered
9 into a stipulation for disciplinary action with the board, may, in accordance with the
10 provisions of this chapter:

11 (1) Have his or her license revoked upon order of the board.

12 (2) Have his or her right to practice suspended for a period not to exceed one
13 year upon order of the board.

14 (3) Be placed on probation and be required to pay the costs of probation
15 monitoring upon order of the board.

16 (4) Be publicly reprimanded by the board. The public reprimand may include a
17 requirement that the licensee complete relevant educational courses approved by the
18 board.

19 (5) Have any other action taken in relation to discipline as part of an order of
20 probation, as the board or an administrative law judge may deem proper.

21 (b) Any matter heard pursuant to subdivision (a), except for warning letters,
22 medical review or advisory conferences, professional competency examinations,
23 continuing education activities, and cost reimbursement associated therewith that are
24 agreed to with the board and successfully completed by the licensee, or other matters
25 made confidential or privileged by existing law, is deemed public, and shall be made
26 available to the public by the board pursuant to Section 803.1.

27 5. Section 2305 of the Code states:

28 The revocation, suspension, or other discipline, restriction or limitation
imposed by another state upon a license or certificate to practice medicine issued by
that state, or the revocation, suspension, or restriction of the authority to practice
medicine by any agency of the federal government, that would have been grounds for
discipline in California of a licensee under this chapter [Chapter 5, the Medical
Practice Act] shall constitute grounds for disciplinary action for unprofessional
conduct against the licensee in this state.

6. Section 141 of the Code states:

(a) For any licensee holding a license issued by a board under the jurisdiction of
the department, a disciplinary action taken by another state, by any agency of the
federal government, or by another country for any act substantially related to the
practice regulated by the California license, may be a ground for disciplinary action
by the respective state licensing board. A certified copy of the record of the

1 disciplinary action taken against the licensee by another state, an agency of the
2 federal government, or another country shall be conclusive evidence of the events
3 related therein.

4 (b) Nothing in this section shall preclude a board from applying a specific
5 statutory provision in the licensing act administered by that board that provides for
6 discipline based upon a disciplinary action taken against the licensee by another state,
7 an agency of the federal government, or another country.

8 **FIRST CAUSE FOR DISCIPLINE**

9 **(Discipline, Restriction, or Limitation Imposed by Another State)**

10 7. Respondent Herbert William Jones, M.D. is subject to disciplinary action under
11 section 141(a) and/or 2305 of the Code in that on May 11, 2019, the State of Minnesota Board of
12 Medical Practice (Minnesota Board) issued a Stipulation and Order for Indefinite Suspension of
13 Respondent's license. The circumstances are as follows:

14 8. On December 4, 2018, Respondent signed a Stipulation to Cease Practice with the
15 Minnesota Board, and on December 6, 2018 entered into a Participation Agreement and
16 Monitoring Plan with the Health Professionals Services Program (HPSP) for monitoring of his
17 chemical dependency and mental health. Respondent agreed to abstain from alcohol, controlled
18 substances, and mood-altering substances; refrain from practicing medicine; enter a residential
19 assessment program by December 10, 2018; and submit to unannounced toxicology screens.

20 9. Respondent failed to enter a residential program by December 10, 2018; failed to
21 complete a toxicology screen on January 23, 2019; and took a controlled substance (Xanax).
22 Respondent admitted practicing medicine while under the influence of chemicals and failing to
23 complete chart reviews because of his chemical use. As a result, the Minnesota Board
24 indefinitely suspended Respondent's license until he provides satisfactory evidence that he is fit
25 and competent to resume practice as a physician.

26 10. Respondent's conduct and the actions of the Minnesota Board as set forth in
27 Paragraphs 7 – 9, above, and within the actual Minnesota Board documents attached as Exhibit A,
28 constitutes unprofessional conduct within the meaning of 2305 and conduct subject to discipline
within the meaning of section 141(a).

1 SECOND CAUSE FOR DISCIPLINE

2 **(Discipline, Restriction, or Limitation Imposed by Another State)**

3 11. Respondent Herbert William Jones, M.D. is subject to disciplinary action under
4 section 141(a) and/or 2305 of the Code in that on July 23, 2019 the Medical Licensure
5 Commission of Alabama issued an Order Temporarily Suspending Respondent's medical license
6 based upon the request of the Alabama State Board of Medical Examiners (Alabama Board).
7 The circumstances are as follows:

8 12. On or about July 23, 2019, the Alabama Board found evidence that Respondent's
9 continued practice of medicine may constitute an immediate danger to his patients and the public
10 and temporarily suspended his license. The Alabama Board found probable cause of the
11 following: out of state discipline by the Minnesota Board and inability to practice medicine with
12 reasonable skill and safety to patients because of illness, inebriation, excessive use of drugs,
13 alcohol, or as a result of a mental and physical condition. The Alabama Board's probable cause
14 was based on the following:

15 A. On October 18, 2018, Respondent failed to read a patient's images sent to his home
16 electronically for review and when a colleague went to check on Respondent the next day, he
17 discovered him unresponsive where he was transported to the emergency room;

18 B. Respondent again went to the emergency room on October 22, 2018 and was admitted
19 into the hospital.

20 C. On December 20, 2018, the Minneapolis Police Department executed a search warrant
21 at Respondent's residence and located several grams of methamphetamine and over ten grams of
22 heroin. Witnesses at the residence said Respondent was a heroin user.

23 D. Respondent continued to have a troubled record of compliance in Minnesota throughout
24 January 2019.

25 13. Respondent's conduct and the actions of the Alabama Board as set forth in
26 Paragraphs 11 - 12, above, and within the actual Alabama Board documents attached as Exhibit
27 B, constitutes unprofessional conduct within the meaning of 2305 and conduct subject to
28 discipline within the meaning of section 141(a).

Respondent agrees that the conduct cited above constitutes a reasonable basis in law and fact to justify the disciplinary action under these statutes.

REMEDY

5. Upon this stipulation and all of the files, records, and proceedings herein, and without any further notice or hearing herein, Respondent does hereby consent that until further order of the Board, made after notice and hearing upon application by Respondent or upon the Board's own motion, the Board may make and enter an order suspending Respondent's license to practice medicine and surgery in the State of Minnesota as follows:

 - c. Respondent shall sign all necessary releases to allow the Board access to all medical, mental health, evaluation, therapy, chemical dependency, or other records from any treating health professional or evaluator. Respondent shall allow the Board or its designee to communicate with all treating health professionals.
 - d. Respondent may petition for reinstatement of his license upon submission of satisfactory evidence that he is fit and competent to resume practice as a physician with reasonable skill and safety to patients. Satisfactory evidence shall include, but is not limited to, six months of documented and uninterrupted recovery and at least 12 random biological fluid screens per quarter. The biological fluid screens shall be collected and tested consistent with recognized protocols and handled with legal chain of custody methods.

Upon hearing his petition, the Committee may recommend that the Board continue, modify, or remove the suspension or impose conditions or restrictions as deemed necessary.
6. Within ten days of signing the Stipulation to this Order, Respondent shall provide the Board with a list of all hospitals and skilled nursing facilities at which Respondent currently has medical privileges, a list of all states in which Respondent is licensed or has applied for licensure, and the addresses and telephone numbers of Respondent's residences. 7. If Respondent shall fail, neglect, or refuse to fully comply with each of the terms, provisions, and conditions herein, the Committee shall schedule a hearing before the Board. The Committee shall mail Respondent a notice of the violation alleged by the Committee and of the time and place of the hearing. Respondent shall submit a response to the allegations at least three days prior to the hearing. If Respondent does not submit a timely response to the Board, the allegations may be deemed admitted.

At the hearing before the Board, the Committee and Respondent may submit affidavits made on personal knowledge and argument based on the record in support of their positions. The evidentiary record before the Board shall be limited to such affidavits and this Stipulation and Order. Respondent waives a hearing before an administrative law judge and waives discovery, cross-examination of adverse witnesses, and other procedures governing administrative hearings or civil trials.

At the hearing, the Board will determine whether to impose additional disciplinary action, including additional conditions or limitations on Respondent's practice, or suspension or revocation of Respondent's license.

8. In the event the Board in its discretion does not approve this settlement, this stipulation is withdrawn and shall be of no evidentiary value and shall not be relied upon nor introduced in any disciplinary action by either party hereto except that Respondent agrees that should the Board reject this stipulation, and if this case proceeds to hearing, Respondent will assert no claim that the Board was prejudiced by its review and discussion of this stipulation or of any records relating hereto.

9. Respondent waives any further hearings on this matter before the Board to which Respondent may be entitled by Minnesota or United States constitutions, statutes, or rules and agrees that the order to be entered pursuant to the stipulation shall be the final order herein.

10. Respondent hereby acknowledges that he has read and understands this stipulation and has voluntarily entered into the stipulation without threat or promise by the Board or any of its members, employees, or agents. This stipulation contains the entire agreement between the parties, there being no other agreement of any kind, verbal or otherwise, which varies the terms of this stipulation.

CASE NO. 19 - 163

**ADMINISTRATIVE COMPLAINT AND
 PETITION FOR SUMMARY SUSPENSION OF LICENSE**

Comes now the Alabama State Board of Medical Examiners (hereinafter "the Board"), and submits herein its sworn petition pursuant to the authority of Ala. Code §§ 34-24-361(e) and (f), and respectfully represents to the Medical Licensure Commission (hereinafter "the Commission") the following:

1. On November 29, 2017, the Respondent, Herbert William Jones, M.D., was issued a license to practice medicine across state lines in the State of Alabama, license number SP.139. Dr. Jones has maintained a license to practice medicine across state lines in Alabama since that date. He does not hold an Alabama Controlled Substances Certificate.

2. The Board has investigated Dr. Jones, and, based on that investigation, has concluded that there is probable cause to believe that he has committed the following violations of Ala. Code § 34-24-360:

- a. Has had disciplinary action taken by another state against his license to practice medicine in that state, to-wit, Minnesota, based upon acts by the licensee similar to acts prohibited under Ala. Code § 34-24-360, a violation of Ala. Code § 34-24-360(15); and
- b. Being unable to practice medicine with reasonable skill and safety to patients by reason of illness, inebriation, excessive use of drugs, narcotics, alcohol, chemicals, or any other substance, or as a result of any mental or physical condition, a violation of Ala. Code § 34-24-360(19)a.

3. In support of these allegations, the Board states the following:

4. On May 11, 2019, the Minnesota Board of Medical Practice executed a Stipulation and Order for Indefinite Suspension with Dr. Jones that indefinitely suspended his license to practice medicine and surgery in Minnesota.

- a. Minn. Stat. § 147.091, subd. 1 (g)(2)-(5) by engaging in unethical or improper conduct, including, but not limited to conduct likely to harm the public; conduct that demonstrates a willful or careless disregard for the health, welfare, or safety of a patient; medical practice that is professionally incompetent; and conduct that may create unnecessary danger to any patient's life, health, or safety;
- b. Minn. Stat. § 147.091, subd. 1 (k) by engaging in conduct that departs from or fails to conform to the minimal standards of acceptable and prevailing medical practice;
- c. Minn. Stat. § 147.091, subd. 1 (l) was/is unable to practice medicine with reasonable skill and safety to patients due to illness;
- d. Minn. Stat. § 147.091, subd. 1 (r) became addicted or habituated to a drug or intoxicant; and
- e. Minn. Stat. § 214.355 by violating his participation agreement with the Minnesota Health Professionals Services Program (HPSP).

6. The underlying acts which were the basis for the indefinite suspension of Dr. Jones's Minnesota license are similar to acts prohibited under Ala. Code § 34-24-360(2), (3), (9), and/or (19)a.

11. On or about December 20, 2018, the Minneapolis Police Department executed a search warrant at Dr. Jones's residence. The search warrant yielded several grams of methamphetamine and over 10 grams of heroin. Other persons were present at the residence when the search warrant was executed and several of them indicated that Dr. Jones was a heroin user. Upon information provided to the Minnesota Board of Medical Practice, it is believed that Dr. Jones's significant other was the target of the search warrant and had been selling controlled substances out of the residence.

13. The Board of Medical Examiners finds and certifies to the Medical Licensure Commission that the continuation of the authority of Dr. Jones to practice medicine in Alabama may constitute an immediate danger to patients or to the public and that the Board has in its possession evidence to support this finding.

Code §§ 34-24-361(f) and 41-22-19(d), immediately suspend the license to practice medicine across state lines of Herbert William Jones, M.D., without a hearing, and order that Dr. Jones

immediately cease and desist from the practice of medicine in the State of Alabama and surrender to the Medical Licensure Commission of Alabama or a designated agent his license to practice medicine.

Further, the Board of Medical Examiners requests that the Medical Licensure Commission set a hearing on this Administrative Complaint, and order that the Respondent, Herbert William Jones, M.D., appear and answer the allegations contained in this Administrative Complaint. The Board requests that, at the conclusion of the hearing, the Commission revoke the special purpose license to practice medicine of Dr. Jones, and/or take such other actions as the Commission may deem appropriate based upon the evidence presented for consideration.

The Board is presently continuing the investigation of Dr. Jones and said investigation may result in additional charges being prepared and filed as an amendment to this Administrative Complaint.

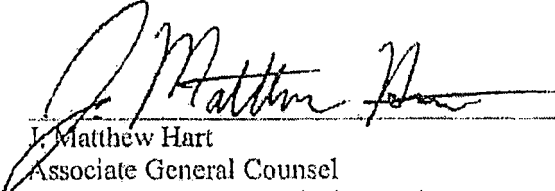

The Board requests that administrative costs be assessed against the Respondent pursuant to Ala. Code § 34-24-381, and Commission Rule 545-X-3-.08(12)(e).
