19  
20 **FINDINGS OF FACT**

21 1. On October 21, 2020, Complainant William Prasifka, in his official capacity as the  
22 Executive Director of the Medical Board of California, Department of Consumer Affairs, filed  
23 Accusation No. 800-2019-060658 against Roderick Gow Lamond, M.D. (Respondent) before the  
24 Medical Board of California.

25 2. On September 30, 1985, the Medical Board of California (Board) issued Physician's  
26 and Surgeon's Certificate No. A42165 to Respondent. The Physician's and Surgeon's Certificate  
27

1 was in full force and effect at all times relevant to the charges brought herein and will expire on  
2 September 30, 2021, unless renewed. (Exhibit Package, Exhibit 1<sup>1</sup>, license certification.)

3 3. On October 21, 2020, Respondent was duly served with an Accusation, alleging  
4 causes for discipline against Respondent. (Exhibit Package, Exhibit 2, Accusation.)

5 4. The allegations of the Accusation are true as follows based on public records of the  
6 Colorado State Medical Board which are attached as Exhibit A to the Accusation, Exhibit  
7 Package, Exhibit 2, Accusation.

- 8 • On September 12, 2019, the Colorado State Medical Board (Colorado Board) issued a  
9 disciplinary action in the form of a “letter of admonition.”
- 10 • The admonishment was based on a November 2017 procedure on a patient where  
11 Respondent unintentionally performed a lumbar microdiscectomy on the L3-4 level  
12 of the spine instead of at the L4-5 level of the spine. This resulted in continued  
13 symptoms for the patient and required a second surgery.
- 14 • The performing of a surgical procedure at the wrong level of a patient’s spine  
15 constituted unprofessional conduct in violation of section 12-36-117 of the Colorado  
16 Revised Statutes in that it was care and treatment that fell below the generally  
17 accepted standards of practice for a physician.

18 5. On October 21, 2020, an employee of the Medical Board of California (Board), sent  
19 by certified mail a copy of Accusation No. 800-2019-060658, Statement to Respondent, Notice of  
20 Defense in blank, and Request for Discovery to Respondent's address of record with the Board,  
21 which was and is 1601 E. 19th Ave, Suite 6250, Denver, CO 80218-1291. The United States  
22 Post Office tracking system noted the package was delivered on October 24, 2020. (Exhibit  
23 Package, Exhibit 2, Accusation, proof of service; Exhibit 3, USPS tracking printout.)

24 6. There was no response to the Accusation. On November 12, 2020, an employee of  
25 the Attorney General’s Office sent a Courtesy Notice of Default, by certified mail, addressed to  
26 Respondent at the address of record above, as well as to a Colorado address associated with

27 \_\_\_\_\_  
28 <sup>1</sup> The evidence in support of this Default Decision and Order is submitted herewith as the  
“Exhibit Package.” 2

1 Respondent: Denver Neurologic and Spine Assoc. 3455 Lutheran Parkway, Suite 280, Wheat  
2 Ridge, CO 80033. The Courtesy Notice of Default advised Respondent of the service of the  
3 Accusation, and provided him with an opportunity to file a Notice of Defense and request relief  
4 from default. The United State Post Office tracking system noted the package was delivered to  
5 Respondent's address of record on November 19, 2020. There is no service to the second address  
6 in Colorado associated with Respondent. (Exhibit Package, Exhibit 4, Courtesy Notice of  
7 Default, proof of service, USPS tracking printouts.)

8 7. Respondent has not responded to service of the Accusation or the Notice of Default.  
9 He has not filed a Notice of Defense. As a result, Respondent has waived his right to a hearing  
10 on the merits to contest the allegations contained in the Accusation.

11 8. Service of the Accusation was effective as a matter of law under the provisions of  
12 Government Code section 11505, subdivision (c).

13 **STATUTORY AUTHORITY**

14 9. Government Code section 11506 states, in pertinent part:

15 "(c) The respondent shall be entitled to a hearing on the merits if the respondent files a  
16 notice of defense, and the notice shall be deemed a specific denial of all parts of the accusation  
17 not expressly admitted. Failure to file a notice of defense shall constitute a waiver of  
18 respondent's right to a hearing, but the agency in its discretion may nevertheless grant a hearing."

19 10. Respondent failed to file a Notice of Defense within 15 days after service upon him  
20 of the Accusation, and therefore waived his right to a hearing on the merits of Accusation No.  
21 800-2019-060658.

22 11. California Government Code section 11520 states, in pertinent part:

23 "(a) If the respondent either fails to file a notice of defense or to appear at the hearing, the  
24 agency may take action based upon the respondent's express admissions or upon other evidence  
25 and affidavits may be used as evidence without any notice to respondent."

23 (Board).

24 2. On or about September 30, 1985, the Medical Board issued Physician's and Surgeon's

1 **JURISDICTION**

2 3. This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
4 indicated.

5 4. Section 2227 of the Code provides that a licensee who is found guilty under the  
6 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
7 one year, placed on probation and required to pay the costs of probation monitoring, or such other  
8 action taken in relation to discipline as the Board deems proper.

9 5. Section 2305 of the Code provides, in part, that the revocation, suspension, or other  
10 discipline, restriction or limitation imposed by another state upon a license to practice medicine  
11 issued by that state, or the revocation, suspension, or restriction of the authority to practice  
12 medicine by any agency of the federal government, that would have been grounds for discipline  
13 in California under the Medical Practice Act, constitutes grounds for discipline for unprofessional  
14 conduct.

15 6. Section 141 of the Code states:

16 (a) For any licensee holding a license issued by a board under the jurisdiction of  
17 the department, a disciplinary action taken by another state, by any agency of the  
18 federal government, or by another country for any act substantially related to the  
19 practice regulated by the California license, may be a ground for disciplinary action  
20 by the respective state licensing board. A certified copy of the record of the  
disciplinary action taken against the licensee by another state, an agency of the  
federal government, or another country shall be conclusive evidence of the events  
related therein.

21 (b) Nothing in this section shall preclude a board from applying a specific  
22 statutory provision in the licensing act administered by that board that provides for  
discipline based upon a disciplinary action taken against the licensee by another state,  
23 an agency of the federal government, or another country.

24 **CAUSE FOR DISCIPLINE**

25 **(Discipline, Restriction, or Limitation Imposed by Another State)**

26 7. On September 12, 2019, the Colorado State Medical Board imposed discipline on  
27 Respondent's Colorado medical license. Respondent was issued a "Letter of Admonition" for  
28 engaging in unprofessional conduct. The discipline was based on a complaint that Respondent

1 violated accepted standards of practice for a physician when Respondent performed a surgical  
2 procedure at the wrong level of a patient's spine requiring the patient to have a second surgery  
3 (procedure done at the L3-04 level instead of the L4-5 level of the spine). A copy of the Colorado  
4 Medical Board Letter of Admonition is attached as Exhibit A.

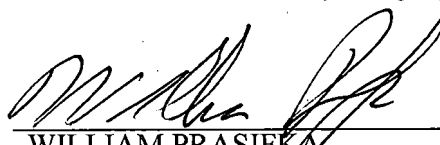

5 8. Respondent's conduct and the action of the Colorado State Medical Board as set forth  
6 in paragraph 7, above, constitute cause for discipline pursuant to sections 2305 and/or 141 of the  
7 Code

Re: Case No. 2019-4028-A

Dear Dr. Lamond:

Inquiry Panel A ("Panel") of the Colorado Medical Board ("Board") has concluded its inquiry regarding your care and treatment of patient D.H. It was the Panel's decision not to commence with formal proceedings against your license to practice medicine. However, the Panel did vote to administer disciplinary action to you in the form of this letter of admonition.

As you recall, in November 2017, you performed a right L4-5 lumbar microdiscectomy on Patient D.H. Although you intended to perform the procedure at the L4-5 level of the spine, you unintentionally performed the procedures at the L3-4 level, resulting in continued symptoms for the patient and requiring a second surgery.

After a review of all the information in this matter, the Panel found that your care and treatment of patient D.H. fell below the generally accepted standards of practice for a physician, constituting unprofessional conduct in violation of section 12-36-117 of the Colorado Revised Statutes. Specifically, you performed a surgical procedure at the wrong level of a patient's spine.

By this letter, the Panel hereby admonishes you and cautions you that complaints disclosing any repetition of such practice may lead to the commencement of formal disciplinary proceedings against your license to practice medicine, wherein this letter of admonition may be entered into evidence as aggravation.

You are advised that it is your right to have this case reviewed in an administrative proceeding. To do so, you must submit a written request within twenty (20) days after receipt of this letter. In your request, you must clearly ask that formal disciplinary proceedings be initiated against you to adjudicate the propriety of the conduct upon which this letter of admonition is based. If such request is timely made, this letter of admonition will be deemed vacated, and the matter will be processed by means of a formal complaint and hearing in accordance with the provisions of the Medical Practice Act.

Sincerely,

FOR THE COLORADO MEDICAL BOARD  
INQUIRY PANEL A

Amanda M. Mixon P.A.-C  
Chair
